Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (15) and (16) are added to section 397.487, Florida Statutes, to read:

397.487 Voluntary certification of recovery residences.—

(15) (a) By January 1, 2026, the governing body of each county or municipality shall adopt an ordinance establishing procedures for the review and approval of certified recovery residences within its jurisdiction. The ordinance must include a process for requesting reasonable accommodations from any local land use regulation that serves to prohibit the establishment of a certified recovery residence.

(b) At a minimum, the ordinance must:

1. Be consistent with the Fair Housing Amendments Act of 1988, 42 U.S.C. ss. 3601 et seq., and Title II of the Americans with Disabilities Act, 42 U.S.C. ss. 12131 et seq.

2. Establish a written application process for requesting a reasonable accommodation for the establishment of a certified recovery residence, which application must be submitted to the appropriate local government office.

3. Require the local government to date-stamp each application upon receipt. If additional information is required, the local government must notify the applicant in writing within the first 30 days after receipt of the application and allow the applicant at least 30 days to respond.

4. Require the local government to issue a final written determination on the application within 60 days after receipt of

60 a. Approve the request in whole or in part, with or without
61 conditions; or

62 b. Deny the request, stating with specificity the
63 objective, evidence-based reasons for denial and identifying any
64 deficiencies or actions necessary for reconsideration.

65 5. Provide that if a final written determination is not
66 issued within 60 days after receipt of a completed application,
67 the request is deemed approved unless the parties agree in
68 writing to a reasonable extension of time.

69 6. Require that the application include, at a minimum:

70 a. The name and contact information of the applicant or the
71 applicant's authorized representative;

72 b. The property address and parcel identification number;
73 and

74 c. A description of the accommodation requested and the
75 specific regulation or policy from which relief is sought.

76 (c) The ordinance may establish additional requirements for
77 the review or approval of reasonable accommodation requests for
78 establishing a certified recovery residence, provided such
79 requirements are consistent with federal law and do not conflict
80 with this subsection.

81 (d) The ordinance may not require public hearings beyond
82 the minimum required by law to grant the requested
83 accommodation.

84 (e) The ordinance may include provisions for the revocation
85 of a granted accommodation of a certified recovery residence for
86 cause, including, but not limited to, a violation of the
87 conditions of approval or the lapse, revocation, or failure to

maintain certification or licensure required under this section,
if not reinstated within 180 days.

(f) The ordinance and establishment of a reasonable accommodation process does not relieve the local government from its obligations under the Fair Housing Amendments Act of 1988, 42 U.S.C. ss. 3601 et seq., and Title II of the Americans with Disabilities Act, 42 U.S.C. ss. 12131 et seq. The regulation for which the applicant is seeking a reasonable accommodation must not facially discriminate against or otherwise disparately impact the applicant.

(16) The application of this section does not supersede any current or future declaration or declaration of condominium adopted pursuant to chapter 718; any cooperative document adopted pursuant to chapter 719; or any declaration or declaration of covenant adopted pursuant to chapter 720.

Section 2. Paragraph (c) of subsection (8) of section 397.4871, Florida Statutes, is amended to read:
