Specialty License Plates

According to DHSMV, as of October 2025, there are 132 specialty license plates authorized by the Legislature. Of these plates, 118 are available for immediate purchase and 14 are in the presale process.⁵ Specialty license plates are available to an owner or lessee of a motor vehicle who is willing to pay an annual use fee, ranging from \$15 to \$25, paid in addition to required license taxes and service fees.⁶ The annual use fees are distributed to organizations in support of a particular cause or charity signified on the plate’s design and designated in statute.⁷

In order to establish a specialty license plate (after the plate is approved by law) s. 320.08053, F.S., requires the following actions within certain timelines:

- Within 60 days, the organization must submit an art design for the plate, in a medium prescribed by the DHSMV;
- Within 120 days, the DHSMV must establish a method to issue presale vouchers for the specialty license plate; and
- Within 24 months after the presale vouchers are established, the organization must obtain a minimum of 3,000 voucher sales before manufacturing of the plate may begin.⁸

If the minimum sales requirement has not been met by the end of the 24-month presale period, then the DHSMV will discontinue the plate and issuance of presale vouchers.⁹ Upon

If the Legislature has approved 135 or more specialty license plates, the DHSMV may not make any new specialty license plates available for design or issuance until a sufficient number of plates are discontinued so that the number of plates being issued does not exceed 135.¹²
