House Amendment – 695167 (body with title)

II. Summary of Amendments Contained in Message:

House Amendment – 695167 requires an organization with an approved specialty license plate to submit within a specified timeframe a five-year financial projection (must include revenues and expenditures, administrative expenses, and third-party recipients) to the Department of Highway Safety and Motor Vehicles (DHSMV). DHSMV is then required to annually submit a summary of the financial projections that it receives from approved specialty license plate organizations to the Governor and the Legislature. It also requires fees or interest earned from a specialty license plate be distributed only to certain not-for-profits.

The amendment creates a new Endless Summer specialty license plate for motorcycles.

It revises the issuance and fee distribution procedures for the Fraternal Order of Police specialty license plate.

Additionally, the amendment creates the following new specialty license plates with an annual use fee of \$25:

Miami Northwestern Alumni Association
Christopher Columbus High School
Ultimate Fighting Championship (UFC)
United States Naval Academy
United States Military Academy
Miami Dade College
Florida Film Legacy
