The Committee on Rules (Avila) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 165 - 167  
and insert:  
required to serve a large load customer. The risk of nonpayment  
of such costs must be minimized to the maximum extent  
practicable through commercially reasonable performance and  
financial security arrangements established with the large load  
customer, including financial guarantees sufficient to protect  
the public utility and its ratepayers.
