The Committee on Fiscal Policy (Burton) recommended the following:

**Senate Amendment (with title amendment)**

Before line 21

insert:

Section 1. Section 395.3042, Florida Statutes, is created to read:

395.3042 Voluntary nonopioid patient form.-

(1) As used in this section, the term "episode of care" includes all the services provided to a patient to clinically treat a condition, an illness, or a procedure.

780362

11           (2) The agency shall create and post on its website a  
12 voluntary nonopioid patient form that allows a person to  
13 indicate to a treating health care provider that the person  
14 should not be prescribed or administered an opioid drug during  
15 an episode of care. Each health care facility shall post the  
16 voluntary nonopioid patient form on the facility's website or  
17 provide a link to the form on the agency's website.

18           (3) At the person's request and before a specified episode  
19 of care, the form may be filed in the person's medical record in  
20 a health care facility or a private office of a health care  
21 practitioner who is providing pretreatment or posttreatment  
22 care, or both, to the person for a specified episode of care  
23 related to the form. The form serves as a person's directive  
24 related to treatment using opioid drugs during the episode of  
25 care at the facility or during the health care practitioner's  
26 pretreatment or posttreatment care.

27           (4) A person may revoke a voluntary nonopioid form for any  
28 reason and may do so by written or oral statement. The form  
29 expires upon the conclusion of the specified episode of care for  
30 which it was filed.
