50       1012.56(1) by obtaining an eligible a statement of status of

51     eligibility in the certification subject area of the educational  
52     plan and meet the requirements of s. 1012.56(2) (a)-(f) before  
53     participating in field experiences. An educator preparation  
54     institute may allow a program participant to enroll in and  
55     complete coursework while the participant is working to obtain  
56     an eligible statement of status of eligibility in the  
57     certification subject area of the educational plan.

58       2. Demonstrate competency and participate in field  
59     experiences that are appropriate to his or her educational plan  
60     prepared under paragraph (a). Beginning with candidates entering  
61     an educator preparation institute in the 2022-2023 school year,  
62     a candidate for certification in a coverage area identified  
63     pursuant to s. 1012.585(3) (f) must successfully complete all  
64     competencies for a reading endorsement, including completion of  
65     the endorsement practicum through the candidate's field  
66     experience, in order to graduate from the program.

67       3. Before completion of the program, fully demonstrate his  
68     or her ability to teach the subject area for which he or she is  
69     seeking certification by documenting a positive impact on  
70     student learning growth in a prekindergarten through grade 12  
71     setting and, except as provided in s. 1012.56(7) (a)3., achieving  
72     a passing score on the professional education competency  
73     examination, the basic skills examination, and the subject area  
74     examination for the subject area certification which is required  
75     by state board rule.

76       **Section 2. Paragraph (b) of subsection (7) of section**  
77       **1012.56, Florida Statutes, is amended to read:**

78       1012.56 Educator certification requirements.—

151       **Section 4. Subsections (2) and (3) of section 1012.981,**  
152       **Florida Statutes, are amended to read:**

153       1012.981 The Florida Center for Teaching Excellence.—

154       (2) The center shall, in collaboration with the David C.  
155       Anchin Center for the Advancement of Innovative Teaching within  
156       and Learning at the University of South Florida, do all of the  
157       following:

158       (a) Develop and deliver evidence-based professional  
159       learning opportunities aligned to the Florida Educator  
160       Accomplished Practices.

161       (b) Develop and deliver educator training programs  
162       pursuant to s. 1012.98 that integrate high-quality instructional  
163       materials included on the state-adopted instructional materials  
164       list under s. 1006.28, materials evaluated and identified  
165       pursuant to s. 1001.215(4), and materials developed by or under  
166       the direction of the department as provided in s. 1006.39. These  
167       programs must focus on the effective use of knowledge-based  
168       curricula, highlighting when and how to incorporate intervention  
169       materials, and emphasize the importance of background knowledge  
170       in building advanced reading comprehension grounded in the  
171       science of reading and critical thinking skills.

172       (c) Develop and design models of high-quality clinical  
173       experiences for aspiring teachers. These model experiences shall  
174       serve as a standard that institutions approved pursuant to ss.  
175       1004.04 and 1004.85 can adopt or adapt, enabling participants to

176 demonstrate mastery of instructional techniques, classroom  
177 management strategies, and the application of high-impact  
178 teaching strategies in authentic educational settings.

179 (d) Collaborate with school districts and other  
180 educational stakeholders to identify emerging needs in teacher  
181 preparation and align center programs accordingly, conducting  
182 gap analyses to provide comprehensive coverage of the science of  
183 learning, high-impact teaching strategies, and knowledge-rich  
184 curriculum implementation.

185 (e) Establish a statewide network of teachers and  
186 instructional leaders equipped with the knowledge and skills to  
187 mentor and support aspiring and current educators participating  
188 in the center's programs. This network shall model effective  
189 pedagogical practices and facilitate professional growth.

190 (f) Conduct research and disseminate findings on high-  
191 impact teaching practices and the implementation of knowledge-  
192 based curricula to inform policy, improve classroom instruction,  
193 and address the importance of background knowledge in student  
194 achievement.

195 (g) Report to the department the completion of  
196 professional learning by individuals who are not employed by  
197 entities with an approved professional learning system.

198 (3) The center:

199 (a) Must ~~may~~ submit a professional learning system for  
200 approval pursuant to s. 1012.98.

201        (b) Shall allow a certified educator seeking to renew or  
202 reinstate his or her certificate to use the system at no cost  
203 and submit any inservice points earned by the educator through  
204 the system to the department on the educator's behalf.

205        (c) Shall provide a certified educator seeking to renew or  
206 reinstate a certificate with information on school district  
207 professional learning systems that provide access to inservice  
208 training to persons not employed by the school district.

209        **Section 5.** This act shall take effect July 1, 2026.
