A bill to be entitled  
An act relating to parity for nonnursing services under long-term managed care plans; beginning on a specified date, requiring the Agency for Health Care Administration to reimburse nonnursing services provided by licensed providers at the same rate or higher than the rate it reimburses unlicensed providers for such services under the Medicaid long-term managed care program; requiring the agency annually to adjust the rate for licensed providers; requiring the agency, within a specified timeframe, to seek any Medicaid waiver or state plan amendment necessary to implement the rate changes; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. (1) Beginning January 1, 2027, the Agency for Health Care Administration shall reimburse licensed providers who provide nonnursing services, such as home health agencies and nurse registries, participating in the Medicaid long-term managed care program at a rate that is at least the same rate or higher than the rate it reimburses unlicensed providers for such services, such as family caregivers. The agency shall annually adjust the rate for licensed providers to accommodate inflation and overhead costs.

(2) Within 30 days after the effective date of this act, the agency shall request any Medicaid waiver or state plan amendment necessary to implement these rate changes.
