**Senate Amendment (with title amendment)**

Delete lines 801 - 884

and insert:

parental notice, opt in, and account access.-

(1) DEFINITIONS.-As used in this section, the term:

(a) "Artificial intelligence instructional tool" means a software application or service that uses artificial intelligence, including machine learning, which is made available to a student by an educational entity for educational purposes, including instruction, tutoring, practice, feedback,

562678

12 or completing educator-directed assignments, and which is not  
13 designed, marketed, or configured to:

14 1. Meet a student's social needs;

15 2. Simulate friendship, companionship, or an emotional  
16 relationship with a student; or

17 3. Employ relationship-building or anthropomorphic design  
18 features for the purpose of encouraging a student to continue  
19 interacting with the system.

20 (b) "Educational entity" means a school district, a public  
21 school, or a private school.

22 (c) "Operator" means a person who operates an artificial  
23 intelligence instructional tool and collects, receives,  
24 maintains, or uses student information or student-generated  
25 content through the tool.

26 (d) "Parent" includes a parent, guardian, or other person  
27 with legal authority to make educational decisions for a  
28 student.

29 (e) "Private school" has the same meaning as in s.  
30 1002.01(3).

31 (f) "Public school" means a component described in s.  
32 1000.04(2), (4), (5), or (6).

33 (2) PROHIBITION.—An educational entity may not use or  
34 provide students with access to artificial intelligence  
35 instructional tools before grade 6.

36 (3) EDUCATIONAL USE; PARENTAL NOTICE.—Before a student is  
37 provided access credentials for an artificial intelligence  
38 instructional tool, the educational entity shall provide the  
39 parent of a minor student with notice that:

40 (a) Identifies the tool and its educational purpose;

41 (b) Describes, in general terms, how the tool will be used  
42 by students;

43 (c) Explains how the parent may exercise the opt-in process  
44 under subsection (4); and

45 (d) Explains how the parent may access the student's  
46 account or request access to information and account activity  
47 under subsection (5), including the method for submitting a  
48 written request.

49 (4) PARENTAL OPT-IN.—

50 (a) A parent of a minor student must be provided the  
51 opportunity to opt in or otherwise authorize the student's use  
52 of an artificial intelligence instructional tool.

53 (b) The opt-in process must align with the educational  
54 entity's existing policies for parental notice, consent,  
55 objection, or opt out for instructional materials, digital  
56 tools, or online accounts, as applicable.

57 (c) If a parent does not authorize a student's use of an  
58 artificial intelligence instructional tool and the student is  
59 enrolled in a public school, the school district or public  
60 school must provide an alternative instructional activity that  
61 allows the student to meet a comparative educational requirement  
62 without penalty.

63 (5) PARENT ACCOUNT ACCESS; COMPLIANCE OPTIONS.—

64 (a) At the time an operator provides a student's access  
65 credentials or otherwise provides or enables student access to  
66 an educational entity for an artificial intelligence  
67 instructional tool, the operator shall simultaneously provide to  
68 the educational entity a means to authorize the parent of a  
69 minor student to access information and account activity

70 maintained within the artificial intelligence instructional  
71 tool.

72 (b) The operator may satisfy paragraph (a) by:

73 1. Providing the parent of a minor student credentials or  
74 another method for read-only access to the student's account; or

75 2. Upon written request from the parent of a minor student,  
76 providing access to the information and account activity  
77 maintained within the tool, in accordance with applicable state  
78 and federal law, within 30 days after receipt of the request.  
79 The educational entity shall inform the parent of the right to  
80 make such a request and the method for submitting the request.

81 (c) If an educational entity satisfies subparagraph (b)1.,  
82 the educational entity must provide the credentials or other  
83 access method at the time the educational entity provides the  
84 student with access credentials or otherwise enables student  
85 access.

86 (d) This subsection does not require an operator or an  
87 educational entity to create or retain a transcript or record of  
88 student interactions beyond information otherwise maintained in  
89 the ordinary course of providing access to the tool.

90 (6) CONSTRUCTION.—This section does not alter:

91  
92 ===== T I T L E A M E N D M E N T =====

93 And the title is amended as follows:

94 Delete lines 127 - 136

95 and insert:

96 s. 1006.1495, F.S.; defining terms; prohibiting an  
97 educational entity from using or providing students  
98 access to artificial intelligence instructional tools

562678

99 before a specified grade level; requiring an  
100 educational entity to provide parents with specified  
101 notice before providing a student with access to an  
102 artificial intelligence instructional tool; requiring  
103 that a parent be provided the opportunity to opt in or  
104 otherwise authorize a student's use of an artificial  
105 intelligence instructional tool; providing  
106 requirements for such opt-in process; requiring a  
107 school district or public school to provide certain  
108 activities if the parent does not authorize the  
109 student's use of an artificial
