## PRAYER

The following prayer was offered by Bishop William Wack, The Catholic Diocese of Pensacola-Tallahassee, Pensacola:

Good and gracious God, as the season of spring brings forth new growth and new possibilities, so you give to your beloved children the gift of hope and new life. We thank you for the beauty of creation and the wonder of our very being. Pour out your blessings upon us. May we be good stewards of all of the gifts you have given us—in our own lives, in our families, our communities, and throughout the State of Florida. Open our eyes and our hearts to the needs of others that we may be aware of our blessings and help others in their need. Now we ask you, O God, to be with the members of this legislative body. Guide their hearts and their decisions. Let their conversations and deliberations be productive so that justice may reign on earth. Inspire them and work through them so that your perfect will is accomplished in all things—for you live and reign forever and ever. Amen.

## PLEDGE

Senate Pages, Fernanda Escobar of Tallahassee; Brennen Glasford of Miramar; and Mary Ryan Mitchell of Tallahassee, daughter of Senate employee Bettsey Mitchell, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

**SR 70**—A resolution recognizing November 2023, and each November thereafter, as “Family Court Awareness Month” in Florida.

WHEREAS, in 2021, 4-year-old Greyson Kessler was shot and killed by his biological father during an approved court visit, despite his father’s history of abusive behavior and a plea to the court from his mother, Ali Kessler, to protect him, and

WHEREAS, to help honor Greyson Kessler’s life and the lives of the estimated 58,000 children annually who are at risk due to being ordered into unsupervised visitation with an abusive parent, a national coalition of organizations launched a nationwide movement to seek the designation of November as Family Court Awareness Month, and

WHEREAS, the mission of that coalition, the Family Court Awareness Month Committee, is to provide judges and other family court professionals with current empirical data and research, which are critical components in making judicial determinations that are in the best interest of children, and

WHEREAS, the committee’s mission is fueled by the desire for awareness and change in the family court system and to honor the lives of the more than 800 children reported murdered in the United States by separating or divorcing parents, and

WHEREAS, in at least 110 of those cases, the courts heard direct pleas to intervene before the crime occurred, and

WHEREAS, the recognition of Family Court Awareness Month is intended to increase awareness of the importance of education and training on family violence, childhood trauma, and postseparation abuse for all professionals working within the family court system, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

Section 6. Section 516.181, Florida Statutes, is created to read:

516.181 *Predatory loan prevention.*—

(1) A person may not engage in any device, subterfuge, or pretense to evade the requirements of this chapter, including, but not limited to:

(a) Making, offering, or assisting, or arranging for, a borrower to obtain a consumer finance loan with a higher rate or amount of interest, consideration, charge, or other payment received incident to the loan than is authorized by this chapter through any method, including mail, telephone, the Internet, or any electronic means, regardless of whether the person has a physical location in this state; or

(b) Receiving interest, fees, charges, or other payments in excess of those authorized by this chapter, regardless of whether the payment purports to be voluntary.

(2) A consumer finance loan made in violation of this section is void and uncollectible as to any principal, fee, interest, charge, or payment.

(3) If the consumer finance loan exceeds the rate authorized by s. 516.031, a person is deemed a lender subject to this section, regardless of whether the person purports to act as an agent or a service provider or in another capacity for another entity that is exempt from this chapter, if any of the following apply:

(a) The person holds, acquires, or maintains, directly or indirectly, the predominant economic interest, risk, or reward in the loan.

(b) The person:

1. Markets, solicits, brokers, arranges, facilitates, or services loans; and

2. Holds or has the right, requirement, or first right of refusal to acquire the loans, a share of receivables, or another direct or indirect interest in the loans or loan program.

(c) The totality of the circumstances indicate that the person is the lender and that the transaction is structured to evade the requirements of this chapter. Circumstances that weigh in favor of a person being a lender subject to this section include, without limitation, whether the person:

1. Indemnifies, insures, or protects an exempt entity from any costs or risks related to the loan;

Section 9. Section 288.066, Florida Statutes, as created by section 1 of chapter 2023-1, Laws of Florida, is amended to read:

288.066 Local Government Emergency Revolving Bridge Loan Program.—

(1) CREATION.—The Local Government Emergency Revolving Bridge Loan Program is created, ~~subject to appropriation,~~ within the department to provide financial assistance to local governments impacted by ~~federally declared disasters Hurricane Ian or Hurricane Nicole.~~ The purpose of the loan program is to assist these local governments in maintaining government operations by bridging the gap between the time that the declared disaster occurred and the time that additional funding sources or revenues are secured to provide them with financial assistance.

(2) ELIGIBILITY.—To be eligible for a loan under the program, a local government must be a county or a municipality located in an area designated in ~~a the Federal Emergency Management Agency disaster declaration declarations for Hurricane Ian or Hurricane Nicole.~~ The local government must show that it may suffer or has suffered substantial loss of its tax or other revenues as a result of the ~~disaster hurricane~~ and demonstrate a need for financial assistance to enable it to continue to perform its governmental operations. ~~Access to and eligibility for the loan program supersedes any local government charter or borrowing limitations that would otherwise financially constrain the local government's ability to recover from a disaster.~~

(3) LOAN TERMS.—

(a) The department may provide interest-free loans to eligible local governments through a promissory note or other form of written agreement evidencing an obligation to repay the borrowed funds ~~to the department.~~

(b) The amount of each loan must be based upon demonstrated need ~~and must be disbursed to the local government in a lump sum.~~

(c) The term of the loan is ~~up to 24 months 1 year, unless otherwise extended by the department.~~ However, the department may extend loan terms for up to 6 months based on the local government's financial condition.

(4) APPLICATION.—*The department shall prescribe a loan application and may request any other information determined necessary by the department to review and evaluate the application. The eligible local government must submit a loan application within the 12 months after the date that the federal disaster was declared. Upon receipt of an application, the department shall review the application and may request additional information as necessary to complete the review and evaluation. If the loan application is approved, the department shall determine the amount to be loaned, which may be a lower amount than requested, based on the information provided and the total amount of funds available to be loaned and in relation to demonstrated need from other eligible applicants. If the loan application is denied, reasons for the denial may include, but are not limited to, the loan risk, an incomplete application, failure to demonstrate need, or the fact that receiving a loan may negatively affect the local government's eligibility for other federal programs.*

(5)(4) USE OF LOAN FUNDS.—A local government may use loan funds only to continue local governmental operations or to expand or modify such operations to meet disaster-related needs. The funds may not be used to finance or supplant funding for capital improvements or to repair or restore damaged public facilities or infrastructure.

(6)(5) LOAN REPAYMENT.—

(a) The local government may make payments against the loan at any time without penalty. Early repayment is encouraged as other funding sources or revenues become available ~~to the local government.~~

(b) Loans become due and payable in accordance with the terms of the agreement.

(7)(6) ADMINISTRATION.—

(a) *Upon the issuance of a federal disaster declaration, the department shall provide notice of application requirements and the total amount of funds available and shall make loan information available to eligible local governments. Based upon the amount of funds in the Economic Development Trust Fund available to be loaned and anticipated balances, the department may make funds available in an amount reasonably related to the anticipated need, based upon the impacts of the federal disaster, up to the total amount available.* ~~The department may approve loans in the 2022-2023 fiscal year or the 2023-2024 fiscal year up to the total amount appropriated.~~

(b) The department must coordinate with the Division of Emergency Management ~~or other applicable state agencies~~ to assess whether such loans would affect reimbursement under federal programs for disaster-related expenses.

(c) *All repayments of principal and interest must be returned to the loan fund and made available as provided in this section. Notwithstanding s. 216.301, funds appropriated for this program are not subject to reversion.* ~~Upon receipt of any loan payment from a local government, the department shall transfer the funds to the General Revenue Fund.~~

(8)(7) RULES.—The department may adopt rules to implement this section.

(9)(8) EXPIRATION.—This section expires *July 1, 2038. A loan may not be awarded after June 30, 2038 June 30, 2027.* Upon expiration, all unencumbered funds and loan repayments ~~made on or after July 1, 2038, must be transferred revert~~ to the General Revenue Fund.

Section 10. Section 366.98, Florida Statutes, is created to read:

366.98 Public utility liability arising out of emergencies and disasters.—

(1) *A public utility is not liable for damages based in whole or in part on changes in the reliability, continuity, or quality of utility services which arise in any way out of an emergency or disaster, including, but not limited to, a state of emergency declared under s. 252.36. Consistent with the commission's jurisdiction over public utility rates and service, issues relating to the sufficiency of a public utility's disaster preparedness and response shall be resolved by the commission.*

(2) *This section does not create a new cause of action. In the event that there is a conflict between this section and any other section of the Florida Statutes, this section shall control.*

(5) *Notwithstanding paragraph (1)(b), a registered contractor may engage in contracting only for work covered by the registration within an area for which a state of emergency is declared pursuant to s. 252.36 for a natural emergency. This authorization terminates 24 months after the expiration of the declared state of emergency. The local jurisdiction that licenses the registered contractor may discipline the registered contractor for violations occurring outside the licensing jurisdiction which occur during the period such work is authorized under this subsection.*
