ANALYSIS

EFFECT OF THE BILL:

[HB 7027](#) passed as [SB 104](#). (Please note that bill section parentheticals do not contain hyperlinks to bill sections for Senate bills)

The general reviser's bill is technical and non-substantive in nature. The bill amends, deletes, and reenacts various statutory provisions. Further, the bill deletes expired or obsolete language; corrects cross-references and grammatical errors; removes inconsistencies, redundancies, and unnecessary repetition in the statutes; improves the clarity of the statutes and facilitates their correct and proper interpretation; and confirms the restoration of provisions unintentionally omitted from republication in the Legislature's act during the amendatory process.

Sections are amended to make editorial and grammatical changes to improve sentence structure, correct errors, improve clarity, facilitate correct understanding or interpretation, conform to context within the statute, conform to Florida statute style, or remove duplicative language. (Sections 1, 2, 3, 4, 5, 6, 7, 8, 10, 11, 12, 14, 15, 16, 19, 20, 23, 24, 25, 27, 29, 30, 31, 32, 33, 34, 35, 40, 41, 50, 54, 55, 56, 58, 59, 61, 62, 63, 64, 65, and 68).

Sections are amended to conform to context or redesignated, amended, reordered, repealed, or added subsections and subunits, or to conform to language as directed by previous legislation. (Sections 18, 22, 28, 36, 38, 39, 48, 49, 52, 53, and 57).

Sections are amended to correct a cross-reference. (Sections 17, 21, 42, 43, 44, 45, 46, 47, 51, 66, and 67).

Sections are amended to conform to the general style in forms. (Section 9).

Sections are amended to correct a transposition error. (Section 60).

Sections are amended to correct a scrivener's error. (Section 37).

Sections are amended to delete obsolete language and provisions. (Sections 13, 26, and 35).

RELEVANT INFORMATION

SUBJECT OVERVIEW:

Section [11.242 F.S.](#), requires the Division of Law Revision of the Office of Legislative Services to conduct a systemic and continuing study of Florida statutes and laws for the purpose of recommending to the Legislature changes that would:

- Remove statutory inconsistencies, redundancies, and unnecessary repetitions.
- Improve clarity.
- Facilitate correct and proper interpretation.

Such changes include:

- Corrections to grammatical and typographical errors.
- Removal of expired or obsolete statutes and laws.
- Transfer, consolidation, and renumbering of sections, subsections, chapters, and titles.

The recommended changes are submitted to the Legislature as technical, non-substantive reviser's bills.
