32 **Section 1. Subsection (4) of section 468.4334, Florida**
33 **Statutes, is amended to read:**

34 468.4334 Professional practice standards; liability;
35 community association manager requirements; return of records
36 after termination of contract.—

37 (4) A community association manager or a community
38 association management firm shall return all community
39 association official records within its possession to the
40 community association within 20 business days after termination
41 of a contractual agreement to provide community association
42 management services to the community association or receipt of a
43 written request for return of the official records, whichever
44 occurs first. A notice of termination of a contractual agreement
45 to provide community association management services must be
46 sent by certified mail, return receipt requested, or in the
47 manner required under such contractual agreement. The community
48 association manager or community association management firm may
49 retain, for up to 20 business days, those records necessary to
50 complete an ending financial statement or report. If an

51 association fails to provide access to or retention of the
52 accounting records to prepare an ending financial statement or
53 report, the community association manager or community
54 association management firm is relieved from any further
55 responsibility or liability relating to the preparation of such
56 ending financial statement or report. Failure of a community
57 association manager or a community association management firm
58 to timely return all of the official records within its
59 possession to the community association creates a rebuttable
60 presumption that the community association manager or community
61 association management firm willfully failed to comply with this
62 subsection. A community association manager or a community
63 association management firm that fails to timely return
64 community association records is subject to suspension of its
65 license under s. 468.436, and a civil penalty of \$1,000 per day
66 for up to 10 business days, assessed beginning on the 21st
67 business day after termination of a contractual agreement to
68 provide community association management services to the
69 community association or receipt of a written request from the
70 association for return of the records, whichever occurs first.

owner's list or provide a copy of it to any purchaser or to any third party other than the division. However, the managing entity shall mail to those persons listed on the owner's list materials provided by any purchaser, upon the written request of that purchaser, if the purpose of the mailing is to advance legitimate owners' association business, such as a proxy solicitation for any purpose, including the recall of one or more board members elected by the owners or the discharge of the manager or management firm. The use of any proxies solicited in this manner must comply with the provisions of the timeshare instrument and this chapter. A mailing requested for the purpose of advancing legitimate owners' association business shall occur within 30 days after receipt of a request from a purchaser. The court shall dispose of an application on an expedited basis. In the event of such an order, the court may order the managing entity to pay the purchaser's costs, including attorney's fees reasonably incurred to enforce the purchaser's rights, unless the managing entity can prove it refused the mailing in good faith because of a reasonable basis for doubt about the legitimacy of the mailing.
