535 officer as prescribed by the Office of Safe Schools, the number
536 of safe-school officers shall be determined based on the

538 per safe-school officer as specified in the General

551 amount of the safe schools allocation ~~each school district shall~~

573 full-time equivalent Family Empowerment Scholarship students in
574 a school district is greater than the number of such students
575 provided in the General Appropriations Act and the school

576 district's amount of funds per weighted full-time equivalent
577 student is less than the amount of such funds provided in the
578 General Appropriations Act ~~to maintain the stability of the~~
579 ~~operations of public schools in each school district and to~~
580 ~~protect districts, including charter schools, from financial~~
581 ~~instability as a result of changes in full-time equivalent~~
582 ~~student enrollment throughout the school year.~~

583 (b) The Legislature may ~~shall~~ annually appropriate funds
584 in the General Appropriations Act to the Department of Education
585 for this program in an amount necessary to fully fund the number
586 of eligible Family Empowerment Scholarship students.

591 appropriated number of weighted full-time equivalent Family
592 Empowerment Scholarship students.

593 2. Subtract from the appropriated amount of funds per
594 weighted full-time equivalent student the current amount of
595 funds per weighted full-time equivalent student.

596 3. If both amounts calculated in subparagraphs 1. and 2.
597 are greater than zero, multiply the difference calculated in
598 subparagraph 1. by the appropriated amount of funds per weighted
599 full-time equivalent student and multiply the difference
600 calculated in subparagraph 2. by the current number of weighted

601 full-time equivalent students.

602 4. The lesser of the two amounts calculated in
603 subparagraph 3. equals the amount of the school district's
604 stabilization fund.

605 5. If the total of school district stabilization funds for
606 all districts is greater than the amounts appropriated for the
607 program, each school district's allocation shall be prorated
608 based on its proportionate share of the calculated amount.

609 (d) The funding for the family empowerment scholarship
610 stabilization program shall be recalculated during the fiscal
611 year based on actual full-time equivalent student membership

618 ~~greater of either the school district's funds per unweighted~~
619 ~~full-time equivalent student as appropriated in the General~~
620 ~~Appropriations Act or the school district's funds per unweighted~~
621 ~~full-time equivalent student as recalculated based upon the~~
622 ~~receipt of the certified taxable value for school purposes~~
623 ~~pursuant to s. 1011.62(4).~~

624 ~~(c) Notwithstanding s. 216.301 and pursuant to s. 216.351,~~
625 ~~the unexpended balance of funds appropriated pursuant to this~~

1374 (a) The chief judge of the circuit shall compile a list of
1375 attorneys in private practice, by county and by category of

1376 cases, and provide the list to the clerk of court in each
1377 county. The chief judge of the circuit may restrict the number
1378 of attorneys on the general registry list. To be included on a
1379 registry, an attorney must certify that he or she:

1380 1. Meets any minimum requirements established by the chief
1381 judge and by general law for court appointment;

1382 2. Is available to represent indigent defendants in cases
1383 requiring court appointment of private counsel; and

1384 3. Is willing to abide by the terms of the contract for
1385 services, s. 27.5304, and this section.

1386

1387 To be included on a registry, an attorney must enter into a
1388 contract for services with the Justice Administrative
1389 Commission. Failure to comply with the terms of the contract for
1390 services may result in termination of the contract and removal
1391 from the registry. Each attorney on the registry is responsible
1392 for notifying the clerk of the court and the Justice
1393 Administrative Commission of any change in his or her status.
1394 Failure to comply with this requirement is cause for termination
1395 of the contract for services and removal from the registry until
1396 the requirement is fulfilled.

1397 (5) The Justice Administrative Commission shall approve
1398 uniform contract forms for use in procuring the services of
1399 private court-appointed counsel and uniform procedures and forms
1400 for use by a court-appointed attorney in support of billing for

1401 attorney's fees, costs, and related expenses to demonstrate the
1402 attorney's completion of specified duties. Such uniform
1403 contracts and forms for use in billing must be consistent with
1404 s. 27.5304, s. 216.311, and the General Appropriations Act and
1405 must contain the following statement: "The State of Florida's
1406 performance and obligation to pay under this contract is
1407 contingent upon an annual appropriation by the Legislature."

1408 (6) After court appointment, the attorney must immediately
1409 file a notice of appearance with the court indicating acceptance
1410 of the appointment to represent the defendant and of the terms
1411 of the uniform contract as specified in subsection (5).

1412 (7) (a) A private attorney appointed by the court from the
1413 registry to represent a client is entitled to payment as
1414 provided in s. 27.5304 so long as the requirements of subsection
1415 (1) and paragraph (2) (a) are met. An attorney appointed by the
1416 court who is not on the registry list may be compensated under
1417 s. 27.5304 only if the court finds in the order of appointment
1418 that there were no registry attorneys available for
1419 representation for that case and only if the requirements of
1420 subsection (1) and paragraph (2) (a) are met.

1421 (b) 1. The flat fee established in s. 27.5304 and the
1422 General Appropriations Act shall be presumed by the court to be
1423 sufficient compensation. The attorney shall maintain appropriate
1424 documentation, including contemporaneous and detailed hourly
1425 accounting of time spent representing the client. If the

1426 attorney fails to maintain such contemporaneous and detailed
1427 hourly records, the attorney waives the right to seek
1428 compensation in excess of the flat fee established in s. 27.5304
1429 and the General Appropriations Act. These records and documents
1430 are subject to review by the Justice Administrative Commission
1431 and audit by the Auditor General, subject to the attorney-client
1432 privilege and work-product privilege. The attorney shall
1433 maintain the records and documents in a manner that enables the
1434 attorney to redact any information subject to a privilege in
1435 order to facilitate the commission's review of the records and
1436 documents and not to impede such review. The attorney may redact
1437 information from the records and documents only to the extent
1438 necessary to comply with the privilege. The Justice
1439 Administrative Commission shall review such records and shall
1440 contemporaneously document such review before authorizing
1441 payment to an attorney. Objections by or on behalf of the
1442 Justice Administrative Commission to records or documents or to
1443 claims for payment by the attorney shall be presumed correct by
1444 the court unless the court determines, in writing, that
1445 competent and substantial evidence exists to justify overcoming
1446 the presumption.

1447 2. If an attorney fails, refuses, or declines to permit
1448 the commission or the Auditor General to review documentation
1449 for a case as provided in this paragraph, the attorney waives
1450 the right to seek, and the commission may not pay, compensation

1451 in excess of the flat fee established in s. 27.5304 and the
1452 General Appropriations Act for that case.

1453 3. A finding by the commission that an attorney has waived
1454 the right to seek compensation in excess of the flat fee
1455 established in s. 27.5304 and the General Appropriations Act, as
1456 provided in this paragraph, shall be presumed to be correct,
1457 unless the court determines, in writing, that competent and
1458 substantial evidence exists to justify overcoming the
1459 presumption.

1460 **Section 46.** The text of s. 27.40(1), (2)(a), (3)(a), (5),
1461 (6), and (7), Florida Statutes, as carried forward from chapter
1462 2019-116, Laws of Florida, by this act, expires July 1, 2027,
1463 and the text of those subsections and paragraphs, as applicable,
1464 shall revert to that in existence on June 30, 2019, except that
1465 any amendments to such text enacted other than by this act shall
1466 be preserved and continue to operate to the extent that such
1467 amendments are not dependent upon the portions of text which
1468 expire pursuant to this section.

1469 **Section 47.** **In order to implement Specific Appropriations**
1470 **793 through 817A, 978 through 1125, and 1146 through 1182 of the**
1471 **2026-2027 General Appropriations Act, and notwithstanding the**
1472 **expiration date in section 54 of chapter 2025-199, Laws of**
1473 **Florida, subsection (13) of section 27.5304, Florida Statutes,**
1474 **is amended, and subsections (1), (3), (6), (7), and (11), and**
1475 **paragraphs (a) through (e) of subsection (12) of that section**

1476 **are reenacted, to read:**

1477 27.5304 Private court-appointed counsel; compensation;
1478 notice.—

1479 (1) Private court-appointed counsel appointed in the
1480 manner prescribed in s. 27.40(1) and (2)(a) shall be compensated
1481 by the Justice Administrative Commission only as provided in
1482 this section and the General Appropriations Act. The flat fees
1483 prescribed in this section are limitations on compensation. The
1484 specific flat fee amounts for compensation shall be established
1485 annually in the General Appropriations Act. The attorney also
1486 shall be reimbursed for reasonable and necessary expenses in
1487 accordance with s. 29.007. If the attorney is representing a
1488 defendant charged with more than one offense in the same case,
1489 the attorney shall be compensated at the rate provided for the
1490 most serious offense for which he or she represented the
1491 defendant. This section does not allow stacking of the fee
1492 limits established by this section.

1493 (3) The court retains primary authority and responsibility
1494 for determining the reasonableness of all billings for attorney
1495 fees, costs, and related expenses, subject to statutory
1496 limitations and the requirements of s. 27.40(7). Private court-
1497 appointed counsel is entitled to compensation upon final
1498 disposition of a case.

1499 (6) For compensation for representation pursuant to a
1500 court appointment in a proceeding under chapter 39:

1501 (a) At the trial level, compensation for representation
1502 for dependency proceedings shall not exceed \$1,450 for the first
1503 year following the date of appointment and shall not exceed \$700
1504 each year thereafter. Compensation shall be paid based upon
1505 representation of a parent irrespective of the number of case
1506 numbers that may be assigned or the number of children involved,
1507 including any children born during the pendency of the
1508 proceeding. Any appeal, except for an appeal from an
1509 adjudication of dependency, shall be completed by the trial
1510 attorney and is considered compensated by the flat fee for
1511 dependency proceedings.

1512 1. Counsel may bill the flat fee not exceeding \$1,450
1513 following disposition or upon dismissal of the petition.

1514 2. Counsel may bill the annual flat fee not exceeding \$700
1515 following the first judicial review in the second year following
1516 the date of appointment and each year thereafter as long as the
1517 case remains under protective supervision.

1518 3. If the court grants a motion to reactivate protective
1519 supervision, the attorney shall receive the annual flat fee not
1520 exceeding \$700 following the first judicial review and up to an
1521 additional \$700 each year thereafter.

1522 4. If, during the course of dependency proceedings, a
1523 proceeding to terminate parental rights is initiated,
1524 compensation shall be as set forth in paragraph (b). If counsel
1525 handling the dependency proceeding is not authorized to handle

1526 proceedings to terminate parental rights, the counsel must
1527 withdraw and new counsel must be appointed.

1528 (b) At the trial level, compensation for representation in
1529 termination of parental rights proceedings shall not exceed
1530 \$1,800 for the first year following the date of appointment and
1531 shall not exceed \$700 each year thereafter. Compensation shall
1532 be paid based upon representation of a parent irrespective of
1533 the number of case numbers that may be assigned or the number of
1534 children involved, including any children born during the
1535 pendency of the proceeding. Any appeal, except for an appeal
1536 from an order granting or denying termination of parental
1537 rights, shall be completed by trial counsel and is considered
1538 compensated by the flat fee for termination of parental rights
1539 proceedings. If the individual has dependency proceedings
1540 ongoing as to other children, those proceedings are considered
1541 part of the termination of parental rights proceedings as long
1542 as that termination of parental rights proceeding is ongoing.

1543 1. Counsel may bill the flat fee not exceeding \$1,800 30
1544 days after rendition of the final order. Each request for
1545 payment submitted to the Justice Administrative Commission must
1546 include the trial counsel's certification that:

1547 a. Counsel discussed grounds for appeal with the parent or
1548 that counsel attempted and was unable to contact the parent; and

1549 b. No appeal will be filed or that a notice of appeal and
1550 a motion for appointment of appellate counsel, containing the

1551 signature of the parent, have been filed.

1552 2. Counsel may bill the annual flat fee not exceeding \$700
1553 following the first judicial review in the second year after the
1554 date of appointment and each year thereafter as long as the
1555 termination of parental rights proceedings are still ongoing.

1556 (c) For appeals from an adjudication of dependency,
1557 compensation may not exceed \$1,800.

1558 1. Counsel may bill a flat fee not exceeding \$1,200 upon
1559 filing the initial brief or the granting of a motion to
1560 withdraw.

1561 2. If a brief is filed, counsel may bill an additional
1562 flat fee not exceeding \$600 upon rendition of the mandate.

1563 (d) For an appeal from an adjudication of termination of
1564 parental rights, compensation may not exceed \$3,500.

1565 1. Counsel may bill a flat fee not exceeding \$1,750 upon
1566 filing the initial brief or the granting of a motion to
1567 withdraw.

1568 2. If a brief is filed, counsel may bill an additional
1569 flat fee not exceeding \$1,750 upon rendition of the mandate.

1570 (7) Counsel eligible to receive compensation from the
1571 state for representation pursuant to court appointment made in
1572 accordance with the requirements of s. 27.40(1) and (2)(a) in a
1573 proceeding under chapter 384, chapter 390, chapter 392, chapter
1574 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter
1575 744, or chapter 984 shall receive compensation not to exceed the

1576 | limits prescribed in the General Appropriations Act. Any such
 1577 | compensation must be determined as provided in s. 27.40(7).

1578 | (11) It is the intent of the Legislature that the flat
 1579 | fees prescribed under this section and the General
 1580 | Appropriations Act comprise the full and complete compensation
 1581 | for private court-appointed counsel. It is further the intent of
 1582 | the Legislature that the fees in this section are prescribed for
 1583 | the purpose of providing counsel with notice of the limit on the
 1584 | amount of compensation for representation in particular
 1585 | proceedings and the sole procedure and requirements for
 1586 | obtaining payment for the same.

1587 | (a) If court-appointed counsel moves to withdraw prior to
 1588 | the full performance of his or her duties through the completion
 1589 | of the case, the court shall presume that the attorney is not
 1590 | entitled to the payment of the full flat fee established under
 1591 | this section and the General Appropriations Act.

1592 | (b) If court-appointed counsel is allowed to withdraw from
 1593 | representation prior to the full performance of his or her
 1594 | duties through the completion of the case and the court appoints
 1595 | a subsequent attorney, the total compensation for the initial
 1596 | and any and all subsequent attorneys may not exceed the flat fee
 1597 | established under this section and the General Appropriations
 1598 | Act, except as provided in subsection (12).

1599 |
 1600 | This subsection constitutes notice to any subsequently appointed

1601 attorney that he or she will not be compensated the full flat
1602 fee.

1603 (12) The Legislature recognizes that on rare occasions an
1604 attorney may receive a case that requires extraordinary and
1605 unusual effort.

1606 (a) If counsel seeks compensation that exceeds the limits
1607 prescribed by law, he or she must file a motion with the chief
1608 judge for an order approving payment of attorney fees in excess
1609 of these limits.

1610 1. Before filing the motion, the counsel shall deliver a
1611 copy of the intended billing, together with supporting
1612 affidavits and all other necessary documentation, to the Justice
1613 Administrative Commission.

1614 2. The Justice Administrative Commission shall review the
1615 billings, affidavit, and documentation for completeness and
1616 compliance with contractual and statutory requirements and shall
1617 contemporaneously document such review before authorizing
1618 payment to an attorney. If the Justice Administrative Commission
1619 objects to any portion of the proposed billing, the objection
1620 and supporting reasons must be communicated in writing to the
1621 private court-appointed counsel. The counsel may thereafter file
1622 his or her motion, which must specify whether the commission
1623 objects to any portion of the billing or the sufficiency of
1624 documentation, and shall attach the commission's letter stating
1625 its objection.

1626 (b) Following receipt of the motion to exceed the fee
1627 limits, the chief judge or a single designee shall hold an
1628 evidentiary hearing. The chief judge may select only one judge
1629 per circuit to hear and determine motions pursuant to this
1630 subsection, except multicounty circuits and the eleventh circuit
1631 may have up to two designees.

1632 1. At the hearing, the attorney seeking compensation must
1633 prove by competent and substantial evidence that the case
1634 required extraordinary and unusual efforts. The chief judge or
1635 single designee shall consider criteria such as the number of
1636 witnesses, the complexity of the factual and legal issues, and
1637 the length of trial. The fact that a trial was conducted in a
1638 case does not, by itself, constitute competent substantial
1639 evidence of an extraordinary and unusual effort. In a criminal
1640 case, relief under this section may not be granted if the number
1641 of work hours does not exceed 75 or the number of the state's
1642 witnesses deposed does not exceed 20.

1643 2. Objections by or on behalf of the Justice
1644 Administrative Commission to records or documents or to claims
1645 for payment by the attorney shall be presumed correct by the
1646 court unless the court determines, in writing, that competent
1647 and substantial evidence exists to justify overcoming the
1648 presumption. The chief judge or single designee shall enter a
1649 written order detailing his or her findings and identifying the
1650 extraordinary nature of the time and efforts of the attorney in

1651 the case which warrant exceeding the flat fee established by
1652 this section and the General Appropriations Act.

1653 (c) A copy of the motion and attachments shall be served
1654 on the Justice Administrative Commission at least 20 business
1655 days before the date of a hearing. The Justice Administrative
1656 Commission has standing to appear before the court, and may
1657 appear in person or telephonically, including at the hearing
1658 under paragraph (b), to contest any motion for an order
1659 approving payment of attorney fees, costs, or related expenses
1660 and may participate in a hearing on the motion by use of
1661 telephonic or other communication equipment. The Justice
1662 Administrative Commission may contract with other public or
1663 private entities or individuals to appear before the court for
1664 the purpose of contesting any motion for an order approving
1665 payment of attorney fees, costs, or related expenses. The fact
1666 that the Justice Administrative Commission has not objected to
1667 any portion of the billing or to the sufficiency of the
1668 documentation is not binding on the court.

1669 (d) If the chief judge or a single designee finds that
1670 counsel has proved by competent and substantial evidence that
1671 the case required extraordinary and unusual efforts, the chief
1672 judge or single designee shall order the compensation to be paid
1673 to the attorney at a percentage above the flat fee rate,
1674 depending on the extent of the unusual and extraordinary effort
1675 required. The percentage must be only the rate necessary to

1676 ensure that the fees paid are not confiscatory under common law.
1677 The percentage may not exceed 200 percent of the established
1678 flat fee, absent a specific finding that 200 percent of the flat
1679 fee in the case would be confiscatory. If the chief judge or
1680 single designee determines that 200 percent of the flat fee
1681 would be confiscatory, he or she shall order the amount of
1682 compensation using an hourly rate not to exceed \$75 per hour for
1683 a noncapital case and \$100 per hour for a capital case. However,
1684 the compensation calculated by using the hourly rate shall be
1685 only that amount necessary to ensure that the total fees paid
1686 are not confiscatory, subject to the requirements of s.
1687 27.40(7).

1688 (e) Any order granting relief under this subsection must
1689 be attached to the final request for a payment submitted to the
1690 Justice Administrative Commission and must satisfy the
1691 requirements of subparagraph (b)2.

1692 (13) Notwithstanding the limitation set forth in
1693 subsection (5) and for the 2026-2027 ~~2025-2026~~ fiscal year only,
1694 the compensation for representation in a criminal proceeding may
1695 not exceed the following:

1696 (a) For misdemeanors and juveniles represented at the
1697 trial level: \$2,000.

1698 (b) For noncapital, nonlife felonies represented at the
1699 trial level: \$15,000.

1700 (c) For life felonies represented at the trial level:

1701 \$15,000.

1702 (d) For capital cases represented at the trial level:
 1703 \$25,000. For purposes of this paragraph, a "capital case" is any
 1704 offense for which the potential sentence is death and the state
 1705 has not waived seeking the death penalty.

1706 (e) For representation on appeal: \$9,000.

1707 (f) This subsection expires July 1, ~~2027~~ 2026.

1708 **Section 48.** The text of s. 27.5304(1), (3), (7), (11), and
 1709 (12) (a)-(e), Florida Statutes, as carried forward from chapter
 1710 2019-116, Laws of Florida, and the text of s. 27.5304(6),
 1711 Florida Statutes, as carried forward from chapter 2023-240, Laws
 1712 of Florida, by this act, expires July 1, 2027, and the text of
 1713 those subsections and paragraphs, as applicable, shall revert to
 1714 that in existence on June 30, 2019, except that any amendments
 1715 to such text enacted other than by this act shall be preserved
 1716 and continue to operate to the extent that such amendments are
 1717 not dependent upon the portions of text which expire pursuant to
 1718 this section.

1719 **Section 49. In order to implement Specific Appropriations**
 1720 **1348 through 1353 of the 2026-2027 General Appropriations Act,**
 1721 **subsection (3) of section 908.1033, Florida Statutes, is amended**
 1722 **to read:**

1723 908.1033 Local Law Enforcement Immigration Grant Program.—

1724 (3) (a) A local law enforcement agency may apply to the
 1725 State Board of Immigration Enforcement to provide bonus payments

1726 for the agency's local law enforcement officers who participate
1727 in United States Department of Homeland Security at-large task
1728 force operations. The local law enforcement agency may apply for
1729 a bonus of up to \$1,000 for each local law enforcement officer
1730 employed within that agency. The local law enforcement agency
1731 must certify to the board that the local law enforcement officer
1732 participated in one or more operations and provide any
1733 information required by the board. Eligible participation does
1734 not include operations occurring solely at state correctional
1735 facilities or county detention facilities.

1736 (b) The bonus payment shall be adjusted to include 7.65
1737 percent for the officers' share of Federal Insurance
1738 Contribution Act tax on the bonus.

1739 (c) Notwithstanding paragraph (a), and for the 2026-2027
1740 ~~2025-2026~~ fiscal year, a local law enforcement agency may apply
1741 to the State Board of Immigration Enforcement to provide bonus
1742 payments for the agency's certified correctional officers under
1743 s. 943.10(2), who are a warrant service officer under s. 287(g)
1744 of the Immigration and Nationality Act, 8 U.S.C. s. 1357 or an
1745 immigration officer under the jail enforcement model under s.
1746 287(g) of the Immigration and Nationality Act, 8 U.S.C. s. 1357.
1747 The local law enforcement agency may apply for a bonus of up to
1748 \$1,000 for each certified correctional officer employed with
1749 that county detention facility. The local law enforcement agency
1750 must certify to the board that the certified correctional

1751 officer acted in such capacity as a warrant service officer or
1752 an immigration officer under the jail enforcement model for at
1753 least 6 months preceding the application and provide any
1754 information required by the board. Eligible participation does
1755 not include operations occurring solely at state correctional
1756 facilities. This paragraph expires July 1, 2027 ~~2026~~.

1757 **Section 50.** In order to implement Specific Appropriation
1758 1405 of the 2026-2027 General Appropriations Act, and
1759 notwithstanding ss. 216.181 and 216.292, Florida Statutes, the
1760 Department of Legal Affairs may submit a budget amendment,
1761 subject to the notice, review, and objection procedures of s.
1762 216.177, Florida Statutes, to increase budget authority for
1763 Victims of Crime Act (VOCA) assistance grants if additional
1764 federal revenues specific to VOCA assistance services become
1765 available in the 2026-2027 fiscal year. This section expires
1766 July 1, 2027.

1767 **Section 51.** In order to implement Specific Appropriations
1768 1325 through 1340 of the 2026-2027 General Appropriations Act,
1769 the Department of Law Enforcement shall conduct a study on
1770 payment scams. For purposes of this section, "payment" means any
1771 mechanism through which an individual can electronically
1772 transfer funds to another individual. The study must:

1773 (a) Examine current trends and developments in payment
1774 scams, identify effective methods for preventing such scams, and
1775 issue recommendations to enhance efforts to identify and prevent

1776 such activities.

1777 (b) Adopt a cross-sector approach to ensure its
1778 recommendations reflect the full scope of the issue, given that
1779 scams impact individuals across a wide range of industries,
1780 including financial services, telecommunications, and
1781 technology.

1782 (c) Evaluate best practices for combating methods used by
1783 scammers, including spoofed calls, scam text messages, and
1784 malicious advertisements, pop-ups, and websites.

1785 (d) Assess how other state, federal, and international
1786 jurisdictions have tried to prevent payment scams.

1787 (e) Identify and review current methods used to scam a
1788 consumer through payment platforms.

1789 (f) Determine a strategy for education programs that
1790 better equip consumers to identify, avoid, and report payment
1791 scam attempts to the appropriate authorities.

1792 (g) Identify strategies to ensure perpetrators of payment
1793 scams can be identified and pursued by law enforcement.

1794 (h) Consult with other relevant stakeholders, including
1795 federal, state, local, and tribal agencies and financial
1796 services providers.

1797 (i) Determine whether any additional legislation would be
1798 beneficial for law enforcement in mitigating payment scams.

1799 (j) Identify potential solutions to payment scams
1800 involving business e-mail compromise.

1801 (2) By February 1, 2027, the Department of Law Enforcement
1802 shall submit to the President of the Senate and the Speaker of
1803 the House of Representatives and make publicly available online
1804 a report detailing all of the following:

1805 (a) The results of the study under subsection (1).

1806 (b) Any legislative or regulatory recommendations that

 2034 | interoperability network.—

2035 | (3) In recognition of the critical nature of the statewide

2154 112.215 Government employees; deferred compensation

 2167 **section 110.116, Florida Statutes, is amended to read:**

2168 110.116 Personnel information system; payroll procedures.—

2169 (2) (a) In recognition of the critical nature of the
 2170 statewide personnel and payroll system commonly known as People
 2171 First, the Legislature finds that it is in the best interest of
 2172 the state to continue partnering with the current People First
 2173 third-party operator. The People First System annually processes
 2174 500,000 employment applications, 455,000 personnel actions, and
 2175 the state's \$9.5-billion payroll. The Legislature finds that the

2176 continuity of operations of the People First System and the
2177 critical functions it provides such as payroll, employee health
2178 insurance benefit records, and other critical services must not
2179 be interrupted. Presently, the Chief Financial Officer is
2180 undertaking the development of a new statewide accounting and
2181 financial management system, commonly known as the Planning,
2182 Accounting, and Ledger Management (PALM) system, scheduled to be
2183 operational in the year 2027. The procurement and implementation
2184 of an entire replacement of the People First System will impede
2185 the timeframe needed to successfully integrate the state's
2186 payroll system with the PALM System. In order to maintain
2187 continuity of operations and to ensure the successful completion
2188 of the PALM System, the Legislature directs that the department:

- 2189 1. Continue the integration of the current People First
2190 System with PALM.
- 2191 2. Suspend major functionality updates or changes to the
2192 People First System until the completion of the PALM System.
2193 This does not include:
 - 2194 a. Routine system maintenance such as code updates
2195 following open enrollment; or
 - 2196 b. The technical remediation necessary to integrate the
2197 system with PALM within the PALM project's planned
2198 implementation schedule.
- 2199 3. Provide technical support for state agencies that may
2200 need assistance in remediating or integrating current financial

2201 shadow systems with People First in order to integrate with PALM
2202 or the cloud version of People First.

2203 4. Develop organizational change management and training
2204 deliverables needed to support the implementation of PALM
2205 payroll functionality and the People First System cloud upgrade.
2206 Responsibilities of the operator and the department shall be
2207 outlined in a project role and responsibility assignment chart
2208 within the contract.

2209 5. Submit project planning and analysis deliverables that
2210 detail the state's current and future state business,
2211 functional, and technical requirements, including, but not
2212 limited to:

2213 a. System capabilities and user requirements;
2214 b. Security, accessibility, and compliance standards;
2215 c. Data migration and conversion requirements;
2216 d. Integration points with existing enterprise systems and
2217 third-party applications; and
2218 e. Verifiable acceptance criteria for each requirement.

2219 6. Conduct a complete system integration assessment to
2220 identify dependencies, interoperability challenges, and
2221 strategies for seamless data exchange.

2222 7. Document a streamlined transparent process to track,
2223 test, and update all system requirements.

2224 8. Estimate the cost of transitioning the current People
2225 First System to a cloud computing infrastructure within the

HB 5003

2026

2226 contract extension and after the successful integration with
2227 PALM. The project cost evaluation shall estimate the annual cost
2228 and capacity growth required to host the system in a cloud
2229 environment.

2230

2231 The department shall develop these project planning resources in
2232 conjunction with all stakeholders.

2233 (b) The department shall submit, no later than October 15,
2234 2026, its project planning and detailed cost estimates to
2235 upgrade the current People First System to the chair of the
2236 Senate Committee on Appropriations, the chair of the House of
2237 Representatives Budget Committee, and the Executive Office of
2238 the Governor's Office of Policy and Budget.

2239 ~~The department shall contract with an independent software~~

3066 Management Services, the Executive Office of the Governor, the
3067 chair of the Senate Committee on Appropriations and the chair of
3068 the House of Representatives Budget Committee upon approval of

3071 agency must notify the Department of Management Services, the
3072 Executive Office of the Governor, and the appropriation and
3073 budget chairs no later than January 15, 2027.

3074 (4) Pursuant to the notice, review, and objection
3075 procedures of s. 216.177, Florida Statutes, the Executive Office

3076 of the Governor may transfer budget authority appropriated in

 3097 follows:

3098 (b)1. The trust funds shall consist of moneys received by
 3099 the state which under law or under trust agreement are
 3100 segregated for a purpose authorized by law. The state agency or

3101 branch of state government receiving or collecting such moneys
3102 is responsible for their proper expenditure as provided by law.
3103 Upon the request of the state agency or branch of state
3104 government responsible for the administration of the trust fund,
3105 the Chief Financial Officer may establish accounts within the
3106 trust fund at a level considered necessary for proper
3107 accountability. Once an account is established, the Chief
3108 Financial Officer may authorize payment from that account only
3109 upon determining that there is sufficient cash and releases at
3110 the level of the account.

3111 2. In addition to other trust funds created by law, to the
3112 extent possible, each agency shall use the following trust funds
3113 as described in this subparagraph for day-to-day operations:

3114 a. Operations or operating trust fund, for use as a
3115 depository for funds to be used for program operations funded by
3116 program revenues, with the exception of administrative
3117 activities when the operations or operating trust fund is a
3118 proprietary fund.

3119 b. Operations and maintenance trust fund, for use as a
3120 depository for client services funded by third-party payors.

3121 c. Administrative trust fund, for use as a depository for
3122 funds to be used for management activities that are departmental
3123 in nature and funded by indirect cost earnings and assessments
3124 against trust funds. Proprietary funds are excluded from the
3125 requirement of using an administrative trust fund.

3126 d. Grants and donations trust fund, for use as a
 3127 depository for funds to be used for allowable grant or donor
 3128 agreement activities funded by restricted contractual revenue
 3129 from private and public nonfederal sources.

3130 e. Agency working capital trust fund, for use as a
 3131 depository for funds to be used pursuant to s. 216.272.

 3136 funds to be used for allowable grant activities funded by
 3137 restricted program revenues from federal sources.

3138
 3139 To the extent possible, each agency must adjust its internal
 3140 accounting to use existing trust funds consistent with the
 3141 requirements of this subparagraph. If an agency does not have
 3142 trust funds listed in this subparagraph and cannot make such
 3143 adjustment, the agency must recommend the creation of the
 3144 necessary trust funds to the Legislature no later than the next
 3145 scheduled review of the agency's trust funds pursuant to s.
 3146 215.3206.

3147 3. All such moneys are hereby appropriated to be expended
 3148 in accordance with the law or trust agreement under which they
 3149 were received, subject always to the provisions of chapter 216
 3150 relating to the appropriation of funds and to the applicable

3151 laws relating to the deposit or expenditure of moneys in the
3152 State Treasury.

3153 4.a. Notwithstanding any provision of law restricting the
3154 use of trust funds to specific purposes, unappropriated cash
3155 balances from selected trust funds may be authorized by the
3156 Legislature for transfer to the Budget Stabilization Fund and
3157 General Revenue Fund in the General Appropriations Act.

3158 b. This subparagraph does not apply to trust funds
3159 required by federal programs or mandates; trust funds
3160 established for bond covenants, indentures, or resolutions whose
3161 revenues are legally pledged by the state or public body to meet

3469 or is revised, the existing flow or water level in the water
3470 body is below, or is projected to fall within 20 years below,
3471 the applicable minimum flow or minimum water level, the
3472 department or governing board, as part of the regional water
3473 supply plan described in s. 373.709, shall concurrently adopt or

3488 approach or a timetable which will allow for the provision of
3489 sufficient water supplies for all existing and projected
3490 reasonable-beneficial uses, including development of additional
3491 water supplies and implementation of conservation and other
3492 efficiency measures concurrent with and, to the maximum extent
3493 practical, to offset reductions in permitted withdrawals,
3494 consistent with this chapter. The recovery or prevention
3495 strategy may not depend solely on water shortage restrictions
3496 declared pursuant to s. 373.175 or s. 373.246. Agricultural
3497 producers who implement best management practices adopted in s.
3498 403.067(7)(c)2. shall be presumed to be in compliance with the
3499 recovery or prevention strategy.

3517 plan for or schedule any project in the Capitol Center that
3518 impacts space occupied by a permanent tenant of the Capitol
3519 Complex other than the Governor, the Department of Management
3520 Services must coordinate with the tenant and receive the
3521 tenant's approval on the scope, design, and timeline of the
3522 project. For purposes of space in which the Legislature is the
3523 tenant, the Department of Management Services must coordinate
3524 with and receive approval from the President of the Senate for
3525 space allocated to the Senate, the Speaker of the House of

3526 Representatives for space allocated to the House of
3527 Representatives, or both the President and the Speaker for space
3528 allocated jointly to both chambers. For any project that impacts
3529 space in which the Legislature is the tenant, the Department of
3530 Management Services must consider the schedule and time
3531 constraints of the Legislature, as well as the Legislature's
3532 needs.

3533 (b) The President of the Senate and the Speaker of the
3534 House of Representatives may design, redesign, renovate, or
3535 upgrade any space allocated to their respective chambers in
3536 which the Senate or the House of Representatives is the tenant
3537 without approval by the Department of Management Services.

3538 (c) The Department of Management Services must consult
3539 with and receive approval from the President of the Senate for
3540 space allocated to the Senate, the Speaker of the House of
3541 Representatives for space allocated to the House of
3542 Representatives, or both the President and the Speaker for space
3543 allocated jointly to both chambers before including in the
3544 report required under s. 272.09(3), Florida Statutes, any
3545 project that impacts any space in the Capitol Complex in which
3546 the Legislature is the tenant.

3547 (3) In carrying out the provisions of the Capitol Center
3548 long-range planning specified in s. 272.121, Florida Statutes,
3549 the Department of Management Services must solicit feedback from
3550 all permanent tenants of the Capitol Center, including the

3551 Governor, the Chief Financial Officer, the Attorney General, the
3552 Commissioner of Agriculture, the President of the Senate, and
3553 the Speaker of the House of Representatives.

3554 (4) The parking spaces within the Capitol Center area
3555 allocated to the Legislature on January 1, 2026, may not be
3556 reduced or reassigned without the express consent of the
3557 Legislature. If additional parking spaces become available for
3558 assignment, the Legislature has the first right of refusal for
3559 the use of the parking spaces.

3560 (5) This section expires July 1, 2027.

3561 **Section 114.** Any section of this act which implements a
3562 specific appropriation or specifically identified proviso
3563 language in the 2026-2027 General Appropriations Act is void if
3564 the specific appropriation or specifically identified proviso
3565 language is vetoed. Any section of this act which implements
3566 more than one specific appropriation or more than one portion of
3567 specifically identified proviso language in the 2026-2027
3568 General Appropriations Act is void if all the specific
3569 appropriations or portions of specifically identified proviso
3570 language are vetoed.

3571 **Section 115.** If any other act passed during the 2026
3572 Regular Session of the Legislature contains a provision that is
3573 substantively the same as a provision in this act, but that
3574 removes or is otherwise not subject to the future repeal applied
3575 to such provision by this act, the Legislature intends that the

3576 provision in the other act takes precedence and continues to
3577 operate, notwithstanding the future repeal provided by this act.

3578 **Section 116.** If any provision of this act or its
3579 application to any person or circumstance is held invalid, the
3580 invalidity does not affect other provisions or applications of
3581 the act which can be given effect without the invalid provision
3582 or application, and to this end the provisions of this act are
3583 severable.

3584 **Section 117.** Except as otherwise expressly provided in
3585 this act and except for this section, which shall take effect
3586 upon this act becoming a law, this act shall take effect July 1,
3587 2026, or, if this act fails to become a law until after that
3588 date, it shall take effect upon becoming a law and shall operate
3589 retroactively to July 1, 2026.
