Senator Leek moved the following:

1 **Senate Substitute for Amendment (562678) (with title**
2 **amendment)**

3
4 Delete lines 833 - 884

5 and insert:

6 (2) RESTRICTION.—An educational entity may not provide
7 students with access to an artificial intelligence instructional
8 tool before grade 6 unless such use is:

9 (a) Directed and supervised by school personnel;

10 (b) For translation or similar support necessary for a
11 student identified as an English language learner; or

274134

12 (c) For accommodations, assistive technology, or similar
13 support necessary for a student with a documented disability.

14 (3) EDUCATIONAL USE; PARENTAL NOTICE.—Before a student is
15 provided access credentials for an artificial intelligence
16 instructional tool, the educational entity must provide the
17 parent of a minor student with notice that:

18 (a) Identifies the tool and its educational purpose;

19 (b) Describes, in general terms, the manner in which the
20 tool will be used by students;

21 (c) Explains how the parent may exercise the opt-out
22 process under subsection (4); and

23 (d) Explains how the parent may access the student's
24 account or request access to information and account activity
25 under subsection (5), including the method for submitting a
26 written request.

27 (4) PARENTAL OPT-OUT.—

28 (a) A parent of a minor student must be provided the
29 opportunity to opt out of the student's use of an artificial
30 intelligence instructional tool.

31 (b) The opt-out process must align with the educational
32 entity's existing policies for parental notice, consent,
33 objection, or opt out for instructional materials, digital
34 tools, or online accounts, as applicable.

35 (c) If a parent opts out of a student's use of an
36 artificial intelligence instructional tool and the student is
37 enrolled in a public school, the school district or public
38 school must provide an alternative instructional activity that
39 allows the student to meet a comparative educational requirement
40 without penalty.

274134

41 (5) PARENT ACCOUNT ACCESS; COMPLIANCE OPTIONS.—

42 (a) At the time an operator provides a student's access
43 credentials or otherwise provides or enables student access to
44 an educational entity for an artificial intelligence
45 instructional tool, the operator shall simultaneously provide to
46 the educational entity a means to authorize the parent of a
47 minor student to access information and account activity
48 maintained within the artificial intelligence instructional
49 tool.

50 (b) The operator may satisfy paragraph (a) by:

51 1. Providing the parent of a minor student credentials or
52 another method for read-only access to the student's account; or

53 2. Upon written request from the parent of a minor student,
54 providing access to the information and account activity
55 maintained within the tool, in accordance with applicable state
56 and federal law, within 30 days after receipt of the request.
57 The educational entity shall inform the parent of the right to
58 make such a request and the method for submitting the request.

59 (c) If an educational entity satisfies subparagraph (b)1.,
60 the educational entity must provide the credentials or other
61 access method at the time the educational entity provides the
62 student with access credentials or otherwise enables student
63 access.

64 (d) This subsection does not require an operator or
65 educational entity to create or retain a transcript or record of
66 student interactions beyond information otherwise maintained in
67 the ordinary course of providing access to the tool.

68 (6) CONSTRUCTION.—This section does not alter:
