The Committee on Rules (Truenow) recommended the following:

1 **Senate Amendment to Amendment (894554) (with title**
2 **amendment)**

3 Between lines 4 and 5

4 insert:

5 Section 1. Section 311.106, Florida Statutes, is amended to
6 read:

7 311.106 Seaport stormwater permitting and mitigation.—

8 (1) A seaport listed in s. 403.021(9)(b) is authorized to
9 provide for onsite or offsite stormwater treatment for water
10 quality impacts caused by a proposed port activity that requires

159868

12 a permit and that causes or contributes to pollution from
13 stormwater runoff. Offsite stormwater treatment may occur
14 outside of the established boundaries of the port, but must be
15 within the same drainage basin in which the port activity
16 occurs. A port offsite stormwater treatment project must be
17 constructed and maintained by the seaport or by the seaport in
18 conjunction with an adjacent local government. In order to limit
19 stormwater treatment from individual parcels within a port, a
20 seaport may provide for a regional stormwater treatment facility
21 that must be constructed and maintained by the seaport or by the
22 seaport in conjunction with an adjacent local government.

23 (2) For a proposed port activity with water quality impacts
24 that causes or contributes to pollution from stormwater runoff
25 from a seaport not listed in s. 403.021(9)(b), a regional
26 stormwater management system, as defined in Rule 62-330, Florida
27 Administrative Code, operated by a non-local governmental entity
28 independently or under contract with a seaport or local
29 government, may not provide stormwater treatment or achieve net
30 improvement under s. 373.414(1)(b)3. For a proposed port
31 activity with water quality impacts that causes or contributes
32 to pollution from stormwater runoff from a seaport not listed in
33 s. 403.021(9)(b), a water quality enhancement area as defined in
34 s. 373.4134 and operated by a non-local governmental entity
35 independently or under contract with a seaport or local
36 government may not convey enhancement credits to provide
37 stormwater treatment or achieve net improvement under s.
38 373.414(1)(b)3.

41 And the title is amended as follows:

42 Between lines 321 and 322

43 insert:

44 311.106, F.S.; prohibiting certain stormwater
45 treatment and net improvement activities; prohibiting
46 certain water quality enhancement areas from conveying
47 enhancement credits to provide stormwater treatment or
48 achieve net improvement; amending s.
