## ANALYSIS

### EFFECT OF THE BILL:

The bill requires FDOT to erect suitable markers for the following transportation facility designations:

#### Bernard Wilkes Ribault River Bridge

The bridge on Moncrief Road West over the Ribault River in Duval County is designated as "Bernard Wilkes Ribault River Bridge." (Section [1](#)).

#### Dickey Betts Memorial Highway

That portion of U.S. 41 between North Creek and Blackburn Point Road in Sarasota County is designated as "Dickey Betts Memorial Highway." (Section [2](#)).

### FISCAL OR ECONOMIC IMPACT:

#### STATE GOVERNMENT:

The bill will have an insignificant negative impact on state government expenditures. In 2025, FDOT estimated a cost of \$2,400 per designation for the appropriate markers, which provides for two signs per designation at \$1,200 per sign.<sup>1</sup> Therefore, the bill has an estimated negative fiscal impact of \$4,800 to the State Transportation Fund. This cost can be absorbed within existing FDOT resources.
