11 and guardians of students. The informational materials shall be
12 made available to each school district, school board, and
13 charter school through the department's website.

14 (2) Within 90 days after July 1, 2025, the department shall
15 develop the materials related to the early detection of Type 1
16 diabetes and post the information on its website. The department
17 shall develop a standardized methodology for each school
18 district, school board, and charter school for the notification
19 of the parents or guardians of public school voluntary
20 prekindergarten, kindergarten, and first-grade students, by
21 September 30, 2025, and annually thereafter, of the availability
22 of the Type 1 diabetes early detection materials.

23 (3) Information provided to parents and guardians shall
24 include, but not be limited to, all of the following:

25 (a) A description of Type 1 diabetes.

26 (b) A description of the risk factors and warning signs
27 associated with Type 1 diabetes.

28 (c) A description of the process for screening students for
29 early detection of Type 1 diabetes using a blood autoantibody
30 test.

31 (d) A recommendation for further evaluation for students
32 displaying warning signs associated with Type 1 diabetes or
33 positive early detection screening results.

34 Section 2. This act shall take effect July 1, 2025.
