HB 719

1	A bill to be entitled
2	An act relating to federal approval for community
3	health workers as Medicaid providers; requiring the
4	Agency for Health Care Administration to seek federal
5	approval by a specified date to enroll and recognize
6	community health workers as Medicaid providers and to
7	use certain funds and means to secure financing for
8	the workers' services; providing guidelines for the
9	federal approval; providing reporting requirements;
10	providing an effective date.
11	
12	Be It Enacted by the Legislature of the State of Florida:
13	
± 0	
14	Section 1. (1) By September 30, 2025, the Agency for
14	
14 15	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll
14 15 16	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll
14 15 16 17	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure
14 15 16 17 18	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate
14 15 16 17 18 19	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate
14 15 16 17 18 19 20	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate federal approval must allow for community health worker services on a statewide basis and must not be a limited geography waiver.
14 15 16 17 18 19 20 21	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate federal approval must allow for community health worker services on a statewide basis and must not be a limited geography waiver.
14 15 16 17 18 19 20 21 22	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate federal approval must allow for community health worker services on a statewide basis and must not be a limited geography waiver. The federal approval must also maximize the use of community
14 15 16 17 18 19 20 21 22 23	Health Care Administration shall seek federal approval, through a Medicaid waiver or a state plan amendment, to formally enroll and recognize community health workers as Medicaid providers and to use Medicaid matching funds and other means to secure financing for community health worker services. The appropriate federal approval must allow for community health worker services on a statewide basis and must not be a limited geography waiver. The federal approval must also maximize the use of community health workers by providing financing that includes fee-for-
