---

The Committee on Environment and Natural Resources (Bradley) recommended the following:

1                   **Senate Amendment**

2

3                   Delete lines 59 - 60

4 and insert:

5                   (b) Class AA biosolids compost products, if the labeling  
6                   does not claim any plant nutrients or beneficial plant growth  
7                   properties, are not required to be distributed or marketed as a  
8                   soil amendment or a fertilizer, as those terms are defined in s.  
9                   576.011,
