13 **Section 1. Section 381.992, Florida Statutes, is created**
14 **to read:**

15 381.992 Type 1 diabetes early detection program.—

16 (1) The Department of Health, in collaboration with school
17 districts throughout the state, shall develop informational
18 materials for the early detection of Type 1 diabetes for parents
19 and guardians of students. The informational materials shall be
20 made available to each school district, school board, and
21 charter school through the department's website.

22 (2) Within 90 days after July 1, 2025, the department
23 shall develop the materials related to the early detection of
24 Type 1 diabetes and post the information on its website. The
25 department shall develop a standardized methodology for each

26 school district, school board, and charter school for the
27 notification of the parents or guardians of public school
28 voluntary prekindergarten, kindergarten, and first-grade
29 students, by September 30, 2025, and annually thereafter, of the
30 availability of the Type 1 diabetes early detection materials.

31 (3) Information provided to parents and guardians shall
32 include, but not be limited to, all of the following:

33 (a) A description of Type 1 diabetes.

34 (b) A description of the risk factors and warning signs
35 associated with Type 1 diabetes.

36 (c) A description of the process for screening students
37 for early detection of Type 1 diabetes using a blood
38 autoantibody test.

39 (d) A recommendation for further evaluation for students
40 displaying warning signs associated with Type 1 diabetes or
41 positive early detection screening results.

42 **Section 2.** This act shall take effect July 1, 2025.
