14   Be It Enacted by the Legislature of the State of Florida:

15  
16           **Section 1. Paragraph (e) of subsection (2) of section**  
17 **385.207, Florida Statutes, is amended to read:**

18       385.207   Care and assistance of persons with epilepsy;  
19   establishment of programs in epilepsy control.—

20       (2)   The Department of Health shall:

21       (e)   Institute and maintain an educational program among  
22   physicians, hospitals, county health departments, and the public  
23   concerning epilepsy, including the dissemination of information  
24   and the conducting of educational programs concerning the  
25   prevention of epilepsy and methods developed and used for the

26 care and treatment of persons with epilepsy. The educational  
27 program must include the education and training requirements of  
28 s. 1006.0626(3) and (5).

29 **Section 2. Paragraph (c) of subsection (1), paragraph (b)**  
30 **of subsection (2), and paragraph (b) of subsection (3) of**  
31 **section 1006.0626, Florida Statutes, are amended, and subsection**  
32 **(5) is added to that section, to read:**

33 1006.0626 Care of students with epilepsy or seizure  
34 disorders.—

35 (1) As used in this section, the term:

36 (c) "School" has the same meaning as in s. 1003.01(17) and  
37 includes charter schools under s. 1002.33.

38 (2)

39 (b) An ISAP must be developed and signed by a medical  
40 professional, in consultation with the student's parent, and  
41 include the following:

42 1. Written orders from the student's medical professional,  
43 in a form determined by the medical professional, outlining the  
44 student's epilepsy or seizure disorder recommended care.

45 2. The parent's signature.

46 3. The student's epilepsy or seizure disorder symptoms.

47 4. Any accommodations the student requires for school  
48 trips, after-school programs and activities, class parties, and  
49 any other school-related activities.

50 5. When and whom to call for medical assistance.

51           6. The student's ability to manage, and the student's  
52 level of understanding of, his or her epilepsy or seizure  
53 disorder.

54           7. How to maintain communication with the student; the  
55 student's parent; and the student's health care team, school  
56 nurse, and educational staff.

57           8. Any rescue medication prescribed by the student's  
58 medical professional and how and when to administer the  
59 medication.

60           (3) The school nurse or an appropriate school employee of  
61 a school that receives an ISAP pursuant to subsection (2) shall:

62           (b) Verify that each school district or charter school  
63 employee whose duties include regular contact with the student,  
64 including any employee who teaches or transports the student to  
65 and from school or school activities, has completed training in  
66 the care of students with epilepsy and seizure disorders. The  
67 training must include how to recognize the symptoms of and  
68 provide care for epilepsy and seizure disorders. To assist  
69 schools in meeting this requirement, the Department of Education  
70 shall identify on its website one or more online training  
71 courses that are provided by a nonprofit national organization  
72 that supports the welfare of individuals with epilepsy and  
73 seizure disorders and are available free of charge to schools.  
74 The completion of training is valid for 5 years.

75           (5) Each school as defined in paragraph (1)(c) shall

76   display a poster developed by the department which describes the  
77   basic steps of responding to an individual having a seizure. The  
78   department shall identify one or more posters that are provided  
79   by a national nonprofit organization that supports the welfare  
80   of individuals with epilepsy and seizure disorders and are  
81   available free of charge to schools.

82       **Section 3.** This act shall take effect July 1, 2026.
