COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. HB 1085 (2026)

Amendment No.

16 (2) Under the program, Florida State University shall
17 enter into data-sharing agreements with local governments and
18 with the Florida Digital Service necessary to facilitate the
19 collection, analysis and exchange of security-related
20 information to support the detection, prevention, and response
21 to cybersecurity incidents consistent with s. 282.318.

22 (3) (a) Florida State University shall administer the grant
23 program, based on objective eligibility and evaluation criteria,
24 to provide information technology commodities and services
25 directly to local governments for the purpose of developing and
26 enhancing cybersecurity risk management programs consistent with
27 s. 282.3185.

28 (b) Florida State University shall contract for
29 information technology commodities and services and shall award
30 such commodities and services to local governments eligible
31 under the program criteria.

32 (c) In awarding information technology commodities or
33 services, Florida State University must give preference to
34 fiscally constrained counties as defined in s. 218.67(1).

35 (d) Grants must be awarded to eligible local governments
36 by October 1 each year.

37 (4) Florida State University may apply for and accept any
38 funds or grants made available to it by any agency or department
39 of the Federal Government to further the program.

40 **Section 2.** This act shall take effect July 1, 2026.
