## PRAYER

The following prayer was offered by Reverend Robert W. Jakoby, Pastoral Care Services of Baptist Health South Florida, Miami:

Most gracious God of all creation and sustainer of life, we humbly bow in your presence as we begin this session. We acknowledge our dependence on you for life itself, for health, sustenance, and the very meaning of life. In the quietness of these moments, may we hear your still, small voice assuring us of your love and purpose for each member of this Florida Senate. Grant them wisdom to use their knowledge to uphold the values and the freedoms that we have been granted. When controversial issues arise, give them clarity of thought and courage to do the right thing for the people they represent. Loving God, help each Senator continue to stand strong on our constitution as challenges come.

God, you know our needs in this nation as we are living in critical times. Please direct these senatorial leaders as they make decisions that will affect our state and, ultimately, our nation.

I ask your blessings, God, on each Senator and on his or her family while they are apart. Keep their families safe and healthy. Keep also, I pray, Governor Scott and his family in that same manner. We commit this day and hour to you, O Lord. Thank you for hearing our prayer. In your holy name I pray. Amen.

Senator Richter moved the following amendment which was adopted:

**Amendment 1 (526576) (with title amendment)**—Delete lines 256-303 and insert:

*o. The home addresses, telephone numbers, dates of birth, and photographs of current or former emergency medical technicians or paramedics certified under chapter 401; the names, home addresses, telephone numbers, dates of birth, and places of employment of the spouses and children of such emergency medical technicians or paramedics; and the names and locations of schools and day care facilities attended by the children of such emergency medical technicians or paramedics are exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution if the emergency medical technicians or paramedics have made reasonable efforts to protect such information from being accessible through other means available to the public. This sub-subparagraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2021, unless reviewed and saved from repeal through reenactment by the Legislature.*

3. An agency that is the custodian of the information specified in subparagraph 2. and that is not the employer of the officer, employee, justice, judge, or other person specified in subparagraph 2. shall maintain the exempt status of that information only if the officer, employee, justice, judge, other person, or employing agency of the designated employee submits a written request for maintenance of the exemption to the custodial agency.

4. The exemptions in this paragraph apply to information held by an agency before, on, or after the effective date of the exemption.

5. Except as otherwise expressly provided in this paragraph, this paragraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15, and shall stand repealed on October 2, 2017, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. *The Legislature finds that it is a public necessity to exempt from public records requirements the home addresses, telephone numbers, dates of birth, and photographs of current or former nonsworn investigative personnel of the Department of Financial Services whose duties include the investigation of fraud, theft, workers' compensation coverage requirements and compliance, other related criminal activities, or state regulatory requirement violations; the names, home addresses, telephone numbers, dates of birth, and places of employment of the spouses and children of such personnel; and the names and locations of schools and day care facilities attended by the children of such personnel. The efforts of such personnel can lead to arrests and prosecutions for crimes up to and including first degree felony violations and can also result in the loss of commerce and property, the assessment of monetary fines, or the suspension or loss of professional licenses. The department has documented numerous instances of personnel who have been threatened and who have feared repercussions as a result of carrying out their duties. These threats have included weapons being brandished, verbal threats made to harm them or their family members, harassment, and intimidation. The Legislature finds that the release of such personal identifying and location information might place these nonsworn investigative personnel of the department and their family members in danger of physical and emotional harm from disgruntled individuals who have contentious reactions to actions taken by such personnel, or whose business or professional practices have come under the scrutiny of such personnel. The Legislature further finds that the harm that may result from the release of such personal identifying and location information outweighs any public benefit that may be derived from the disclosure of the information.*

Section 3. *The Legislature finds that it is a public necessity that the home addresses, telephone numbers, dates of birth, and photographs of current or former emergency medical technicians or paramedics certified under chapter 401, Florida Statutes; that the names, home addresses, telephone numbers, and places of employment of the spouses and children of such emergency medical technicians or paramedics; and that the names and locations of schools and day care facilities attended by the children of such emergency medical technicians or paramedics be exempt from public records requirements if the emergency medical technicians or paramedics have made reasonable efforts to protect such information from being accessible through other means available to the public. Emergency medical technicians or paramedics are public safety officers whose duties as first responders to accidents and life-threatening events often place them in traumatic circumstances in which loss of life and severe bodily injuries have occurred. They often deal with violent, angry, or mentally unstable individuals. As a result, the Legislature finds that release of identifying and location information of emergency medical technicians or paramedics certified under chapter 401, Florida Statutes, or the spouses and children of such emergency medical technicians or paramedics, could place them in danger of being physically or emotionally harmed or stalked by a person who has a hostile reaction to his or her encounter with such emergency medical technicians or paramedics. The Legislature further finds that the harm that may result from the release of such identifying and location information outweighs any public benefit that may be derived from the disclosure of the information.*

And the title is amended as follows:

Delete lines 9-10 and insert: personnel; providing an exemption from public records requirements for certain identifying and location information of current or former emergency medical technicians or paramedics certified under ch. 401, F.S., and the spouses and children of such emergency medical technicians or paramedics, under specified circumstances; providing for future review and repeal of the exemptions; providing statements of public
