COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. HB 1115 (2026)

Amendment No. 1

submitted in a format prescribed by the board. The application
must include:

1. A detailed plan demonstrating how grant funds will be
used to achieve program accreditation.

2. The projected outcomes of establishing the program,
including all of the following:

a. The anticipated program enrollment.

b. The plan for hiring and retaining faculty for the
program.

c. The anticipated program completion rates.

d. The anticipated first-time American Board of Genetic
Counseling board certification examination passage rates.

e. The anticipated program contributions to the state's
genetic counseling workforce.

3. Documentation demonstrating that the proposed program
is supported by sufficient clinical training capacity consistent
with nationally recognized accreditation standards, and that the
proposed growth represents a net increase in statewide training
opportunities rather than a redistribution of existing
supervision resources.
