(1) The Department of Financial Services shall replace the four main components of the Florida Accounting Information Resource Subsystem (FLAIR), which include central FLAIR, departmental FLAIR, payroll, and information warehouse, and shall replace the cash management and accounting management components of the Cash Management Subsystem (CMS) with an integrated enterprise system that allows the state to organize, define, and standardize its financial management business processes and that complies with ss. 215.90-215.96, Florida Statutes. The department may not include in the replacement of FLAIR and CMS:

(a) Functionality that duplicates any of the other information subsystems of the Florida Financial Management Information System; or

(b) Agency business processes related to any of the functions included in the Personnel Information System, the Purchasing Subsystem, or the Legislative Appropriations System/Planning and Budgeting Subsystem.

(2) For purposes of replacing FLAIR and CMS, the Department of Financial Services shall:

(a) Take into consideration the cost and implementation data identified for Option 3 as recommended in the March 31, 2014, Florida Department of Financial Services FLAIR Study,

(b) Ensure that all business requirements and technical specifications have been provided to all state agencies for their review and input and approved by the executive steering committee established in paragraph (c), including any updates to these documents.

(c) Implement a project governance structure that includes an executive steering committee composed of:

1. The Chief Financial Officer or the executive sponsor of the project.

2. A representative of the Division of Treasury of the Department of Financial Services, appointed by the Chief Financial Officer.

3. The Chief Information Officers of the Department of Financial Services and the Department of Environmental Protection.

4. Four employees from the Division of Accounting and Auditing of the Department of Financial Services, appointed by the Chief Financial Officer. Each employee must have experience relating to at least one of the four main components that compose FLAIR.

5. Two employees from the Executive Office of the Governor, appointed by the Governor. One employee must have experience relating to the Legislative Appropriations System/Planning and Budgeting Subsystem.

6. One employee from the Department of Revenue, appointed by the executive director, who has experience using or maintaining the department's finance and accounting systems.

7. Two employees from the Department of Management Services, appointed by the Secretary of Management Services. One employee must have experience relating to the department's personnel information subsystem and one employee must have experience relating to the department's purchasing subsystem.

8. A state agency administrative services director, appointed by the Governor.
9. The executive sponsor of the Florida Health Care Connection (FX) System or his or her designee, appointed by the Secretary of Health Care Administration.
10. The State Chief Information Officer, or his or her designee, as a nonvoting member. The State Chief Information Officer, or his or her designee, shall provide monthly status reports to the Executive Steering Committee pursuant to the oversight responsibilities in s. 282.0051, Florida Statutes.
11. One employee from the Department of Business and Professional Regulation who has experience in finance and accounting and FLAIR, appointed by the Secretary of the Department of Business and Professional Regulation.
12. One employee from the Florida Fish and Wildlife Conservation Commission who has experience using or maintaining the commission's finance and accounting systems, appointed by the Chair of the Florida Fish and Wildlife Conservation Commission.
13. The budget director of the Department of Education, or his or her designee.

(3)(a) The Chief Financial Officer or the executive sponsor of the project shall serve as chair of the executive steering committee, and the committee shall take action by a vote of at least eight affirmative votes with the Chief Financial Officer or the executive sponsor of the project voting on the prevailing side. A quorum of the executive steering committee consists of at least 10 members.

(b) No later than 14 days before a meeting of the executive steering committee, the chair shall request input from committee members on agenda items for the next scheduled meeting.

(c) The chair shall establish, by July 31, 2022, a working group consisting of FLAIR users, state agency technical staff who maintain applications that integrate with FLAIR, and no less than four state agency finance and accounting or budget directors. The working group shall meet at least monthly to review PALM functionality, assess project impacts to state financial business processes and agency staff, and develop recommendations to the Executive Steering Committee for improvements. The chair shall request input from the working group on agenda items for each scheduled meeting. The PALM project team shall dedicate a staff member to the group and provide system demonstrations and any project documentation, as needed, for the group to fulfill its duties.

(d) The chair shall request all agency project sponsors to provide bi-monthly status reports to the executive steering committee. The form and format of the bi-monthly status reports shall be developed by the Florida PALM project and provided to the executive steering committee meeting for approval. Such agency status reports shall provide information to the executive steering committee on the activities and ongoing work within the agency to prepare their systems and impacted employees for the deployment of the Florida PALM System. The first bi-monthly status report is due September 1, 2023, and bi-monthly thereafter.

(4) The executive steering committee has the overall responsibility for ensuring that the project to replace FLAIR and CMS meets its primary business objectives and shall:

(a) Identify and recommend to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives any statutory changes needed to implement the

replacement subsystem that will standardize, to the fullest extent possible, the state's financial management business processes.

(b) Review and approve any changes to the project's scope, schedule, and budget which do not conflict with the requirements of subsection (1).

(c) Ensure that adequate resources are provided throughout all phases of the project.

(d) Approve all major project deliverables and any cost changes to each deliverable over \$250,000.

(e) Approve contract amendments and changes to all contract-related documents associated with the replacement of FLAIR and CMS.

(f) Review and approve as warranted the format of the bi-monthly agency status reports to include meaningful information on each agencies progress in planning for the Florida PALM Major Implementation, covering the agencies people, processes, technology, and data transformation activities.

(g) Review all bi-monthly agency status reports submitted to the committee as outlined in paragraph (3)(d). Provide actionable feedback as necessary to any agency whose readiness for deployment is not in line with the project schedule. Provide a summary report to the Speaker of the House, President of the Senate and Office of Policy and Budget on the bi-monthly agency activities. The first cumulative report is due September 30, 2023, and bi-monthly thereafter.

(h) ~~(f)~~ Ensure compliance with ss. 216.181(16), 216.311, 216.313, 282.318(4)(h), and 287.058, Florida Statutes.

(5) This section expires July 1, 2024 ~~2023~~.

4 Section xx. Paragraph (f) is added to subsection (7) of
5 section 934.50, Florida Statutes, to read:

6 934.50 Searches and seizure using a drone.—

7 (7) SECURITY STANDARDS FOR GOVERNMENTAL AGENCY DRONE USE.—

8 (f)1. Notwithstanding this subsection, a law enforcement
9 agency may continue to use drones purchased before January 1,
10 2023, through their life expectancy, regardless of whether the
11 drone was produced by an approved manufacturer. For the purposes
12 of this paragraph the term "law enforcement agency" is as
13 defined in s. 934.50.

14 2. Subject to appropriation, the drone replacement grant
15 program is created within the Department of Financial Services.
16 The program shall provide funds to law enforcement agencies that
17 turn in drones that are not in compliance with this section. To
18 be eligible, the drone must have not reached its end-of-life and
19 still be in working condition. Funds shall be provided per drone
20 based upon the drone's current value. Grant funds may only be
21 used to purchase drones that are in compliance with this
22 section. The Department of Financial Services shall develop an
23 application process and funds shall be allocated on a first-
24 come, first-served basis, determined by the date the department
25 receives the application. The department may adopt rules to
26 implement this program.

27 3. The Department of Financial Services may provide drones
28 received through the drone grant replacement program to the
29 Florida Center for Cybersecurity within the University of South

30 Florida. The Florida Center for Cybersecurity shall analyze
31 whether the drones present cybersecurity concerns and may
32 provide its findings or recommendations to the Department of
33 Management services regarding the drone's safety or security.
34 4. This paragraph expires July 1, 2024.
