PRAYER

The following prayer was offered by Reverend Kyle Peddie, Corinth Baptist Church, Hosford:

Heavenly Father, we come to you this beautiful spring morning to pause and give thanks to the giver of life, the king of kings, the Lord of lords, creator, and savior. We pause to give thanks for the day that you have made, and we will rejoice and be glad in it. I ask, Father, that you would bless this day as our Florida Senate convenes and continues to do the work for the people of Florida. It has indeed been a great session, and as it ever draws near to the end, I would humbly ask you to continue to impart wisdom and discernment to the Senators in this great chamber. They, and we, need your great wisdom here today. The responsibility and honor to serve is daunting, and we need your help.

Many have served here in the past and have established a tradition of integrity and statesmanship that continues with the ones serving today. May the attitude of everyone in public service—from the Governor to the volunteer firefighter in the smallest community—be that of truly loving our neighbors as we love ourselves. I would ask you to bless each and every Senator's family, marriage, children, and extended family while they are away from home serving in this chamber today. May your hedge of protection be upon them. As they work today and for the rest of

the session, may your will be done. We believe in the risen Lord, the finished work of the cross, and John 14:6 says you, "Are the way, the truth, and the life." Bless all Senators today, bless Senate President Negrón as he leads, and bless my Senator, Senator Montford. In Jesus' name I pray. Amen.

Senator Simpson: Thank you, Mr. President. We have a gift for our President Pro Tempore, Senator Flores, today. I wanted to make sure that when we have such a diverse body as we do—and we celebrate that diversity—I’m pretty certain that most of the folks that live in Trilby may not think that Miami actually is in the State of Florida. The people in Miami certainly do not know where Trilby is. We have a great President Pro Tempore this year, a great family person. She loves her family. We have tried to pick a gift that would honor her and them. With Senator Stargel’s help, we have family passes for four, two adults and two children, to LEGOLAND for one year. This is also for the theme park and the water park. We wanted to award you this today and thank you for all your hard work for the State of Florida.

Ordering any financial institution holding assets of the vulnerable adult to pay the clerk of the circuit court from unencumbered assets of the vulnerable adult, if any, a fee of \$75 if the assets of the petitioner are between \$1,500 and \$5,000 or a fee of \$200 if the assets are in excess of \$5,000. The court may rely on the estimate of the value of the assets in the petition when assessing the fee. The fee shall be taxed as costs against the respondent if the court enters an injunction.

(b) Except as provided in s. 90.204, in a hearing ex parte for the purpose of obtaining an ex parte temporary injunction, only verified pleadings or affidavits may be used as evidence unless the respondent appears at the hearing or has received reasonable notice of the hearing. A petition under this section shall be considered a family case for purposes of s. 90.204(4).

(c) A denial of a petition for an ex parte injunction must be by written order and must note the legal grounds for denial. When the only ground for denial is failure to demonstrate appearance of an immediate and present danger of exploitation of a vulnerable adult, the court must set a full hearing on the petition for injunction at the earliest possible date. Nothing in this paragraph affects a petitioner's right to promptly amend any petition consistent with court rules.

(d) An ex parte temporary injunction may be effective for a fixed period not to exceed 15 days. A full hearing, as provided by this section, must be set for a date no later than the date when the temporary injunction ceases to be effective. The court may grant a continuance of the hearing, before or during the hearing, for good cause shown by any party, which good cause may include a continuance to obtain service of process. An ex parte injunction is not extended beyond the initial 15 days as a result of a continuance.

(6) REASONABLE CAUSE.—*In determining whether a petitioner has reasonable cause to believe that the vulnerable adult is, or is in imminent danger of becoming, a victim of exploitation, the court shall consider and evaluate all relevant factors, including, but not limited to, any of the following:*

(a) The existence of a verifiable order of protection issued previously or from another jurisdiction.

(b) Any history of exploitation by the respondent upon the vulnerable adult in the petition or any other vulnerable adult.

(c) Any history of the vulnerable adult being previously exploited or unduly influenced.

(d) The capacity of the vulnerable adult to make decisions related to his or her finances and property.

(e) Susceptibility of the vulnerable adult to undue influence.

(f) Any criminal history of the respondent or previous probable cause findings by the adult protective services program, if known.

(7) NOTICE OF PETITION AND INJUNCTION.—

(a) The respondent shall be personally served, pursuant to chapter 48, with a copy of the petition, notice of hearing, and temporary injunction, if any, before the final hearing.

(b) If the petitioner is acting in a representative capacity, the vulnerable adult shall also be served with a copy of the petition, notice of hearing, and temporary injunction, if any, before the final hearing.

(c) If any assets or lines of credit are ordered to be frozen, the depository or financial institution must be served as provided in s. 655.0201.

(8) FINAL HEARING ON PETITION.—

(a)1. The court may grant such relief as the court deems proper when, upon notice and hearing, it appears to the court that:

a. The vulnerable adult is the victim of exploitation or that the vulnerable adult is in imminent danger of becoming a victim of exploitation.

b. There is a likelihood of irreparable harm and nonavailability of an adequate remedy at law.

c. The threatened injury to the vulnerable adult outweighs possible harm to the respondent.

d. Where the injunction freezes assets of the respondent, the court finds probable cause that exploitation has occurred, the freeze only affects the proceeds of such exploitation, and there is a substantial likelihood that such assets will be ordered to be returned to the vulnerable adult.

e. The relief provides for the vulnerable adult's physical or financial safety.

2. Such relief may include, but need not be limited to, injunctions doing any of the following:

a. Continuing the temporary injunction in part or in whole.

b. Restraining the respondent from committing any acts of exploitation.

c. Awarding to the vulnerable adult the exclusive use and possession of the dwelling that the vulnerable adult and the respondent share or excluding the respondent from the residence of the vulnerable adult. The court shall confirm the availability of any required services or alternative caregivers that may be necessary to ensure the vulnerable adult's safety.

d. Ordering the respondent to participate in treatment, intervention, or counseling services to be paid for by the respondent.

e. Directing that assets under temporary freeze by injunction be returned to the vulnerable adult, or directing that those assets remain frozen until ownership can be determined; and directing that the temporary freeze on any line of credit be lifted.

f. Where the court has found that the respondent has engaged in exploitation of the vulnerable adult, entering a final cost judgment against the respondent and in favor of the petitioner for all taxable costs, and entering a final cost judgment against the respondent and in favor of the clerk of the circuit court for all the clerk's filing fees and service charges that were waived by operation of this section.

g. Ordering such other relief as the court deems necessary for the protection of a victim of exploitation, including injunctions or directives to law enforcement agencies, as provided in this section.

(b) The court must allow an advocate from a state attorney's office, a law enforcement agency, or the adult protective services program to be present with the petitioner or the respondent during any court proceedings or hearings related to the injunction, provided the petitioner or the respondent has made such a request and the advocate is able to be present.

(c) The terms of an injunction restraining the respondent as provided in paragraph (a) remain in effect until the injunction is modified or dissolved.

(9) PROVISIONS REQUIRED IN ANY TEMPORARY OR PERMANENT INJUNCTION.—*A temporary or final judgment on an injunction must, on its face, indicate:*

(a) That the injunction is valid and enforceable in all counties of this state.

(b) That law enforcement officers may use their arrest powers under s. 901.15(6) to enforce the terms of the injunction.

(c) That the court had jurisdiction over the parties and subject matter under state law and that reasonable notice and opportunity to be heard were given to the person against whom the order was sought, in a manner that was sufficient to protect that person's right to due process.

(d) If any assets or lines of credit are ordered to be frozen, the date that the depository or financial institution was served with the injunction as provided in s. 655.0201.

(e) The date the respondent was served with the petition for injunction.

(10) TRANSMITTAL TO SHERIFF; SERVICE.—

(a)1.a. The clerk of the circuit court shall furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary injunction to the sheriff or a law enforcement agency of the county in which the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. At the request of the sheriff, the clerk of the circuit court may transmit a facsimile copy of an injunction that has been certified by the clerk of the circuit court pursuant to subparagraph 4., and this facsimile copy may be served in the same manner as a certified copy. The clerk of the circuit court shall also furnish to the sheriff such information on the respondent's physical description and location as is required by the Department of Law Enforcement to comply with the verification procedures set forth in sub-subparagraph b.

b. Upon receiving a facsimile copy, the sheriff must verify receipt with the clerk of the circuit court before attempting to serve it upon the respondent. If the sheriff is in possession of an injunction that has been certified by the clerk of the circuit court, the sheriff may transmit a facsimile copy of that injunction to a law enforcement officer who shall serve it in the same manner as a certified copy.

c. Notwithstanding any other provision of law, the chief judge of each judicial circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction to effect service. A law enforcement agency performing service pursuant to this section shall use service and verification procedures consistent with those of the sheriff.

2.a. Except where the vulnerable adult is the petitioner, the clerk of the circuit court shall furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary injunction to the sheriff or a law enforcement agency of the county in which the vulnerable adult resides or can be found, who shall serve it upon the vulnerable adult as soon thereafter as possible on any day of the week and at any time of the day or night. At the request of the sheriff, the clerk of the circuit court may transmit a facsimile copy of an injunction that has been certified by the clerk of the circuit court pursuant to subparagraph 4., and this facsimile copy may be served in the same manner as a certified copy. The clerk of the circuit court shall also furnish to the sheriff such information on the vulnerable adult's physical description and location as is required by the Department of Law Enforcement to comply with the verification procedures set forth in sub-subparagraph b.

b. Upon receiving a facsimile copy, the sheriff must verify receipt with the clerk of the circuit court before attempting to serve it upon the vulnerable adult. If the sheriff is in possession of an injunction that has been certified by the clerk of the circuit court, the sheriff may transmit a facsimile copy of that injunction to a law enforcement officer, who shall serve it in the same manner as a certified copy.

c. Notwithstanding any other provision of law, the chief judge of each judicial circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction of the circuit to effect service. A law enforcement agency performing service pursuant to this section shall use service and verification procedures consistent with those of the sheriff.

3. When an injunction for protection against exploitation of a vulnerable adult is issued, if the petitioner requests that a law enforcement agency assist the vulnerable adult, the court may order that an officer from the appropriate law enforcement agency accompany the vulnerable

adult and assist in the service or execution of the injunction, including returning possession of a dwelling or residence to the vulnerable adult. A law enforcement officer shall accept a copy of an injunction, certified by the clerk of the circuit court pursuant to subparagraph 4., from the petitioner and immediately serve it upon a respondent who has been located but not yet served. The law enforcement agency must also serve any injunction freezing assets on a financial institution where assets subject to dissipation are held, or where a credit line may be exploited. Service upon the depository or financial institution must be served as provided in s. 655.0201.

4. The clerk of the circuit court shall certify a copy of all orders issued, changed, continued, extended, or vacated subsequent to the original service of the original petition, notice of hearing, or temporary injunction and deliver the certified copy to the parties at the time of the entry of the order. The parties may acknowledge receipt of a certified order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk of the circuit court must note on the original petition that service was effected. If delivery at the hearing during which an order is issued is not possible, the clerk of the circuit court shall mail certified copies of the order to the parties at their respective last known mailing addresses; except that service upon a depository or financial institution must be served as provided in s. 655.0201. Service by mail is complete upon mailing. When an order is served pursuant to this subparagraph the clerk of the circuit court shall notify the sheriff of the service and prepare a written certification to be placed in the court file specifying the time, date, and method of service.

5. If the respondent has been previously served with the temporary injunction and has failed to appear at the initial hearing on the temporary injunction, any subsequent petition for an injunction seeking an extension of time may be served on the respondent by the clerk of the court by certified mail in lieu of personal service by a law enforcement officer.

(b)1. Within 24 hours after the court issues an injunction for protection against exploitation of a vulnerable adult or changes, continues, extends, or vacates such an injunction, the clerk of the circuit court must forward a certified copy of the order to the sheriff with jurisdiction over the residence of the petitioner for service in accordance with this subsection.

2. Within 24 hours after service of an injunction for protection against exploitation of a vulnerable adult upon a respondent, the law enforcement officer who served the injunction must forward the written proof of service to the sheriff with jurisdiction over the residence of the petitioner.

3. Within 24 hours after the sheriff receives a certified copy of the injunction for protection against exploitation of a vulnerable adult, the sheriff must make information related to the injunction available to this state's law enforcement agencies by electronically transmitting such information to the Department of Law Enforcement.

4. Within 24 hours after the sheriff or other law enforcement officer has made service upon the respondent and the sheriff has been so notified, the sheriff must make information relating to the service available to other law enforcement agencies by electronically transmitting such information to the Department of Law Enforcement.

5. Within 24 hours after an injunction for protection against exploitation of a vulnerable adult is terminated or otherwise rendered no longer effective by ruling of the court, the clerk of the circuit court must notify the sheriff receiving original notification of the injunction as provided in subparagraph 1. The sheriff shall, within 24 hours after receiving such notification from the clerk of the circuit court, notify the Department of Law Enforcement of such court action.

(11) ENFORCEMENT.—

(a) As to the respondent, the court may enforce a violation of an injunction for protection against exploitation of a vulnerable adult through a civil or criminal contempt proceeding, and the state attorney may prosecute it as a criminal violation under s. 825.1036. Any assessment or fine ordered by the court enforcing such injunction shall be collected by the clerk of the circuit court and transferred on a monthly basis to the Department of Revenue for deposit in the Domestic Violence Trust Fund.

(b) If the respondent is arrested by a law enforcement officer under s. 901.15(6) or for a violation of s. 825.1036, the respondent must be held in custody until he or she is brought before the court, which must occur as expeditiously as possible, for the purpose of enforcing the injunction for protection against exploitation of a vulnerable adult and for admittance to bail in accordance with chapter 903 and the applicable rules of criminal procedure, pending a hearing.

(12) **JUDGMENT FOR DAMAGES.**—Actual damages may be assessed against the petitioner in a proceeding under this section if the court finds that the petition lacks substantial fact or legal support.

(13) **MODIFICATION OR DISSOLUTION OF INJUNCTION.**—The petitioner, respondent, or vulnerable adult may move at any time to modify or dissolve the injunction in part or in whole. No specific allegations are required for modification or dissolution of the injunction, which may be granted in addition to other civil or criminal penalties. The court shall promptly hear a motion to modify or dissolve an injunction.

(14) **LIMITATION.**—Nothing in this section may affect title to real property.

Section 3. Section 825.1036, Florida Statutes, is created to read:

825.1036 Violation of an injunction for protection against exploitation of a vulnerable adult.—

(1) In the event of a violation of an injunction for protection against exploitation of a vulnerable adult when the person who violated such injunction has not been arrested, the petitioner may contact the clerk of the circuit court of the county in which the violation is alleged to have occurred. The clerk of the circuit court shall assist the petitioner in the preparation of an affidavit in support of the violation or direct the petitioner to the office operated by the court within the circuit which has been designated by the chief judge of the judicial circuit as the central intake point for injunction violations and where the petitioner can receive assistance in the preparation of the affidavit in support of the violation.

(2) The affidavit shall be immediately forwarded by the clerk of the circuit court or the office assisting the petitioner to the state attorney of the circuit and to the court or judge as the chief judge of the circuit determines to be the recipient of affidavits of violation. If the affidavit alleges that a crime has been committed, the clerk of the circuit court or the office assisting the petitioner shall also forward a copy of the affidavit to the appropriate law enforcement agency for investigation. Within 20 days after receipt of the affidavit, the local law enforcement agency shall complete its investigation and forward the affidavit and a report containing the agency's findings to the state attorney. The state attorney shall determine within 30 business days whether its office will proceed to file criminal charges, prepare a motion for an order to show cause as to why the respondent should not be held in criminal contempt, prepare both as alternative findings, or file notice that the case remains under investigation or is pending subject to another action.

(3) If, based on its familiarity with the case, the court has knowledge that the vulnerable adult is in immediate danger if the court fails to act before the decision of the state attorney to prosecute, it should immediately issue an order of appointment of the state attorney to file a motion for an order to show cause as to why the respondent should not be held in contempt. If the court does not issue an order of appointment of the state attorney, it shall immediately notify the state attorney that the court is proceeding to enforce the violation through a ruling of criminal contempt.

(4)(a) Except as provided in paragraph (b), a person who willfully violates an injunction for protection against exploitation of a vulnerable adult commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A person may violate such injunction by:

1. Refusing to vacate the dwelling shared with the vulnerable adult;
2. Going to or being within 500 feet of the vulnerable adult's residence;
3. Exploiting or unduly influencing the vulnerable adult;

4. Committing any other violation of the injunction through an intentional unlawful threat, word, or act to do violence to the vulnerable adult;

5. Telephoning, contacting, or otherwise communicating with the vulnerable adult directly or indirectly, unless the injunction specifically allows indirect contact through a third party;

6. Knowingly and intentionally coming within 100 feet of the vulnerable adult's motor vehicle, regardless of whether that vehicle is occupied; or

7. Defacing or destroying the vulnerable adult's personal property.

(b) A person who has two or more prior convictions for violation of an injunction or foreign protection order against the same victim, and who subsequently commits a violation of any injunction or foreign protection order against the same victim, commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. For purposes of this paragraph, the term "conviction" means a determination of guilt which is the result of a plea or a trial, regardless of whether adjudication is withheld or a plea of nolo contendere is entered.

(5) A vulnerable adult who suffers an injury or loss as a result of a violation of an injunction for protection against exploitation of a vulnerable adult may be awarded economic damages and attorney fees and costs for enforcement of such injunction.

(6) A financial institution holding assets or having issued a line of credit ordered to be frozen under s. 825.1035 is not considered a party to the action and is not liable for damages or penalty by reason of any action or inaction made in accordance with s. 825.1035. No private cause of action may be brought against a financial institution for any action or inaction made pursuant to an injunction or any other court order entered pursuant to s. 825.1035, unless such action was a knowing and intentional violation of the injunction.

Section 4. Subsection (6) of section 901.15, Florida Statutes, is amended to read:

901.15 When arrest by officer without warrant is lawful.—A law enforcement officer may arrest a person without a warrant when:

253.025 Acquisition of state lands.—

(21)(a) The board of trustees may acquire, pursuant to s. 288.980(2)(b), nonconservation lands from the annual list submitted by

the Department of Economic Opportunity for the purpose of buffering a military installation against encroachment.

(b) *If federal partnership funds are available before the military installation buffer land is acquired, the Division of State Lands shall apply yellow book appraisal standards and must disclose the appraised value to the seller.*

(c) *Following acquisition of the military installation buffer land, the board of trustees is authorized, in accordance with the installation's procedures, the laws of this state, and the terms of the management and monitoring agreement provided in s. 288.980(2)(b), to:*

1. *Convey the land at less than appraised value to the military installation;*

2. *Lease the land at less than appraised or market value to the military installation; or*

3. *Lease the land at rates determined by competitive bid, which may be less than appraised or market value, to private entities to conduct agricultural or silvicultural operations under terms requiring approval of the military installation and that must implement the best management practices applicable to such operations as adopted by the Department of Agriculture and Consumer Services.*

(d) *A conveyance at less than appraised value must state that the land will revert to the board of trustees if the land is not used for its intended purposes as a military installation buffer or if the military installation closes.*

(22) The board of trustees, by an affirmative vote of at least three members, may direct the Department of Environmental Protection to purchase lands on an immediate basis using up to 15 percent of the funds allocated to the department pursuant to s. 259.105 for the acquisition of lands that:

(a) Are listed or placed at auction by the Federal Government as part of the Resolution Trust Corporation sale of lands from failed savings and loan associations;

(b) Are listed or placed at auction by the Federal Government as part of the Federal Deposit Insurance Corporation sale of lands from failed banks; ~~or~~

~~For such acquisitions, the board of trustees may waive or modify all procedures required for land acquisition pursuant to this chapter and all competitive bid procedures required pursuant to chapters 255 and 287. Lands acquired pursuant to this subsection must, at the time of purchase, be on one of the acquisition lists established pursuant to chapter 259, or be essential for water resource development, protection, or restoration, or a significant portion of the lands must contain natural communities or plant or animal species that are listed by the Florida Natural Areas Inventory as critically imperiled, imperiled, or rare, or as excellent quality occurrences of natural communities.~~

(23) *The board of trustees, by an affirmative vote of at least three members, may direct the division to purchase lands on an immediate basis that will prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern pursuant to chapter 380.*

(24) *For acquisitions directed pursuant to subsection (22) or subsection (23):*

Section 2. Subsection (6) of section 259.045, Florida Statutes, is amended to read:

259.045 Purchase of lands in areas of critical state concern; recommendations by department and land authorities.—Within 45 days after the Administration Commission designates an area as an area of critical state concern under s. 380.05, and annually thereafter, the Department of Environmental Protection shall consider the recommendations of the state land planning agency pursuant to s. 380.05(1)(a) relating to purchase of lands within an area of critical state concern or lands outside an area of critical state concern that directly impact an area of critical state concern, which may include lands used to preserve and protect water supply, and shall make recommendations to the board with respect to the purchase of the fee or any lesser interest in any such lands that are:

(6) Lands used to prevent or satisfy private property rights claims resulting from limitations imposed by the designation of an area of critical state concern if the acquisition of such lands fulfills a public purpose listed in s. 259.032(2) or if the parcel is wholly or partially, at the time of acquisition, on one of the board's approved acquisition lists established pursuant to this chapter. For the purposes of this subsection, if a parcel is estimated to be worth \$500,000 or less and the director of the Division of State Lands finds that the cost of an outside appraisal is not justified, a comparable sales analysis, an appraisal prepared by the Division of State Lands, or other reasonably prudent procedures may be used by the Division of State Lands to estimate the value of the parcel, provided the public's interest is reasonably protected.

The department, a local government, a special district, or a land authority within an area of critical state concern may make recommendations with respect to additional purchases which were not included in the state land planning agency recommendations.

Section 3. Paragraph (i) is added to subsection (4) of section 259.105, Florida Statutes, to read:

259.105 The Florida Forever Act.—

(4) It is the intent of the Legislature that projects or acquisitions funded pursuant to paragraphs (3)(a) and (b) contribute to the achievement of the following goals, which shall be evaluated in accordance with specific criteria and numeric performance measures developed pursuant to s. 259.035(4):

(i) *Mitigate the effects of natural disasters and floods in developed areas, as measured by:*

1. *The number of acres acquired within a 100-year floodplain or a coastal high hazard area;*
2. *The number of acres acquired or developed to serve dual functions as:*
 - a. *Flow ways or temporary water storage areas during flooding or high water events, not including permanent reservoirs; and*
 - b. *Greenways or open spaces available to the public for recreation;*
3. *The number of acres that protect existing open spaces and natural buffer areas within a floodplain that also serve as natural flow ways or natural temporary water storage areas; and*
4. *The percentage of the land acquired within the project boundary that creates additional open spaces, natural buffer areas, and greenways within a floodplain, while precluding rebuilding in areas that repeatedly flood.*

Florida Forever projects and acquisitions funded pursuant to paragraph (3)(c) shall be measured by goals developed by rule by the Florida Communities Trust Governing Board created in s. 380.504.

2. *The department shall submit the list of base buffering encroachment lands to the Florida Defense Support Task Force, created in s. 288.987.*

3. *The Florida Defense Support Task Force shall, annually by December 1, review the list of base buffering encroachment lands submitted by the military installations and provide its recommendations for ranking the lands for acquisition to the department.*

4. *The department shall annually submit the list of base buffering encroachment lands provided by the Florida Defense Support Task Force to the Board of Trustees of the Internal Improvement Trust Fund, which may acquire the lands pursuant to s. 253.025. At a minimum, the annual list must contain for each recommended land acquisition:*

a. *A legal description of the land and its property identification number;*

b. *A detailed map of the land; and*

c. *A management and monitoring agreement to ensure the land serves a base buffering purpose.* ~~The department may annually submit a list to the Board of Trustees of the Internal Improvement Trust Fund of nonconservation lands to acquire, subject to a specific appropriation, through fee simple purchase or through perpetual, less than fee interest purchase, for the purpose of buffering a military installation against encroachment. The Board of Trustees of the Internal Improvement Trust Fund shall also consider the recommendations of the Florida Defense Support Task Force, created in s. 288.987, when selecting nonconservation lands to purchase for the purpose of securing and protecting a military installation against encroachment. This paragraph does not preclude the acquisition of such lands by local governments through fee simple purchase or through perpetual, less than fee interest purchase, for the purpose of buffering a military installation against encroachment.~~

(c) As used in this subsection, the term “nonconservation lands” means lands acquired for uses other than conservation, outdoor resource-based recreation, or archaeological or historic preservation ~~not~~ subject to acquisition by the Florida Forever Program.

(1) An online notary public is subject to part I of this chapter to the same extent as a notary public appointed and commissioned only under that part, including the provisions of s. 117.021 relating to electronic notarizations.

(2) An online notary public may perform notarial acts as provided by part I of this chapter in addition to performing online notarizations as authorized and pursuant to the provisions of this part.

Section 11. Section 117.245, Florida Statutes, is created to read:

117.245 *Electronic journal of online notarizations.—*

(1) An online notary public shall keep a secure electronic journal of electronic records notarized by the online notary public. For each online notarization, the electronic journal entry must contain all of the following:

(f) An indication that the principal satisfactorily passed the identity proofing.

(g) An indication that the government-issued identification credential satisfied the credential analysis.

(h) The fee, if any, charged for the notarization.

(2) The online notary public shall retain a copy of the recording of the audio-video communication in which:

(a) The principal and any witnesses appeared before the notary public.

(b) The identity of each was confirmed.

(c) Electronic records were signed by the principal and any witnesses.

(d) The notarial act was performed.

(3) The online notary public shall take reasonable steps to:

(a) Ensure the integrity, security, and authenticity of online notarizations.

(b) Maintain a backup record of the electronic journal required by subsection (1).

(c) Protect the electronic journal, the backup record, and any other records received by the online notary public from unauthorized access or use.

(4) The electronic journal required under subsection (1) and the recordings of audio-video communications required under subsection (2) shall be maintained for at least 10 years after the date of the notarial act. The Executive Office of the Governor maintains jurisdiction over the electronic journal and audio-video communication recordings to investigate notarial misconduct for a period of 10 years after the date of the notarial act. The online notary public, a guardian of an incapacitated online notary public, or the personal representative of a deceased online notary public, may, by contract with a secure repository in accordance with any rules established under this chapter, delegate to the repository the online notary public's duty to retain the required recordings of audio-video communications.

(5) An omitted or incomplete entry in the electronic journal does not impair the validity of the notarial act or of the electronic record which was notarized, but may be introduced as evidence to establish violations of this chapter as an indication of possible fraud, forgery, or impersonation or for other evidentiary purposes.

Section 12. Section 117.255, Florida Statutes, is created to read:

117.255 *Use of electronic journal, signature, and seal.—*An online notary public shall:

(3) Only use an electronic signature for performing online notarization.

(4) Attach or logically associate the electronic signature and seal to the electronic notarial certificate of an electronic record in a manner that is capable of independent verification using tamper-evident technology that renders any subsequent change or modification to the electronic record evident.

(5) Within 7 days, notify an appropriate law enforcement agency and the Department of State of theft or vandalism of the electronic journal, electronic signature, or electronic seal. An online notary public shall within 7 days notify the Department of State of the loss or use by another person of the online notary public's electronic journal, electronic signature, or electronic seal.

(6) Make electronic copies, upon request, of the pertinent entries in the electronic journal and provide access to the related audio-video communication recordings to the parties to the electronic records notarized, and to the title agent, settlement agent, or title insurer who engaged the online notary with regard to a real estate transaction. The online notary public may charge a fee not to exceed \$20 per transaction record for making and delivering electronic copies of a given series of related electronic records, except if required by the Executive Office of the Governor or the Department of State to submit copies pursuant to a notary misconduct investigation. If the online notary public does charge a fee, the online notary public shall disclose the amount of such fee to the requester before making the electronic copies.

Section 13. Section 117.265, Florida Statutes, is created to read:

117.265 Online notarization procedures.—

(1) An online notary public physically located in this state may perform an online notarization that meets the requirements of this part regardless of whether the principal or any witnesses are physically located in this state at the time of the online notarization. A civil-law notary or a commissioner of deeds registered as an online notary public may perform an online notarization while physically located outside of this state. An online notarial act performed in accordance with this chapter is deemed to have been performed within this state and is governed by the applicable laws of this state.

(2) In performing an online notarization, an online notary public shall confirm the identity of a principal and any witness appearing online, at the time that the signature is taken, by using audio-video communication technology and processes that meet the requirements of this part and of any rules adopted hereunder and record the entire two-way audio-video conference session between the notary public and the principal and any subscribing witnesses. A principal may not act in the capacity of a witness for his or her own signature in an online notarization.

(3) In performing an online notarization of a principal not located within this state, an online notary public must confirm that the principal desires for the notarial act to be performed by a Florida notary public and under the general law of this state.

(4) An online notary public shall confirm the identity of the principal or any witness by:

- (a) Personal knowledge of each such individual; or
- (b) All of the following, as the same may be refined or supplemented in rules adopted pursuant to s. 117.295:

1. Remote presentation of a government-issued identification credential by each individual;
2. Credential analysis of each government-issued identification credential; and
3. Identity proofing of each individual in the form of knowledge-based authentication or another method of identity proofing that conforms to the standards of this chapter.

If the online notary public is unable to satisfy subparagraphs (b)1.-3., or if the databases consulted for identity proofing do not contain sufficient information to permit authentication, the online notary public may not perform the online notarization.

(5) The online notary public shall take reasonable steps to ensure that the audio-video communication technology used in an online notarization is secure from unauthorized interception.

(6) The electronic notarial certificate for an online notarization must include a notation that the notarization is an online notarization.

(7) Except where otherwise expressly provided in this part, the provisions of part I of this chapter apply to an online notarization and an online notary public.

(8) Any failure to comply with the online notarization procedures set forth in this section does not impair the validity of the notarial act or the electronic record that was notarized, but may be introduced as evidence to establish violations of this chapter or as an indication of possible fraud, forgery, or impersonation or for other evidentiary purposes. This subsection may not be construed to alter the duty of an online notary public to comply with this chapter and any rules adopted hereunder.

Section 14. Section 117.275, Florida Statutes, is created to read:

117.275 Fees for online notarization.—An online notary public or the employer of such online notary public may charge a fee, not to exceed \$25, for performing an online notarization in addition to any other fees authorized under part I of this chapter. Fees for services other than notarial acts are not governed by this section.

Section 15. Section 117.285, Florida Statutes, is created to read:

117.285 Supervising the witnessing of electronic records.—An online notary public may supervise the witnessing of electronic records by the same audio-video communication technology used for online notarization, as follows:

- (1) The identity of the witness must be verified in the same manner as the identity of the principal.
- (2) The witness may physically be present with the principal or remote from the principal provided the witness and principal are using audio-video communication technology.
- (3) The witness is present in either physical proximity to the principal or through audio-video communication technology at the time the principal affixes the electronic signature and hears the principal make a statement to the effect that the principal has signed the electronic record.

Section 16. Section 117.295, Florida Statutes, is created to read:

117.295 Standards for electronic and online notarization; rulemaking authority.—

(1) The Legislature intends that the standards applicable to electronic notarization under s. 117.021 and for online notarization under this part reflect future improvements in technology and in methods of assuring the identity of principals and the security of an electronic record. The Department of State may approve companies that meet the minimum standards for online notarizations as described in subsection (2). The Department of State may, at its discretion, periodically review approved companies to ensure ongoing compliance with the minimum standards for online notarization. The Department of State may adopt rules and standards necessary to implement the requirements of this chapter and such other rules and standards as may be required to facilitate the integrity, security, and reliability of online notarization, including education requirements for online notaries public; the required terms of bonds and errors and omissions insurance, but not including the amounts of such policies; standards regarding identity proofing, credential analysis, unauthorized interception, remote presentation, tamper-evident technology, audio-video communication technology, and retention of the electronic journal and copies of audio-video communications recordings in a secure repository; and may publish lists of technologies that satisfy the standards and are approved for use in online notarizations.

(2) Companies that offer online notarization services must meet the following minimum standards:

- (a) Use of identity proofing by means of knowledge-based authentication which must have, at a minimum, the following security characteristics:

1. *The principal must be presented with five or more questions with a minimum of five possible answer choices per question.*

2. *Each question must be drawn from a third-party provider of public and proprietary data sources and be identifiable to the principal's social security number or other identification information, or the principal's identity and historical events records.*

3. *Responses to all questions must be made within a 2-minute time constraint.*

4. *The principal must answer a minimum of 80 percent of the questions correctly.*

5. *The principal may be offered one additional attempt in the event of a failed attempt.*

6. *During the second attempt, the principal may not be presented with more than three questions from the prior attempt.*

(b) *Use of credential analysis that must confirm that the credential is valid and matches the signer's claimed identity using one or more automated software or hardware processes which scan the credential, including its format features, data, barcodes, or other security elements.*

(c) *A company is deemed to have satisfied tamper-evident technology requirements by use of technology that renders any subsequent change or modification to the electronic record evident.*

(d) *Use of audio-video communication technology in completing online notarizations which must meet the following requirements:*

1. *The signal transmission must be reasonably secure from interception, access, or viewing by anyone other than the participants communicating.*

2. *The technology must provide sufficient audio clarity and video resolution to enable the notary to communicate with the principal and to confirm the identity of the principal using identification methods described in s. 117.265.*

(e) *A company which provides software services that facilitate performance of online notarial acts by online notaries public as provided for in this part shall maintain errors and omissions insurance coverage in a total amount of at least \$250,000 in the annual aggregate with respect to potential errors or omissions in or relating to such software services.*

An online notary public is not responsible for the security of the systems used by the principal or others to access the online notarization session.

Section 17. Section 117.305, Florida Statutes, is created to read:

117.305 *Relation to federal law.—This part supersedes the Electronic Signatures in Global and National Commerce Act as authorized under 15 U.S.C. s. 7001 et seq., but does not modify, limit, or supersede s. 101(c) of that act, 15 U.S.C. s. 7001(c), or authorize the electronic delivery of the notices described in 15 U.S.C. s. 7003(b).*

Section 18. Present paragraph (h) of subsection (3) of section 28.222, Florida Statutes, is redesignated as paragraph (i), and a new paragraph (h) is added to that subsection, to read:

28.222 Clerk to be county recorder.—

(3) The clerk of the circuit court shall record the following kinds of instruments presented to him or her for recording, upon payment of the service charges prescribed by law:

(h) *Copies of any instruments originally created and executed using an electronic signature, as defined in s. 695.27, and certified to be a true and correct paper printout by a notary public in accordance with chapter 117, if the county recorder is not prepared to accept electronic documents for recording electronically.*

Section 19. Subsection (1) of section 95.231, Florida Statutes, is amended to read:

95.231 Limitations where deed or will on record.—

(1) Five years after the recording of an instrument required to be executed in accordance with s. 689.01; 5 years after the recording of a power of attorney accompanying and used for an instrument required to be executed in accordance with s. 689.01; or 5 years after the probate of a will purporting to convey real property, from which it appears that the person owning the property attempted to convey, affect, or devise it, the instrument, power of attorney, or will shall be held to have its purported effect to convey, affect, or devise, the title to the real property of the person signing the instrument, as if there had been no lack of seal or seals, witness or witnesses, defect in, *failure of, or absence of* acknowledgment or relinquishment of dower, in the absence of fraud, adverse possession, or pending litigation. The instrument is admissible in evidence. A power of attorney validated under this subsection shall be valid only for the purpose of effectuating the instrument with which it was recorded.

Section 20. Section 689.01, Florida Statutes, is amended to read:

689.01 How real estate conveyed.—

No seal shall be necessary to give validity to any instrument executed in conformity with this section. Corporations may execute any and all conveyances in accordance with the provisions of this section or ss. 692.01 and 692.02.

(2) *For purposes of this chapter:*

(a) *Any requirement that an instrument be signed in the presence of two subscribing witnesses may be satisfied by witnesses being present and electronically signing by means of audio-video communication technology that meets the requirements of part II of chapter 117 and any rules adopted thereunder.*

(b) *The act of witnessing an electronic signature is satisfied if a witness is present either in physical proximity to the principal or by audio-video communication technology at the time the principal affixes his or her electronic signature and hears the principal make a statement acknowledging that the principal has signed the electronic record.*

(3) *All acts of witnessing heretofore made or taken pursuant to subsection (2) are validated and, upon recording, may not be denied to have provided constructive notice based on any alleged failure to have strictly complied with this section, as currently or previously in effect, or the laws governing notarization of instruments, including online notarization, in this state.*

possession, or pending litigation, to have authorized the conveyance of, or to have conveyed, the fee simple title, or any interest therein, of the person signing such instruments, or the person in behalf of whom the same was conveyed by a person in an official or representative capacity, to the land therein described as effectively as if there had been no defect in, failure of, or absence of the acknowledgment or the certificate of acknowledgment, if acknowledged, or the relinquishment of dower, and as if there had been no lack of the word "as" preceding the title of the person conveying in an official or representative capacity, of any seal or seals, or of any witness or witnesses, and shall likewise be taken and held by all the courts of this state to have been duly recorded so as to be admissible in evidence;

(2) Provided, however, that this section shall not apply to any conveyance the validity of which shall be contested or have been contested by suit commenced heretofore or within 1 year of the effective date of this law.

Section 22. Section 695.03, Florida Statutes, is amended to read:

695.03 Acknowledgment and proof; validation of certain acknowledgments; legalization or authentication before foreign officials.—To entitle any instrument concerning real property to be recorded, the execution must be acknowledged by the party executing it, proved by a subscribing witness to it, or legalized or authenticated by a civil-law notary or notary public who affixes her or his official seal, before the officers and in the following form and manner following:

All affidavits, oaths, acknowledgments, legalizations, authentications, or proofs made or taken in any manner as set forth in subsections (1), (2), and (3) are validated and upon recording may not be denied to have provided constructive notice based on any alleged failure to have strictly complied with this section, as currently or previously in effect, or the laws governing notarization of instruments.*

Amendment 1 (739040) (with title amendment)—Delete lines 160-730 and insert:

(5) *To safeguard the privacy of innocent persons, the Legislature recognizes that the subjective expectation of privacy in real-time cell-site location data, real-time precise global positioning system location data, and historical precise global positioning system location data that society is now prepared to accept is objectively reasonable. As such, the law enforcement collection of the precise location of a person, cellular phone, or portable electronic communication device without the consent of the person or owner of the cellular phone or portable electronic communication device should be allowed only when authorized by a warrant issued by a court of competent jurisdiction and should remain under the control and supervision of the authorizing court.*

(6) *The Legislature recognizes that the use of portable electronic communication devices is growing at a rapidly increasing rate. These devices can store, and encourage the storing of, an almost limitless amount of personal and private information. Often linked to the Internet, these devices are commonly used to access personal and business information and databases in computers and servers that can be located anywhere in the world. The user of a portable electronic communication device has a reasonable and justifiable expectation of privacy in the information that these devices contain.*

(7) *The Legislature recognizes that the use of household electronic devices, including microphone-enabled household devices, is growing at a rapidly increasing rate. These devices often contain microphones that listen for and respond to environmental cues. These household devices are generally connected to and communicate through the Internet, resulting in the storage of and accessibility to daily household information in a device itself or in a remote computing service. Persons should not have to choose between using household technological enhancements and conveniences or preserving the right to privacy in one's home.*
