SUMMARY

Effect of the Bill:

The bill revises the State Housing Incentives Partnership Program (SHIP) to:

- Authorize participating local governments to expend funds for lot rental assistance for mobile home owners.
- Require local governments to include strategies for addressing the needs of persons impacted by the closure of a mobile home park and providing SHIP funds to mobile home owners, including lot rental assistance, in their local housing assistance plan.
- Provide that mobile homes are eligible for home ownership assistance and rehabilitation and emergency repair funding.
- Eliminate the prohibition on participating local governments from using more than 20% of SHIP funds for manufactured housing.

Fiscal or Economic Impact:

The bill may have an indeterminate insignificant negative impact on local government expenditures for costs associated with updating their local housing assistance plans. The bill may have an indeterminate fiscal impact on beneficiaries of the SHIP program to the extent the provisions of the bill revise which entities are eligible for funding.

ANALYSIS

EFFECT OF THE BILL:

The bill allows a local government participating in the [State Housing Initiatives Partnership Program \(SHIP\)](#) to use program funds to provide lot rental assistance to [mobile home](#) owners for up to six months. (Section [1](#)).

The bill requires each local government participating in SHIP to address in its local housing assistance plan the needs of persons who are deprived of affordable housing due to the closure of a mobile home park. The bill also requires a local housing assistance plan to include a strategy for providing program funds to mobile home owners, which must include lot rental assistance. (Section [2](#)).

The bill specifies that lot rental assistance for mobile home owners is an approved home ownership activity. (Section [2](#)).

The bill authorizes the use of SHIP funds for rehabilitation and emergency repairs for mobile home owners. (Section [2](#)).

The bill eliminates the restriction that limited the amount of SHIP funds that could be used for manufactured housing to no more than 20 percent of the allocated amount. (Section [2](#)).

STORAGE NAME: h0267a.HAT

DATE: 11/18/2025

The bill makes a conforming change to a cross-reference in another statutory provision. (Section [3](#)).

The bill has an effective date of July 1, 2026. (Section [4](#)).

FISCAL OR ECONOMIC IMPACT:

STATE GOVERNMENT:

A request for a formal analysis was submitted to the Florida Housing Finance Corporation on November 3, 2025.

LOCAL GOVERNMENT:

The bill may have an indeterminate insignificant negative impact on local government expenditures for costs associated with updating their local housing assistance plans.

PRIVATE SECTOR:

The bill may have an indeterminate fiscal impact on beneficiaries of the SHIP program to the extent the provisions of the bill revise which entities are eligible for funding.

SUBJECT OVERVIEW:

[State Housing Initiatives Partnership Program \(SHIP\)](#)

SHIP was created in 1992¹ to provide funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. SHIP provides funds to all 67 counties and 55 community development block grant² entitlement cities on a population-based formula to finance and preserve affordable housing based on locally adopted housing plans.³ To participate, local governments must establish a local housing assistance program by ordinance and develop a local housing assistance plan (LHAP) and housing incentive strategy.⁴

SHIP is administered by the Florida Housing Finance Corporation (FHFC)⁵ and was designed to serve very-low, low, and moderate-income families. “Very-low income persons” means one or more persons or a family, not including students, whose total annual adjusted gross household income does not exceed 50 percent of the median annual adjusted gross income for households within the state, or 50 percent of the median annual adjusted gross income for households within the metropolitan statistical area (MSA) or, if not within an MSA, within the county in which the person or family resides, whichever is greater. For “low-income persons,” the statutory threshold is 80 percent, and for “moderate-income persons,” it is 120 percent.⁶

SHIP funds may be used to pay for emergency repairs, new construction, rehabilitation, down payment and closing cost assistance, impact fees, construction and gap financing, mortgage buy-downs, acquisition of property for affordable housing, matching dollars for federal housing grants and programs, and homeownership counseling.⁷

Funds are expended per each local government’s adopted LHAP, which details the housing strategies it will use.⁸ Local governments submit their LHAPs to FHFC for review to ensure they meet the broad statutory guidelines and the requirements of the program rules. FHFC must approve a LHAP before a local government may receive SHIP funding.⁹

A local government’s use of SHIP funds is subject to certain restrictions (excluding amounts set aside for administrative costs):

- No more than 20 percent of SHIP funds may be used for manufactured housing.¹⁰
- At least 75 percent of SHIP funds must be reserved for construction, rehabilitation, or emergency repair of affordable, eligible housing.¹¹
- No more than 25 percent of SHIP funds may be reserved for allowed rental housing.¹²
- At least 65 percent of SHIP funds must be reserved for home ownership for eligible persons.¹³
- At least 20 percent of SHIP funds must serve persons with special needs.¹⁴
- At least 30 percent of SHIP funds must be used for awards to very-low-income persons or eligible sponsors¹⁵ serving very-low-income persons, and another 30 percent must be used for awards for low-income persons or eligible sponsors serving low-income persons.¹⁶

Local governments may not use SHIP funds to provide ongoing rent subsidies, except for:

- Security and utility deposit assistance.
- Eviction prevention not to exceed six months’ rent.
- A rent subsidy program for very-low income households with at least one adult who meets either the statutory definition of a person with special needs or homeless. The period of rental assistance may not exceed 12 months.¹⁷

In the state fiscal year 2021-2022,¹⁸ SHIP reported the following: ¹⁹

- \$147,433,487 in SHIP funding was disbursed for the 2021-2022 fiscal year.
- \$156,842,730 was expended or encumbered for homeownership activities, assisting 4,071 homeownership units.

¹⁸ Local governments have three years to expend funds. 2021-2022 is the most recent closed out fiscal year.

¹⁹ *Annual Report 2024, supra* note 3.

- \$23,240,239 was expended or encumbered for rental housing activities, assisting 1,223 rental housing units.

Mobile Homes

Florida has one of the largest numbers of mobile homes parks in the country.²⁰ Florida law defines a mobile home as “a residential structure, transportable in one or more sections, which is 8 body feet or more in width, over 35 body feet in length with the hitch, built on an integral chassis, designed to be used as a dwelling when connected to the required utilities, and not originally sold as a recreational vehicle, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein.”²¹ Mobile homes are designed to be used as a permanent dwelling.

A mobile home park is land in which lots or spaces are offered for rent or lease for the placement of mobile homes in which the primary use of the park is residential.²² Mobile home parks have historically served as an affordable housing option for low-and-moderate-income residents. However, increasing redevelopment pressures and rising housing costs have put many mobile home owners at risk of permanent displacement.²³
