## PRAYER

The following prayer was offered by Major Carlyle Gargis, Salvation Army of Lee, Hendry, and Glades Counties, Fort Myers:

God our Father and divine author of creation, in this season of rebirth and new life, we turn to you in these times of challenge. Lord, protect our elderly and the vulnerable. Provide for those who need help, hope, and home. Help us as a body to be a beacon of leadership and inspiration for those who suffer in these harsh times.

Today, as we gather as members of the Florida Senate, you remind us that we, as servant leaders, need to listen to your word and your example. Under the leadership of our Senate President and the members of this body, give these, your servants, the inspiration to enact laws and policies to ensure the health, peace, and prosperity of all Floridians. Together with our colleagues in the House and our local partners in government, help us to make prudent and faith-filled decisions that will provide the needed resources. Bless the first responders and the heroic work of all men and women who have answered the call to service during this pandemic—unheralded heroes who demonstrate the beauty and mercy that comes from you.

In a special way, we remember all of the members of the Florida Senate gathered here in this chamber during these challenging times. Give them the guidance of your will as they seek to provide leadership, opportunity, and progress for the people of this great state. In your holy name, we pray. Amen.

## PLEDGE

Senator Book led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Natalia Solenkova of Aventura, sponsored by Senator Pizzo, as the doctor of the day. Dr. Solenkova specializes in critical care medicine.

## ADOPTION OF RESOLUTIONS

At the request of Senator Berman—

By Senator Berman—

**SR 1164**—A resolution designating the week of April 4-11, 2021, as the “Days of Remembrance” and April 8, 2021, as “Holocaust Remembrance Day” in Florida.

WHEREAS, the Holocaust, the state-sponsored, systematic persecution and annihilation of European Jewry by Nazi Germany and its collaborators between 1933 and 1945, resulted in the murder of six million Jewish people, and

WHEREAS, in addition, Roma, also known as Gypsies, and Poles were targeted for decimation for racial, ethnic, or national reasons, and millions more, including persons with disabilities, homosexuals, Jehovah’s Witnesses, Soviet prisoners of war, and political dissidents, suffered grievous oppression and death under Nazi tyranny, and

WHEREAS, the history of the Holocaust offers an opportunity to reflect on the moral responsibilities of individuals, societies, and governments, particularly to remain vigilant against hatred, persecution, and tyranny, and

WHEREAS, pursuant to an act of the United States Congress, Public Law No. 96-388, October 7, 1980, the United States Holocaust Memorial Council has designated the week of April 4-11, 2021, as the “Days of Remembrance” for the victims of the Holocaust, including the “Day of Remembrance” known as Yom HaShoah on April 8, 2021, and

WHEREAS, in memory of the victims of the Holocaust, in honor of its survivors, and in utmost gratitude for the risks taken by rescuers and liberators, the residents of this state are encouraged to rededicate themselves to the principles of human dignity and individual freedom in a just society, thereby ensuring that such atrocities are never repeated, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That the week of April 4-11, 2021, is designated as the “Days of Remembrance,” and April 8, 2021, is designated as “Holocaust Remembrance Day” in Florida.

—was introduced, read, and adopted by publication.

**MOMENT OF SILENCE**

At the request of Senator Berman, the Senate observed a moment of silence in honor of Holocaust Remembrance Day, recognizing the scars and burdens carried by those who survived or lost loved ones to the Holocaust.

At the request of Senator Thurston—

By Senator Thurston—

**SR 2036**—A resolution honoring George H. Starke, Jr., for the important role he played in the desegregation of institutions of higher education in this state.

WHEREAS, George H. Starke, Jr., was born on September 8, 1931, in Orlando, to Dr. George H. Starke, Sr., a physician in Sanford who was the first African American to gain membership in the Florida Medical Association, and Mattie L. Murrell Starke, a former librarian at Jones High School, and

WHEREAS, George H. Starke, Jr., attended Holden Street Elementary School and Jones High School in Orlando before being enrolled at the Alice Freeman Palmer Memorial Institute boarding school in Sedalia, North Carolina, and

WHEREAS, after his graduation from the Alice Freeman Palmer Memorial Institute in 1949, George H. Starke, Jr., began his studies at Morehouse College in Atlanta, and

WHEREAS, because of the Korean War, George H. Starke, Jr., left Morehouse College to join the United States Air Force, becoming adjutant to the depot commander, and

WHEREAS, during his service, George H. Starke, Jr., helped lead a ribbon-cutting ceremony for a new building on the Kisarazu Air Field in Japan, an honor bestowed on Mr. Starke because of his many accomplishments and his volunteer work in making base operations more efficient, and

WHEREAS, after the war, George H. Starke, Jr., returned to Morehouse College, where he joined Kappa Alpha Psi Fraternity, and

WHEREAS, in 1957, when George H. Starke, Jr., graduated from Morehouse College with a bachelor's degree in business administration, it was Dr. Martin Luther King, Jr., a Morehouse alumnus, who delivered the commencement address, and

WHEREAS, George H. Starke, Jr., then applied to the University of Florida law school and, in 1958, became the first African-American student to enroll at the university in its 105-year history, and

WHEREAS, on September 15, 1958, as dozens of reporters and photographers gathered to observe, report on, and photograph the event, George H. Starke, Jr., entered an auditorium on the university's campus and was separated from his classmates by an empty row, and

WHEREAS, throughout the first semester, George H. Starke, Jr., was escorted to classes by members of the Florida Highway Patrol, who had hidden their identity and registered as students, enrolling in the same classes as Mr. Starke to ensure his safety, a precaution that would later prove warranted when James Meredith, the first African-American student admitted to the University of Mississippi, was shot by a sniper, and

WHEREAS, in spite of the fact that George H. Starke, Jr., experienced negative incidents while attending the University of Florida, such as learning that his name had been mentioned at a Ku Klux Klan meeting, being warned by school administrators to avoid driving through the Ocala National Forest due to Klan activity, and finding a mentor only with great difficulty, Mr. Starke's classmates largely left him alone, and

WHEREAS, one classmate in particular, Fredric G. Levin, for whom the law school is now named, befriended George H. Starke, Jr., and the two remained lifelong friends until Levin's death in January 2021, and

WHEREAS, because of continuing challenges during his enrollment at the University of Florida, George H. Starke, Jr., withdrew from the institution and saw his departure documented in the campus newspaper, and

WHEREAS, George H. Starke, Jr., moved to New York and began a career in investment banking, which involved top positions with Wall Street firms, and

WHEREAS, after a career in investment banking and oil distributorship, George H. Starke, Jr., launched his own consulting firm, and

WHEREAS, in 2015, George H. Starke, Jr., returned to the Orlando area after living on the East Coast for most of his life, and

WHEREAS, despite not having the opportunity to obtain his Juris Doctor degree, George H. Starke, Jr., enjoys a warm and congenial relationship with the University of Florida, having served on the Alumni Association Board of Directors and with the University of Florida Foundation, and

WHEREAS, George H. Starke, Jr., has participated in several ceremonies for the university's Fredric G. Levin College of Law and in activities that have marked desegregation at the law school, including his recognition by its Center for the Study of Race and Race Relations in 1998 and 2018, and

WHEREAS, the University of Florida planted a tree on the grounds of the Levin College of Law in honor of George H. Starke, Jr., and it bears a plaque with his name, and Mr. Starke was selected by the university for membership in Florida Blue Key, an honorary leadership society, and

WHEREAS, in 2009, George H. Starke, Jr., was awarded the University of Florida's Distinguished Alumnus Award, and, in 2019, 61 years after he had first entered the law school, Mr. Starke received the most notable recognition, the honorary Doctorate of Laws, from the Levin College of Law, and

WHEREAS, today, at nearly 90 years old, George H. Starke, Jr., still consults on large energy projects and shares a full and productive life with his wife, Barbara M. Starke, and close family ties with his son, Andrew Starke; his daughter-in-law, Angela Starke; and his grandchildren, Sydney and Spencer Starke, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That George H. Starke, Jr., is honored for the important role he played in the desegregation of institutions of higher education in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution be presented to George H. Starke, Jr., as a tangible token of the sentiments expressed herein.

—was introduced, read, and adopted by publication.

In Section 04 On Page 116		

In Section 04, on Page 116, DELETE the following:

The Department of Corrections shall develop a comprehensive facility consolidation plan to adjust prison capacity based on funding reductions made for the 2021-2022 fiscal year. The plan shall include specific recommendations for aligning inmate populations with capacity, which shall include both consolidating and closing facilities. The plan shall include a reduction of at least 6,000 beds through the closure of at least four state-operated facilities. Facilities shall be selected for closure based on all of the following factors:

- 1) Age and facility maintenance needs of the institution;
- 2) Proximity of the institution to others within the region;
- 3) The local labor pool and availability of workforce for staffing the institution;
- 4) Historical officer vacancy rates of the institution; and
- 5) The impact of the closure on the local community's economy.

The plan shall be submitted to the Executive Office of the Governor, the President of the Senate and the Speaker of the House of Representatives by September 1, 2021, for review and approval. Upon approval of the plan, the department shall consolidate and close identified facilities by December 31, 2021. The closed facilities shall be demolished by June 30, 2024.

AND INSERT:

The Department of Corrections shall develop a comprehensive facility consolidation plan to adjust prison capacity for the 2021-2022 fiscal year. The plan shall include specific recommendations for aligning inmate populations with capacity, including the closure of one 1,500 bed state-operated facility. The recommended closure shall be based on all of the following factors:

1. Age and facility maintenance needs of the institution.
2. Proximity of the institution to others within the region.
3. The local labor pool and availability of workforce for staffing the institution.
4. Historical officer vacancy rates of the institution.
5. The impact of the closure on the local community's economy.

Senator Hutson moved the following amendments which were adopted:

**Amendment 1 (766830) (with directory and title amendments)**—Between lines 928 and 929 insert:

(9) *The board of administration of an association may make available, install, or operate an electric vehicle charging station or a natural gas fuel station upon the common elements or association property and establish the charges or the manner of payments for the unit owners, residents, or guests who use the electric vehicle charging station or natural gas fuel station. For the purposes of this section, the installation,*

*repair, or maintenance of an electric vehicle charging station or natural gas fuel station under this subsection does not constitute a material alteration or substantial addition to the common elements or association property.*

And the directory clause is amended as follows:

Delete line 839 and insert: Statutes, is amended, and subsection (9) is added to that section, to read:

And the title is amended as follows:

Delete line 27 and insert: condominium associations; authorizing the board of administration of an association to take certain actions relating to electric vehicle charging stations and natural gas fuel stations; providing that the installation, repair, or maintenance of electric vehicle charging stations or natural gas fuel stations does not constitute a material alteration or substantial addition to the common elements or association property; amending s. 718.117, F.S.;

**Amendment 2 (184346) (with title amendment)**—Delete lines 2665-2699 and insert:

(h)1. *Except as otherwise provided in this paragraph, any governing document, or amendment to a governing document, that is enacted after July 1, 2021, and that prohibits or regulates rental agreements applies only to a parcel owner who acquires title to the parcel after the effective date of the governing document or amendment, or to a parcel owner who consents, individually or through a representative, to the governing document or amendment.*

2. *Notwithstanding subparagraph 1., an association may amend its governing documents to prohibit or regulate rental agreements for a term of less than 6 months and may prohibit the rental of a parcel for more than three times in a calendar year, and such amendments shall apply to all parcel owners.*

3. *This paragraph does not affect the amendment restrictions for associations of 15 or fewer parcel owners under s. 720.303(1).*

4. *For purposes of this paragraph, a change of ownership does not occur when a parcel owner conveys the parcel to an affiliated entity, when beneficial ownership of the parcel does not change, or when an heir becomes the parcel owner. For purposes of this subparagraph, the term “affiliated entity” means an entity that controls, is controlled by, or is under common control with the parcel owner or that becomes a parent or successor entity by reason of transfer, merger, consolidation, public offering, reorganization, dissolution or sale of stock, or transfer of membership partnership interests. For a conveyance to be recognized as one made to an affiliated entity, the entity must furnish to the association a document certifying that this subparagraph applies and provide any organizational documents for the parcel owner and the affiliated entity which support the representations in the certificate, as requested by the association.*

5. *For purposes of this paragraph, a change of ownership does occur when, with respect to a parcel owner that is a business entity, every person that owned an interest in the real property at the time of the enactment of the amendment or rule conveys their interest in the real property to an unaffiliated entity.*

And the title is amended as follows:

Delete line 94 and insert: her parcel; providing when a change of ownership of a parcel does and does not occur; defining the term “affiliated entity”;

**CS for CS for SB 1954**—A bill to be entitled An act relating to statewide flooding and sea level rise resilience; creating s. 380.093, F.S.; providing legislative intent; providing definitions; establishing the Resilient Florida Grant Program within the Department of Environmental Protection; authorizing the department to provide grants to local gov-

ernments to fund the costs of community resilience planning, subject to appropriation; providing requirements for certain local government vulnerability assessments; requiring the department to complete a comprehensive statewide flood vulnerability and sea level rise data set and assessment by specified dates; specifying requirements for such data set and assessment; requiring the department to develop an annual Statewide Flooding and Sea Level Rise Resilience Plan and submit the plan to the Governor and Legislature by a specified date; specifying requirements for the plan; authorizing local governments, regional resilience entities, water management districts, and flood control districts to annually submit proposed projects to the department for inclusion in the plan; specifying requirements for such projects; specifying expenses that are ineligible for inclusion in the plan; requiring the department to implement a scoring system for assessing projects eligible for inclusion in the plan; limiting the total amount of funding that may be proposed for each year of the plan; requiring the Legislature, upon review and subject to appropriation, to approve funding for projects as specified in the plan; directing the department to initiate rulemaking by a specified date; authorizing the department to provide funding to regional resilience entities for specified purposes, subject to specified appropriation; creating s. 380.0933, F.S.; establishing the Florida Flood Hub for Applied Research and Innovation within the University of South Florida College of Marine Science for a specified purpose; providing duties of the hub; providing for an executive director; requiring the hub to submit an annual report to the Governor and Legislature by a specified date; amending s. 403.928, F.S.; requiring the Office of Economic and Demographic Research to include specified information relating to inland and coastal flood control in certain assessments; providing an effective date.

—was read the second time by title.

Senator Rodrigues moved the following amendment which was adopted:

**Amendment 1 (132074)**—Delete lines 115-323 and insert:

(c) A vulnerability assessment conducted pursuant to paragraph (b) must encompass the entire county or municipality; include all critical assets owned or maintained by the grant applicant; and use the most recent publicly available Digital Elevation Model and generally accepted analysis and modeling techniques. An assessment may encompass a smaller geographic area or include only a portion of the critical assets owned or maintained by the grant applicant with appropriate rationale and upon approval by the department. Locally collected elevation data may also be included as part of the assessment as long as it is submitted to the department pursuant to this paragraph.

1. The assessment must include an analysis of the vulnerability of and risks to critical assets, including regionally significant assets, owned or managed by the county or municipality.

2. Upon completion of a vulnerability assessment, the county or municipality shall submit to the department the following:

a. A report detailing the findings of the assessment.

b. All electronic mapping data used to illustrate flooding and sea level rise impacts identified in the assessment. When submitting such data, the county or municipality shall include:

(I) Geospatial data in an electronic file format suitable for input to the department's mapping tool.

(II) Geographic information system data that has been projected into the appropriate Florida State Plane Coordinate System and that is suitable for the department's mapping tool. The county or municipality must also submit metadata using standards prescribed by the department.

c. A list of critical assets, including regionally significant assets, that are impacted by flooding and sea level rise.

(d) A vulnerability assessment conducted pursuant to paragraph (b) must include all of the following, if applicable:

1. Peril of flood comprehensive plan amendments that address the requirements of s. 163.3178(2)(f), if the county or municipality is subject to such requirements and has not complied with such requirements as determined by the Department of Economic Opportunity.

2. *The depth of:*

a. *Tidal flooding, including future high tide flooding, which must use thresholds published and provided by the department. To the extent practicable, the analysis should also geographically display the number of tidal flood days expected for each scenario and planning horizon.*

b. *Current and future storm surge flooding using publicly available National Oceanic and Atmospheric Administration or Federal Emergency Management Agency storm surge data. The initial storm surge event used must equal or exceed the current 100-year flood event. Higher frequency storm events may be analyzed to understand the exposure of a critical asset.*

c. *To the extent practicable, rainfall-induced flooding using spatio-temporal analysis or existing hydrologic and hydraulic modeling results. Future boundary conditions should be modified to consider sea level rise and high tide conditions.*

d. *To the extent practicable, compound flooding or the combination of tidal, storm surge, and rainfall-induced flooding.*

3. *The following scenarios and standards:*

a. *All analyses in the North American Vertical Datum of 1988.*

b. *At least two local sea level rise scenarios, which must include the 2017 National Oceanic and Atmospheric Administration intermediate-low and intermediate-high sea level rise projections.*

c. *At least two planning horizons that include planning horizons for the years 2040 and 2070.*

d. *Local sea level data that has been interpolated between the two closest National Oceanic and Atmospheric Administration tide gauges. Local sea level data may be taken from one such gauge if the gauge has a higher mean sea level. Data taken from an alternate tide gauge may be used with appropriate rationale and department approval, as long as it is publicly available or submitted to the department pursuant to paragraph (b).*

(4) **COMPREHENSIVE STATEWIDE FLOOD VULNERABILITY AND SEA LEVEL RISE DATA SET AND ASSESSMENT.—**

(a) *By July 1, 2022, the department shall complete the development of a comprehensive statewide flood vulnerability and sea level rise data set sufficient to conduct a comprehensive statewide flood vulnerability and sea level rise assessment. In developing the data set, the department shall compile, analyze, and incorporate, as appropriate, information related to vulnerability assessments submitted to the department pursuant to subsection (3) or any previously completed assessments that meet the requirements of subsection (3).*

1. *The Chief Science Officer shall, in coordination with necessary experts and resources, develop statewide sea level rise projections that incorporate temporal and spatial variability, to the extent practicable, for inclusion in the data set. This subparagraph does not supersede regionally adopted projections.*

2. *The data set must include information necessary to determine the risks to inland and coastal communities, including, but not limited to, elevation, tidal levels, and precipitation.*

(b) *By July 1, 2023, the department shall complete a comprehensive statewide flood vulnerability and sea level rise assessment that identifies inland and coastal infrastructure, geographic areas, and communities in the state that are vulnerable to flooding and sea level rise and the associated risks.*

1. *The department shall use the comprehensive statewide flood vulnerability and sea level rise data set to conduct the assessment.*

2. *The assessment must incorporate local and regional analyses of vulnerabilities and risks, including, as appropriate, local mitigation strategies and postdisaster redevelopment plans.*

3. *The assessment must include an inventory of critical assets, including regionally significant assets, that are essential for critical government and business functions, national security, public health and*

*safety, the economy, flood and storm protection, water quality management, and wildlife habitat management, and must identify and analyze the vulnerability of and risks to such critical assets. When identifying critical assets for inclusion in the assessment, the department shall also take into consideration the critical assets identified by local governments and submitted to the department pursuant to subsection (3).*

(c) *The department shall update the comprehensive statewide flood vulnerability and sea level rise data set and assessment every 5 years. The department may update the data set and assessment more frequently if it determines that updates are necessary to maintain the validity of the data set and assessment.*

(5) **STATEWIDE FLOODING AND SEA LEVEL RISE RESILIENCE PLAN.—**

(a) *By December 1, 2021, and each December 1 thereafter, the department shall develop a Statewide Flooding and Sea Level Rise Resilience Plan on a 3-year planning horizon and submit it to the Governor, the President of the Senate, and the Speaker of the House of Representatives. The plan must consist of ranked projects that address risks of flooding and sea level rise to coastal and inland communities in the state.*

(b) *The plan submitted by December 1, 2021, before the comprehensive statewide flood vulnerability and sea level rise assessment is completed, will be a preliminary plan that addresses risks of flooding and sea level rise identified in available local government vulnerability assessments. The plan submitted by December 1, 2022, will be an update to the preliminary plan. The plan submitted by December 1, 2023, and each plan submitted by December 1 thereafter, shall address risks of flooding and sea level rise identified in the comprehensive statewide flood vulnerability and sea level rise assessment.*

(c) *Each plan submitted by the department pursuant to this subsection must include the following information for each recommended project:*

1. *A description of the project.*
2. *The location of the project.*
3. *An estimate of how long the project will take to complete.*
4. *An estimate of the cost of the project.*
5. *The cost-share percentage available for the project.*
6. *A summary of the priority score assigned to the project.*
7. *The project sponsor.*

(d)1. *By September 1, 2021, and each September 1 thereafter, counties and municipalities may submit to the department a list of proposed projects that address risks of flooding or sea level rise identified in vulnerability assessments that meet the requirements of subsection (3). A regional resilience entity may also submit such proposed projects to the department on behalf of one or more member counties or municipalities.*

2. *By September 1, 2021, and each September 1 thereafter, each water management district and flood control district may submit to the department a list of any proposed projects that mitigate the risks of flooding or sea level rise on water supplies or water resources of the state and a corresponding evaluation of each project.*

3. *Each project submitted to the department by a county, municipality, regional resilience entity, water management district, or flood control district for consideration by the department for inclusion in the plan must include:*

- a. *A description of the project.*
- b. *The location of the project.*
- c. *An estimate of how long the project will take to complete.*
- d. *An estimate of the cost of the project.*
- e. *The cost-share percentage available for the project.*

f. The project sponsor.

(e) Each project included in the plan must have a minimum 50 percent cost-share unless the project assists or is within a financially disadvantaged small community. For purposes of this section, the term "financially disadvantaged small community" means:

1. A municipality that has a population of 10,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research's website, and a per capita annual income that is less than the state's per capita annual income as shown in the most recent release from the Bureau of the Census of the United States Department of Commerce that includes both measurements; or

2. A county that has a population of 50,000 or fewer, according to the most recent April 1 population estimates posted on the Office of Economic and Demographic Research's website, and a per capita annual income that is less than the state's per capita annual income as shown in the most recent release from the Bureau of the Census of the United States Department of Commerce that includes both measurements.

(f) To be eligible for inclusion in the plan, a project must have been submitted by a county, municipality, regional resilience entity, water management district, or flood control district pursuant to paragraph (d) or must have been identified in the comprehensive statewide flood vulnerability and sea level rise assessment, as applicable.

(g) Expenses ineligible for inclusion in the plan include, but are not limited to, expenses associated with:

- 1. Aesthetic vegetation.
2. Recreational structures such as piers, docks, and boardwalks.
3. Water quality components of stormwater and wastewater management systems, except for expenses to mitigate water quality impacts caused by the project or expenses related to water quality which are necessary to obtain a permit for the project.
