2025872c2

1                   A bill to be entitled  
2           An act relating to price controls for the storage of  
3           electric vehicles; amending ss. 125.0103 and 166.043,  
4           F.S.; requiring counties and municipalities,  
5           respectively, to establish specified rates for the  
6           storage of certain electric vehicles; authorizing a  
7           wrecker operator to charge specified costs for the  
8           cleanup of an accident scene associated with an  
9           electric vehicle; providing an effective date.

10  
11 Be It Enacted by the Legislature of the State of Florida:

12  
13           Section 1. Paragraph (e) is added to subsection (1) of  
14           section 125.0103, Florida Statutes, to read:

15           125.0103 Ordinances and rules imposing price controls.—

16           (1)

17           (e)1. Counties shall establish maximum rates for the  
18           storage of electric vehicles as defined in s. 320.01(36) which  
19           have been involved in accidents. Such rates may be up to 3 times  
20           the rates charged by a wrecker operator, as defined in s.  
21           323.002(1), for the storage of vehicles that run on gasoline or  
22           diesel fuels and must apply in the event the electric vehicle  
23           owner or operator is incapacitated or unavailable, leaves the  
24           procurement of wrecker service to the law enforcement officer at  
25           the scene, or otherwise does not consent to the removal of the  
26           electric vehicle.

27           2. A wrecker operator may charge the actual cost of  
28           services, plus 15 percent, for the cleanup of an accident scene  
29           associated with an electric vehicle, including a fire or any

30 accidental discharge of any hazardous materials or debris  
31 associated with the electric vehicle.

32 Section 2. Paragraph (e) is added to subsection (1) of  
33 section 166.043, Florida Statutes, to read:

34 166.043 Ordinances and rules imposing price controls.-

35 (1)

36 (e)1. Municipalities shall establish maximum rates for the  
37 storage of electric vehicles as defined in s. 320.01(36) which  
38 have been involved in accidents. Such rates may be up to 3 times  
39 the rates charged by a wrecker operator, as defined in s.  
40 323.002(1), for the storage of vehicles that run on gasoline or  
41 diesel fuels and must apply in the event the electric vehicle  
42 owner or operator is incapacitated or unavailable, leaves the  
43 procurement of wrecker service to the law enforcement officer at  
44 the scene, or otherwise does not consent to the removal of the  
45 electric vehicle.

46 2. A wrecker operator may charge the actual cost of  
47 services, plus 15 percent, for the cleanup of an accident scene  
48 associated with an electric vehicle, including a fire or any  
49 accidental discharge of any hazardous materials or debris  
50 associated with the electric vehicle.

51 Section 3. This act shall take effect July 1, 2025.
