12		From the funds in Specific Appropriation 1915, the Commission for the Transportation Disadvantaged is authorized to use up to \$1,500,000 of recurring funds to support pilot projects in Pinellas, Hillsborough, and Manatee counties for transportation services, including for services across county lines, for individuals with intellectual or developmental disabilities, as defined in section 393.063, Florida Statutes. The commission shall collect data to measure transit performance for individuals with disabilities and report the findings and any recommendations to the President of the Senate and the Speaker of the House of Representatives by February 1, 2021.	12
13		From the funds provided in Specific Appropriation 1915, \$4,500,000 of nonrecurring funds is provided to the Commission for the Transportation Disadvantaged to award grants to community transportation coordinators to maintain levels of service. The commission shall compare the amount of the trip and equipment grant that a community transportation coordinator receives under the allocation in Rule 41-2.014(5), Florida Administrative Code, for this fiscal year with the amount the coordinator would have received using the proviso contained in Specific Appropriation 1855, chapter 2018-09, Laws of Florida. For any coordinator that would have received a higher trip and equipment grant using the proviso contained in Specific Appropriation, chapter 2018-09, Laws of Florida, the coordinator's grant shall be equal to the difference.	13

Any preliminary funding or allocation award made to an applicant or affiliate subject to such administrative complaint is rescinded unless the developer, applicant, or affiliate has completed credit underwriting or has commenced construction at the time the administrative complaint is served.		295
		From the funds in Specific Appropriation 2281, 10 percent of nonrecurring funds from the State Housing Trust Fund is provided to fund a competitive grant program for housing developments designed, constructed, and targeted for persons with developmental disabilities as defined in section 393.063, Florida Statutes. Private, non-profit organizations whose primary mission includes serving persons with developmental disabilities as defined in section 393.063, Florida Statutes, shall be eligible for these grant funds. Housing projects funded with these grants may include community residential homes as defined in section 419.001, Florida Statutes, or individual housing units, and may include new construction and renovation of existing housing units. In evaluating proposals for these funds, the Florida Housing Finance Corporation shall consider: the extent to which funds from local and other sources will be used by the applicant to leverage the grant funds provided under this section; employment opportunities and supports that will be available to residents of the proposed housing; a plan for residents to effectively and efficiently access community-based services, resources, and amenities; and partnerships with other supportive services agencies. If there are funds remaining after all eligible applications have been awarded under the above criteria, then applications may be accepted and funds may be awarded to applicants serving persons with special needs as defined in section 420.0004, Florida Statutes.
