PRAYER

The following prayer was offered by Pastor Ken Whitten, Idlewild Baptist Church, Lutz:

Dear Lord Jesus, on this day, when bills will be decided, and laws will be made, and decisions brought forth that will affect our everyday lives, may the men and women here in these chambers know that today they are being prayed for, and loved on, and given the honor of appreciation for their service to our communities and their great sacrifice that they make every day for the betterment of our state.

Lord, will you, this day, bring a spirit of unity in this Senate? But would you help us all, even today, to understand that even you would rather us be divided by truth than united in error. We pray for wisdom and integrity—that it would reign in every leader’s life on this day. May our goals today be simple—giving birth to ideas and laws that will keep our state safe, protect the weak, heal the broken, and encourage the downtrodden. May your word, Father, become the truth and guide for all of our decisions, and may all of us look to you for the last word.

We thank you for that word—that word that tells us what’s right, what’s not right, how to get right, and even how to stay right. It is that wisdom we ask for in this place—wisdom that James tells us is first

pure, peaceable, easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy.

Lord, as we close this prayer, may we remember, and even repeat, what an old Anglican pastor said years ago, “What we know not, teach us; what we have not, give us; and what we are not, make us.” We pray this in the only mighty and exalted name that’s in heaven or on Earth, the Lord Jesus Christ. Amen.

PLEDGE

Senator Boyd led the Senate in the Pledge of Allegiance to the flag of the United States of America.

subparagraph (III).

7. All other proceeds must remain in the General Revenue Fund.

Section 14. Effective on the first day of the second month following the repeal of s. 212.20(6)(d)6.h., Florida Statutes, by its terms, paragraphs (c) and (d) of subsection (1) of section 212.031, Florida Statutes, are amended to read:

212.031 Tax on rental or license fee for use of real property.—

(1)

(c) For the exercise of such privilege, a tax is levied at the rate of ~~2.0~~ ~~5.5~~ percent of and on the total rent or license fee charged for such real property by the person charging or collecting the rental or license fee. The total rent or license fee charged for such real property shall include payments for the granting of a privilege to use or occupy real property for any purpose and shall include base rent, percentage rents, or similar charges. Such charges shall be included in the total rent or license fee subject to tax under this section whether or not they can be attributed to the ability of the lessor's or licensor's property as used or operated to attract customers. Payments for intrinsically valuable personal property such as franchises, trademarks, service marks, logos, or patents are not subject to tax under this section. In the case of a contractual arrangement that provides for both payments taxable as total rent or license fee and payments not subject to tax, the tax shall be based on a reasonable allocation of such payments and shall not apply to that portion which is for the nontaxable payments.

(d) If the rental or license fee of any such real property is paid by way of property, goods, wares, merchandise, services, or other thing of value, the tax shall be at the rate of ~~2.0~~ ~~5.5~~ percent of the value of the property, goods, wares, merchandise, services, or other thing of value.

And the title is amended as follows:

Between lines 81 and 82, insert: amending s. 212.031, F.S.; reducing the tax rate on the rental or license fee for use of real property effective upon the cessation of distributions to a specified trust fund;

Delete lines 205 - 2048 and insert:

(a)1.a. At the rate of ~~5.75~~ ~~6~~ percent of the sales price of each item or article of tangible personal property when sold at retail in this state, computed on each taxable sale for the purpose of remitting the amount of tax due the state, and including each and every retail sale.

b. Each occasional or isolated sale of an aircraft, boat, mobile home, or motor vehicle of a class or type which is required to be registered, licensed, titled, or documented in this state or by the United States Government shall be subject to tax at the rate provided in this paragraph. The department shall by rule adopt any nationally recognized publication for valuation of used motor vehicles as the reference price list for any used motor vehicle which is required to be licensed pursuant to s. 320.08(1), (2), (3)(a), (b), (c), or (e), or (9). If any party to an occasional or isolated sale of such a vehicle reports to the tax collector a sales price which is less than 80 percent of the average loan price for the specified model and year of such vehicle as listed in the most recent reference price list, the tax levied under this paragraph shall be computed by the department on such average loan price unless the parties to the sale have provided to the tax collector an affidavit signed by each party, or other substantial proof, stating the actual sales price. Any party to such sale who reports a sales price less than the actual sales price is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. The department shall collect or attempt to collect from such party any delinquent sales taxes. In addition, such party shall pay any tax due and any penalty and interest assessed

plus a penalty equal to twice the amount of the additional tax owed. Notwithstanding any other provision of law, the Department of Revenue may waive or compromise any penalty imposed pursuant to this subparagraph.

2. This paragraph does not apply to the sale of a boat or aircraft by or through a registered dealer under this chapter to a purchaser who, at the time of taking delivery, is a nonresident of this state, does not make his or her permanent place of abode in this state, and is not engaged in carrying on in this state any employment, trade, business, or profession in which the boat or aircraft will be used in this state, or is a corporation none of the officers or directors of which is a resident of, or makes his or her permanent place of abode in, this state, or is a noncorporate entity that has no individual vested with authority to participate in the management, direction, or control of the entity's affairs who is a resident of, or makes his or her permanent abode in, this state. For purposes of this exemption, either a registered dealer acting on his or her own behalf as seller, a registered dealer acting as broker on behalf of a seller, or a registered dealer acting as broker on behalf of the purchaser may be deemed to be the selling dealer. This exemption shall not be allowed unless:

a. The purchaser removes a qualifying boat, as described in subparagraph f., from the state within 90 days after the date of purchase or extension, or the purchaser removes a nonqualifying boat or an aircraft from this state within 10 days after the date of purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of the repairs or alterations; or if the aircraft will be registered in a foreign jurisdiction and:

(I) Application for the aircraft's registration is properly filed with a civil airworthiness authority of a foreign jurisdiction within 10 days after the date of purchase;

(II) The purchaser removes the aircraft from the state to a foreign jurisdiction within 10 days after the date the aircraft is registered by the applicable foreign airworthiness authority; and

(III) The aircraft is operated in the state solely to remove it from the state to a foreign jurisdiction.

For purposes of this sub-subparagraph, the term "foreign jurisdiction" means any jurisdiction outside of the United States or any of its territories;

b. The purchaser, within 90 days from the date of departure, provides the department with written proof that the purchaser licensed, registered, titled, or documented the boat or aircraft outside the state. If such written proof is unavailable, within 90 days the purchaser shall provide proof that the purchaser applied for such license, title, registration, or documentation. The purchaser shall forward to the department proof of title, license, registration, or documentation upon receipt;

c. The purchaser, within 30 days after removing the boat or aircraft from Florida, furnishes the department with proof of removal in the form of receipts for fuel, dockage, slippage, tie-down, or hanging from outside of Florida. The information so provided must clearly and specifically identify the boat or aircraft;

d. The selling dealer, within 30 days after the date of sale, provides to the department a copy of the sales invoice, closing statement, bills of sale, and the original affidavit signed by the purchaser attesting that he or she has read the provisions of this section;

e. The seller makes a copy of the affidavit a part of his or her record for as long as required by s. 213.35; and

f. Unless the nonresident purchaser of a boat of 5 net tons of admeasurement or larger intends to remove the boat from this state within 10 days after the date of purchase or when the boat is repaired or altered, within 20 days after completion of the repairs or alterations, the nonresident purchaser applies to the selling dealer for a decal which authorizes 90 days after the date of purchase for removal of the boat. The nonresident purchaser of a qualifying boat may apply to the selling dealer within 60 days after the date of purchase for an extension decal that authorizes the boat to remain in this state for an additional 90 days, but not more than a total of 180 days, before the nonresident purchaser is required to pay the tax imposed by this chapter. The de-

partment is authorized to issue decals in advance to dealers. The number of decals issued in advance to a dealer shall be consistent with the volume of the dealer's past sales of boats which qualify under this sub-subparagraph. The selling dealer or his or her agent shall mark and affix the decals to qualifying boats in the manner prescribed by the department, before delivery of the boat.

(I) The department is hereby authorized to charge dealers a fee sufficient to recover the costs of decals issued, except the extension decal shall cost \$425.

(II) The proceeds from the sale of decals will be deposited into the administrative trust fund.

(III) Decals shall display information to identify the boat as a qualifying boat under this sub-subparagraph, including, but not limited to, the decal's date of expiration.

(IV) The department is authorized to require dealers who purchase decals to file reports with the department and may prescribe all necessary records by rule. All such records are subject to inspection by the department.

(V) Any dealer or his or her agent who issues a decal falsely, fails to affix a decal, mismarks the expiration date of a decal, or fails to properly account for decals will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VI) Any nonresident purchaser of a boat who removes a decal before permanently removing the boat from the state, or defaces, changes, modifies, or alters a decal in a manner affecting its expiration date before its expiration, or who causes or allows the same to be done by another, will be considered prima facie to have committed a fraudulent act to evade the tax and will be liable for payment of the tax plus a mandatory penalty of 200 percent of the tax, and shall be liable for fine and punishment as provided by law for a conviction of a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.

(VII) The department is authorized to adopt rules necessary to administer and enforce this subparagraph and to publish the necessary forms and instructions.

(VIII) The department is hereby authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this subparagraph.

If the purchaser fails to remove the qualifying boat from this state within the maximum 180 days after purchase or a nonqualifying boat or an aircraft from this state within 10 days after purchase or, when the boat or aircraft is repaired or altered, within 20 days after completion of such repairs or alterations, or permits the boat or aircraft to return to this state within 6 months from the date of departure, except as provided in s. 212.08(7)(fff), or if the purchaser fails to furnish the department with any of the documentation required by this subparagraph within the prescribed time period, the purchaser shall be liable for use tax on the cost price of the boat or aircraft and, in addition thereto, payment of a penalty to the Department of Revenue equal to the tax payable. This penalty shall be in lieu of the penalty imposed by s. 212.12(2). The maximum 180-day period following the sale of a qualifying boat tax-exempt to a nonresident may not be tolled for any reason.

(b) At the rate of 6 percent of the cost price of each item or article of tangible personal property when the same is not sold but is used, consumed, distributed, or stored for use or consumption in this state; however, for tangible property originally purchased exempt from tax for use exclusively for lease and which is converted to the owner's own use, tax may be paid on the fair market value of the property at the time of conversion. If the fair market value of the property cannot be determined, use tax at the time of conversion shall be based on the owner's acquisition cost. Under no circumstances may the aggregate amount of sales tax from leasing the property and use tax due at the time of conversion be less than the total sales tax that would have been due on the original acquisition cost paid by the owner.

(c) At the rate of 6 percent of the gross proceeds derived from the lease or rental of tangible personal property, as defined herein; however, the following special provisions apply to the lease or rental of motor vehicles:

1. When a motor vehicle is leased or rented for a period of less than 12 months:

a. If the motor vehicle is rented in Florida, the entire amount of such rental is taxable, even if the vehicle is dropped off in another state.

b. If the motor vehicle is rented in another state and dropped off in Florida, the rental is exempt from Florida tax.

2. Except as provided in subparagraph 3., for the lease or rental of a motor vehicle for a period of not less than 12 months, sales tax is due on the lease or rental payments if the vehicle is registered in this state; provided, however, that no tax shall be due if the taxpayer documents use of the motor vehicle outside this state and tax is being paid on the lease or rental payments in another state.

3. The tax imposed by this chapter does not apply to the lease or rental of a commercial motor vehicle as defined in s. 316.003(13)(a) to one lessee or rentee for a period of not less than 12 months when tax was paid on the purchase price of such vehicle by the lessor. To the extent tax was paid with respect to the purchase of such vehicle in another state, territory of the United States, or the District of Columbia, the Florida tax payable shall be reduced in accordance with the provisions of s. 212.06(7). This subparagraph shall only be available when the lease or rental of such property is an established business or part of an established business or the same is incidental or germane to such business.

(d) At the rate of 6 percent of the lease or rental price paid by a lessee or rentee, or contracted or agreed to be paid by a lessee or rentee, to the owner of the tangible personal property.

(e)1. At the rate of 6 percent on charges for:

a. Prepaid calling arrangements. The tax on charges for prepaid calling arrangements shall be collected at the time of sale and remitted by the selling dealer.

(I) "Prepaid calling arrangement" has the same meaning as provided in s. 202.11.

(II) If the sale or recharge of the prepaid calling arrangement does not take place at the dealer's place of business, it shall be deemed to have taken place at the customer's shipping address or, if no item is shipped, at the customer's address or the location associated with the customer's mobile telephone number.

(III) The sale or recharge of a prepaid calling arrangement shall be treated as a sale of tangible personal property for purposes of this chapter, regardless of whether a tangible item evidencing such arrangement is furnished to the purchaser, and such sale within this state subjects the selling dealer to the jurisdiction of this state for purposes of this subsection.

(IV) No additional tax under this chapter or chapter 202 is due or payable if a purchaser of a prepaid calling arrangement who has paid tax under this chapter on the sale or recharge of such arrangement applies one or more units of the prepaid calling arrangement to obtain communications services as described in s. 202.11(9)(b)3., other services that are not communications services, or products.

b. The installation of telecommunication and telegraphic equipment.

c. Electrical power or energy, except that the tax rate for charges for electrical power or energy is 4.35 percent. Charges for electrical power and energy do not include taxes imposed under ss. 166.231 and 203.01(1)(a)3.

2. Section 212.17(3), regarding credit for tax paid on charges subsequently found to be worthless, is equally applicable to any tax paid under this section on charges for prepaid calling arrangements, telecommunication or telegraph services, or electric power subsequently found to be uncollectible. As used in this paragraph, the term "charges"

does not include any excise or similar tax levied by the Federal Government, a political subdivision of this state, or a municipality upon the purchase, sale, or recharge of prepaid calling arrangements or upon the purchase or sale of telecommunication, television system program, or telegraph service or electric power, which tax is collected by the seller from the purchaser.

(f) At the rate of 6 percent on the sale, rental, use, consumption, or storage for use in this state of machines and equipment, and parts and accessories therefor, used in manufacturing, processing, compounding, producing, mining, or quarrying personal property for sale or to be used in furnishing communications, transportation, or public utility services.

(g)1. At the rate of 6 percent on the retail price of newspapers and magazines sold or used in Florida.

2. Notwithstanding other provisions of this chapter, inserts of printed materials which are distributed with a newspaper or magazine are a component part of the newspaper or magazine, and neither the sale nor use of such inserts is subject to tax when:

a. Printed by a newspaper or magazine publisher or commercial printer and distributed as a component part of a newspaper or magazine, which means that the items after being printed are delivered directly to a newspaper or magazine publisher by the printer for inclusion in editions of the distributed newspaper or magazine;

b. Such publications are labeled as part of the designated newspaper or magazine publication into which they are to be inserted; and

c. The purchaser of the insert presents a resale certificate to the vendor stating that the inserts are to be distributed as a component part of a newspaper or magazine.

(h)1. A tax is imposed at the rate of 4 percent on the charges for the use of coin-operated amusement machines. The tax shall be calculated by dividing the gross receipts from such charges for the applicable reporting period by a divisor, determined as provided in this subparagraph, to compute gross taxable sales, and then subtracting gross taxable sales from gross receipts to arrive at the amount of tax due. For counties that do not impose a discretionary sales surtax, the divisor is equal to 1.04; for counties that impose a 0.5 percent discretionary sales surtax, the divisor is equal to 1.045; for counties that impose a 1 percent discretionary sales surtax, the divisor is equal to 1.050; and for counties that impose a 2 percent sales surtax, the divisor is equal to 1.060. If a county imposes a discretionary sales surtax that is not listed in this subparagraph, the department shall make the applicable divisor available in an electronic format or otherwise. Additional divisors shall bear the same mathematical relationship to the next higher and next lower divisors as the new surtax rate bears to the next higher and next lower surtax rates for which divisors have been established. When a machine is activated by a slug, token, coupon, or any similar device which has been purchased, the tax is on the price paid by the user of the device for such device.

2. As used in this paragraph, the term "operator" means any person who possesses a coin-operated amusement machine for the purpose of generating sales through that machine and who is responsible for removing the receipts from the machine.

a. If the owner of the machine is also the operator of it, he or she shall be liable for payment of the tax without any deduction for rent or a license fee paid to a location owner for the use of any real property on which the machine is located.

b. If the owner or lessee of the machine is also its operator, he or she shall be liable for payment of the tax on the purchase or lease of the machine, as well as the tax on sales generated through the machine.

c. If the proprietor of the business where the machine is located does not own the machine, he or she shall be deemed to be the lessee and operator of the machine and is responsible for the payment of the tax on sales, unless such responsibility is otherwise provided for in a written agreement between him or her and the machine owner.

3.a. An operator of a coin-operated amusement machine may not operate or cause to be operated in this state any such machine until the operator has registered with the department and has conspicuously displayed an identifying certificate issued by the department. The identifying certificate shall be issued by the department upon application from the operator. The identifying certificate shall include a unique number, and the certificate shall be permanently marked with the operator's name, the operator's sales tax number, and the maximum number of machines to be operated under the certificate. An identifying certificate shall not be transferred from one operator to another. The identifying certificate must be conspicuously displayed on the premises where the coin-operated amusement machines are being operated.

b. The operator of the machine must obtain an identifying certificate before the machine is first operated in the state and by July 1 of each year thereafter. The annual fee for each certificate shall be based on the number of machines identified on the application times \$30 and is due and payable upon application for the identifying device. The application shall contain the operator's name, sales tax number, business address where the machines are being operated, and the number of machines in operation at that place of business by the operator. No operator may operate more machines than are listed on the certificate. A new certificate is required if more machines are being operated at that location than are listed on the certificate. The fee for the new certificate shall be based on the number of additional machines identified on the application form times \$30.

c. A penalty of \$250 per machine is imposed on the operator for failing to properly obtain and display the required identifying certificate. A penalty of \$250 is imposed on the lessee of any machine placed in a place of business without a proper current identifying certificate. Such penalties shall apply in addition to all other applicable taxes, interest, and penalties.

d. Operators of coin-operated amusement machines must obtain a separate sales and use tax certificate of registration for each county in which such machines are located. One sales and use tax certificate of registration is sufficient for all of the operator's machines within a single county.

4. The provisions of this paragraph do not apply to coin-operated amusement machines owned and operated by churches or synagogues.

5. In addition to any other penalties imposed by this chapter, a person who knowingly and willfully violates any provision of this paragraph commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

6. The department may adopt rules necessary to administer the provisions of this paragraph.

(i)1. At the rate of 6 percent on charges for all:

a. Detective, burglar protection, and other protection services (NAICS National Numbers 561611, 561612, 561613, and 561621). Fingerprint services required under s. 790.06 or s. 790.062 are not subject to the tax. Any law enforcement officer, as defined in s. 943.10, who is performing approved duties as determined by his or her local law enforcement agency in his or her capacity as a law enforcement officer, and who is subject to the direct and immediate command of his or her law enforcement agency, and in the law enforcement officer's uniform as authorized by his or her law enforcement agency, is performing law enforcement and public safety services and is not performing detective, burglar protection, or other protective services, if the law enforcement officer is performing his or her approved duties in a geographical area in which the law enforcement officer has arrest jurisdiction. Such law enforcement and public safety services are not subject to tax irrespective of whether the duty is characterized as "extra duty," "off-duty," or "secondary employment," and irrespective of whether the officer is paid directly or through the officer's agency by an outside source. The term "law enforcement officer" includes full-time or part-time law enforcement officers, and any auxiliary law enforcement officer, when such auxiliary law enforcement officer is working under the direct supervision of a full-time or part-time law enforcement officer.

b. Nonresidential cleaning, excluding cleaning of the interiors of transportation equipment, and nonresidential building pest control services (NAICS National Numbers 561710 and 561720).

2. As used in this paragraph, "NAICS" means those classifications contained in the North American Industry Classification System, as published in 2007 by the Office of Management and Budget, Executive Office of the President.

3. Charges for detective, burglar protection, and other protection security services performed in this state but used outside this state are exempt from taxation. Charges for detective, burglar protection, and other protection security services performed outside this state and used in this state are subject to tax.

4. If a transaction involves both the sale or use of a service taxable under this paragraph and the sale or use of a service or any other item not taxable under this chapter, the consideration paid must be separately identified and stated with respect to the taxable and exempt portions of the transaction or the entire transaction shall be presumed taxable. The burden shall be on the seller of the service or the purchaser of the service, whichever applicable, to overcome this presumption by providing documentary evidence as to which portion of the transaction is exempt from tax. The department is authorized to adjust the amount of consideration identified as the taxable and exempt portions of the transaction; however, a determination that the taxable and exempt portions are inaccurately stated and that the adjustment is applicable must be supported by substantial competent evidence.

5. Each seller of services subject to sales tax pursuant to this paragraph shall maintain a monthly log showing each transaction for which sales tax was not collected because the services meet the requirements of subparagraph 3. for out-of-state use. The log must identify the purchaser's name, location and mailing address, and federal employer identification number, if a business, or the social security number, if an individual, the service sold, the price of the service, the date of sale, the reason for the exemption, and the sales invoice number. The monthly log shall be maintained pursuant to the same requirements and subject to the same penalties imposed for the keeping of similar records pursuant to this chapter.

(j)1. Notwithstanding any other provision of this chapter, there is hereby levied a tax on the sale, use, consumption, or storage for use in this state of any coin or currency, whether in circulation or not, when such coin or currency:

- a. Is not legal tender;
- b. If legal tender, is sold, exchanged, or traded at a rate in excess of its face value; or
- c. Is sold, exchanged, or traded at a rate based on its precious metal content.

2. Such tax shall be at a rate of 6 percent of the price at which the coin or currency is sold, exchanged, or traded, except that, with respect to a coin or currency which is legal tender of the United States and which is sold, exchanged, or traded, such tax shall not be levied.

3. There are exempt from this tax exchanges of coins or currency which are in general circulation in, and legal tender of, one nation for coins or currency which are in general circulation in, and legal tender of, another nation when exchanged solely for use as legal tender and at an exchange rate based on the relative value of each as a medium of exchange.

4. With respect to any transaction that involves the sale of coins or currency taxable under this paragraph in which the taxable amount represented by the sale of such coins or currency exceeds \$500, the entire amount represented by the sale of such coins or currency is exempt from the tax imposed under this paragraph. The dealer must maintain proper documentation, as prescribed by rule of the department, to identify that portion of a transaction which involves the sale of coins or currency and is exempt under this subparagraph.

(k) At the rate of 6 percent of the sales price of each gallon of diesel fuel not taxed under chapter 206 purchased for use in a vessel, except dyed diesel fuel that is exempt pursuant to s. 212.08(4)(a)4.

(l) Florists located in this state are liable for sales tax on sales to retail customers regardless of where or by whom the items sold are to be delivered. Florists located in this state are not liable for sales tax on payments received from other florists for items delivered to customers in this state.

(m) Operators of game concessions or other concessionaires who customarily award tangible personal property as prizes may, in lieu of paying tax on the cost price of such property, pay tax on 25 percent of the gross receipts from such concession activity.

(2) The tax shall be collected by the dealer, as defined herein, and remitted by the dealer to the state at the time and in the manner as hereinafter provided.

(3) The tax so levied is in addition to all other taxes, whether levied in the form of excise, license, or privilege taxes, and in addition to all other fees and taxes levied.

(4) The tax imposed pursuant to this chapter shall be due and payable according to the *algorithm provided* ~~brackets set forth~~ in s. 212.12.

(5) Notwithstanding any other provision of this chapter, the maximum amount of tax imposed under this chapter and collected on each sale or use of a boat in this state may not exceed \$18,000 and on each repair of a boat in this state may not exceed \$60,000.

Section 4. Paragraph (c) of subsection (4) of section 212.054, Florida Statutes, is amended to read:

212.054 Discretionary sales surtax; limitations, administration, and collection.—

(4)

(c)1. Any dealer located in a county that does not impose a discretionary sales surtax, *any marketplace provider that is a dealer under this chapter, or any person located outside this state who is required to collect and remit sales tax on remote sales* ~~but~~ who collects the surtax due to sales of tangible personal property or services delivered to a county imposing a surtax ~~outside the county~~ shall remit monthly the proceeds of the surtax to the department to be deposited into an account in the Discretionary Sales Surtax Clearing Trust Fund which is separate from the county surtax collection accounts. The department shall distribute funds in this account using a distribution factor determined for each county that levies a surtax and multiplied by the amount of funds in the account and available for distribution. The distribution factor for each county equals the product of:

- a. The county's latest official population determined pursuant to s. 186.901;
- b. The county's rate of surtax; and
- c. The number of months the county has levied a surtax during the most recent distribution period;

divided by the sum of all such products of the counties levying the surtax during the most recent distribution period.

2. The department shall compute distribution factors for eligible counties once each quarter and make appropriate quarterly distributions.

3. A county that fails to timely provide the information required by this section to the department authorizes the department, by such action, to use the best information available to it in distributing surtax revenues to the county. If this information is unavailable to the department, the department may partially or entirely disqualify the county from receiving surtax revenues under this paragraph. A county that fails to provide timely information waives its right to challenge the

department's determination of the county's share, if any, of revenues provided under this paragraph.

Section 5. Section 212.0596, Florida Statutes, is amended to read:

(Substantial rewording of section. See

s. 212.0596, F.S., for present text.)

212.0596 Taxation of remote sales.—

(1) As used in this chapter, the term:

(a) “Remote sale” means a retail sale of tangible personal property ordered by mail, telephone, the Internet, or other means of communication from a person who receives the order outside of this state and transports the property or causes the property to be transported from any jurisdiction, including this state, to a location in this state. For purposes of this paragraph, tangible personal property delivered to a location within this state is presumed to be used, consumed, distributed, or stored to be used or consumed in this state.

(b) “Substantial number of remote sales” means any number of taxable remote sales in the previous calendar year in which the sum of the sales prices, as defined in s. 212.02(16), exceeded \$100,000.

(2) Every person making a substantial number of remote sales is a dealer for purposes of this chapter.

(3) The department may establish by rule procedures for collecting the use tax from unregistered persons who but for their remote purchases would not be required to remit sales or use tax directly to the department. The procedures may provide for waiver of registration, provisions for irregular remittance of tax, elimination of the collection allowance, and nonapplication of local option surtaxes.

(4) A marketplace provider that is a dealer under this chapter or a person who is required to collect and remit sales tax on remote sales is required to collect surtax when the taxable item of tangible personal property is delivered within a county imposing a surtax as provided in s. 212.054(3)(a).

Section 6. Section 212.05965, Florida Statutes, is created to read:

212.05965 Taxation of marketplace sales.—

(1) As used in this chapter, the term:

(a) “Marketplace” means any physical place or electronic medium through which tangible personal property is offered for sale.

(b) “Marketplace provider” means a person who facilitates a retail sale by a marketplace seller by listing or advertising for sale by the marketplace seller tangible personal property in a marketplace and who directly, or indirectly through agreements or arrangements with third parties, collects payment from the customer and transmits all or part of the payment to the marketplace seller, regardless of whether the marketplace provider receives compensation or other consideration in exchange for its services.

1. The term does not include a person who solely provides travel agency services. As used in this subparagraph, the term “travel agency services” means arranging, booking, or otherwise facilitating for a commission, fee, or other consideration vacation or travel packages, rental cars, or other travel reservations; tickets for domestic or foreign travel by air, rail, ship, bus, or other mode of transportation; or hotel or other lodging accommodations.

2. The term does not include a person who is a delivery network company unless the delivery network company is a registered dealer for purposes of this chapter and the delivery network company notifies all local merchants that sell through the delivery network company's website or mobile application that the delivery network company is subject to the requirements of a marketplace provider under this section. As used in this subparagraph, the term:

a. “Delivery network company” means a person who maintains a website or mobile application used to facilitate delivery services, the sale of local products, or both.

b. “Delivery network courier” means a person who provides delivery services through a delivery network company website or mobile application using a personal means of transportation, such as a motor vehicle as defined in s. 320.01(1), bicycle, scooter, or other similar means of transportation; using public transportation; or by walking.

c. “Delivery services” means the pickup and delivery by a delivery network courier of one or more local products from a local merchant to a customer, which may include the selection, collection, and purchase of the local product in connection with the delivery. The term does not include any delivery requiring more than 75 miles of travel from the local merchant to the customer.

d. “Local merchant” means a kitchen, a restaurant, or a third-party merchant, including a grocery store, retail store, convenience store, or business of another type, which is not under common ownership or control of the delivery network company.

e. “Local product” means any tangible personal property, including food but excluding freight, mail, or a package to which postage has been affixed.

3. The term does not include a payment processor business that processes payment transactions from various channels, such as charge cards, credit cards, or debit cards, and whose sole activity with respect to marketplace sales is to process payment transactions between two or more parties.

(c) “Marketplace seller” means a person who has an agreement with a marketplace provider that is a dealer under this chapter and who makes retail sales of tangible personal property through a marketplace owned, operated, or controlled by the marketplace provider.

(2) A marketplace provider that has a physical presence in this state or who is making or facilitating through a marketplace a substantial number of remote sales as defined in s. 212.0596(1) is a dealer for purposes of this chapter.

(3) A marketplace provider that is a dealer under this chapter shall certify to its marketplace sellers that it will collect and remit the tax imposed under this chapter on taxable retail sales made through the marketplace. Such certification may be included in the agreement between the marketplace provider and the marketplace seller.

(4)(a) A marketplace seller may not collect and remit the tax under this chapter on a taxable retail sale when the sale is made through the marketplace and the marketplace provider certifies, as required under subsection (3), that it will collect and remit such tax. A marketplace seller shall exclude such sales made through the marketplace from the marketplace seller's tax return under s. 212.11.

(b)1. A marketplace seller who has a physical presence in this state shall register and shall collect and remit the tax imposed under this chapter on all taxable retail sales made outside of the marketplace.

2. A marketplace seller who is not described under subparagraph 1. but who makes a substantial number of remote sales as defined in s. 212.0596(1) shall register and shall collect and remit the tax imposed under this chapter on all taxable retail sales made outside of the marketplace. For the purpose of determining whether a marketplace seller made a substantial number of remote sales, the marketplace seller shall consider only those sales made outside of a marketplace.

(5)(a) A marketplace provider that is a dealer under this chapter shall allow the department to examine and audit its books and records pursuant to s. 212.13. For retail sales facilitated through a marketplace, the department may not examine or audit the books and records of marketplace sellers, nor may the department assess marketplace sellers except to the extent that the marketplace provider seeks relief under paragraph (b). The department may examine, audit, and assess a marketplace seller for retail sales made outside of a marketplace under paragraph (4)(b). This paragraph does not provide relief to a marketplace seller who is under audit; has been issued a bill, notice, or demand for payment; or is under an administrative or judicial proceeding before July 1, 2021.

(b) The marketplace provider is relieved of liability for the tax on the retail sale and the marketplace seller or customer is liable for the tax imposed under this chapter if the marketplace provider demonstrates to

the department's satisfaction that the marketplace provider made a reasonable effort to obtain accurate information related to the retail sales facilitated through the marketplace from the marketplace seller, but that the failure to collect and remit the correct amount of tax imposed under this chapter was due to the provision of incorrect or incomplete information to the marketplace provider by the marketplace seller. This paragraph does not apply to a retail sale for which the marketplace provider is the seller if the marketplace provider and the marketplace seller are related parties or if transactions between a marketplace seller and marketplace buyer are not conducted at arm's length.

(6) For purposes of registration pursuant to s. 212.18, a marketplace is deemed a separate place of business.

(7) A marketplace provider and a marketplace seller may agree by contract or otherwise that if a marketplace provider pays the tax imposed under this chapter on a retail sale facilitated through a marketplace for a marketplace seller as a result of an audit or otherwise, the marketplace provider has the right to recover such tax and any associated interest and penalties from the marketplace seller.

(8) This section may not be construed to authorize the state to collect sales tax from both the marketplace provider and the marketplace seller on the same retail sale.

(9) Chapter 213 applies to the administration of this section to the extent that chapter does not conflict with this section.

Section 7. Effective April 1, 2022, subsections (10) and (11) are added to section 212.05965, Florida Statutes, as created by this act, to read:

212.05965 Taxation of marketplace sales.—

(10) Notwithstanding any other law, the marketplace provider is also responsible for collecting and remitting any prepaid wireless E911 fee under s. 365.172, waste tire fee under s. 403.718, and lead-acid battery fee under s. 403.7185 at the time of sale for taxable retail sales made through its marketplace.

(11) Notwithstanding paragraph (4)(a), the marketplace provider and the marketplace seller may contractually agree to have the marketplace seller collect and remit all applicable taxes and fees if the marketplace seller:

(a) Has annual United States gross sales of more than \$1 billion, including the gross sales of any related entities, and in the case of franchised entities, including the combined sales of all franchisees of a single franchisor;

(b) Provides evidence to the marketplace provider that it is registered under s. 212.18; and

(c) Notifies the department in a manner prescribed by the department that the marketplace seller will collect and remit all applicable taxes and fees on its sales through the marketplace and is liable for failure to collect or remit applicable taxes and fees on its sales.

Section 8. Paragraph (c) of subsection (2) and paragraph (a) of subsection (5) of section 212.06, Florida Statutes, are amended to read:

212.06 Sales, storage, use tax; collectible from dealers; "dealer" defined; dealers to collect from purchasers; legislative intent as to scope of tax.—

(2)

(c) The term "dealer" is further defined to mean every person, as used in this chapter, who sells at retail or who offers for sale at retail, or who has in his or her possession for sale at retail; or for use, consumption, or distribution; or for storage to be used or consumed in this state, tangible personal property as defined herein, including a retailer who transacts a substantial number of remote sales or a marketplace provider that has a physical presence in this state or that makes or facilitates through its marketplace a substantial number of remote sales mail order sale.

(5)(a)1. Except as provided in subparagraph 2., it is not the intention of this chapter to levy a tax upon tangible personal property im-

ported, produced, or manufactured in this state for export, provided that tangible personal property may not be considered as being imported, produced, or manufactured for export unless the importer, producer, or manufacturer delivers the same to a licensed exporter for exporting or to a common carrier for shipment outside the state or mails the same by United States mail to a destination outside the state; or, in the case of aircraft being exported under their own power to a destination outside the continental limits of the United States, by submission to the department of a duly signed and validated United States customs declaration, showing the departure of the aircraft from the continental United States; and further with respect to aircraft, the canceled United States registry of said aircraft; or in the case of parts and equipment installed on aircraft of foreign registry, by submission to the department of documentation, the extent of which shall be provided by rule, showing the departure of the aircraft from the continental United States; nor is it the intention of this chapter to levy a tax on any sale which the state is prohibited from taxing under the Constitution or laws of the United States. Every retail sale made to a person physically present at the time of sale shall be presumed to have been delivered in this state.

2.a. Notwithstanding subparagraph 1., a tax is levied on each sale of tangible personal property to be transported to a cooperating state as defined in sub-subparagraph c., at the rate specified in sub-subparagraph d. However, a Florida dealer will be relieved from the requirements of collecting taxes pursuant to this subparagraph if the Florida dealer obtains from the purchaser an affidavit setting forth the purchaser's name, address, state taxpayer identification number, and a statement that the purchaser is aware of his or her state's use tax laws, is a registered dealer in Florida or another state, or is purchasing the tangible personal property for resale or is otherwise not required to pay the tax on the transaction. The department may, by rule, provide a form to be used for the purposes set forth herein.

b. For purposes of this subparagraph, "a cooperating state" is one determined by the executive director of the department to cooperate satisfactorily with this state in collecting taxes on remote mail order sales. No state shall be so determined unless it meets all the following minimum requirements:

(I) It levies and collects taxes on remote mail order sales of property transported from that state to persons in this state, as described in s. 212.0596, upon request of the department.

(II) The tax so collected shall be at the rate specified in s. 212.05, not including any local option or tourist or convention development taxes collected pursuant to s. 125.0104 or this chapter.

(III) Such state agrees to remit to the department all taxes so collected no later than 30 days from the last day of the calendar quarter following their collection.

(IV) Such state authorizes the department to audit dealers within its jurisdiction who make remote mail order sales that are the subject of s. 212.0596, or makes arrangements deemed adequate by the department for auditing them with its own personnel.

(V) Such state agrees to provide to the department records obtained by it from retailers or dealers in such state showing delivery of tangible personal property into this state upon which no sales or use tax has been paid in a manner similar to that provided in sub-subparagraph g.

c. For purposes of this subparagraph, "sales of tangible personal property to be transported to a cooperating state" means remote mail order sales to a person who is in the cooperating state at the time the order is executed, from a dealer who receives that order in this state.

d. The tax levied by sub-subparagraph a. shall be at the rate at which such a sale would have been taxed pursuant to the cooperating state's tax laws if consummated in the cooperating state by a dealer and a purchaser, both of whom were physically present in that state at the time of the sale.

e. The tax levied by sub-subparagraph a., when collected, shall be held in the State Treasury in trust for the benefit of the cooperating state and shall be paid to it at a time agreed upon between the department, acting for this state, and the cooperating state or the department or agency designated by it to act for it; however, such payment

shall in no event be made later than 30 days from the last day of the calendar quarter after the tax was collected. Funds held in trust for the benefit of a cooperating state shall not be subject to the service charges imposed by s. 215.20.

f. The department is authorized to perform such acts and to provide such cooperation to a cooperating state with reference to the tax levied by sub-subparagraph a. as is required of the cooperating state by sub-subparagraph b.

g. In furtherance of this act, dealers selling tangible personal property for delivery in another state shall make available to the department, upon request of the department, records of all tangible personal property so sold. Such records shall include a description of the property, the name and address of the purchaser, the name and address of the person to whom the property was sent, the purchase price of the property, information regarding whether sales tax was paid in this state on the purchase price, and such other information as the department may by rule prescribe.

Section 9. Paragraph (b) of subsection (1) of section 212.07, Florida Statutes, is amended to read:

212.07 Sales, storage, use tax; tax added to purchase price; dealer not to absorb; liability of purchasers who cannot prove payment of the tax; penalties; general exemptions.—

(1)

(b) A resale must be in strict compliance with s. 212.18 and the rules and regulations adopted thereunder. A dealer who makes a sale for resale that is not in strict compliance with s. 212.18 and the rules and regulations adopted thereunder is liable for and must pay the tax. A dealer who makes a sale for resale shall document the exempt nature of the transaction, as established by rules adopted by the department, by retaining a copy of the purchaser's resale certificate. In lieu of maintaining a copy of the certificate, a dealer may document, before the time of sale, an authorization number provided telephonically or electronically by the department, or by such other means established by rule of the department. The dealer may rely on a resale certificate issued pursuant to s. 212.18(3)(e) ~~s. 212.18(3)(d)~~, valid at the time of receipt from the purchaser, without seeking annual verification of the resale certificate if the dealer makes recurring sales to a purchaser in the normal course of business on a continual basis. For purposes of this paragraph, "recurring sales to a purchaser in the normal course of business" refers to a sale in which the dealer extends credit to the purchaser and records the debt as an account receivable, or in which the dealer sells to a purchaser who has an established cash or C.O.D. account, similar to an open credit account. For purposes of this paragraph, purchases are made from a selling dealer on a continual basis if the selling dealer makes, in the normal course of business, sales to the purchaser at least once in every 12-month period. A dealer may, through the informal protest provided for in s. 213.21 and the rules of the department, provide the department with evidence of the exempt status of a sale. Consumer certificates of exemption executed by those exempt entities that were registered with the department at the time of sale, resale certificates provided by purchasers who were active dealers at the time of sale, and verification by the department of a purchaser's active dealer status at the time of sale in lieu of a resale certificate shall be accepted by the department when submitted during the protest period, but may not be accepted in any proceeding under chapter 120 or any circuit court action instituted under chapter 72.

Section 10. Paragraph (f) is added to subsection (4) of section 212.11, Florida Statutes, to read:

212.11 Tax returns and regulations.—

(4)

(f) A marketplace provider that is a dealer under this chapter or a person who is required to collect and remit sales tax on remote sales shall file returns and pay taxes by electronic means under s. 213.755.

Section 11. Paragraph (a) of subsection (1), paragraph (a) of subsection (5), and subsections (9), (10), (11), and (14) of section 212.12, Florida Statutes, are amended to read:

212.12 Dealer's credit for collecting tax; penalties for non-compliance; powers of Department of Revenue in dealing with delinquents; ~~rounding brackets applicable to taxable transactions~~; records required.—

(1)(a) ~~1.~~ Notwithstanding any other law and for the purpose of compensating persons granting licenses for and the lessors of real and personal property taxed hereunder, for the purpose of compensating dealers in tangible personal property, for the purpose of compensating dealers providing communication services and taxable services, for the purpose of compensating owners of places where admissions are collected, and for the purpose of compensating remitters of any taxes or fees reported on the same documents utilized for the sales and use tax, as compensation for the keeping of prescribed records, filing timely tax returns, and the proper accounting and remitting of taxes by them, such seller, person, lessor, dealer, owner, and remitter ~~(except dealers who make mail order sales)~~ who files the return required pursuant to s. 212.11 only by electronic means and who pays the amount due on such return only by electronic means shall be allowed 2.5 percent of the amount of the tax due, accounted for, and remitted to the department in the form of a deduction. However, if the amount of the tax due and remitted to the department by electronic means for the reporting period exceeds \$1,200, an allowance is not allowed for all amounts in excess of \$1,200. For purposes of this ~~paragraph~~ ~~subparagraph~~, the term "electronic means" has the same meaning as provided in s. 213.755(2)(c).

~~2.—The executive director of the department is authorized to negotiate a collection allowance, pursuant to rules promulgated by the department, with a dealer who makes mail order sales. The rules of the department shall provide guidelines for establishing the collection allowance based upon the dealer's estimated costs of collecting the tax, the volume and value of the dealer's mail order sales to purchasers in this state, and the administrative and legal costs and likelihood of achieving collection of the tax absent the cooperation of the dealer. However, in no event shall the collection allowance negotiated by the executive director exceed 10 percent of the tax remitted for a reporting period.~~

(5)(a) The department is authorized to audit or inspect the records and accounts of dealers defined herein, including audits or inspections of dealers who make ~~remote mail order sales to the extent permitted by another state~~, and to correct by credit any overpayment of tax, and, in the event of a deficiency, an assessment shall be made and collected. No administrative finding of fact is necessary prior to the assessment of any tax deficiency.

(9) Taxes imposed by this chapter upon the privilege of the use, consumption, storage for consumption, or sale of tangible personal property, admissions, license fees, rentals, ~~communication services~~, and upon the sale or use of services as herein taxed shall be collected upon the basis of an addition of the tax imposed by this chapter to the total price of such admissions, license fees, rentals, ~~communication~~ or other services, or sale price of such article or articles that are purchased, sold, or leased at any one time by or to a customer or buyer; the dealer, or person charged herein, is required to pay a privilege tax in the amount of the tax imposed by this chapter on the total of his or her gross sales of tangible personal property, admissions, license fees, ~~and rentals, and communication services~~ or to collect a tax upon the sale or use of services, and such person or dealer shall add the tax imposed by this chapter to the price, license fee, rental, ~~or admissions, and communication~~ or other services and collect the total sum from the purchaser, admittee, licensee, lessee, or consumer. ~~The department shall make available in an electronic format or otherwise the tax amounts and the following brackets applicable to all transactions taxable at the rate of 6 percent:~~

(a) ~~On single sales of less than 10 cents, no tax shall be added.~~

(b) ~~On single sales in amounts from 10 cents to 16 cents, both inclusive, 1 cent shall be added for taxes.~~

(c) ~~On sales in amounts from 17 cents to 33 cents, both inclusive, 2 cents shall be added for taxes.~~

(d) ~~On sales in amounts from 34 cents to 50 cents, both inclusive, 3 cents shall be added for taxes.~~

~~(c) On sales in amounts from 51 cents to 66 cents, both inclusive, 4 cents shall be added for taxes.~~

~~(f) On sales in amounts from 67 cents to 83 cents, both inclusive, 5 cents shall be added for taxes.~~

~~(g) On sales in amounts from 84 cents to \$1, both inclusive, 6 cents shall be added for taxes.~~

~~(h) On sales in amounts of more than \$1, 6 percent shall be charged upon each dollar of price, plus the appropriate bracket charge upon any fractional part of a dollar.~~

(10)(a) *A dealer must calculate the tax due on the privilege of the use, consumption, storage for consumption, or sale of tangible personal property, admissions, license fees, rentals, and upon the sale or use of services, based on a rounding algorithm that meets the following criteria:*

1. *The computation of the tax must be carried to the third decimal place.*

2. *The tax must be rounded to the whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four.*

~~(b) A dealer may apply the rounding algorithm to the aggregate tax amount computed on all taxable items on an invoice or to the taxable amount on each individual item on the invoice. In counties which have adopted a discretionary sales surtax at the rate of 1 percent, the department shall make available in an electronic format or otherwise the tax amounts and the following brackets applicable to all taxable transactions that would otherwise have been transactions taxable at the rate of 6 percent:~~

~~(a) On single sales of less than 10 cents, no tax shall be added.~~

~~(b) On single sales in amounts from 10 cents to 14 cents, both inclusive, 1 cent shall be added for taxes.~~

~~(c) On sales in amounts from 15 cents to 28 cents, both inclusive, 2 cents shall be added for taxes.~~

~~(d) On sales in amounts from 29 cents to 42 cents, both inclusive, 3 cents shall be added for taxes.~~

~~(e) On sales in amounts from 43 cents to 57 cents, both inclusive, 4 cents shall be added for taxes.~~

~~(f) On sales in amounts from 58 cents to 71 cents, both inclusive, 5 cents shall be added for taxes.~~

~~(g) On sales in amounts from 72 cents to 85 cents, both inclusive, 6 cents shall be added for taxes.~~

~~(h) On sales in amounts from 86 cents to \$1, both inclusive, 7 cents shall be added for taxes.~~

~~(i) On sales in amounts from \$1 up to, and including, the first \$5,000 in price, 7 percent shall be charged upon each dollar of price, plus the appropriate bracket charge upon any fractional part of a dollar.~~

~~(j) On sales in amounts of more than \$5,000 in price, 7 percent shall be added upon the first \$5,000 in price, and 6 percent shall be added upon each dollar of price in excess of the first \$5,000 in price, plus the bracket charges upon any fractional part of a dollar as provided for in subsection (9).~~

~~(11) The department shall make available in an electronic format or otherwise the tax amounts and brackets applicable to all taxable transactions that occur in counties that have a surtax at a rate other than 1 percent which would otherwise have been transactions taxable at the rate of 6 percent. Likewise, the department shall make available in an electronic format or otherwise the tax amounts and brackets applicable to transactions taxable at 4.35 percent pursuant to s. 212.05(1)(c)1.e. or the applicable tax rate pursuant to s. 212.031(1) and on transactions which would otherwise have been so taxable in counties which have adopted a discretionary sales surtax.~~

~~(14) If it is determined upon audit that a dealer has collected and remitted taxes by applying the applicable tax rate to each transaction as described in subsection (9) and rounding the tax due to the nearest whole cent rather than applying the appropriate bracket system provided by law or department rule, the dealer shall not be held liable for additional tax, penalty, and interest resulting from such failure if:~~

~~(a) The dealer acted in a good faith belief that rounding to the nearest whole cent was the proper method of determining the amount of tax due on each taxable transaction.~~

~~(b) The dealer timely reported and remitted all taxes collected on each taxable transaction.~~

~~(c) The dealer agrees in writing to future compliance with the laws and rules concerning brackets applicable to the dealer's transactions.~~

Section 12. Present paragraphs (c) through (f) of subsection (3) of section 212.18, Florida Statutes, are redesignated as paragraphs (d) through (g), respectively, a new paragraph (c) is added to that subsection, and present paragraph (f) of that subsection is amended, to read:

212.18 Administration of law; registration of dealers; rules.—

(3)

~~(c) A marketplace provider that is a dealer under this chapter or a person who is required to collect and remit sales tax on remote sales must file with the department an application for a certificate of registration electronically.~~

~~(g)(f) As used in this paragraph, the term "exhibitor" means a person who enters into an agreement authorizing the display of tangible personal property or services at a convention or a trade show. The following provisions apply to the registration of exhibitors as dealers under this chapter:~~

1. An exhibitor whose agreement prohibits the sale of tangible personal property or services subject to the tax imposed in this chapter is not required to register as a dealer.

2. An exhibitor whose agreement provides for the sale at wholesale only of tangible personal property or services subject to the tax imposed by this chapter must obtain a resale certificate from the purchasing dealer but is not required to register as a dealer.

3. An exhibitor whose agreement authorizes the retail sale of tangible personal property or services subject to the tax imposed by this chapter must register as a dealer and collect the tax on such sales.

4. An exhibitor who makes a *remote mail order* sale pursuant to s. 212.0596 must register as a dealer.

A person who conducts a convention or a trade show must make his or her exhibitor's agreements available to the department for inspection and copying.
