

HB 1139

2026

A bill to be entitled  
An act relating to impact fees; amending s. 163.3164, F.S.; defining the term "plan-based methodology"; amending s. 163.3177, F.S.; revising provisions relating to intergovernmental coordination elements in comprehensive plans; amending s. 163.3180, F.S.; requiring interlocal agreements that coordinate the mitigation of their respective transportation capacity impacts to use a certain methodology; revising applicability; amending s. 163.31801, F.S.; revising the criteria a local government, school district, or special district must meet to increase impact fee rates; defining the term "extraordinary circumstances"; amending s. 212.055, F.S.; conforming a cross-reference; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (39) through (54) of section 163.3164, Florida Statutes, are renumbered as subsections (40) through (55), respectively, and a new subsection (39) is added to that section, to read:

163.3164 Community Planning Act; definitions.—As used in this act:

(39) "Plan-based methodology" means a new or updated

26 impact fee study that uses the most recent local data to  
27 project:

28 (a) Population growth within a local government  
29 jurisdiction in the 10 years immediately preceding the study.

30 (b) Anticipated capacity impacts on the system created by  
31 the projected growth under paragraph (a).

32 (c) Capital improvement projects to be constructed or  
33 purchased in a defined period of time in order to mitigate the  
34 anticipated capacity impacts under paragraph (b). Any projects  
35 identified in the impact fee study and interlocal agreement must  
36 comply with s. 163.3177(6)(h).

37 **Section 2. Paragraph (h) of subsection (6) of section**  
38 **163.3177, Florida Statutes, is amended to read:**

39 163.3177 Required and optional elements of comprehensive  
40 plan; studies and surveys.—

41 (6) In addition to the requirements of subsections (1)–  
42 (5), the comprehensive plan shall include the following  
43 elements:

44 (h)1. An intergovernmental coordination element showing  
45 relationships and stating principles and guidelines to be used  
46 in coordinating the adopted comprehensive plan with the plans of  
47 school boards, regional water supply authorities, and other  
48 units of local government providing services but not having  
49 regulatory authority over the use of land, with the  
50 comprehensive plans of adjacent municipalities, the county,

51 adjacent counties, or the region, with the state comprehensive  
52 plan and with the applicable regional water supply plan approved  
53 pursuant to s. 373.709, as the case may require and as such  
54 adopted plans or plans in preparation may exist. This element of  
55 the local comprehensive plan must demonstrate consideration of  
56 the particular effects of the local plan, when adopted, upon the  
57 development of adjacent municipalities, the county, adjacent  
58 counties, or the region, or upon the state comprehensive plan,  
59 as the case may require.

60 a. The intergovernmental coordination element must provide  
61 procedures for identifying and implementing joint planning  
62 areas, especially for the purpose of annexation, municipal  
63 incorporation, and joint infrastructure service areas.

64 b. The intergovernmental coordination element shall  
65 provide for a dispute resolution process, as established  
66 pursuant to s. 186.509, for bringing intergovernmental disputes  
67 to closure in a timely manner.

68 c. The intergovernmental coordination element shall  
69 provide for interlocal agreements as established pursuant to s.  
70 333.03(1)(b).

71 2. The intergovernmental coordination element shall also  
72 state principles and guidelines to be used in coordinating the  
73 adopted comprehensive plan with the plans of school boards and  
74 other units of local government providing facilities and  
75 services but not having regulatory authority over the use of

76 land. In addition, the intergovernmental coordination element  
77 must describe joint processes for collaborative planning and  
78 decisionmaking on population projections and public school  
79 siting, the location and extension of public facilities subject  
80 to concurrency, and siting facilities with countywide  
81 significance, including locally unwanted land uses whose nature  
82 and identity are established in an agreement.

83 3. Within 1 year after adopting their intergovernmental  
84 coordination elements, each county, all the municipalities  
85 within that county, the district school board, and any unit of  
86 local government service providers in that county shall  
87 establish by interlocal or other formal agreement executed by  
88 all affected entities, the joint processes described in this  
89 subparagraph consistent with their adopted intergovernmental  
90 coordination elements. The agreement must:

91 a. Ensure that the local government addresses through  
92 coordination mechanisms the impacts of development proposed in  
93 the local comprehensive plan upon development in adjacent  
94 municipalities, the county, adjacent counties, the region, and  
95 the state. The area of concern for municipalities shall include  
96 adjacent municipalities, the county, and counties adjacent to  
97 the municipality. The area of concern for counties shall include  
98 all municipalities within the county, adjacent counties, and  
99 adjacent municipalities. Coordination mechanisms of the local  
100 government must include a plan to provide mitigation funding for

101 any extra-jurisdictional impacts created by development or  
102 redevelopment consistent with s. 163.3180(5)(j).

103       b. Ensure coordination in establishing level of service  
104 standards for public facilities with any state, regional, or  
105 local entity having operational and maintenance responsibility  
106 for such facilities.

107       **Section 3. Paragraph (j) of subsection (5) of section**  
108 **163.3180, Florida Statutes, is amended to read:**

109       163.3180 Concurrency.—

110       (5)

111       (j)1. If a county and municipality charge the developer of  
112 a new development or redevelopment a fee for transportation  
113 capacity impacts, the county and municipality must create and  
114 execute an interlocal agreement to coordinate the mitigation of  
115 their respective transportation capacity impacts.

116       2. The interlocal agreement must, at a minimum:

117       a. Ensure that any new development or redevelopment is not  
118 charged twice for the same transportation capacity impacts.

119       b. Use Establish a plan-based methodology pursuant to s.  
120 163.3177(6)(h) for determining the legally permissible fee to be  
121 charged to a new development or redevelopment.

122       c. Require the county or municipality issuing the building  
123 permit to collect the fee, unless agreed to otherwise.

124       d. Provide a method for the proportionate distribution of  
125 the revenue collected by the county or municipality to address

126 the transportation capacity impacts of a new development or  
127 redevelopment, or provide a method of assigning responsibility  
128 for the mitigation of the transportation capacity impacts  
129 belonging to the county and the municipality.

130 3. By October 1, 2025, if an interlocal agreement is not  
131 executed pursuant to this paragraph:

132 a. The fee charged to a new development or redevelopment  
133 shall be based on the transportation capacity impacts  
134 apportioned to the county and municipality as identified in the  
135 developer's traffic impact study or the mobility plan adopted by  
136 the county or municipality.

137 b. The developer shall receive a 10 percent reduction in  
138 the total fee calculated pursuant to sub-subparagraph a.

139 c. The county or municipality issuing the building permit  
140 must collect the fee charged pursuant to sub-subparagraphs a.  
141 and b. and distribute the proceeds of such fee to the county and  
142 municipality within 60 days after the developer's payment.

143 4. This paragraph does not apply to:

144 a. A county as defined in s. 125.011(1).

145 b. A county or municipality that has entered into, or  
146 otherwise updated, an existing interlocal agreement, as of  
147 October 1, 2024, to coordinate the mitigation of transportation  
148 impacts. However, if such existing interlocal agreement is  
149 terminated, the affected county and municipality that have  
150 entered into the agreement shall be subject to the requirements

151 of this paragraph unless the county and municipality mutually  
152 agree to extend the existing interlocal agreement before the  
153 expiration of the agreement. An existing interlocal agreement  
154 entered into before October 1, 2024, may not be extended beyond  
155 October 1, 2031.

156 **Section 4. Paragraph (g) of subsection (6) of section**  
157 **163.31801, Florida Statutes, is amended to read:**

158 163.31801 Impact fees; short title; intent; minimum  
159 requirements; audits; challenges.—

160 (6) A local government, school district, or special  
161 district may increase an impact fee only as provided in this  
162 subsection.

163 (g)1. A local government, school district, or special  
164 district may increase an impact fee rate beyond the phase-in  
165 limitations established under paragraph (b), paragraph (c),  
166 paragraph (d), or paragraph (e) by establishing the need for  
167 such increase in full compliance with the requirements of  
168 subsection (4), provided the following criteria are met:

169 a. A demonstrated-need study using a plan-based  
170 methodology which justifies justifying any increase in excess of  
171 those authorized in paragraph (b), paragraph (c), paragraph (d),  
172 or paragraph (e) has been completed within the 12 months before  
173 the adoption of the impact fee increase and expressly  
174 demonstrates the extraordinary circumstances necessitating the  
175 need to exceed the phase-in limitations.

176        b. The local government jurisdiction has held at least two  
177        publicly noticed workshops dedicated to the extraordinary  
178        circumstances necessitating the need to exceed the phase-in  
179        limitations set forth in paragraph (b), paragraph (c), paragraph  
180        (d), or paragraph (e).

181        c. The impact fee increase ordinance is approved by a  
182        unanimous vote of the governing body.

183        2. An impact fee increase approved under this paragraph  
184        must be implemented in at least two but not more than four equal  
185        annual increments beginning with the date on which the impact  
186        fee increase ordinance is adopted.

187        3. A local government may not increase an impact fee rate  
188        beyond the phase-in limitations under this paragraph if the  
189        local government has not increased the impact fee within the  
190        past 5 years. Any year in which the local government is  
191        prohibited from increasing an impact fee because the  
192        jurisdiction is in a hurricane disaster area is not included in  
193        the 5-year period.

194        4. The data used by a local government, school board, or  
195        special district in the study to project the anticipated  
196        population growth or capacity increase to support the proposed  
197        impact fee increase must be local data that reflects the  
198        differences in area costs and modality of projects between  
199        urban, emerging urban, and rural area costs, whichever is within  
200        the study area.

201       5. A local government, school board, or special district  
202       may not increase an impact fee rate beyond the phase-in  
203       limitations established under paragraph (b), paragraph (c),  
204       paragraph (d), or paragraph (e) by establishing the need for  
205       such increase by demonstrating extraordinary circumstances if:

206       a. The impact fee has not been increased within the past 5  
207       years.

208       b. Local data is used that is older than the preceding 4  
209       years.

210       c. Any fee deductions authorized by previous or existing  
211       impact fees are reflected in the new or updated impact fee  
212       study.

213       6. A local government, school board, or special district  
214       may not increase impact fees by more than 100 percent divided  
215       equally over a 4-year period.

216       7. In any civil action filed against a local government,  
217       school board, or special district for the assessment of an  
218       impact fee in violation of this subsection, the resident or  
219       business owner filing such action is entitled to reasonable  
220       attorney fees and costs if the resident or business owner  
221       prevails in the action.

222       8. As used in this paragraph, the term "extraordinary  
223       circumstances" means the measurable effects of development that  
224       require mitigation by the affected local government which  
225       exceeds the current impact fee rate, together with any increase

226    in the impact fee rate in excess of those authorized in  
227    paragraph (b), paragraph (c), paragraph (d), or paragraph (e)  
228    within the previous 4 years. The capacity standards to be used  
229    to support the declaration of extraordinary circumstances must  
230    be defined in the study. The projected capacity demand must be  
231    accompanied by a declaration of how and when the proposed impact  
232    fee will be used to construct or purchase the necessary capacity  
233    increase that is the basis of the fee rate and the period of  
234    time the improvements will be implemented.

235    **Section 5. Paragraph (d) of subsection (2) of section**  
236    **212.055, Florida Statutes, is amended to read:**

237    212.055 Discretionary sales surtaxes; legislative intent;  
238    authorization and use of proceeds.—It is the legislative intent  
239    that any authorization for imposition of a discretionary sales  
240    surtax shall be published in the Florida Statutes as a  
241    subsection of this section, irrespective of the duration of the  
242    levy. Each enactment shall specify the types of counties  
243    authorized to levy; the rate or rates which may be imposed; the  
244    maximum length of time the surtax may be imposed, if any; the  
245    procedure which must be followed to secure voter approval, if  
246    required; the purpose for which the proceeds may be expended;  
247    and such other requirements as the Legislature may provide.  
248    Taxable transactions and administrative procedures shall be as  
249    provided in s. 212.054.

250    (2) LOCAL GOVERNMENT INFRASTRUCTURE SURTAX.—

HB 1139

2026

(d) The proceeds of the surtax authorized by this subsection and any accrued interest shall be expended by the school district, within the county and municipalities within the county, or, in the case of a negotiated joint county agreement, within another county, to finance, plan, and construct infrastructure; to acquire any interest in land for public recreation, conservation, or protection of natural resources or to prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern; to provide loans, grants, or rebates to residential or commercial property owners who make energy efficiency improvements to their residential or commercial property, if a local government ordinance authorizing such use is approved by referendum; or to finance the closure of county-owned or municipally owned solid waste landfills that have been closed or are required to be closed by order of the Department of Environmental Protection. Any use of the proceeds or interest for purposes of landfill closure before July 1, 1993, is ratified. The proceeds and any interest may not be used for the operational expenses of infrastructure, except that a county that has a population of fewer than 75,000 and that is required to close a landfill may use the proceeds or interest for long-term maintenance costs associated with landfill closure. Counties, as defined in s. 125.011, and charter counties may, in addition, use the proceeds or interest to retire or service

276 indebtedness incurred for bonds issued before July 1, 1987, for  
277 infrastructure purposes, and for bonds subsequently issued to  
278 refund such bonds. Any use of the proceeds or interest for  
279 purposes of retiring or servicing indebtedness incurred for  
280 refunding bonds before July 1, 1999, is ratified.

281 1. For the purposes of this paragraph, the term  
282 "infrastructure" means:

283 a. Any fixed capital expenditure or fixed capital outlay  
284 associated with the construction, reconstruction, or improvement  
285 of public facilities that have a life expectancy of 5 or more  
286 years, any related land acquisition, land improvement, design,  
287 and engineering costs, and all other professional and related  
288 costs required to bring the public facilities into service. For  
289 purposes of this sub-subparagraph, the term "public facilities"  
290 means facilities as defined in ~~s. 163.3164 s. 163.3164(41)~~, s.  
291 163.3221(13), or s. 189.012(5), and includes facilities that are  
292 necessary to carry out governmental purposes, including, but not  
293 limited to, fire stations, general governmental office  
294 buildings, and animal shelters, regardless of whether the  
295 facilities are owned by the local taxing authority or another  
296 governmental entity.

297 b. A fire department vehicle, an emergency medical service  
298 vehicle, a sheriff's office vehicle, a police department  
299 vehicle, or any other vehicle, and the equipment necessary to  
300 outfit the vehicle for its official use or equipment that has a

301 life expectancy of at least 5 years.

302 c. Any expenditure for the construction, lease, or  
303 maintenance of, or provision of utilities or security for,  
304 facilities, as defined in s. 29.008.

305 d. Any fixed capital expenditure or fixed capital outlay  
306 associated with the improvement of private facilities that have  
307 a life expectancy of 5 or more years and that the owner agrees  
308 to make available for use on a temporary basis as needed by a  
309 local government as a public emergency shelter or a staging area  
310 for emergency response equipment during an emergency officially  
311 declared by the state or by the local government under s.

312 252.38. Such improvements are limited to those necessary to  
313 comply with current standards for public emergency evacuation  
314 shelters. The owner must enter into a written contract with the  
315 local government providing the improvement funding to make the  
316 private facility available to the public for purposes of  
317 emergency shelter at no cost to the local government for a  
318 minimum of 10 years after completion of the improvement, with  
319 the provision that the obligation will transfer to any  
320 subsequent owner until the end of the minimum period.

321 e. Any land acquisition expenditure for a residential  
322 housing project in which at least 30 percent of the units are  
323 affordable to individuals or families whose total annual  
324 household income does not exceed 120 percent of the area median  
325 income adjusted for household size, if the land is owned by a

326 local government or by a special district that enters into a  
327 written agreement with the local government to provide such  
328 housing. The local government or special district may enter into  
329 a ground lease with a public or private person or entity for  
330 nominal or other consideration for the construction of the  
331 residential housing project on land acquired pursuant to this  
332 sub-subparagraph.

333 f. Instructional technology used solely in a school  
334 district's classrooms. As used in this sub-subparagraph, the  
335 term "instructional technology" means an interactive device that  
336 assists a teacher in instructing a class or a group of students  
337 and includes the necessary hardware and software to operate the  
338 interactive device. The term also includes support systems in  
339 which an interactive device may mount and is not required to be  
340 affixed to the facilities.

341 2. For the purposes of this paragraph, the term "energy  
342 efficiency improvement" means any energy conservation and  
343 efficiency improvement that reduces consumption through  
344 conservation or a more efficient use of electricity, natural  
345 gas, propane, or other forms of energy on the property,  
346 including, but not limited to, air sealing; installation of  
347 insulation; installation of energy-efficient heating, cooling,  
348 or ventilation systems; installation of solar panels; building  
349 modifications to increase the use of daylight or shade;  
350 replacement of windows; installation of energy controls or

351 energy recovery systems; installation of electric vehicle  
352 charging equipment; installation of systems for natural gas fuel  
353 as defined in s. 206.9951; and installation of efficient  
354 lighting equipment.

355 3. Notwithstanding any other provision of this subsection,  
356 a local government infrastructure surtax imposed or extended  
357 after July 1, 1998, may allocate up to 15 percent of the surtax  
358 proceeds for deposit into a trust fund within the county's  
359 accounts created for the purpose of funding economic development  
360 projects having a general public purpose of improving local  
361 economies, including the funding of operational costs and  
362 incentives related to economic development. The ballot statement  
363 must indicate the intention to make an allocation under the  
364 authority of this subparagraph.

365 4. Surtax revenues that are shared with eligible charter  
366 schools pursuant to paragraph (c) shall be allocated among such  
367 schools based on each school's proportionate share of total  
368 school district capital outlay full-time equivalent enrollment  
369 as adopted by the education estimating conference established in  
370 s. 216.136. Surtax revenues must be expended by the charter  
371 school in a manner consistent with the allowable uses provided  
372 in s. 1013.62(4). All revenues and expenditures shall be  
373 accounted for in a charter school's monthly or quarterly  
374 financial statement pursuant to s. 1002.33(9). If a school's  
375 charter is not renewed or is terminated and the school is

HB 1139

2026

376 dissolved under the provisions of law under which the school was  
377 organized, any unencumbered funds received under this paragraph  
378 shall revert to the sponsor.

379 **Section 6.** This act shall take effect July 1, 2026.
