71	<p>From the funds in Specific Appropriation 83, \$30,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to expand the provision of services to low income families at or below 200 percent of the federal poverty level as long as the income does not exceed 85% of the state median income. Local matching funds can be derived from local governments, employers, charitable foundations, and other sources so that Florida communities can create local partnerships focused on using the state and local funds for direct services and expanding the number of school readiness slots. To be eligible for funding, an early learning coalition must match its portion of the state funds with a dollar-for-dollar match of local funds. The Office of Early Learning shall establish procedures for the match program that shall include giving priority to early learning coalitions whose local match complies with federal Child Care and Development Block Grant matching requirements.</p>	<p>From the funds in Specific Appropriation 83, \$30,000,000 in recurring funds from the Child Care and Development Block Grant Trust Fund is provided to expand the provision of services to low income families at or below 200 percent of the federal poverty level as long as the income does not exceed 85% of the state median income. Local matching funds can be derived from local governments, employers, charitable foundations, and other sources so that Florida communities can create local partnerships focused on using the state and local funds for direct services and expanding the number of school readiness slots. From the funds in Specific Appropriations 7 and 90, \$1,066,945,851 is provided to school districts as an Exceptional Student Education (ESE) Guaranteed Allocation as authorized by law to provide educational programs and services for exceptional students. The ESE Guaranteed Allocation funds are provided in addition to the funds for each exceptional student in the per FTE student calculation. School districts that provided educational services in the 2020-2021 fiscal year for exceptional students who are residents of other districts shall not discontinue providing such services without the prior approval of the Department of Education. Expenditure requirements for the ESE Guaranteed Allocation shall be as prescribed in section 1010.20(3), Florida Statutes, for programs for exceptional students.
141	From the funds provided in Specific Appropriations 7 and 90, the value of 43.35 weighted FTE students is provided to supplement the funding for severely handicapped students served in ESE programs 254 and 255 when a school district has less than 10,000 FTE student enrollment and less than three FTE eligible students per program. The Commissioner of Education shall allocate the value of the supplemental FTE based on documented evidence of the difference in the cost of the service and the amount of funds received in the district's FEFP allocations for the students being served. The supplemental value shall not exceed three FTE. 247	Not Included.	<p>From the funds in Specific Appropriation 106, \$4,882,658 in recurring funds and \$8,359,202 in nonrecurring funds is provided for the School District Intensive Reading Initiative Pilot. These funds are provided to Collier, Escambia, Gulf, Highlands, Lafayette, Indian River, Pasco, St. Johns, Santa Rosa, and Sarasota school districts to provide additional reading intervention opportunities to students in kindergarten through grade 5 enrolled in a public school who either scored below a Level 3 on the English Language Arts (ELA) assessment in the prior year or who the district has determined through progress monitoring to be below grade level and in need of additional reading intervention. Each school district shall receive \$300,000 plus a pro rata share of the balance of the appropriation based on the district's 2020-2021 K-5 student FTE. School districts may use the funds for: (a) salaries and stipends for reading coaches, specialists, interventionists, and other instructional staff qualified to provide reading intervention as defined in section 1011.62 (9) (d)1., Florida Statutes, during the school year or a summer program; (b) salaries or stipends for local reading coordinators to facilitate a district-managed reading intervention response to improve student reading outcomes; or (c) curriculum, resources, and materials necessary to implement explicit and systematic instructional strategies.</p> <p>Each participating school district shall report to the Department of Education no later than June 30, 2022, on the following: (a) program expenditures by category; (b) numbers of students served by the pilot program by grade level; (c) student outcomes as evidenced by progress monitoring results or 2021-2022 ELA assessment results; and (d) best practices and lessons learned during implementation which may benefit expansion of the pilot to the statewide level. The department must provide a summary report of the pilot program based on the individual district reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives by August 1, 2022.</p>	Accept Senate Proviso

381	The amount of the grants shall be based on the specific needs of each eligible student. Each eligible school that has insufficient public funds to provide the educational and related services specified in the Individual Education Plan (IEP) or Individual Family Service Plan (IFSP) of eligible students aged birth to seven years may submit grant applications to the Department of Education. Applications must include an itemized list of total costs, the amount of public funds available for those students without the grant, and the additional amount needed for the services identified in each students' respective IEP or IFSP. The department shall develop an appropriate application, provide instructions and administer this grant program to ensure minimum delay in providing the IEP or IFSP services for all eligible students. Each school shall be accountable for assuring that the public funds received are expended only for services for the eligible student as described in the application and shall provide a report documenting expenditures for the 2021-2022 fiscal year to the Department of Education by September 30, 2022.
