21 **Section 1. Subsection (29) of section 1001.42, Florida**
22 **Statutes, is renumbered as subsection (30), and a new subsection**
23 **(29) is added to that section, to read:**

24 1001.42 Powers and duties of district school board.—The
25 district school board, acting as a board, shall exercise all

26 powers and perform all duties listed below:

27 (29) NONDISCRIMINATORY AND SAFE STUDENT PROGRAMS AND
28 SERVICES.—

29 (a) A district school board may refer students to
30 organizations that provide student support services, including
31 student support programs that incorporate mentoring, counseling,
32 tutoring, and extracurricular programs.

33 (b) To be eligible to be recommended, endorsed, referred,
34 or otherwise promoted by a school district:

35 1. An organization may not restrict participation on the
36 basis of race, color, or ethnicity.

37 2. A mentoring organization that represents through its
38 website, publications, or promotional materials that it serves
39 students of a single race or ethnic group must provide written
40 verification to the district school board demonstrating that the
41 organization employs or engages mentors, staff, or volunteers
42 from diverse racial and ethnic backgrounds sufficient to serve
43 the district's student population before the district may
44 recommend or refer students to the organization.

45 3.a. An organization must ensure that each person who
46 comes into contact with students, or is present in the same
47 building while services are being provided to students, has
48 successfully completed a Level 2 background screening pursuant
49 to s. 435.04. Each organization is responsible for initiating
50 and maintaining its own level 2 background screenings and

51 providing such documentation to the district school board. The
52 district school board may impose a fee to review the
53 documentation and comply with the requirements of this
54 subsection. A person may not provide or assist in providing
55 student support services on behalf of such organization without
56 the level 2 screening.

57 b. This subparagraph applies to services that are provided
58 on campus or off campus.

59 c. This subparagraph does not apply to off-campus, school-
60 sponsored activities where students are under the direct
61 supervision of school personnel, school volunteers, or athletic
62 coaches employed or contracted by the school district if such
63 personnel, volunteers, or coaches remain present for the
64 duration of the activity and maintain responsibility for student
65 safety and supervision.

66 (c) Each public school that provides or hosts mentoring or
67 student support services shall post and maintain information
68 regarding the available programs on the school website. The
69 information must include all of the following:

70 1. The name and description of each program available to
71 students.

72 2. The eligibility requirements for participation in each
73 program.

74 3. The contact information for the program coordinator or
75 designated school personnel for the program.

76 4. The application process or participation requirements
77 for each program.

78 (d) The district school board shall ensure compliance with
79 this subsection and maintain documentation demonstrating that an
80 organization meets the requirements of paragraph (b).

81 (e) Each district school superintendent shall, upon the
82 request of the Department of Education, submit a report
83 demonstrating compliance with this subsection within 30 days
84 after such request. The report must include all of the following
85 information:

86 1. The total number of public schools within the district
87 that participated in mentoring or student support programs
88 during the previous school year, including the names and
89 addresses of the schools.

90 2. The name of each organization providing such mentoring
91 or student support programs within the district and the type of
92 services the organization provided.

93 3. Evidence that each participating organization meets the
94 requirements of paragraph (b).

95 4. The percentage of schools served by mentoring or
96 student-support programs.

97 5. The total number of students served by mentoring or
98 student support programs during the previous school year.

99 6. Disaggregated demographic information of the students
100 served by each mentoring or student-support program, including
