I. Summary:

SB 174 designates that portion of S.R. 985/S.W. 107th Avenue between S.W. 24th Street and S.R. 90/S.W. 8th Street in Miami-Dade County as “Charlie Kirk Memorial Avenue” and directs the Florida Department of Transportation (FDOT) to erect suitable markers.

The FDOT estimates its cost to install the required designation markers is \$2,400, which can be absorbed within existing resources. See Section V., Fiscal Impact Statement.

The bill takes effect July 1, 2026.

II. Present Situation:

Section 334.071, F.S., provides that legislative designations of transportation facilities are for honorary or memorial purposes or to distinguish a particular facility. Such designations may not be construed as requiring any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes.¹

When the Legislature establishes road or bridge designations, the Florida Department of Transportation (FDOT) is required to place markers only at the termini specified for each highway segment or bridge designated and to erect any other markers it deems appropriate for the transportation facility.²

The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the

² Section 334.071(2), F.S.

designated road or bridge segment is located in more than one city or county, each affected local government must pass resolutions supporting the designations before the installation of the markers.³
