PRAYER

The following prayer was offered by Pastor Darin Canary, First Christian Church, Wauchula:

Dear Lord, we come to you this morning, and we just simply seek wisdom. Lord, this Capitol is full of men and women who have been entrusted to run this great state. As intelligent and hardworking as they are, God, your word says that we are nothing without you. I just pray that you would shower your wisdom upon them. Let them know in their spirits what you are for and what you are against, God, I just pray that you would give them boldness to stand for what is right.

Father, these men and women have a very difficult task of representing and leading their communities, cities, and state. Lord, as you know, in this room, decisions will be made that have the power to change people's lives, and in some cases, save lives. Bills will be discussed and voted on. At the end of the day, Lord, it is my prayer that you will be pleased with the end result—that what breaks your heart, God, would break the hearts of those that you have allowed to represent us all in this great State of Florida.

My prayer is that every time this room is brought to order, your presence would fill this place, your thoughts would be their thoughts, and your supreme wisdom would flow from their minds to their pens to their paper. I pray that bills will be created and signed to make us a better state; one that sets an example for other states to follow; a state that would honor our pledge of one nation, under God, not over you but submitted to your will, your good, pleasing, and perfect will.

Lord, help us all in this place to be like Jesus: to put others before ourselves, to reach out to those in need, and to love one another with unconditional love. Bless these men and women, Lord. Protect them and their families as they do all they can to make this state better. I pray all of this in the powerful name of Jesus Christ. Amen.

PLEDGE

Senate Pages, Madelynn Duggar of Tallahassee and Steven Ferreiro of Miami, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Michael Swartzon of Plantation, sponsored by Senator Book, as the doctor of the day. Dr. Swartzon specializes in family and sports medicine.

HJR 369—A joint resolution proposing an amendment to Section 4 of Article VII and the creation of a new section in Article XII of the State Constitution to increase the period of time during which the accrued benefit from specified limitations on homestead property tax assessments may be transferred from a prior homestead to a new homestead and to provide an effective date.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 4 of Article VII and the creation of a new section in Article XII of the State Constitution are agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE VII

FINANCE AND TAXATION

SECTION 4. Taxation; assessments.—

By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year, but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead,
unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8) a. A person who establishes a new homestead as of January 1, 2008, or January 1 of any subsequent year and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of any either of the three two years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of $500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than $500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals $500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner’s spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Section 1. Section 944.241, Florida Statutes, is amended to read:

944.241 Shackling of Incarcerated pregnant women.—

(1) SHORT TITLE.—This section may be cited as the “Tammy Jackson Healthy Pregnancies for Incarcerated Women Act.”

(2) DEFINITIONS.—As used in this section, the term:

(a) “Correctional institution” means any facility under the authority of the department or the Department of Juvenile Justice, a county or municipal detention facility, or a detention facility operated by a private entity.

(b) “Corrections official” means the official who is responsible for oversight of a correctional institution, or his or her designee.

(c) “Department” means the Department of Corrections.

(d) “Extraordinary circumstance” means a substantial flight risk or some other extraordinary medical or security circumstance that dictates restraints or restrictive housing be used to ensure the safety and security of the prisoner, the staff of the correctional institution or medical facility, other prisoners, or the public.

(e) “Invasive body cavity search” means a search that involves a manual inspection using touch, insertion, or probing of the openings, cavities, and orifices of the human body, including, but not limited to, the genitals, buttocks, anus, or breasts that is not conducted for a medical purpose.

(f) “Labor” means the period of time before a birth during which contractions are of sufficient frequency, intensity, and duration to bring about effacement and progressive dilation of the cervix.

(g) “Postpartum recovery” means, as determined by her physician, the period immediately following delivery, including the recovery period when a woman is in the hospital or infirmary following birth, up to 24 hours after delivery unless the physician after consultation with the department or correctional institution recommends a longer period of time.

(h)(i) “Prisoner” means any person incarcerated or detained in any correctional institution who is accused of, convicted of, sentenced for, or adjudicated delinquent for a violation of criminal law or the terms and conditions of parole, probation, community control, pretrial release, or a diversionary program. For purposes of this section, the term includes any woman detained under the immigration laws of the United States at any correctional institution.

(i)(ii) “Restrain” means any physical restraint or mechanical device used to control the movement of a prisoner’s body or limbs, including, but not limited to, flex cuffs, soft restraints, hard metal handcuffs, a black box, chubb cuffs, leg irons, belly chains, a security or tether chain, or a convex shield.

(j) “Restrictive housing” means the placement of pregnant prisoners separately from the general population of a correctional institution and imposing restrictions on their movement, behavior, and privileges solely based on the condition of being pregnant. The term includes placing the prisoner in medical isolation, in a medical housing unit, or in the infirmary.

(3) RESTRAINT OF PRISONERS.—

(a) Except as provided in paragraph (b), restraints may not be used on a prisoner who is known to be pregnant:

1. If any doctor, nurse, or other health professional treating the prisoner in labor, in delivery, or in postpartum recovery requests that restraints not be used due to a documentable medical purpose. If the doctor, nurse, or other health professional makes such a request, the correctional officer or other law enforcement officer accompanying the prisoner must immediately remove all restraints.

2. During transport, labor, delivery, or postpartum recovery, unless the corrections official makes an individualized determination that the prisoner presents an extraordinary circumstance, except that:

1. The physician may request that restraints not be used for documentable medical purposes. The correctional officer, correctional institution employee, or other officer accompanying the pregnant prisoner may consult with the medical staff; however, if the corrections official determines that there is an extraordinary public safety risk, the official may order the officer is authorized to apply restraints as limited by paragraph (b) subparagraph 2.

(b) A restraint may be used on a prisoner who is known to be pregnant or in postpartum recovery only if all of the following apply:

1. The corrections official makes an individualized determination that the prisoner presents an extraordinary circumstance.

2. The restraints used are the least restrictive necessary.

3. If wrist restraints are used, the restraints are applied in the front of the prisoner so that she may protect herself in the event of a forward fall.

4. Under no circumstances shall leg, ankle, or waist restraints be used on any pregnant prisoner who is in labor or delivery.

(b) If restraints are used on a pregnant prisoner pursuant to paragraph (a):

1. The type of restraint applied and the application of the restraint must be done in the least restrictive manner necessary; and

2. The corrections official shall make written findings within 10 days after the use of restraints to the extraordinary circumstance that dictated the use of the restraints. These findings shall be kept on file by the department or correctional institution for at least 5 years.

(d) A pregnant prisoner who is transported by a correctional institution must be transported using a restraint that is the least restrictive necessary. A correctional institution that uses restraints on a pregnant
prisoner during transport must comply with the written findings required in paragraph (c).

d. During the third trimester of pregnancy or when requested by the physician treating a pregnant prisoner, unless there are significant documentable security reasons noted by the department or correctional institution to the contrary that would threaten the safety of the prisoner, the unborn child, or the public in general:

1. Leg, ankle, and waist restraints may not be used; and

2. If wrist restraints are used, they must be applied in the front so the pregnant prisoner is able to protect herself in the event of a forward fall.

d. In addition to the specific requirements of paragraphs (a)–(c), any restraint of a prisoner who is known to be pregnant must be done in the least-restrictive manner necessary in order to mitigate the possibility of adverse clinical consequences.

4. INVASIVE BODY CAVITY SEARCHES.—

a. Except as provided under paragraph (b), an invasive body cavity search of a pregnant prisoner may be conducted only by a medical professional.

b. A correctional officer may conduct an invasive body cavity search of a pregnant prisoner only if the officer has a reasonable belief that the prisoner is concealing contraband. An officer who conducts an invasive body cavity search must submit a written report to the corrections official within 72 hours after the search. The report must:

1. Explain the reasons for the search; and

2. Identify any contraband recovered in the search.

5. RESTRICTIVE HOUSING.—

a. Except as provided in paragraph (b), a pregnant prisoner may not be involuntarily placed in restrictive housing. This subsection does not prohibit a corrections official from placing a pregnant prisoner in restrictive housing for disciplinary violations or to address security risks to the pregnant prisoner, other prisoners, or staff directly related to the pregnant prisoner provided the corrections official complies with the reporting requirements of subparagraph (b)1.

b. A pregnant prisoner may be involuntarily placed in restrictive housing only if the corrections official of the correctional institution, in consultation with the medical staff overseeing prenatal care and medical treatment at the correctional institution, determines that an extraordinary circumstance exists such that restrictive housing is necessary and that there are no less restrictive means available.

1. The corrections official shall, before placing a prisoner in restrictive housing, write a report that states:

   a. The extraordinary circumstance that is present; and

   b. The reason less restrictive means are not available.

2. The corrections official shall review the report at least every 24 hours to confirm that the extraordinary circumstance cited in the report still exists. A copy of the report and each review must be provided to the pregnant prisoner.

c. A pregnant prisoner who is placed in restrictive housing under this section shall be:

   1. Seen at least every 24 hours by the medical staff overseeing prenatal care and medical treatment in the facility;

   2. Housed in the least restrictive setting consistent with the health and safety of the pregnant prisoner; and

   3. Given an intensive treatment plan developed and approved by the medical staff overseeing prenatal care and medical treatment at the facility.

d. If a pregnant prisoner needs medical care, an authorized medical staff must provide an order for the pregnant prisoner to be placed in a designated medical housing unit or admitted to the infirmary. If the pregnant prisoner has passed her due date, she must be placed in a designated medical housing unit or admitted to the infirmary until labor begins or until other housing arrangements are made. A pregnant prisoner who has been placed in a designated medical housing unit or admitted to the infirmary shall be provided:

1. The same access to outdoor recreation, visitation, mail, and telephone calls as other prisoners; and

2. The ability to continue to participate in other privileges and classes granted to the general population.

6. ENFORCEMENT.—

a. Notwithstanding any relief or claims afforded by federal or state law, any prisoner who is restrained in violation of this section may file a grievance with the correctional institution, and be granted a 45-day extension if requested in writing pursuant to rules promulgated by the correctional institution.

b. This section does not prevent a woman harmed through the use of restraints under this section from filing a complaint under any other relevant provision of federal or state law.

7. NOTICE TO PRISONERS.—

a. By September 1, 2012, The department and the Department of Juvenile Justice shall adopt rules pursuant to ss. 120.536(1) and 120.54 to administer this section.

b. Each correctional institution shall inform female prisoners of the rules developed pursuant to paragraph (a) upon admission to the correctional institution, including the policies and practices in the prisoner handbook, and post the policies and practices in locations in the correctional institution where such notices are commonly posted and will be seen by female prisoners, including common housing areas and medical care facilities.

Section 2. This act shall take effect July 1, 2020.

A food service establishment granted a special license on or after January 1, 1958, pursuant to general or special law may not operate as a package store and may not sell intoxicating beverages under such license after the hours of serving or consumption of food have elapsed. Failure by a licensee to meet the required percentage of food and nonalcoholic beverage gross revenues during the covered operating period shall result in revocation of the license or denial of the pending license application. A subsequent application for an alcoholic beverage license is denied, or any person required to qualify on the special license application, is ineligible to have any interest in a subsequent application for such a license for a period of 120 days after the date of the final denial or revocation;

5. Any caterer, deriving at least 51 percent of its gross food and beverage revenue from the sale of food and nonalcoholic beverages at each catered event, licensed by the Division of Hotels and Restaurants under chapter 509. a. This special license shall allow the sale and consumption of alcoholic beverages on the licensed premises of the culinary education program. d. The Division of Alcoholic Beverages and Tobacco may adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement.

Any license issued for any hotel, motel, or motor court under this law shall be issued only to the owner of the hotel, motel, or motor court or, in the event the hotel, motel, or motor court is leased, to the lessee of the hotel, motel, or motor court; and the license shall remain in the name of the owner or lessee so long as the license is in existence. Any special license now in existence heretofore issued under this law cannot be renewed except in the name of the owner of the hotel, motel, motor court, or restaurant or, in the event the hotel, motel, motor court, or restaurant is leased, in the name of the lessee of the hotel, motel, motor court, or restaurant in which the license is located and must remain in the name of the owner or lessee so long as the license is in existence. Any license issued under this section shall be marked “Special,” and nothing herein provided shall limit, restrict, or prevent the issuance of a special license for any restaurant or motel which shall hereafter meet the requirements of the law existing immediately prior to the effective date of this act, if construction of such restaurant has commenced prior to the effective date of this act and is completed within 30 days thereafter, or if an application is on file for such special license at the time this act takes effect; and any such licenses issued under this proviso may be annually renewed as now provided by law. Nothing herein prevents an application for transfer of a license to a bona fide purchaser of any hotel, motel, motor court, or restaurant by the purchaser of such facility or the transfer of such license pursuant to law.

Section 10. Subsection (4) of section 561.42, Florida Statutes, is amended to read:

561.42 Tied house evil; financial aid and assistance to vendor by manufacturer, distributor, importer, primary American source of supply, brand owner or registrant, or any broker, sales agent, or sales person thereof; prohibited; procedure for enforcement; exception.—

(4) Before the division shall so declare and prohibit such sales to such vendor, it shall, within 2 days after receipt of such notice, give written notice to such vendor by electronic mail of the receipt by the division of such notification of delinquency and such vendor shall be directed to forthwith make payment thereof or, upon failure to do so, to show cause before the division why further sales to such vendor shall not be prohibited. Good and sufficient cause to prevent such action by the division may be made by showing payment, failure of consideration, or any other defense which would be considered sufficient in a common-law action. The vendor shall have 5 days after service receipt of such notice via electronic mail within which to show such cause; and he or she may demand a hearing thereon, provided he or she does so in writing within said 5 days, written demand to be delivered to the division either in person, by electronic mail, or by due course of mail within such 5 days. If no such demand for hearing is made, the division shall thereupon declare in writing to such vendor and to all manufacturers and distributors within the state that all further sales to such vendor are prohibited until such time as the division certifies in writing that such vendor has fully paid for all liquors previously purchased. In the event such prohibition of sales and declaration thereof to the vendor, manufacturers, and distributors is ordered by the division, the vendor may seek review of such decision by the Department of Business and Professional Regulation within 5 days.

In the event application for such review is filed within such time, such prohibition of sales shall not be made, published, or declared until final disposition of such review by the department.

Section 11. Subsection (2) of section 561.55, Florida Statutes, is amended to read:

(2) Each manufacturer, distributor, broker, sales agent, and importer shall make a full and complete report by the 10th day of each month for the previous calendar month. The report must be made out in triplicate; two copies shall be sent to the division, and the third copy shall be retained for the manufacturer’s, distributor’s, broker’s, sales agent’s, or importer’s record. Reports shall be made on forms prepared and furnished by the division and filed with the division through the division’s electronic data submission system.
Section 12. Paragraphs (d) and (f) of subsection (2) of section 718.112, Florida Statutes, are amended to read:

718.112 Bylaws.—

(2) REQUIRED PROVISIONS.—The bylaws shall provide for the following and, if they do not so do, shall be deemed to include the following:

(d) Unit owner meetings.—

1. An annual meeting of the unit owners must be held at the location provided in the association bylaws and, if the bylaws are silent as to the location, the meeting must be held within 45 miles of the condominium property. However, such distance requirement does not apply to an association governing a timeshare condominium.

2. Unless the bylaws provide otherwise, a vacancy on the board caused by the expiration of a director’s term must be filled by electing a new board member, and the election must be by secret ballot. An election is not required if the number of vacancies equals or exceeds the number of candidates. For purposes of this paragraph, the term “candidate” means an eligible person who has timely submitted the written notice, as described in sub-subparagraph 4.a., of his or her intention to run for board membership. However, if the staggered term of a board member does not expire but there are no candidates, the terms of all board members expire at the annual meeting, and such members may stand for re-election unless prohibited by the bylaws. Board members may serve terms longer than 1 year if permitted by the bylaws or articles of incorporation. A board member may not serve more than 8 consecutive years unless approved by an affirmative vote of unit owners representing two-thirds of all votes cast in the election or unless there are not enough eligible candidates to fill the vacancies on the board at the time of the vacancy. If the number of board members whose terms expire at the annual meeting equals or exceeds the number of candidates, the candidates become members of the board effective upon the adjournment of the annual meeting. Unless the bylaws provide otherwise, any remaining vacancies shall be filled by the affirmative vote of the majority of the directors making up the newly constituted board even if the directors constitute less than a quorum or there is only one director.

In a residential condominium association of more than 10 units or in a residential condominium association that does not include timeshare units or timeshare interests, co-owners of a unit may not serve as members of the board of directors at the same time unless they own more than one unit or unless there are not enough eligible candidates to fill the vacancies on the board at the time of the vacancy. A unit owner in a residential condominium desiring to be a candidate for board membership must comply with sub-subparagraph 4.a. and must be eligible to be a candidate to serve on the board of directors at the time of the deadline for submitting a notice of intent to run in order to have his or her name listed as a proper candidate on the ballot or to serve on the board. A person who has been suspended or removed by the division under this chapter, or who is delinquent in the payment of any assessment, monetary obligation due to the association, or who is delinquent in the payment of any assessment, monetary obligation due to the association, is not eligible to be a candidate for board membership and may not be listed on the ballot. A person is delinquent if a payment is not made by the due date as specifically identified in the declaration of condominium, bylaws, or articles of incorporation. If a due date is not specifically identified in the declaration of condominium, bylaws, or articles of incorporation, the due date is the first day of the monthly or quarterly assessment period. A person who has been convicted of any felony in this state or in a United States District or Territorial Court, or who has been convicted of any offense in another jurisdiction which would be considered a felony if committed in this state, is not eligible for board membership unless such felon’s civil rights have been restored for at least 5 years as of the date such person seeks election to the board. The validity of an action by the board is not affected if it is later determined that a board member is ineligible for board membership due to having been convicted of a felony. This subparagraph does not limit the term of a member of the board of a nonresidential or timeshare condominium.

3. The bylaws must provide the method of calling meetings of unit owners. The bylaws must provide that there is no quorum if the number of unit owners present and voting is not more than 14 continuous days before the annual meeting. Upon notice to the unit owners, the board shall, by duly adopted rule, designate a specific location on the condominium property where all notices of unit owner meetings must be posted. This requirement does not apply if there is no condominium property for posting notices. In lieu of, or in addition to, the physical posting of meeting notices, the association may, by reasonable rule, adopt a procedure for conspicuously posting and repeatedly broadcasting the notice and the agenda on a closed-circuit cable television system serving the condominium association. However, if broadcast notice is used in lieu of a notice posted physically on the condominium property, the notice and agenda must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required under this section. If broadcast notice is provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda. In addition to any of the authorized means of providing notice of a meeting of the board, the association may, by rule, adopt a procedure for conspicuously posting the meeting notice and the agenda on a website serving the condominium association for at least the minimum period of time for which a notice of a meeting is also required to be physically posted on the condominium property. Any rule adopted shall, in addition to other matters, include a requirement that the association send an electronic notice in the same manner as a notice for a meeting of the members, which must include a hyperlink to the website where the notice is posted, to unit owners whose e-mail addresses are included in the association’s official records. Unless a unit owner waives in writing the right to receive notice of the annual meeting, such notice must be hand delivered, mailed, or electronically transmitted to each unit owner. Notice for meetings and notice for all other purposes must be mailed to each unit owner at the address last furnished to the association by the unit owner, or hand delivered to each unit owner. However, if a unit is owned by more than one person, the association must provide notice to the address that the developer identifies for that purpose and thereafter as one or more of the owners of such unit and the association in writing, or if none is given or the owners of the unit do not agree, to the address provided on the deed of record. An officer of the association, or the manager or other person providing notice of the association meeting, must provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the association affirming that the notice was mailed or hand delivered in accordance with this provision.

4. The members of the board of a residential condominium shall be elected by written ballot or voting machine. Proxies may not be used in electing the board in general elections or elections to fill vacancies caused by recall, resignation, or otherwise, unless otherwise provided in this chapter. This subparagraph does not apply to an association governing a timeshare condominium.

a. At least 60 days before a scheduled election, the association shall mail, deliver, or electronically transmit, by separate association mailing or included in another association mailing, delivery, or transmission, including regularly published newsletters, to each unit owner entitled to a vote, a first notice of the date of the election. A unit owner or other eligible person desiring to be a candidate for the board must give written notice of his or her intent to be a candidate to the association at least 40 days before a scheduled election. Together with the written notice and agenda as set forth in subparagraph 3., the association shall mail, deliver, or electronically transmit a second notice of the election to all unit owners entitled to vote. The notice shall list all candidates. Upon request of a candidate, an information sheet, no larger than 8½ inches by 11 inches, which must be furnished by the candidate at least 35 days before the election, must be included with the mailing, delivery, or transmission of the ballot, with the costs of mailing, delivery, or electronic transmission and copying to be borne by the association. The association is not liable for the contents of the information sheets prepared by the candidate. The association may print or duplicate the information sheets on both sides of the paper. The division shall by rule establish voting procedures consistent with this sub-subparagraph, including rules establishing procedures for giving notice by electronic transmission and rules providing for the secrecy of ballots. Elections shall be decided by a plurality of the votes cast, but if less than 20 percent of the eligible voters cast a ballot in order to have a valid election. A unit owner may not authorize any other person to vote his or her ballot, and any ballots improperly cast are invalid. A unit owner...
who violates this provision may be fined by the association in accordance with s. 718.303. A unit owner who needs assistance in casting the ballot for the reasons stated in s. 101.051 may obtain such assistance. The regular election must occur on the date of the annual meeting. Notwithstanding this sub-subparagraph, an election is not required unless more candidates file notices of intent to run or are nominated than board vacancies exist.

b. Within 90 days after being elected or appointed to the board of an association of a residential condominium, each newly elected or appointed director shall certify in writing to the secretary of the association that he or she has read the association’s declaration of condominium, articles of incorporation, bylaws, and current written policies; that he or she will work to uphold such documents and policies to the best of his or her ability; and that he or she will faithfully discharge his or her fiduciary responsibility to the association’s members. In lieu of this written certification, within 90 days after being elected or appointed to the board, the newly elected or appointed director may submit a certificate of having satisfactorily completed the educational curriculum administered by a division-approved condominium education provider within 1 year before or 90 days after the date of election or appointment. The written certification or educational certificate is valid and does not have to be resubmitted as long as the director serves on the board without interruption. A director of an association of a residential condominium who fails to timely file the written certification or educational certificate is suspended from service on the board until he or she complies with this sub-subparagraph. The board may temporarily fill the vacancy during the period of suspension. The secretary shall cause the association to retain a director’s written certification or educational certificate for inspection by the members for 5 years after a director’s election or the duration of the director’s uninterrupted tenure, whichever is longer. Failure to have such written certification or educational certificate on file does not affect the validity of any board action.

c. Any challenge to the election process must be commenced within 60 days after the election results are announced.

5. Any approval by unit owners called for by this chapter or the applicable declaration or bylaws, including, but not limited to, the approval requirement in s. 718.111(8), must be made at a duly noticed meeting of unit owners and is subject to all requirements of this chapter or the applicable condominium documents relating to unit owner decisionmaking, except that unit owners may take action by written agreement, without meetings, on matters for which action by written agreement without meetings is expressly allowed by the applicable bylaws or declaration or any law that provides for such action.

6. Unit owners may waive notice of specific meetings if allowed by the applicable bylaws or declaration or any law. Notice of meetings of the board of administration, unit owner meetings, except unit owner meetings called to recall board members under paragraph (j), and committee meetings may be given by electronic transmission to unit owners who consent to receive notice by electronic transmission. A unit owner who consents to receiving notices by electronic transmission is solely responsible for removing or bypassing filters that block receipt of mass emails sent to members on behalf of the association in the course of giving electronic notices.

7. Unit owners have the right to participate in meetings of unit owners with reference to all designated agenda items. However, the association may adopt reasonable rules governing the frequency, duration, and manner of unit owner participation.

8. A unit owner may tape record or videotape a meeting of the unit owners subject to reasonable rules adopted by the division.

9. Unless otherwise provided in the bylaws, any vacancy occurring on the board before the expiration of a term may be filled by the affirmative vote of the majority of the remaining directors, even if the remaining directors constitute less than a quorum, or by the sole remaining director. In the alternative, a board may hold an election to fill the vacancy, in which case the election procedures must conform to subparagraph 4.a. unless the association governs 10 units or fewer and has opted by statutory election or by resolution of the association control. Unless otherwise provided in the bylaws, a board member appointed or elected under this section shall fill the vacancy for the unexpired term of the seat being filled. Filling vacancies created by recall is governed by paragraph (j) and rules adopted by the division.

10. This chapter does not limit the use of general or limited proxies, require the use of general or limited proxies, or require the use of a written ballot or voting machine for any agenda item or election at any meeting of a timeshare condominium association or nonresidential condominium association.

Note: Notwithstanding subparagraph (b)2. and subparagraph 4.a., an association of 10 or fewer units may, by affirmative vote of a majority of the total voting interests, provide for different voting and election procedures in its bylaws, which may be by a proxy specifically delineating the eligible voters and different voting procedures. The different voting and election procedures may provide for elections to be conducted by limited or general proxy.

(f) Annual budget.—

1. The proposed annual budget of estimated revenues and expenses must be detailed and must show the amounts budgeted by accounts and expense classifications, including, at a minimum, any applicable expenses listed in s. 718.504(21). The annual budget must be proposed to unit owners and adopted by the board of directors no later than 30 days before turnover of control of an association other than a developer-controlled association. Before turnover of control of an association by a developer-controlled association to unit owners other than the developer pursuant to s. 718.301, the developer may vote the voting interests allocated to its units to waive the reserves or reduce the funding of reserves through the period expiring at the end of the second fiscal year after the fiscal year in which the certificate of a surveyor and mapper is recorded pursuant to s. 718.104(4)(e) or an instrument that transfers title to a unit in the condominium which is not accompanied by a recorded assignment of developer rights in favor of the grantee of such unit is recorded, whichever occurs first, after which time reserves may be waived or reduced only upon the vote of a majority of all nondeveloper voting interests voting in person or by limited proxy at a duly called meeting of the association. If a meeting of the unit owners has been called to determine whether to waive or reduce the funding of reserves and no such result is achieved or a quorum is not attained, the reserves included in the budget shall go into effect. After the turnover, the developer may vote its voting interest to waive or reduce the funding of reserves.

2. The annual budget must include reserve accounts for capital expenditures and deferred maintenance. These accounts may be general, limited, or a combination of both accounts, but are not limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and any other item that has a deferred maintenance expense or replacement cost that exceeds $10,000. The amount to be reserved must be computed using a formula based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The association may adjust replacement reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to an adopted budget in which the members of an association have determined, by a majority vote at a duly called meeting of the association, to provide no reserves or less reserves than required by this subsection.

b. Before turnover of control of an association by a developer to unit owners other than a developer pursuant to s. 718.301, the developer may vote the voting interests allocated to its units to waive the reserves or reduce the funding of reserves through the period expiring at the end of the second fiscal year after the fiscal year in which the certificate of a surveyor and mapper is recorded pursuant to s. 718.104(4)(e) or an instrument that transfers title to a unit in the condominium which is not accompanied by a recorded assignment of developer rights in favor of the grantee of such unit is recorded, whichever occurs first, after which time reserves may be waived or reduced only upon the vote of a majority of all nondeveloper voting interests voting in person or by limited proxy at a duly called meeting of the association. If a meeting of the unit owners has been called to determine whether to waive or reduce the funding of reserves and no such result is achieved or a quorum is not attained, the reserves included in the budget shall go into effect. After the turnover, the developer may vote its voting interest to waive or reduce the funding of reserves.

3. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and may be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority vote at a duly called meeting of the association. Before turnover of control of an association by a developer-controlled association to unit owners other than the developer pursuant to s. 718.301, the developer-controlled association may not vote to use reserves for purposes other than those for which they were intended without the approval of a
majority of all nondeveloper voting interests, voting in person or by limited proxy at a duly called meeting of the association.

4. The only voting interests that are eligible to vote on questions that involve waiving or reducing the funding of reserves, or using existing reserve funds for purposes other than purposes for which the reserves were intended, are the voting interests of the units subject to assessment to fund the reserves in question. Proxy questions relating to waiving or reducing the funding of reserves or using existing reserve funds for purposes other than purposes for which the reserves were intended must contain the following statement in capitalized, bold letters in a font size larger than any other used on the face of the proxy ballot: WAIVING OF RESERVES, IN WHOLE OR IN PART, OR ALLOWING ALTERNATIVE USES OF EXISTING RESERVES MAY RESULT IN UNIT OWNER LIABILITY FOR PAYMENT OF UNANTICIPATED SPECIAL ASSESSMENTS REGARDING THOSE ITEMS.

Section 13. Paragraph (m) of subsection (1) of section 718.501, Florida Statutes, is amended to read:

718.501 Authority, responsibility, and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—

(1) The division may enforce and ensure compliance with the provisions of this chapter and rules relating to the development, construction, sale, lease, ownership, operation, and management of residential condominium units. In performing its duties, the division has complete jurisdiction to investigate complaints and enforce compliance with respect to associations that are still under developer control or the control of a bulk assignee or bulk buyer pursuant to part VII of this chapter and complaints against developers, bulk assignees, or bulk buyers involving improper turnover or failure to turnover, pursuant to s. 718.301. However, after turnover has occurred, the division has jurisdiction to investigate complaints related only to financial issues, elections, and unit owner access to association records pursuant to s. 718.111(12).

(m) If a complaint is made, the division must conduct its inquiry with due regard for the interests of the affected parties. Within 30 days after receipt of a complaint, the division shall acknowledge the complaint in writing and notify the complainant whether the complaint is within the jurisdiction of the division and whether additional information is needed by the division from the complainant. The division shall conduct its investigation and, within 90 days after receipt of the original complaint or of timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule has occurred. If an investigation is completed within the established time limits established in the paragraph, the division shall, on a monthly basis, notify the complainant in writing of the status of the investigation. When reporting its action to the complainant, the division shall inform the complainant of any right to a hearing pursuant to ss. 120.569 and 120.57. The division may adopt rules regarding the submission of a complaint against an association.

The ombudsman may establish branch offices elsewhere in the state upon the concurrence of the Governor.

Section 15. Subsection (1) of section 455.219, Florida Statutes, is amended to read:

455.219 Fees; receipts; disposition; periodic management reports.—

(1) Each board within the department shall determine by rule the amount of license fees for its profession, based upon department-prepared long-range estimates of the revenue required to implement all provisions of law relating to the regulation of professions by the department and any board; however, when the department has determined, based on the long-range estimates of such revenue, that a profession's trust fund moneys are in excess of the amount required to cover the necessary functions of the board, or the department when there is no board, the department may adopt rules to implement a waiver of license renewal fees for that profession for a period not to exceed 2 years, as determined by the department. Each board, or the department when there is no board, shall ensure license fees are adequate to cover all anticipated costs and to maintain a reasonable cash balance, as determined by rule of the department, with advice of the applicable board. If sufficient action is not taken by a board within 1 year of notification by the department that license fees are projected to be inadequate, the department shall set license fees on behalf of the applicable board to cover anticipated costs and to maintain the required cash balance. The department shall include recommended fee cap increases in its annual report to the Legislature. Further, it is legislative intent that no regulated profession operate with a negative cash balance. The department may provide by rule for the advancement of sufficient funds to any profession or the Florida Athletic State Boxing Commission operating with a negative cash balance. Such advancement may be for a period not to exceed 2 consecutive years and shall require interest to be paid by the regulated profession. Interest shall be calculated at the current rate earned on Professional Regulation Trust Fund investments. Interest earned shall be allocated to the various funds in accordance with the allocation of investment earnings during the period of the advance.

The commission may establish rules governing the manner of resolution of such dispute. In addition, if the commission deems it appropriate, the commission is hereby authorized to impound interested parties over any disputed funds into the appropriate circuit court for resolution of the dispute prior to release of all or any part of the funds.

(4) Each contract subject to this section shall contain the following clause: “This agreement is subject to the provisions of chapter 548, Florida Statutes, and to the rules of the Florida Athletic State Boxing Commission and to any future amendments of either.”

Section 18. Subsection (12) of section 548.071, Florida Statutes, is amended to read:

(b) Contain beneficiary provisions for the continued disbursement of the annuity or annuities in the event of the death of the wrongfully incarcerated person.

(5) If, at the time monetary compensation is determined under paragraph (1)(a), a court has previously entered a monetary judgment in favor of the claimant in a civil action related to the person’s wrongful incarceration, or the claimant has entered into a settlement agreement with the state or any political subdivision thereof related to the person’s wrongful incarceration, the amount of the damages in the civil action or settlement agreement, less any sums paid for attorney fees or costs incurred in litigating the civil action or obtaining the settlement agreement, must be deducted from the total monetary compensation to which the claimant is entitled under this act. The notice shall constitute a lien upon any judgment or settlement recovered under the civil action that is equal to the sum of monetary compensation paid to the claimant under paragraph (1)(a), less any attorney fees and litigation costs.

(8)(a) A wrongfully incarcerated person may not submit an application for compensation under this act if the person submits a claim bill pending for claims arising out of the facts in connection with the claimant’s conviction and incarceration.

(b) Once an application is filed under this act, a wrongfully incarcerated person may not pursue recovery under a claim bill until the final disposition of the application.

Section 1. Effective July 1, 2021, paragraphs (b) and (c) of subsection (1) of section 320.06, Florida Statutes, are amended to read:

320.06 Registration certificates, license plates, and validation stickers generally.—

(1)

(b1). Registration license plates bearing a graphic symbol and the alphanumeric system of identification shall be issued for a 10-year period. At the end of the 10-year period, upon renewal, the plate shall be replaced. The department shall extend the scheduled license plate replacement date from a 6-year period to a 10-year period. The fee for such replacement is $28, $2.80 of which shall be paid each year before the plate is replaced, to be credited toward the next $28 replacement fee. The fees shall be deposited into the Highway Safety Operating Trust Fund. A credit or refund may not be given for any prior years’ payments of the prorated replacement fee if the plate is replaced or surrendered before the end of the 10-year period, except that a credit may be given if a registrant is required by the department to replace a license plate under s. 320.08056(8)(a). With each license plate, a validation sticker shall be issued showing the owner’s birth month, license plate number, and the year of expiration or the appropriate renewal period if the owner is not a natural person. The validation sticker shall be placed on the upper right corner of the license plate. The license plate and validation sticker shall be issued based on the applicant’s appropriate renewal period. The registration period is 12 months, the extended registration period is 24 months, and all expirations occur based on the applicant’s appropriate registration period. Vehicles taxed pursuant to s. 320.08(6)(a) may elect a permanent registration period, provided payment of the appropriate license taxes and fees occurs annually. A vehicle that has an apportioned registration shall be issued an annual license plate and a cab card that denote the declared gross vehicle weight for each apportioned jurisdiction in which the vehicle is authorized to operate.

2. In order to retain the efficient administration of the taxes and fees imposed by this chapter, the 80-cent fee increase in the replacement fee imposed by chapter 2009-71, Laws of Florida, is negated as provided in s. 320.0804.

(c) Registration license plates equipped with validation stickers subject to the registration period are valid for not more than 12 months and expire at midnight on the last day of the registration period. A registration license plate equipped with a validation sticker subject to the registration period is valid for not more than 24 months and expires at midnight on the last day of the extended registration period. A registration license plate equipped with a validation sticker subject to a permanent registration period is permanently valid but shall become void if appropriate license taxes and fees are not paid annually. For each registration period after the one in which the metal registration license plate is issued, and until the license plate is required to be replaced, a validation sticker showing the month and year of expiration shall be issued upon payment of the proper license tax amount and fees and is valid for not more than 12 months. For each extended registration period occurring after the one in which the metal registration license plate is issued and until the license plate is required to be replaced, a validation sticker showing the year of expiration shall be issued upon payment of the proper license tax amount and fees and is valid for not more than 24 months. For each permanent registration period occurring after the one in which the metal registration license plate is issued and until the license plate is required to be replaced, a validation sticker showing a permanent registration period shall be issued upon payment of the proper license tax amount and fees and is permanently valid but shall become void if the proper license taxes and fees are not paid annually. When license plates equipped with validation stickers are issued in any month other than the owner’s birth month or the designated registration period for any other motor vehicle, the effective date shall reflect the birth month or month and the year of renewal. However, when a license plate or validation sticker is issued for a period of less than 12 months, the applicant shall pay the appropriate amount of license tax and the applicable fee under s. 320.14 in addition to all other fees. Validation stickers issued for vehicles taxed under s. 320.08(4)(m) or (n), (5)(b) or (c), or (14) must have the word “Restricted” at the bottom. License plates issued for vehicles taxed under s. 320.08(12) must be imprinted with the word “Florida” at the top and the words “Manufacturer” at the bottom. License plates issued for vehicles taxed under s. 320.08(5)(d) or (e) must be imprinted with the words “Wrecker” at the bottom. Any county may, upon majority vote of the county commission, elect to have the county name removed from the license plates sold in that county. The state motto or the words “Sunshine State” shall be printed in lieu thereof. A license plate issued for a vehicle taxed under s. 320.08(6) may not be assigned a registration license number, or be issued with any other distinctive character or designation, that distinguishes the motor vehicle as a for-hire motor vehicle.

Section 3. Paragraph (b) of subsection (2) of section 320.0657, Florida Statutes, is amended to read:

320.0657 Permanent registration; fleet license plates.—

(2)

(b) The plates, which shall be of a distinctive color, shall have the word “Fleet” appearing at the bottom and the word “Florida” appearing at the top unless the license plate is a specialty license plate as authorized in s. 320.08056. The plates shall conform in all respects to the provisions of this chapter, except as specified herein. For additional fees as set forth in s. 320.08056, fleet companies may purchase specialty license plates in lieu of the standard fleet license plates. Fleet companies shall be responsible for all costs associated with the specialty license plate, including all annual use fees, processing fees, fees associated with switching license plate types, and any other applicable fees.

development of the plate and discontinue issuance of the presale vou-

license plate voucher may use the annual use fee collected as a credit
forwards any other specialty license plate or apply for a refund on a form
prescribed by the department.

(3)(a) New specialty license plates that have been approved by law
but are awaiting issuance under paragraph (b) shall be issued in the

before a specialty license plate may be issued. If the next awaiting spe-

shall proceed in the order provided in s. 320.08058 to identify the next
qualified specialty license plate that has met the presale requirement.
The department shall cycle through the list in statutory order.

being issued does not exceed 150. Notwithstanding s. 320.08056(8)(a),
the 150-license-plate limit includes license plates above the minimum
