COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 246 authorizes the Department of Highway Safety and Motor Vehicles (DHSMV) to create the following new specialty license plates:

- Ultimate Fighting Championship (UFC);
- Miami Northwestern Alumni Association;
- Outsider;
- St. Petersburg College; and
- First Responders Resiliency.

The bill also revises certain requirements relating to two existing specialty license plates, the Florida Wildflower and Fraternal Order of Police plates.

The bill will have a negative, but insignificant fiscal impact to DHSMV associated with programming and implementation costs.

The bill takes effect October 1, 2026.

II. Present Situation:

Specialty License Plates

According to the DHSMV, as of October 2025, there were 132 specialty license plates authorized by the Legislature. Of these plates, 118 were available for immediate purchase and 14 were in the presale process.¹ Specialty license plates are available to an owner or lessee of a motor vehicle who is willing to pay an annual use fee, ranging from \$15 to \$25, paid in addition to required license taxes and service fees.² The annual use fees are distributed to organizations in support of a particular cause or charity signified on the plate's design and designated in statute.³

Authorization of Specialty License Plates

In order to establish a specialty license plate (after the plate is approved by law) s. 320.08053, F.S., requires the following actions within the specified timelines:

- Within 60 days, the organization must submit an art design for the plate, in a medium prescribed by the DHSMV;
- Within 120 days, the DHSMV must establish a method to issue presale vouchers for the specialty license plate; and
- Within 24 months after the presale vouchers are established, the organization must obtain a minimum of 3,000 voucher sales before manufacturing of the plate may begin.⁴

If the minimum sales requirement has not been met by the end of the 24-month presale period, then the DHSMV will discontinue the plate and issuance of presale vouchers.⁵ Upon discontinuation, a purchaser of a presale voucher may use the annual use fee as a credit towards any other specialty license plate or apply for a refund with the DHSMV.⁶

New specialty license plates that have been approved by law but are awaiting issuance will be issued in the order they appear in s. 320.08058, F.S., provided that presale requirements have been met. If the next listed specialty license plate has not met the presale requirement, the DHSMV will proceed in the order provided in s. 320.08058, F.S., to identify the next qualified specialty license plate that has met the presale requirement.⁷

The Department must discontinue the issuance of an approved specialty license plate if the number of valid specialty license plate registrations falls below 3,000 (4,000 for out-of-state college or university specialty license plates), for at least 12 consecutive months and must mail a

² Section 320.08056(3)(d), F.S., provides that except if specifically provided in s. 320.08056(4), F.S., the annual use fee for a specialty license plate is \$25.

³ Section 320.08058, F.S.

⁴ Chapter 2022-189, Laws of Fla., extended the presale requirement by an additional 24 months for an approved specialty license plate organization that, as of June 15, 2022, is in the presale period but had not recorded at least 3,000 voucher sales.

⁵ Section 320.08058(3), F.S., provides that any collegiate plate established after October 1, 2002, must comply with the requirements of s. 320.08053, F.S., other than the presale voucher requirements in s. 320.08053(2)(b), F.S., and be specifically authorized by the Legislature.

warning letter to the sponsoring organization following the first month in which the total number of valid specialty license plate registrations is below the minimum number of plates.⁸

If the Legislature has approved 135 or more specialty license plates, the DHSMV may not make any new specialty license plates available for design or issuance until a sufficient number of plates are discontinued so that the number of plates being issued does not exceed 135.⁹

Use of Specialty License Plate Fees

The annual use fees collected by an organization and any interest earned from the fees may be expended only for use in this state unless the annual use fee is derived from the sale of specified United States Armed Forces and veterans-related specialty plates.¹⁰ Additionally, organizations must adhere to certain accountability requirements, including an annual audit or attestation document affirming that funds received have been spent in accordance with applicable statutes.¹¹

The annual use fees collected by an organization and the interest earned from those fees may not be used for commercial or for-profit activities, or general or administrative expenses, unless authorized by s. 320.08058, F.S.¹² Additionally, the annual use fees and interest earned from those fees may not be used for the purpose of marketing to, or lobbying, entertaining, or rewarding, any employee of a governmental agency that is responsible for the sale and distribution of specialty license plates, or any elected member or employee of the Legislature.¹³

Florida Wildflower Specialty License Plate

Current law provides that the \$15 annual use fee from the sale of the Florida Wildflower specialty license plate shall be distributed to the Florida Wildflower Foundation, Inc., a nonprofit corporation under s. 501(c)(3) of the Internal Revenue Code. The proceeds must be used to establish native Florida wildflower research programs, wildflower educational programs, and wildflower grant programs to municipal, county, and community-based groups in this state.¹⁴

According to DHSMV, as of December 2025, there were 37,885 total sales of the Florida Wildflower specialty license plate.¹⁵

⁸ Section 320.08056(8)(a), F.S. These requirements do not apply to certain categories of plates, including: a) in-state collegiate license plates established under s. 320.08058(3), F.S.; b) license plates of institutions in the State University System; c) specialty license plates that have statutory eligibility limitations for purchase; d) specialty license plates for which annual use fees are distributed by a foundation for student and teacher leadership programs and teacher recruitment and retention; or e) Florida Professional Sports Team specialty license plates established under s. 320.08058(9), F.S.

Fraternal Order of Police Specialty License Plate

The Fraternal Order of Police specialty license plate was established in 2009 and has a \$25 annual use fee. The DHSMV may issue the plate only to an applicant who submits a notarized letter from the Florida State Lodge of the Fraternal Order of Police stating that the applicant is a member of the lodge in good standing or a member of a lodge member's family, together with other fees and documents required for a specialty license plate.¹⁶

The annual use fees from the sale of the plate are distributed to the Florida State Lodge of the Fraternal Order of the Police. A maximum of 10 percent of the proceeds may be used to promote and market the plate, to administer the license plate program, and to pay administrative costs directly associated with the state Fraternal Order of Police Law Enforcement Memorial. The remaining funds are to be used by the foundation to fund projects, programs, events related to the memorial or to fund improvements, maintenance, or other support of the memorial.¹⁷

According to the DHSMV, as of December 2025, there were 4,756 total sales of the Fraternal Order of Police specialty license plate.¹⁸

The bill directs DHSMV to create a new specialty license plate for the UFC. Proceeds of the sale of the UFC specialty license plate will be distributed to the UFC Foundation, Inc. The organization may use up to 10 percent of the proceeds for marketing and promotion of the plate. The remaining proceeds will support charities and nonprofits in the state of Florida that align with the foundation’s mission and goals, such as children’s hospitals, support for first responders and the military, and youth advocacy and mentorship, and to fund the development and operation of youth mentorship programs in partnership with local law enforcement agencies. The plate must bear the colors and design approved by the DHSMV, with the word “Florida” at the top of the plate and the words “UFC Lives Here” at the bottom of the plate.
