## PRAYER

The following prayer was offered by Bishop William Wack, Catholic Diocese of Pensacola-Tallahassee:

O God of all creation, before all else, we give you thanks for the enormity of your goodness. Everything belongs to you, and yet you wonderfully entrust the world in all its wonder to us.

Your beloved children gather in this chamber to discern, debate, and decide. As you are attentive to the needs of all, turn our hearts to those who look to us for assistance. Open our hearts and our ears to hear and receive the cries of the needy. May we look beyond our own interests and wants so that all may be lifted up.

Be with our Senators today and every day. Inspire them to be good stewards and lawmakers, so that we may all enjoy the blessings you wish to bestow upon us. Unite us with the virtues of compassion, goodness, and love. Give us an abundance of wisdom so that we may know what to do and have the courage to carry it out.

We praise you, we bless you, and we thank you, for you live and reign forever and ever. Amen.

## ADOPTION OF RESOLUTIONS

At the request of Senator Brodeur—

By Senator Brodeur—

**SR 1818**—A resolution reaffirming the importance of the Florida Wildlife Corridor and its significant environmental, cultural, economic, and tourism value as a unique natural resource, and recognizing February 12, 2024, as “Florida Wildlife Corridor Day.”

WHEREAS, the Florida Wildlife Corridor, recognized in the Florida Wildlife Corridor Act of 2021, establishes a geographic area of more than 18 million acres of land, 10 million acres of which are current public conservation lands that could be permanently disconnected from each other without additional conservation of the nearly 8 million acres of opportunity areas connecting them, and

WHEREAS, the purpose of defining the Florida Wildlife Corridor is to create incentives for conservation and sustainable development while preserving the green infrastructure that is the foundation of this state’s economy and quality of life, and

WHEREAS, the nearly 8 million acres of opportunity areas still needing protection consist largely of working ranches, farms, and forests, and the majority of this acreage can be protected through conservation easements with willing landowners, thereby supporting the state’s agricultural economy and enhancing the tourism value of Florida’s heartland, and

WHEREAS, since July 2021, more than 160,000 acres of land in the Florida Wildlife Corridor have been approved for protection by Governor Ron DeSantis and the Florida Cabinet, including Commissioner of Agriculture Wilton Simpson, who made the corridor a priority during his term as Senate President, with funding appropriated by the Legislature from the Department of Environmental Protection’s Florida Forever Program and the Department of Agriculture and Consumer Services’s Rural and Family Lands Protection Program, and

WHEREAS, a number of federal and local programs have increased their investment in Florida conservation, following the leadership of the state in prioritizing the framework of the Florida Wildlife Corridor, and

WHEREAS, these programs share the state’s goal of protecting an additional 800,000 acres in the Florida Wildlife Corridor by 2030, balancing this commitment to conservation with the need for development

to accommodate the more than 2 million new residents projected to move to this state during the next 6 years, and

WHEREAS, public access to the Florida Wildlife Corridor was greatly expanded in 2023 with the Legislature passing, and Governor DeSantis signing, legislation that connects the corridor to the Florida Greenways and Trails System and the Florida Shared-Use Nonmotorized (SUN) Trail Network, as well as additional pathways to heritage small towns throughout this state, and

WHEREAS, with the state's funding commitment in recent years to such projects, the Department of Environmental Protection and the Department of Transportation have coordinated the establishment of multiuse trails, including the investment in the planning, design, and construction of the SUN Trail Network and the campaign to recognize various communities as "Trail Towns," in conjunction with Visit Florida's promotion of trail-based tourism, and

WHEREAS, this connecting of trails with the Florida Wildlife Corridor creates a means not only to preserve many natural areas, but also to provide expanded access for Floridians and visitors to hike, run, and bike between trail destinations and see firsthand this state's unique natural habitat and picturesque small towns, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That the Senate reaffirms the importance of the Florida Wildlife Corridor and its significant environmental, cultural, economic, and tourism value as a unique natural resource, and recognizes February 12, 2024, as "Florida Wildlife Corridor Day."

—was introduced, read, and adopted by publication.

WHEREAS, New College added intercollegiate athletics and has been accepted to the National Association of Intercollegiate Athletics (NAIA) as a full member of the Sun Conference, adopting the mascot "The Mighty Banyan" and recruiting more than 150 scholar-athletes to field six varsity sports teams, with additional sports planned for 2024-2025 and continued growth projected in the years ahead, and

WHEREAS, New College recently announced plans to establish a Freedom Institute to foster free speech and the sharing of ideas and to combat cancel culture by promoting tolerance of opposing views and engaging such views in civil discourse, and

**SR 1822**—A resolution recognizing February 2024 as "Black History Month" in Florida.

WHEREAS, every year, Floridians join with all Americans in recognizing February as the month to commemorate the contributions of African Americans to our society and to celebrate the birth month of two great Americans, Abraham Lincoln and Frederick Douglass, both of whom were leaders in the movement to abolish slavery, and

WHEREAS, long ago, an estimated 12 million African men, women, and children were forcibly removed from their homelands, enslaved, and placed on ships that sailed to the Western Hemisphere, and

WHEREAS, approximately 2 million of those African men, women, and children died on the Middle Passage, but 10 million survived and arrived in the Americas, where they and their children lived in slavery, and

WHEREAS, because slavery and the ideals upon which this country was founded were in direct conflict, the Civil War erupted and lasted 4 years, ultimately leading to hard-won change and the abolishment of slavery in the United States of America, which was recognized through the ratification of the 13th Amendment to the United States Constitution, and

WHEREAS, the Emancipation Proclamation was signed by President Abraham Lincoln on January 1, 1863, and, in 2024, Floridians celebrated the 161st anniversary of that declaration, which made enslaved people in all confederate states "free forever," and

WHEREAS, our nation has celebrated black history during the month of February since 1926, when Carter G. Woodson established Negro History Week, and

WHEREAS, the Civil Rights Movement of the 20th century began in an effort to correct the failures of Reconstruction and erase the remnants of slavery still evident in Jim Crow laws, in continued segregation in nearly every aspect of daily life, and in the persistence of second-class citizenship for African Americans, and

WHEREAS, nearly 61 years ago, in August 1963, the historic March on Washington for Jobs and Freedom, led by the late Reverend Dr. Martin Luther King, Jr., who delivered his now famous "I Have a Dream" speech on the steps of the Lincoln Memorial, was a catalyst for the passage of the Civil Rights Act of 1964, and

WHEREAS, as a testament to the strength of all African Americans throughout these struggles, we note the contributions to the political and social growth of American society of Sojourner Truth, Frederick Douglass, Harriet Tubman, Booker T. Washington, George Washington Carver, Carter G. Woodson, W.E.B. DuBois, Malcolm X, Dr. King, Fannie Lou Hamer, Thurgood Marshall, Barbara Jordan, Shirley Chisholm, Dorothy Height, and President Barack Obama, and

WHEREAS, we honor, particularly, the African Americans who are currently serving in this body and those who served before them: those who served from 1868-1887, during the Reconstruction era; and 95 years later, in 1982, when Senator Carrie P. Meek and Senator Arnett E. Girardeau became the first two post-Reconstruction African Americans elected, serving with distinction for 10 years when, in 1992, James T. Hargrett, Jr., Betty S. Holzendorf, Daryl L. Jones, Matthew Meadows, and William H. Turner were also elected, and

WHEREAS, the culture of the United States of America has been vitally enriched through the contributions of African-American musicians, artists, and writers, including Charlie Parker, Billie Holiday, Louis Armstrong, Duke Ellington, Count Basie, Dizzy Gillespie, Marian Anderson, Ella Fitzgerald, James DePreist, Leontyne Price, Andre Watts, Phyllis Wheatley, Langston Hughes, Richard Wright, James Baldwin, Alex Haley, Gwendolyn Brooks, Maya Angelou, Toni Morrison, Alice Walker, Rita Dove, Oprah Winfrey, Denzel Washington, Angela Bassett, Hill Harper, Anika Noni Rose, Jennifer Hudson, Beyoncé Knowles, Colson Whitehead, Robin Coste Lewis, Amanda Gorman, and Viola Davis, and

WHEREAS, African-American sports figures have demonstrated their ability to be role models on and off the field and in and out of the ring as they stood up for their rights and beliefs, and these legendary athletes include Jesse Owens, Arthur Ashe, Lee Roy Selmon, Freddie Solomon, Muhammad Ali, Venus and Serena Williams, Trayvon Bromell, Shaquem and Shaquill Griffin, and Florida native Robert “Bullet Bob” Hayes, the first athlete to earn both an Olympic Gold Medal and an NFL Super Bowl Ring, and

WHEREAS, the fields of medicine, science, and technology have all been advanced by the contributions of African-American men and women, including Dr. Daniel Hale Williams, George Washington Carver, Dr. Charles R. Drew, Garrett Morgan, and Dr. Mae C. Jemison, and

(2)(a) Private counsel shall be appointed to represent persons in those cases in which provision is made for court-appointed counsel but only after the office of criminal conflict and civil regional counsel has been appointed and has certified to the court in writing that the criminal conflict and civil regional counsel is unable to provide representation due to a conflict of interest. The criminal conflict and civil regional counsel shall report, in the aggregate, the specific basis of all conflicts of interest certified to the court. On a quarterly basis, the criminal conflict and civil regional counsel shall submit this information to the Justice Administrative Commission.

(3) In using a registry:

(a) The chief judge of the circuit shall compile a list of attorneys in private practice, by county and by category of cases, and provide the list to the clerk of court in each county. The chief judge of the circuit may

restrict the number of attorneys on the general registry list. To be included on a registry, an attorney must certify that he or she:

1. Meets any minimum requirements established by the chief judge and by general law for court appointment;

2. Is available to represent indigent defendants in cases requiring court appointment of private counsel; and

3. Is willing to abide by the terms of the contract for services, s. 27.5304, and this section.

To be included on a registry, an attorney must enter into a contract for services with the Justice Administrative Commission. Failure to comply with the terms of the contract for services may result in termination of the contract and removal from the registry. Each attorney on the registry is responsible for notifying the clerk of the court and the Justice Administrative Commission of any change in his or her status. Failure to comply with this requirement is cause for termination of the contract for services and removal from the registry until the requirement is fulfilled.

(5) The Justice Administrative Commission shall approve uniform contract forms for use in procuring the services of private court-appointed counsel and uniform procedures and forms for use by a court-appointed attorney in support of billing for attorney's fees, costs, and related expenses to demonstrate the attorney's completion of specified duties. Such uniform contracts and forms for use in billing must be consistent with s. 27.5304, s. 216.311, and the General Appropriations Act and must contain the following statement: "The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature."

(6) After court appointment, the attorney must immediately file a notice of appearance with the court indicating acceptance of the appointment to represent the defendant and of the terms of the uniform contract as specified in subsection (5).

(7)(a) A private attorney appointed by the court from the registry to represent a client is entitled to payment as provided in s. 27.5304 so long as the requirements of subsection (1) and paragraph (2)(a) are met. An attorney appointed by the court who is not on the registry list may be compensated under s. 27.5304 only if the court finds in the order of appointment that there were no registry attorneys available for representation for that case and only if the requirements of subsection (1) and paragraph (2)(a) are met.

(b1). The flat fee established in s. 27.5304 and the General Appropriations Act shall be presumed by the court to be sufficient compensation. The attorney shall maintain appropriate documentation, including contemporaneous and detailed hourly accounting of time spent representing the client. If the attorney fails to maintain such contemporaneous and detailed hourly records, the attorney waives the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act. These records and documents are subject to review by the Justice Administrative Commission and audit by the Auditor General, subject to the attorney-client privilege and work-product privilege. The attorney shall maintain the records and documents in a manner that enables the attorney to redact any information subject to a privilege in order to facilitate the commission's review of the records and documents and not to impede such review. The attorney may redact information from the records and documents only to the extent necessary to comply with the privilege. The Justice Administrative Commission shall review such records and shall contemporaneously document such review before authorizing payment to an attorney. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

2. If an attorney fails, refuses, or declines to permit the commission or the Auditor General to review documentation for a case as provided in this paragraph, the attorney waives the right to seek, and the commission may not pay, compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act for that case.

3. A finding by the commission that an attorney has waived the right to seek compensation in excess of the flat fee established in s. 27.5304 and the General Appropriations Act, as provided in this paragraph, shall be presumed to be correct, unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption.

Section 35. *The text of s. 27.40(1), (2)(a), (3)(a), (5), (6), and (7), Florida Statutes, as carried forward from chapter 2019-116, Laws of Florida, by this act, expires July 1, 2025, and the text of those subsections and paragraphs, as applicable, shall revert to that in existence on June 30, 2019, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.*

Section 36. In order to implement Specific Appropriations 779 through 801, 950 through 1093, and 1114 through 1149 of the 2024-2025 General Appropriations Act, and notwithstanding the expiration date in section 34 of chapter 2023-240, Laws of Florida, subsection (13) of section 27.5304, Florida Statutes, is reenacted and amended, and subsections (1), (3), (6), (7), and (11) and paragraphs (a) through (e) of subsection (12) of that section are reenacted, to read:

27.5304 Private court-appointed counsel; compensation; notice.—

(1) Private court-appointed counsel appointed in the manner prescribed in s. 27.40(1) and (2)(a) shall be compensated by the Justice Administrative Commission only as provided in this section and the General Appropriations Act. The flat fees prescribed in this section are limitations on compensation. The specific flat fee amounts for compensation shall be established annually in the General Appropriations Act. The attorney also shall be reimbursed for reasonable and necessary expenses in accordance with s. 29.007. If the attorney is representing a defendant charged with more than one offense in the same case, the attorney shall be compensated at the rate provided for the most serious offense for which he or she represented the defendant. This section does not allow stacking of the fee limits established by this section.

(3) The court retains primary authority and responsibility for determining the reasonableness of all billings for attorney fees, costs, and related expenses, subject to statutory limitations and the requirements of s. 27.40(7). Private court-appointed counsel is entitled to compensation upon final disposition of a case.

(6) For compensation for representation pursuant to a court appointment in a proceeding under chapter 39:

(a) At the trial level, compensation for representation for dependency proceedings shall not exceed \$1,450 for the first year following the date of appointment and shall not exceed \$700 each year thereafter. Compensation shall be paid based upon representation of a parent irrespective of the number of case numbers that may be assigned or the number of children involved, including any children born during the pendency of the proceeding. Any appeal, except for an appeal from an adjudication of dependency, shall be completed by the trial attorney and is considered compensated by the flat fee for dependency proceedings.

1. Counsel may bill the flat fee not exceeding \$1,450 following disposition or upon dismissal of the petition.

2. Counsel may bill the annual flat fee not exceeding \$700 following the first judicial review in the second year following the date of appointment and each year thereafter as long as the case remains under protective supervision.

3. If the court grants a motion to reactivate protective supervision, the attorney shall receive the annual flat fee not exceeding \$700 following the first judicial review and up to an additional \$700 each year thereafter.

4. If, during the course of dependency proceedings, a proceeding to terminate parental rights is initiated, compensation shall be as set forth in paragraph (b). If counsel handling the dependency proceeding is not authorized to handle proceedings to terminate parental rights, the counsel must withdraw and new counsel must be appointed.

(b) At the trial level, compensation for representation in termination of parental rights proceedings shall not exceed \$1,800 for the first

year following the date of appointment and shall not exceed \$700 each year thereafter. Compensation shall be paid based upon representation of a parent irrespective of the number of case numbers that may be assigned or the number of children involved, including any children born during the pendency of the proceeding. Any appeal, except for an appeal from an order granting or denying termination of parental rights, shall be completed by trial counsel and is considered compensated by the flat fee for termination of parental rights proceedings. If the individual has dependency proceedings ongoing as to other children, those proceedings are considered part of the termination of parental rights proceedings as long as that termination of parental rights proceeding is ongoing.

1. Counsel may bill the flat fee not exceeding \$1,800 30 days after rendition of the final order. Each request for payment submitted to the Justice Administrative Commission must include the trial counsel's certification that:

a. Counsel discussed grounds for appeal with the parent or that counsel attempted and was unable to contact the parent; and

b. No appeal will be filed or that a notice of appeal and a motion for appointment of appellate counsel, containing the signature of the parent, have been filed.

2. Counsel may bill the annual flat fee not exceeding \$700 following the first judicial review in the second year after the date of appointment and each year thereafter as long as the termination of parental rights proceedings are still ongoing.

(c) For appeals from an adjudication of dependency, compensation may not exceed \$1,800.

1. Counsel may bill a flat fee not exceeding \$1,200 upon filing the initial brief or the granting of a motion to withdraw.

2. If a brief is filed, counsel may bill an additional flat fee not exceeding \$600 upon rendition of the mandate.

(d) For an appeal from an adjudication of termination of parental rights, compensation may not exceed \$3,500.

1. Counsel may bill a flat fee not exceeding \$1,750 upon filing the initial brief or the granting of a motion to withdraw.

2. If a brief is filed, counsel may bill an additional flat fee not exceeding \$1,750 upon rendition of the mandate.

(7) Counsel eligible to receive compensation from the state for representation pursuant to court appointment made in accordance with the requirements of s. 27.40(1) and (2)(a) in a proceeding under chapter 384, chapter 390, chapter 392, chapter 393, chapter 394, chapter 397, chapter 415, chapter 743, chapter 744, or chapter 984 shall receive compensation not to exceed the limits prescribed in the General Appropriations Act. Any such compensation must be determined as provided in s. 27.40(7).

(11) It is the intent of the Legislature that the flat fees prescribed under this section and the General Appropriations Act comprise the full and complete compensation for private court-appointed counsel. It is further the intent of the Legislature that the fees in this section are prescribed for the purpose of providing counsel with notice of the limit on the amount of compensation for representation in particular proceedings and the sole procedure and requirements for obtaining payment for the same.

(a) If court-appointed counsel moves to withdraw prior to the full performance of his or her duties through the completion of the case, the court shall presume that the attorney is not entitled to the payment of the full flat fee established under this section and the General Appropriations Act.

(b) If court-appointed counsel is allowed to withdraw from representation prior to the full performance of his or her duties through the completion of the case and the court appoints a subsequent attorney, the total compensation for the initial and any and all subsequent attorneys may not exceed the flat fee established under this section and the General Appropriations Act, except as provided in subsection (12).

This subsection constitutes notice to any subsequently appointed attorney that he or she will not be compensated the full flat fee.

(12) The Legislature recognizes that on rare occasions an attorney may receive a case that requires extraordinary and unusual effort.

(a) If counsel seeks compensation that exceeds the limits prescribed by law, he or she must file a motion with the chief judge for an order approving payment of attorney fees in excess of these limits.

1. Before filing the motion, the counsel shall deliver a copy of the intended billing, together with supporting affidavits and all other necessary documentation, to the Justice Administrative Commission.

2. The Justice Administrative Commission shall review the billings, affidavit, and documentation for completeness and compliance with contractual and statutory requirements and shall contemporaneously document such review before authorizing payment to an attorney. If the Justice Administrative Commission objects to any portion of the proposed billing, the objection and supporting reasons must be communicated in writing to the private court-appointed counsel. The counsel may thereafter file his or her motion, which must specify whether the commission objects to any portion of the billing or the sufficiency of documentation, and shall attach the commission's letter stating its objection.

(b) Following receipt of the motion to exceed the fee limits, the chief judge or a single designee shall hold an evidentiary hearing. The chief judge may select only one judge per circuit to hear and determine motions pursuant to this subsection, except multicounty circuits and the eleventh circuit may have up to two designees.

1. At the hearing, the attorney seeking compensation must prove by competent and substantial evidence that the case required extraordinary and unusual efforts. The chief judge or single designee shall consider criteria such as the number of witnesses, the complexity of the factual and legal issues, and the length of trial. The fact that a trial was conducted in a case does not, by itself, constitute competent substantial evidence of an extraordinary and unusual effort. In a criminal case, relief under this section may not be granted if the number of work hours does not exceed 75 or the number of the state's witnesses deposed does not exceed 20.

2. Objections by or on behalf of the Justice Administrative Commission to records or documents or to claims for payment by the attorney shall be presumed correct by the court unless the court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption. The chief judge or single designee shall enter a written order detailing his or her findings and identifying the extraordinary nature of the time and efforts of the attorney in the case which warrant exceeding the flat fee established by this section and the General Appropriations Act.

(c) A copy of the motion and attachments shall be served on the Justice Administrative Commission at least 20 business days before the date of a hearing. The Justice Administrative Commission has standing to appear before the court, and may appear in person or telephonically, including at the hearing under paragraph (b), to contest any motion for an order approving payment of attorney fees, costs, or related expenses and may participate in a hearing on the motion by use of telephonic or other communication equipment. The Justice Administrative Commission may contract with other public or private entities or individuals to appear before the court for the purpose of contesting any motion for an order approving payment of attorney fees, costs, or related expenses. The fact that the Justice Administrative Commission has not objected to any portion of the billing or to the sufficiency of the documentation is not binding on the court.

(d) If the chief judge or a single designee finds that counsel has proved by competent and substantial evidence that the case required extraordinary and unusual efforts, the chief judge or single designee shall order the compensation to be paid to the attorney at a percentage above the flat fee rate, depending on the extent of the unusual and extraordinary effort required. The percentage must be only the rate necessary to ensure that the fees paid are not confiscatory under common law. The percentage may not exceed 200 percent of the established flat fee, absent a specific finding that 200 percent of the flat fee in the case would be confiscatory. If the chief judge or single designee de-

termines that 200 percent of the flat fee would be confiscatory, he or she shall order the amount of compensation using an hourly rate not to exceed \$75 per hour for a noncapital case and \$100 per hour for a capital case. However, the compensation calculated by using the hourly rate shall be only that amount necessary to ensure that the total fees paid are not confiscatory, subject to the requirements of s. 27.40(7).

(e) Any order granting relief under this subsection must be attached to the final request for a payment submitted to the Justice Administrative Commission and must satisfy the requirements of subparagraph (b)2.

(13) Notwithstanding the limitation set forth in subsection (5) and for the 2024-2025 ~~2023-2024~~ fiscal year only, the compensation for representation in a criminal proceeding may not exceed the following:

(a) For misdemeanors and juveniles represented at the trial level: \$1,000.

(b) For noncapital, nonlife felonies represented at the trial level: \$15,000.

(c) For life felonies represented at the trial level: \$15,000.

(d) For capital cases represented at the trial level: \$25,000. For purposes of this paragraph, a "capital case" is any offense for which the potential sentence is death and the state has not waived seeking the death penalty.

(e) For representation on appeal: \$9,000.

(f) This subsection expires July 1, 2025 ~~2024~~.

Section 46. In order to implement Specific Appropriation 2991 of the 2024-2025 General Appropriations Act, and notwithstanding the expiration date in section 43 of chapter 2023-240, Laws of Florida, subsection (3) of section 282.709, Florida Statutes, is reenacted to read:

282.709 State agency law enforcement radio system and interoperability network.—

(3) In recognition of the critical nature of the statewide law enforcement radio communications system, the Legislature finds that there is an immediate danger to the public health, safety, and welfare, and that it is in the best interest of the state to continue partnering with the system's current operator. The Legislature finds that continuity of coverage is critical to supporting law enforcement, first responders, and other public safety users. The potential for a loss in coverage or a lack of interoperability between users requires emergency action and is a serious concern for officers' safety and their ability to communicate and respond to various disasters and events.

(a) The department, pursuant to s. 287.057(10), shall enter into a 15-year contract with the entity that was operating the statewide radio communications system on January 1, 2021. The contract must include:

1. The purchase of radios;
2. The upgrade to the Project 25 communications standard;
3. Increased system capacity and enhanced coverage for system users;
4. Operations, maintenance, and support at a fixed annual rate;
5. The conveyance of communications towers to the department; and
6. The assignment of communications tower leases to the department.

(b) The State Agency Law Enforcement Radio System Trust Fund is established in the department and funded from surcharges collected under ss. 318.18, 320.0802, and 328.72. Upon appropriation, moneys in the trust fund may be used by the department to acquire the equipment, software, and engineering, administrative, and maintenance services it needs to construct, operate, and maintain the statewide radio system. Moneys in the trust fund from surcharges shall be used to help fund the costs of the system. Upon completion of the system, moneys in the trust fund may also be used by the department for payment of the recurring maintenance costs of the system.

Section 47. The text of s. 282.709(3), Florida Statutes, as carried forward from chapter 2021-37, Laws of Florida, by this act, expires July 1, 2025, and the text of that subsection shall revert to that in existence on June 1, 2021, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section.

Section 48. Section 15. Subsection (10) of section 1011.80, Florida Statutes, is amended to read:

1011.80 Funds for operation of workforce education programs.—

(10) A high school student dually enrolled under s. 1007.271 in a workforce education program operated by a Florida College System institution or school district career center generates the amount calculated for workforce education funding, including any payment of performance funding, and the proportional share of full-time equivalent enrollment generated through the Florida Education Finance Program for the student's enrollment in a high school. If a high school student is dually enrolled in a Florida College System institution program, including a program conducted at a high school, the Florida College System institution earns the funds generated for workforce education funding, and the school district earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a career center operated by the same district as the district in which the student attends high school, that district earns the funds generated for workforce education funding and also earns the proportional share of full-time equivalent funding from the Florida Education Finance Program. If a student is dually enrolled in a workforce education program provided by a career center operated by a different school district, the funds must be divided between the two school districts proportionally from the two funding sources. A student may not be reported for funding in a dual enrollment workforce education program unless the student has completed the basic skills assessment pursuant to s. 1004.91. A student who is coenrolled in a K-12 education program and an adult education program may be reported for purposes of funding in an adult education program. If a student is coenrolled in ~~core-curricula~~ courses for credit recovery or dropout prevention purposes and does not have a pattern of excessive absenteeism or habitual truancy or a history of disruptive behavior in school, the student may be reported for funding for up to ~~four~~ ~~two~~ courses per year. Such a student is exempt from the payment of the block tuition for adult general education programs provided in s. 1009.22(3)(c). ~~The Department of Education shall develop a list of courses to be designated as core-curricula courses for the purposes of coenrollment.~~

Section 16. Section 1011.804, Florida Statutes, is created to read:

(1) A GATE Program Student Success Incentive Fund is created to reward school districts and Florida College System institutions for the documented success of students participating in the GATE Program established under s. 1004.933.

(2) As used in this section, the term "institution" means a school district career center established under s. 1001.44, a charter technical career center established under s. 1002.34, or a Florida College System institution identified in s. 1000.21, which offers the GATE Program pursuant to s. 1004.933.

(3) Subject to legislative appropriation, each participating institution must receive an allocation based on the performance of students in its GATE Program according to the following metrics:

(a) The number of students obtaining a standard high school diploma or high school equivalency diploma while participating in the program.

(b) The number of postsecondary industry certifications or other program completion credentials earned by students participating in the program. Eligible industry certifications must be identified on the CAPE Industry Certification Funding List approved by the State Board of Education under s. 1008.44.

(c) Unless otherwise specified in the General Appropriations Act, each institution must be provided \$750 per student described in paragraph (a) and \$1,000 per student earning certificates or credentials as provided in paragraph (b).
