- 473 7. How treatment will be monitored.
- 474 8. That any consent given for treatment may be revoked
475 orally or in writing before or during the treatment period by

476 the inmate or by a person legally authorized to make health care
477 decisions on behalf of the inmate.

478 (b) Inmates who are determined to be incompetent to
479 consent to treatment shall receive treatment deemed to be
480 necessary for their appropriate care and for the safety of the
481 inmate or others in accordance with the procedures established
482 in ss. 945.40-945.49.

483 (4)-(3) PAROLE.—Inmates who are transferred to any facility
484 for the purpose of mental health treatment and services shall be
485 given consideration for parole and be eligible for release by
486 reason of gain-time allowances as provided in s. 944.291 and
487 release by expiration of sentence, consistent with guidelines
488 established for that purpose by the department.

489 (5)-(4) YOUTHFUL OFFENDERS.—Any inmate sentenced as a
490 youthful offender, or designated as a youthful offender by the
491 department under chapter 958, who is transferred pursuant to
492 this act to a mental health treatment facility shall be
493 separated from other inmates, if necessary, as determined by the
494 warden of the mental health treatment facility.

495 (6)-(5) TREATMENT FACILITIES.—The department may designate
496 mental health treatment facilities for adult, youthful, and
497 female offenders or may contract with other appropriate
498 entities, persons, or agencies for such services.

499 (7) EMERGENCY MEDICAL TREATMENT.—Notwithstanding any other
500 provision of this section, when the express and informed consent

501 of an inmate placed in a mental health treatment facility in
 502 accordance with s. 945.44 cannot be obtained or the inmate is
 503 incompetent to consent to treatment, the warden of a mental
 504 health treatment facility, or his or her designated
 505 representative, under the direction of the inmate's attending
 506 physician, may authorize nonpsychiatric, emergency surgical
 507 treatment or other routine medical treatment if such treatment
 508 is deemed lifesaving or there is a situation threatening serious
 509 bodily harm to the inmate.

512 945.42 Definitions; ss. 945.40-945.49.—As used in ss.
 513 945.40-945.49, the following terms shall have the meanings

 522 ~~locked residential setting~~, and that is intended for inmates who

536 other form of constraint or coercion.

537 (5) "Gravely disabled" means a condition in which an

544 functioning evidenced by the inmate's unremitting decline in
545 volitional control over his or her actions.

546 (6) "Incompetent to consent to treatment" means a state in
547 which an inmate's judgment is so affected by mental illness that
548 he or she lacks the capacity to make a well-reasoned, willful,
549 and knowing decision concerning his or her medical or mental
550 health treatment and services. The term is distinguished from

551 the term "incompetent to proceed," as defined in s. 916.106, and

553 informed consent for medical or mental health treatment and
554 services.

562 ~~and secure housing environment, because of the apparent mental~~
563 ~~illness:~~

564 ~~(a)1. The inmate is demonstrating a refusal to care for~~
565 ~~himself or herself and without immediate treatment intervention~~
566 ~~is likely to continue to refuse to care for himself or herself,~~
567 ~~and such refusal poses an immediate, real, and present threat of~~
568 ~~substantial harm to his or her well-being; or~~

569 ~~2. There is an immediate, real, and present threat that~~
570 ~~the inmate will inflict serious bodily harm on himself or~~
571 ~~herself or another person, as evidenced by recent behavior~~
572 ~~involving causing, attempting, or threatening such harm;~~

573 ~~(b) The inmate is unable to determine for himself or~~
574 ~~herself whether placement is necessary; and~~

575 ~~(c) All available less restrictive treatment alternatives~~

576 ~~that would offer an opportunity for improvement of the inmate's~~
577 ~~condition have been clinically determined to be inappropriate.~~

578 (7)~~(6)~~ "In need of care and treatment" means that an
579 inmate has a mental illness for which inpatient services in a
580 mental health treatment facility are necessary and ~~that, but for~~
581 ~~being isolated in a more restrictive and secure housing~~
582 ~~environment,~~ because of the mental illness:

583 (a) But for being isolated in a more restrictive and
584 secure housing environment:

585 1. The inmate is demonstrating a refusal to care for
586 himself or herself and without treatment is likely to continue
587 to refuse to care for himself or herself, and such refusal poses
588 a real and present threat of substantial harm to his or her
589 well-being; or

590 2. There is a substantial likelihood that in the near
591 future the inmate will inflict serious bodily harm on himself or
592 herself or another person, as evidenced by recent behavior
593 causing, attempting, or threatening such harm.~~†~~

594 (b) The inmate is incompetent to consent to treatment and
595 is unable or is refusing to provide express and informed consent
596 to treatment.

597 (c)~~(b)~~ The inmate is unable to determine for himself or
598 herself whether placement is necessary; and

599 (d)~~(e)~~ All available less restrictive treatment
600 alternatives that would offer an opportunity for improvement of

601 the inmate's condition have been clinically determined to be
602 inappropriate.

603 (8)~~(7)~~ "Inmate" means any person committed to the custody
604 of the Department of Corrections.

605 (9) "Involuntary examination" means a psychiatric
606 examination performed at a mental health treatment facility to
607 determine whether an inmate should be placed in the mental
608 health treatment facility for inpatient mental health treatment
609 and services.

610 (10) "Likelihood of serious harm" means:

611 (a) A substantial risk that the inmate will inflict
612 serious physical harm upon his or her own person, as evidenced
613 by threats or attempts to commit suicide or the actual
614 infliction of serious physical harm on self;

615 (b) A substantial risk that the inmate will inflict
616 physical harm upon another person, as evidenced by behavior
617 which has caused such harm or which places any person in
618 reasonable fear of sustaining such harm; or

619 (c) A reasonable degree of medical certainty that the
620 inmate will suffer serious physical or mental harm as evidenced
621 by the inmate's recent behavior demonstrating an inability to
622 refrain from engaging in self-harm behavior.

623 (11)~~(8)~~ "Mental health treatment facility" means any
624 extended treatment or hospitalization-level unit within the
625 corrections system which the Assistant Secretary for Health

626 Services of the department specifically designates by rule to
627 provide acute mental health ~~psychiatric~~ care and which may
628 include involuntary treatment and therapeutic intervention in
629 contrast to less intensive levels of care such as outpatient
630 mental health care, transitional mental health care, or crisis
631 stabilization care. The term does not include a forensic
632 facility as defined in s. 916.106.

633 (12)~~(9)~~ "Mental illness" or "mentally ill" means an
634 impairment of the mental or emotional processes that exercise
635 conscious control of one's actions or of the ability to perceive
636 or understand reality, which impairment substantially interferes
637 with the person's ability to meet the ordinary demands of
638 living. However, for the purposes of transferring an inmate to a
639 mental health treatment facility, the term does not include a
640 developmental disability as defined in s. 393.063, simple
641 intoxication, or conditions manifested only by antisocial
642 behavior or substance abuse addiction. However, an individual
643 who is developmentally disabled may also have a mental illness.

644 (13)~~(10)~~ "Psychiatrist" means a medical practitioner
645 licensed pursuant to chapter 458 or chapter 459 who has
646 primarily diagnosed and treated nervous and mental disorders for
647 a period of not less than 3 years inclusive of psychiatric
648 residency.

649 (14)~~(11)~~ "Psychological professional" means a behavioral
650 practitioner who has an approved doctoral degree in psychology

651 as defined in s. 490.003(3)(b) ~~s. 490.003(3)~~ and is employed by

653 chapter 490.

655 ~~(16)-(13)~~ "Transitional mental health care" means a level
656 of care that is more intensive than outpatient care, but less
657 intensive than crisis stabilization care, and is characterized
658 by the provision of traditional mental health treatment and
659 services ~~treatments~~ such as group and individual therapy,
660 activity therapy, recreational therapy, and psychotropic
661 medications in the context of a secure, structured residential
662 setting. Transitional mental health care is indicated for an
663 inmate ~~a person~~ with chronic or residual symptomatology who does
664 not require crisis stabilization care or acute mental health
665 ~~psychiatric~~ care, but whose impairment in functioning
666 nevertheless renders him or her incapable of adjusting
667 satisfactorily within the general inmate population.

668 (17) "Treatment" means psychotropic medications prescribed
669 by a medical practitioner licensed pursuant to chapter 458 or
670 chapter 459, including those laboratory tests and related
671 medical procedures that are essential for the safe and effective
672 administration of a psychotropic medication and psychological
673 interventions and services such as group and individual
674 psychotherapy, activity therapy, recreational therapy, and music
675 therapy. The term does not include forensic services for inmate

676 defendants who are incompetent to proceed as defined in s.
677 916.106.

678 (18)~~(14)~~ "Warden" means the warden of a state corrections
679 facility or his or her designee.

683 s. 945.43, F.S., for present text.)

684 945.43 Involuntary examination.—

685 (1) If there is reason to believe that an inmate has a
686 mental illness and the inmate is in need of care and treatment,
687 the inmate's treating clinician may refer the inmate to a mental
688 health treatment facility for an involuntary examination. Upon
689 referral, the warden of the facility where the inmate is housed
690 shall transfer the inmate to a mental health treatment facility.

691 (2) Upon arrival to the mental health treatment facility,
692 the inmate shall be examined by a psychiatrist and a second
693 psychiatrist or psychological professional to determine whether
694 the inmate is in need of care and treatment.

695 (3) If, after the examination, the inmate is determined to
696 be in need of care and treatment, the psychiatrist shall propose
697 a recommended course of treatment that is essential to the care
698 of the inmate and the warden shall initiate proceedings for
699 placement of the inmate in the mental health treatment facility
700 and for involuntary treatment of the inmate as specified in s.

701 945.44. If the inmate is not in need of care and treatment, he
702 or she shall be transferred out of the mental health treatment
703 facility and provided with appropriate mental health services.

704 (4) The involuntary examination and initiation of court
705 proceedings for the placement and applicable involuntary
706 treatment of the inmate in the mental health treatment facility
707 shall be completed within 10 calendar days after arrival.

708 (5) The inmate may remain in the mental health treatment
709 facility pending a hearing after the timely filing of a petition
710 as described in s. 945.44. Pending a hearing, necessary
711 emergency treatment may be provided in the mental health
712 treatment facility upon the written order of a physician as
713 provided in s. 945.48.

714 **Section 11. Section 945.44, Florida Statutes, is amended**
715 **to read:**

716 (Substantial rewording of section. See
717 s. 945.44, F.S., for present text.)

718 945.44 Placement and treatment of an inmate in a mental
719 health treatment facility.—

720 (1) CRITERIA FOR INVOLUNTARY PLACEMENT OR TREATMENT.—

721 (a) An inmate may be placed in a mental health treatment
722 facility if he or she is mentally ill and is in need of care and
723 treatment.

724 (b) An inmate may receive involuntary treatment for which
725 the inmate is unable or has refused to provide express and

726 informed consent, if all of the following apply:

727 1. The inmate is mentally ill.

728 2. The treatment is essential to the care of the inmate.

729 3. The treatment is not experimental and does not present
730 an unreasonable risk of serious, hazardous, or irreversible side
731 effects.

732 4. The inmate is gravely disabled or poses a likelihood of
733 serious harm.

734 5. The inmate is incompetent to consent to treatment.

735 (2) HEARING PROCEDURES FOR PETITIONS FOR PLACEMENT AND
736 TREATMENT.—

737 (a) An inmate may be placed and involuntarily treated in a
738 mental health treatment facility after notice and hearing upon
739 the recommendation of the warden of the facility where the
740 inmate is confined. The warden of the institution where the
741 mental health treatment facility is located shall petition the
742 circuit court serving the county for an order authorizing the
743 placement and treatment of the inmate. The petition must be
744 supported by the expert opinion of at least one of the inmate's
745 treating psychiatrists.

746 (b) The inmate shall be provided with a copy of the
747 petition along with the proposed treatment, the basis for the
748 proposed treatment, the names of the examining experts, and the
749 date, time, and location of the hearing. After considering the
750 public safety and security concerns presented by transporting

751 the inmate or in conducting onsite hearings, the court may order
752 that the hearing be conducted by electronic means or in person
753 at the facility or at another location designated by the court.
754 If the hearing is ordered by the court to be conducted at a
755 location other than the facility, the department is authorized
756 to transport the inmate to the location of the hearing.

757 (c) The inmate may have an attorney represent him or her
758 at the hearing, and, if the inmate is indigent, the court shall
759 appoint the office of the public defender or private counsel
760 pursuant to s. 27.40(1) to represent the inmate at the hearing.
761 An attorney representing the inmate shall have access to the
762 inmate and any records, including medical or mental health
763 records, which are relevant to the representation of the inmate.

764 (d) The hearing on the petition for involuntary placement
765 and treatment shall be held as expeditiously as possible after
766 the petition is filed, but no later than 14 calendar days after
767 filing. The court may appoint a general or special magistrate to
768 preside. The inmate may testify or not, as he or she chooses,
769 may cross-examine witnesses testifying on behalf of the
770 facility, and may present his or her own witnesses.

771 (e) The court may waive the presence of the inmate at the
772 hearing if the waiver is consistent with the best interests of
773 the inmate and the inmate's counsel does not object. One of the
774 inmate's physicians whose opinion supported the petition shall
775 appear as a witness at the hearing.

776 (3) ORDERS FOR INVOLUNTARY PLACEMENT AND TREATMENT.—

777 (a) If the court finds by clear and convincing evidence
778 that the inmate meets the criteria in paragraph (1)(a), the
779 court must order that the inmate be involuntarily placed in the
780 mental health treatment facility for a period not to exceed 6
781 months.

782 (b) If the court finds by clear and convincing evidence
783 that the inmate meets the criteria in paragraph (1)(b), the
784 court may order that the inmate be involuntarily treated for a
785 period not to exceed 6 months, concurrent with an order for
786 placement in the mental health treatment facility. In
787 determining whether to order involuntary treatment under this
788 section, the court must consider the inmate's expressed
789 preference regarding treatment; whether the inmate is able to
790 express a preference; the probability of adverse side effects;
791 the prognosis for the inmate without treatment; the prognosis
792 for the inmate with treatment; and any other factors the court
793 deems relevant.

794 (4) STATUS HEARINGS AND CONTINUING JURISDICTION.—An order
795 authorizing involuntary placement and treatment shall allow such
796 placement and treatment for a period not to exceed 6 months
797 following the date of the order. Unless the court is notified in
798 writing that the inmate has been discharged from the mental
799 health treatment facility because he or she is no longer in need
800 of care and treatment, has been transferred to another

801 institution of the department, or has been released from the
802 department's custody, the warden shall, before the expiration of
803 the initial order, file a notice with the court to set a status
804 hearing for an order authorizing the continuation of placement
805 and treatment for another period not to exceed 6 months. This
806 procedure shall be repeated until the inmate is no longer in
807 need of care and treatment. Placement and treatment may be
808 continued pending a hearing after the timely filing of any
809 petition.

810 (5) COPIES OF ORDERS.—The court shall provide a copy of
811 its order authorizing placement and treatment along with all
812 supporting documentation relating to the inmate's condition to
813 the warden of the mental health treatment facility.

814 (6) DISMISSAL OF PETITIONS.—If the court finds that
815 criteria for placement and treatment are not satisfied, it shall
816 dismiss the petition and the inmate shall be transferred out of
817 the mental health treatment facility and provided with
818 appropriate mental health services.

819 **Section 12.** Section 945.45, Florida Statutes, is repealed.

820 **Section 13.** **Subsection (3) of section 945.46, Florida**
821 **Statutes, is renumbered as subsection (5) and amended, and new**
822 **subsections (3) and (4) are added to that section, to read:**

823 945.46 Initiation of involuntary placement proceedings
824 with respect to a mentally ill inmate scheduled for release.—

825 (3) The warden shall file petitions for involuntary

826 inpatient placement for inmates scheduled to be released in the
827 court in the county where the inmate is located. Upon filing,
828 the clerk of the court shall provide copies to the Department of
829 Children and Families, the inmate, and the state attorney and
830 public defender of the judicial circuit in which the inmate is
831 located. A fee may not be charged for the filing of a petition
832 under chapter 394. Within 1 court working day after the filing
833 of a petition for involuntary inpatient placement, the court
834 shall appoint the public defender to represent the inmate who is
835 the subject of the petition, unless the inmate is otherwise
836 represented by counsel. The clerk of the court shall immediately
837 notify the public defender of such appointment. Any attorney
838 representing the inmate shall have access to the inmate,
839 witnesses, and records relevant to the presentation of the
840 patient's case and shall represent the interests of the inmate,
841 regardless of the source of payment to the attorney. The state
842 attorney for the circuit in which the inmate is located shall
843 represent the state, rather than the petitioning warden, as the
844 real party in interest in the proceeding. The remainder of the
845 proceedings shall be governed by chapter 394.

846 (4) After considering the public safety and security
847 concerns presented by transporting the inmate or in conducting
848 onsite hearings, the court may order that the hearing be
849 conducted by electronic means or in person at the facility or at
850 another location designated by the court. If the hearing is

851 ordered by the court to be conducted at a location other than
852 the facility, the department is authorized to transport the
853 inmate to the location of the hearing.

854 (5)-(3) The department may transport an individual who is
855 being released from its custody to a receiving or mental health
856 treatment facility for involuntary examination or placement.
857 Such transport shall be made to a facility that is specified by
858 the Department of Children and Families as able to meet the
859 specific needs of the individual. If the Department of Children
860 and Families does not specify a facility, transport shall ~~may~~ be
861 made to the nearest receiving facility.

862 **Section 14. Section 945.47, Florida Statutes, is amended**
863 **to read:**

864 945.47 Discharge of inmate from mental health treatment.—

865 (1) An inmate who has been placed in a mental health
866 treatment facility ~~transferred~~ for the purpose of mental health
867 treatment shall be discharged from treatment by the warden under
868 the following conditions:

869 (a) If the inmate is no longer in need of care and
870 treatment, as defined in s. 945.42, he or she may be transferred
871 out of the mental health treatment facility and provided with
872 appropriate mental health services; or

873 (b) If the inmate's sentence expires during his or her
874 treatment, but he or she is no longer in need of care and
875 treatment as an inpatient, the inmate may be released with a

876 recommendation for outpatient treatment, pursuant to ~~the~~
877 ~~provisions of~~ ss. 945.40-945.49.

878 (2) At any time that an inmate who has received mental
879 health treatment while in the custody of the department becomes
880 eligible for release under supervision or upon end of sentence,
881 a record of the inmate's mental health treatment may be provided
882 to the Florida Commission on Offender Review and to the
883 Department of Children and Families to arrange postrelease
884 aftercare placement and to prospective recipient inpatient
885 health care or residential facilities upon request. The record
886 shall include, at a minimum, a summary of the inmate's
887 diagnosis, length of stay in treatment, clinical history,
888 prognosis, prescribed medication, treatment plan, and
889 recommendations for aftercare services.

890 **Section 15. Section 945.48, Florida Statutes, is amended**
891 **to read:**

892 (Substantial rewording of section. See
893 s. 945.48, F.S., for present text.)

894 945.48 Emergency treatment orders and use of force.—

895 (1) EMERGENCY MEDICATION.—The department is authorized to
896 involuntarily administer psychotropic medication to an inmate on
897 an emergency basis without following the procedure outlined in
898 s. 945.43 only as specified in this section. An emergency
899 treatment order for psychotropic medication may be provided to
900 the inmate upon the written order of a physician licensed

901 pursuant to chapter 458 or chapter 459 in an emergency not
902 exceeding 72 hours, excluding weekends and legal holidays. An
903 emergency exists when an inmate with a mental illness presents
904 an immediate threat of:

905 (a) Bodily harm to self or others; or

906 (b) Extreme deterioration in behavioral functioning
907 secondary to the mental illness.

908 (2) PSYCHOTROPIC MEDICATION.—Psychotropic medication may
909 be administered only when the medication constitutes an
910 appropriate treatment for a mental illness and its symptoms and
911 alternative treatments are not available or indicated, or would
912 not be effective. If after the 72-hour period the inmate has not
913 given express and informed consent to the medication initially
914 refused, the inmate's treating physician shall refer the inmate
915 to a mental health treatment facility for an involuntary
916 examination in accordance with the procedures described in s.
917 945.43. Upon such referral, the warden shall, within 48 hours,
918 excluding weekends and legal holidays, transfer the inmate to a
919 mental health treatment facility. Upon transfer of the inmate
920 for an involuntary examination, the emergency treatment order
921 may be continued upon the written order of a physician as long
922 as the physician has determined that the emergency continues to
923 present a danger to the safety of the inmate or others and the
924 criteria described in this subsection are satisfied. If
925 psychotropic medication is still recommended after the

926 emergency, it may only be administered after following the
927 procedures outlined in s. 945.44.

928 (3) USE OF FORCE.—An employee or agent of the department
929 is authorized to apply physical force upon an inmate when and to
930 the extent that it reasonably appears necessary to effectuate
931 the treatment of an inmate as described in this section, for the
932 application of psychiatric restraint, to effectuate clinically
933 necessary hygiene, or pursuant to a valid court order issued
934 under s. 945.44 or s. 945.485. The requirements of s. 944.35
935 shall be followed when using force to effectuate such treatment,
936 apply such restraint, or effectuate such hygiene.

937 **Section 16. Section 945.485, Florida Statutes, is created**
938 **to read:**

939 945.485 Management and treatment for self-injurious
940 behaviors.—

941 (1) The Legislature finds that nonsuicidal self-injurious
942 behaviors in correctional institutions, or acts intended to
943 cause bodily harm but not death, have increased in the
944 correctional environment. Self-injurious behavior may include
945 nonsuicidal self-injury or self-mutilation, such as cutting,
946 reopening wounds, and ingesting or inserting foreign objects or
947 dangerous instruments into the body. These behaviors pose a
948 significant threat to inmates, staff, and, in many cases, the
949 safe and secure operation of the correctional institution. In
950 addition, self-injurious behaviors, coupled with repeated

951 refusals to provide express and informed consent for medical
952 treatment and care, are a significant challenge for correctional
953 medical and mental health professionals, resulting in higher
954 costs for medical services, and may result in inadvertent
955 mortality in the incarcerated population.

956 (2) In accordance with s. 945.6042, the Legislature finds
957 that an inmate retains the fundamental right of self-
958 determination regarding decisions pertaining to his or her own
959 health, including the right to choose or refuse medical
960 treatment or life-saving medical procedures. However, the
961 inmate's right to privacy and decisionmaking regarding medical
962 treatment may be outweighed by compelling state interests.

963 (3) When an inmate is engaging in active or ongoing self-
964 injurious behavior and has refused to provide express and
965 informed consent for treatment related to the self-injurious
966 behavior, the warden of the facility where the inmate is housed
967 shall consult with the inmate's treating physician regarding the
968 inmate's medical and mental health status, current medical and
969 mental health treatment needs, and competency to provide express
970 and informed consent for treatment. The warden shall also
971 determine whether the inmate's self-injurious behavior presents
972 a danger to the safety of department staff or other inmates or
973 the security, internal order, or discipline of the institution.

974 (a) If the inmate's treating physician determines that the
975 inmate has a mental illness and is incompetent to consent to

976 treatment, the physician shall proceed in accordance with s.
977 945.6042 for any necessary surgical or medical services. If the
978 inmate is in need of care and treatment as defined in s. 945.42,
979 the inmate shall be referred to a mental health treatment
980 facility for an involuntary examination in accordance with s.
981 945.44.

982 (b) If the inmate is competent, refusing necessary
983 surgical or medical treatment, and engaging in active or ongoing
984 self-injurious behavior that presents a threat to the safety of
985 department staff or other inmates or the security, internal
986 order, or discipline of the institution, the warden shall follow
987 the procedure set forth in subsection (4).

988 (4) (a) The warden, or his or her designated
989 representative, shall, on behalf of the state, petition the
990 circuit court of the county in which the inmate is residing or
991 the county in which the inmate is hospitalized for an order
992 compelling the inmate to submit to emergency surgical
993 intervention or other medical services to the extent necessary
994 to remedy the threat to the safety of staff or other inmates or
995 the security, internal order, or discipline of the institution.
996 The petition must be supported by the expert opinion of at least
997 one of the inmate's treating physicians and may be supported by
998 other staff as necessary.

999 (b) The inmate shall be provided with a copy of the
1000 petition along with the proposed intervention, the basis for the

1001 proposed intervention, the names of the testifying experts and
1002 witnesses, and the date, time, and location of the hearing.
1003 After considering the medical status of the inmate, public
1004 safety, and security concerns presented by transporting the
1005 inmate, the court may order that the hearing be conducted by
1006 electronic means or in person at the institution or at another
1007 location designated by the court. If the hearing is ordered by
1008 the court to be conducted at a location other than the
1009 institution, the department is authorized to transport the
1010 inmate to the location of the hearing.

1011 (c) The inmate may have an attorney represent him or her
1012 at the hearing, and, if the inmate is indigent, the court shall
1013 appoint the office of the public defender or private counsel
1014 pursuant to s. 27.40(1) to represent the inmate at the hearing.
1015 An attorney representing the inmate shall have access to the
1016 inmate and any records, including medical or mental health
1017 records, which are relevant to the representation of the inmate.

1018 (d) The hearing on the petition shall be held as
1019 expeditiously as possible after the petition is filed, but no
1020 later than 5 calendar days after filing. The court may appoint a
1021 general or special magistrate to preside. The inmate may testify
1022 or not, as he or she chooses, may cross-examine witnesses
1023 testifying on behalf of the institution, and may present his or
1024 her own witnesses.

1025 (e) The court may waive the presence of the inmate at the

1026 hearing if the waiver is consistent with the best interests of
1027 the inmate and the inmate's counsel does not object.

1028 (f) The court shall determine whether the warden has
1029 established, by clear and convincing evidence, a compelling
1030 state interest sufficient to outweigh the inmate's right to
1031 refuse treatment. The court shall consider all of the following:

1032 1. Preservation of the life of the inmate.

1033 2. Prevention of suicide.

1034 3. Protection of innocent third parties.

1035 4. Maintenance of the ethical integrity of the medical
1036 profession.

1037 5. Preservation of the security, internal order, or
1038 discipline of the institution.

1039 6. Rehabilitation of the inmate.

1040 7. Any other compelling state interest.

1041 (g) If the court determines that there are compelling
1042 state interests sufficient to override the inmate's right to
1043 refuse treatment, the court shall enter an order authorizing
1044 emergency surgical intervention or other medical services,
1045 narrowly tailored and in the least intrusive manner possible,
1046 only as necessary to remedy the threat to the safety of third
1047 parties or the security, internal order, or discipline of the
1048 institution. Emergency surgical intervention or other medical
1049 services authorized by the court may be carried out at the
1050 institution or at a licensed hospital, as applicable.

1051 (5) This section does not repeal by implication any
 1052 provision of s. 766.103, the Florida Medical Consent Law, or s.
 1053 768.13, the Good Samaritan Act. For all purposes, the Florida
 1054 Medical Consent Law and the Good Samaritan Act shall be
 1055 considered alternatives to this section.

1056 **Section 17. Subsection (2) of section 945.49, Florida**
 1057 **Statutes, is amended to read:**

1058 945.49 Operation and administration.—

1059 (2) ~~RULES.—The department, in cooperation with the Mental~~
 1060 ~~Health Program Office of the Department of Children and~~
 1061 ~~Families,~~ shall adopt rules necessary for administration of ss.
 1062 945.40-945.49 in accordance with chapter 120.

1063 **Section 18. Section 945.6402, Florida Statutes, is created**
 1064 **to read:**

1065 945.6402 Inmate health care advance directives.—

1066 (1) DEFINITIONS.—The terms used in this section have the
 1067 same meanings as in s. 765.101 unless otherwise specified in
 1068 this section. For purposes of this section, the term:

1069 (a) "Health care facility" has the same meaning as in s.
 1070 765.101 and includes any correctional institution or facility
 1071 where health care is provided.

1072 (b) "Incapacity" or "incompetent" means an inmate is
 1073 physically or mentally unable to communicate a willful and
 1074 knowing health care decision.

1075 (c) "Informed consent" means consent voluntarily given by

1076 an inmate after a sufficient explanation and disclosure of the
1077 subject matter involved to enable the inmate to have a general
1078 understanding of the treatment or procedure and the medically
1079 acceptable alternatives, including the substantial risks and
1080 hazards inherent in the proposed treatment or procedures, and to
1081 make a knowing health care decision without coercion or undue
1082 influence.

1083 (d) "Inmate" means any person committed to the custody of
1084 the department.

1085 (e) "Ombudsman" means an individual designated and
1086 specifically trained by the department to identify conditions
1087 that may pose a threat to the rights, health, safety, and
1088 welfare of inmates in a health care facility and who may be
1089 appointed to serve as a proxy for an inmate who is physically or
1090 mentally unable to communicate a willful and knowing health care
1091 decision.

1092 (f) "Proxy" means a competent adult who has not been
1093 expressly designated to make health care decisions for a
1094 particular incapacitated inmate, but who, nevertheless, is
1095 authorized pursuant to s. 765.401 and as specified in this
1096 section to make health care decisions for such inmate.

1097 (g) "Proxy review team" means a team of at least five
1098 members, appointed by the Assistant Secretary for Health
1099 Services. The team shall be composed of, at a minimum, one
1100 physician licensed pursuant to chapter 458 or chapter 459, one

1101 psychologist licensed pursuant to chapter 490, one nurse
1102 licensed pursuant to chapter 464, and one department chaplain.

1103 (2) LEGISLATIVE FINDINGS AND INTENT.-

1104 (a) In accordance with chapter 765, the Legislature finds
1105 that an inmate retains the fundamental right of self-
1106 determination regarding decisions pertaining to his or her own
1107 health, including the right to choose or refuse medical
1108 treatment. In accordance with chapter 765, this right is subject
1109 to certain institutional interests including the protection of
1110 human life, the preservation of ethical standards in the medical
1111 profession, and, for inmates committed to the custody of the
1112 department, the security and good order of the institutional
1113 setting.

1114 (b) To ensure that such right is not lost or diminished by
1115 virtue of later physical or mental incapacity, the Legislature
1116 intends that the procedures specified in chapter 765, and as
1117 modified in this section for the institutional health care
1118 setting, apply to incarcerated inmates. These procedures should
1119 be less expensive and less restrictive than guardianship and
1120 allow an inmate to plan for incapacity by executing a document
1121 or orally designating another person to direct the course of his
1122 or her health care or receive his or her health information, or
1123 both, upon his or her incapacity. These procedures permit a
1124 previously incapacitated inmate to exercise his or her full
1125 right to make health care decisions as soon as the capacity to

1126 make such decisions has been regained.

1127 (c) In order to ensure that the rights and intentions of
1128 an inmate are respected when the inmate is not able to
1129 participate actively in decisions concerning himself or herself,
1130 and to encourage communication among such inmate, his or her
1131 family, and his or her treating physicians, the Legislature
1132 declares that the laws of this state recognize the right of a
1133 competent incarcerated adult to make an advance directive
1134 instructing his or her physicians to provide, withhold, or
1135 withdraw life-prolonging procedures or to designate another
1136 person to make the health care decision for him or her in the
1137 event that such incarcerated person should become incapacitated
1138 and unable to personally direct his or her health care. It is
1139 further the intent of the Legislature that the department
1140 provide the opportunity for inmates to make advance directives
1141 as specified in this section.

1142 (d) The Legislature further recognizes that incarcerated
1143 inmates may not avail themselves of the opportunity to make an
1144 advance directive or, because of incarceration, may not have a
1145 surrogate, as defined in s. 765.101, willing, able, or
1146 reasonably available to make health care decisions on his or her
1147 behalf. Additionally, because of incarceration, the individuals
1148 designated in s. 765.401 who are eligible to serve as an
1149 appointed proxy may not be reasonably available, willing, or
1150 competent to make health care decisions for the inmate in the

1151 event of incapacity. Thus, it is the intent of the Legislature
1152 that the department have an efficient process that is less
1153 expensive and less restrictive than guardianship for the
1154 appointment of a proxy to allow for the expedient delivery of
1155 necessary health care to an incarcerated inmate.

1156 (e) This section does not supersede the process for inmate
1157 involuntary mental health treatment in ss. 945.40-945.49.

1158 (3) CAPACITY OF INMATE; PROCEDURE.—

1159 (a) An inmate is presumed to be capable of making health
1160 care decisions for himself or herself unless he or she is
1161 determined to be incapacitated. When an inmate has
1162 decisionmaking capacity, the inmate's wishes are controlling.
1163 Each physician or health care provider must clearly communicate
1164 the treatment plan and any change to the treatment plan before
1165 implementation of the plan or any change to the plan. Incapacity
1166 may not be inferred from an inmate's involuntary hospitalization
1167 for mental illness or from his or her intellectual disability.

1168 (b) If an inmate's capacity to make health care decisions
1169 for himself or herself or provide informed consent is in
1170 question, the inmate's treating physician at the health care
1171 facility where the inmate is located shall evaluate the inmate's
1172 capacity and, if the evaluating physician concludes that the
1173 inmate lacks capacity, enter that evaluation in the inmate's
1174 medical record. If the evaluating physician has a question as to
1175 whether the inmate lacks capacity, another physician shall also

1176 evaluate the inmate's capacity, and if the second physician
1177 finds that the inmate lacks the capacity to make health care
1178 decisions for himself or herself or provide informed consent,
1179 both physicians' evaluations shall be entered in the inmate's
1180 medical record.

1181 (c) If the inmate is found to be incapacitated and has
1182 designated a health care surrogate in accordance with chapter
1183 765, the institution's or facility's health care staff shall
1184 notify the surrogate and proceed as specified in chapter 765. If
1185 the incapacitated inmate has not designated a health care
1186 surrogate, the health care facility shall appoint a proxy to
1187 make health care decisions for the inmate as specified in this
1188 section.

1189 (d) A determination made pursuant to this section that an
1190 inmate lacks the capacity to make health care decisions for
1191 himself or herself may not be construed as a finding that an
1192 inmate lacks capacity for any other purpose.

1193 (4) HEALTH CARE ADVANCE DIRECTIVE; PROCEDURE.—

1194 (a) In accordance with chapter 765, the department shall
1195 offer inmates the opportunity to execute an advance directive as
1196 defined in s. 765.101.

1197 (b) The department shall provide to each inmate written
1198 information concerning advance directives and necessary forms to
1199 allow inmates to execute an advance directive. The department
1200 and its health care providers shall document in the inmate's

1201 medical records whether the inmate has executed an advance
1202 directive. Neither the department nor its health care providers
1203 may require an inmate to execute an advance directive using the
1204 department's forms. The inmate's advance directive shall travel
1205 with the inmate within the department as part of the inmate's
1206 medical record.

1207 (c) An advance directive may be amended or revoked at any
1208 time by a competent inmate by means of:

- 1209 1. A signed, dated writing of intent to amend or revoke;
1210 2. The physical cancellation or destruction of the advance
1211 directive by the inmate or by another person in the inmate's
1212 presence and at the inmate's direction;
1213 3. An oral expression of intent to amend or revoke; or
1214 4. A subsequently executed advance directive that is
1215 materially different from a previously executed advance
1216 directive.

1217 (5) PROXY.—

1218 (a) If an incapacitated inmate has not executed an advance
1219 directive, or designated a health care surrogate in accordance
1220 with the procedures specified in chapter 765 or the designated
1221 health care surrogate is no longer available to make health care
1222 decisions, health care decisions may be made for the inmate by
1223 any of the individuals specified in the priority order provided
1224 in s. 765.401(1)(a)-(g) as proxy. Documentation of the efforts
1225 to locate a proxy from the classes specified in s.

1226 765.401(1)(a)-(g) shall be recorded in the inmate's medical
1227 file.

1228 (b) If there are no individuals as specified in s.
1229 765.401(1)(a)-(g) available, willing, or competent to act on
1230 behalf of the inmate, and the inmate is housed in a correctional
1231 institution or facility where health care is provided in a
1232 nonhospital setting, the warden of the institution where the
1233 inmate is housed, or the warden's designee, shall consult with
1234 the Assistant Secretary for Health Services or his or her
1235 designee who shall appoint a department ombudsman to serve as
1236 the proxy. This appointment terminates when the inmate regains
1237 capacity or is no longer incarcerated in the custody of the
1238 department. In accordance with chapter 765 and as provided in
1239 this section, decisions to withhold or withdraw life-prolonging
1240 procedures will be reviewed by the department's proxy review
1241 team for compliance with chapter 765 and the requirements of
1242 this section.

1243 (c) The ombudsman appointed to serve as the proxy is
1244 authorized to request the assistance of the treating physician
1245 and, upon request, a second physician not involved in the
1246 inmate's care to assist the proxy in evaluating the inmate's
1247 treatment.

1248 (d) In accordance with chapter 765, any health care
1249 decision made by any appointed proxy under this section must be
1250 based on the proxy's informed consent and on the decision that

1251 the proxy reasonably believes the inmate would have made under
1252 the circumstances. If there is no indication of what decision
1253 the inmate would have made, the proxy may consider the inmate's
1254 best interest in deciding that proposed treatments are to be
1255 withheld or that treatments currently in effect are to be
1256 withdrawn.

1257 (e) Before exercising the incapacitated inmate's rights to
1258 select or decline health care, the proxy must comply with ss.
1259 765.205 and 765.305, except that any proxy's decision to
1260 withhold or withdraw life-prolonging procedures must be
1261 supported by clear and convincing evidence that the decision
1262 would have been the one the inmate would have made had he or she
1263 been competent or, if there is no indication of what decision
1264 the inmate would have made, that the decision is in the inmate's
1265 best interest.

1266 (f) Notwithstanding s. 456.057 and pursuant to s. 945.10
1267 and 45 C.F.R. part 164, subpart E, relevant protected health
1268 information and mental health and medical records of an
1269 incapacitated inmate may be disclosed to a proxy appointed to
1270 make health care decisions for an inmate.

1271 (6) USE OF FORCE.—In addition to s. 944.35(1), an employee
1272 of the department may apply reasonable physical force upon an
1273 incapacitated inmate to administer medical treatment only by or
1274 under the clinical supervision of a physician or his or her
1275 designee and only to carry out a health care decision made in

1276 accordance with this section and chapter 765.

1277 (7) IMMUNITY FROM LIABILITY.—A department health care
 1278 provider, ombudsman, or other employee who acts under the
 1279 direction of a health care provider as authorized in this
 1280 section or chapter 765 is not subject to criminal prosecution or
 1281 civil liability and may not be deemed to have engaged in
 1282 unprofessional conduct as a result of carrying out a health care
 1283 decision made in accordance with this section or chapter 765 on
 1284 an inmate's behalf.

1285 **Section 19. Section 947.02, Florida Statutes, is amended**
 1286 **to read:**

1287 947.02 Florida Commission on Offender Review; members,
 1288 appointment.—

1289 (1) ~~Except as provided in s. 947.021,~~ The members of the
 1290 Florida Commission on Offender Review shall be directly
 1291 appointed by the Governor and Cabinet ~~from a list of eligible~~
 1292 ~~applicants submitted by a parole qualifications committee.~~ The

 1300 accordance with subsection (1). Members appointed to the

1301 commission may be selected from incumbents ~~A parole~~
1302 ~~qualifications committee shall consist of five persons who are~~
1303 ~~appointed by the Governor and Cabinet. One member shall be~~
1304 ~~designated as chair by the Governor and Cabinet. The committee~~

1306 ~~applications for any position or positions on the commission and~~
1307 ~~shall devise a plan for the determination of the qualifications~~
1308 ~~of the applicants by investigations and comprehensive~~
1309 ~~evaluations, including, but not limited to, investigation and~~
1310 ~~evaluation of the character, habits, and philosophy of each~~
1311 ~~applicant. Each parole qualifications committee shall exist for~~
1312 ~~2 years. If additional vacancies on the commission occur during~~
1313 ~~this 2-year period, the committee may advertise and accept~~
1314 ~~additional applications; however, all previously submitted~~
1315 ~~applications shall be considered along with the new applications~~
1316 ~~according to the previously established plan for the evaluation~~
1317 ~~of the qualifications of applicants.~~

1318 ~~(3) Within 90 days before an anticipated vacancy by~~

1325 ~~subsection (2). The committee shall submit a list of three~~

1326 ~~eligible applicants, which may include the incumbent if the~~
1327 ~~committee so decides, without recommendation, to the Governor~~
1328 ~~and Cabinet for appointment to the commission. In the case of an~~
1329 ~~unexpired term, the appointment must be for the remainder of the~~
1330 ~~unexpired term and until a successor is appointed and qualified.~~
1331 ~~If more than one seat is vacant, the committee shall submit a~~
1332 ~~list of eligible applicants, without recommendation, containing~~
1333 ~~a number of names equal to three times the number of vacant~~
1334 ~~seats; however, the names submitted may not be distinguished by~~
1335 ~~seat, and each submitted applicant shall be considered eligible~~
1336 ~~for each vacancy.~~

1337 ~~(4) Upon receiving a list of eligible persons from the~~
1338 ~~parole qualifications committee, the Governor and Cabinet may~~
1339 ~~reject the list. If the list is rejected, the committee shall~~
1340 ~~reinitiate the application and examination procedure according~~
1341 ~~to subsection (2).~~

1342 ~~(5) Section 120.525 and chapters 119 and 286 apply to all~~

1352 **Section 22. Paragraph (g) of subsection (1) and subsection**
1353 **(5) of section 957.04, Florida Statutes, are amended to read:**

1354 957.04 Contract requirements.—

1355 (1) A contract entered into under this chapter for the
1356 operation of contractor-operated correctional facilities shall
1357 maximize the cost savings of such facilities and:

1358 (g) Require the contractor to be responsible for a range
1359 of dental, medical, and psychological services; diet; education;
1360 and work programs at least equal to those provided by the
1361 department in comparable facilities. The work and education
1362 programs must be designed to reduce recidivism, and include
1363 opportunities to participate in such work programs as authorized
1364 pursuant to s. 946.523. However, with respect to the dental,
1365 medical, psychological, and dietary services, the department is
1366 authorized to exclude any or all of these services from a
1367 contract for private correctional services entered into under
1368 this chapter and retain responsibility for the delivery of those
1369 services, whenever the department finds it to be in the best
1370 interests of the state.

1371 ~~(5) Each contract entered into by the department must~~
