PRAYER

The following prayer was offered by Rev. Robert W. Jakoby, Director, Pastoral Care, Baptist Health of South Florida, Miami:

Almighty God, creator of heaven and earth, we come before you with humbled hearts and a spirit of gratitude for your love, kindness, and mercy that you give to us each day. Heavenly Father, we confess in the daily struggles of living, both personal and professional, that we sometimes fail in acknowledging you and your desire to guide us.

Sovereign God, I pray this day for every member of this Senate. As these elected officials face enormous financial, moral, and ethical decisions, we ask for your direction. You already know the task they face. May they allow you to work in and through them as they work collectively to do what is best for the people of Florida.

God, give them understanding that your wisdom is far greater than human wisdom; your strength is stronger than that of any man; your insight surpasses man's finite thinking. We acknowledge your sovereignty and ask you to guide them as they face the multitude of daily issues – issues that are overwhelming to them, but are not a problem for you.

Help each Senator to know you have a plan and purpose for his or her life individually, as well as for this great State of Florida. Help each one to do what is honorable and pleasing in your sight.

Loving God, bless and protect Governor Scott, and each of the elected officials and their families from all harm.

In your precious and holy name, I pray. Amen.

PLEDGE

Senate Pages Lauriel Stewart, great-niece of Senator Joyner, of Tyrone, Georgia; Tayler Uselton of Palmetto; Sarah Stanley of Inverness; and Jacob Morello of Tampa, led the Senate in the pledge of allegiance to the flag of the United States of America.

ADOPTION OF RESOLUTIONS

On motion by Senator Dean—

By Senator Dean—

SR 2082—A resolution recognizing Citrus High School on the occasion of its 100th anniversary celebration and congratulating the students, faculty, administration, and staff of Citrus High School on achieving and maintaining an “A” grade from the Florida Department of Education.

WHEREAS, the history of Citrus High School can be traced back to the late 1800s to a wood-frame school building in Inverness, where a teacher taught chart class to sixth grade, and

WHEREAS, construction of the first Citrus High School was authorized in 1911 and a two-story brick schoolhouse was built at a cost of \$12,560 on Citrus Avenue, and

WHEREAS, while the new school building was originally intended to serve only high school students, it served the entire student population in grades 1 through 12, and

WHEREAS, in 1920, the Board of Public Instruction approved construction of a new school on the corner of Main Street and Line Avenue, which was completed in 1921 but was abandoned a short while later due to structural problems, with classes resuming in the original building, and

WHEREAS, in 1930, a new school building was completed on the site of the failed structure and the school received accreditation from the State Board of Education as a 4-year high school, and

WHEREAS, in 1985, an electrical fire destroyed most of the structure, prompting a rebuilding project that continued until 1992, and

WHEREAS, in 2008, Citrus High School received its first “A” school designation from the Department of Education and is once again designated an “A” school for the 2010-2011 school year, with a current enrollment of 1,556 students, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That we recognize Citrus High School on the occasion of its 100th anniversary celebration and congratulate the students, faculty, administration, and staff of Citrus High School on achieving and maintaining an “A” grade from the Florida Department of Education.

—was introduced out of order and read by title. On motion by Senator Dean, **SR 2082** was read the second time in full and adopted.

APPEAL OF RULING ON POINT OF ORDER IN COMMITTEE

Senator Thrasher: In the Committee on Health Regulation meeting on Monday, April 4, **SB 1590** by Senator Hays was left pending due to a point of order on **Amendment (330054)** by Senator Bennett. Senator Gaetz raised a point of order that the amendment was not germane “because it is an undue expansion of the core purpose of the bill and raises new issues and is therefore out of order.”

Senator Garcia, Chair of the Committee on Health Regulation, ruled the point well taken and the amendment out of order. Senator Bennett then appealed the ruling of the Chair to the President.

The original bill, by Senator Hays, established a process that required the Board of Medicine to issue a certificate to persons wishing to be expert witnesses in medical malpractice cases. That was the bill's entire purpose. Its relating-to clause was “An act relating to medical malpractice actions.”

The principal substance of Senator Bennett's amendment expanded the scope of practice for optometrists, registered nurse practitioners and certified registered nurse anesthetists. The amendment also included a title amendment that changed the bill from an “An act relating to medical malpractice actions” to “An act relating to health care.”

It has been Senate practice to apply three tests to determine whether an amendment is germane.

- Is it the same subject as the original measure?
- Is it a natural and logical expansion of the subject matter of the original proposal? and
- Does it avoid raising a new, independent issue?

Within the context of these principles, it is my conclusion that the amendment by Senator Bennett was not a natural and logical extension of the provisions in the original bill and that it introduced new subject matter, namely, the enlargement of the scope of practice of the specified medical professions.

Also, an amendment that requires a change in the “relating-to” clause of a bill's title suggests that the substance of the bill has been materially expanded or altered in some important way beyond its original purpose.

Therefore, Mr. President, it is my recommendation that the ruling of Chair Garcia that the amendment was not germane be upheld.

The President concurred with the recommendation of Senator Thrasher, Chair of the Committee on Rules, and the **Amendment (330054)** was ruled out of order.

DISCLOSURE

I have an ownership interest in Caregivers, Inc., a company based in Pensacola, Florida. The company provides services to the elderly and the disabled and a minority of its revenues are derived from reimbursements from the Escambia County Council on Aging and the Florida Medicaid program. Therefore, I believe that, because Caregivers, Inc. is a member of such class, I am required by Senate Rule 1.39 to disclose the above facts.

DISCLOSURE

I have an ownership interest in Caregivers, Inc., a company based in Pensacola, Florida. The company provides services to the elderly and the disabled and a minority of its revenues are derived from reimbursements from the Escambia County Council on Aging and the Florida Medicaid program. Because Caregivers, Inc. is among a class of health care providers receiving funds from such state sources, it appears to me that the company may be affected by **SB 2144** which came before the full Senate for a vote on April 7, 2011.

Therefore, I believe that, because Caregivers, Inc. is a member of such class, I am required by Senate Rule 1.39 to disclose the above facts.

Section 1. Subsections (6), (7), (8), (9), and (12) of section 39.001, Florida Statutes, are amended to read:

39.001 Purposes and intent; personnel standards and screening.—

(6) **LEGISLATIVE INTENT FOR THE PREVENTION OF ABUSE, ABANDONMENT, AND NEGLECT OF CHILDREN.**—The incidence of known child abuse, abandonment, and neglect has *continued to increase increased rapidly over the past 5 years*. The impact that abuse, aban-

donment, or neglect has on the victimized child, siblings, family structure, and inevitably on all citizens of the state has caused the Legislature to determine that the prevention of child abuse, abandonment, and neglect shall be a priority of this state. To further this end, it is the intent of the Legislature that *the Florida Prevention of Child Abuse, Abandonment and Neglect Plan: July 2010 – June 2015, be implemented and monitored by the agencies and organizations named within the plan. The Legislature finds that the plan contains low-cost and no cost cross-agency strategies adopted by the Children and Youth Cabinet. These activities are already underway and are privately and federally funded where necessary. No additional funds from the state are being requested for these activities. 39.001 Purposes and intent; personnel standards and screening.—

(6) **LEGISLATIVE INTENT FOR THE PREVENTION OF ABUSE, ABANDONMENT, AND NEGLECT OF CHILDREN.**—The incidence of known child abuse, abandonment, and neglect has *continued to increase increased rapidly over the past 5 years*. The impact that abuse, abandonment, or neglect has on the victimized child, siblings, family structure, and inevitably on all citizens of the state has caused the Legislature to determine that the prevention of child abuse, abandonment, and neglect shall be a priority of this state. To further this end, it is the intent of the Legislature that an Office of Adoption and Child Protection be established. *It is further the intent of the Legislature that Florida Prevention of Child Abuse, Abandonment and Neglect Plan: July 2010 – June 2015, be implemented and monitored by the agencies and organizations named within the plan. The Legislature finds that the plan contains low-cost and no cost cross-agency strategies adopted by the Children and Youth Cabinet. These activities are already underway and are privately and federally funded where necessary. No additional funds from the state are being requested for these activities. By February 1, 2015, the Department of Children and Family Services shall report to the Legislature whether the plan has been effective and whether it should be updated and continued.*

And the title is amended as follows:

Delete lines 2-17 and insert: An act relating to the welfare of children; amending s. 39.001, F.S.; requiring certain agencies and organizations named in the Florida Prevention of Child Abuse, Abandonment and Neglect Plan: July 2010 - 2015 to implement and monitor the plan; providing legislative findings; requiring the Department of Children and Family Services to report to the Legislature; providing an effective date.
