PRAYER

The following prayer was offered by Senator Fine:

It’s a good thing I brought my kippah up this morning. Thank you, President Passidomo for the suggestion to President Albritton that we do this unexpectedly.

I usually am not at a loss for words—we’ll see what happens today. Obviously, I was asked to do this because as Senator Berman talked about, it is the 80th year since Auschwitz was liberated. The Holocaust is unique among genocides for one reason. Typically, in an area where one group wants to exterminate another, they say we want to get rid of every person that looks like, or sounds like, or appears like in this particular area. But the Nazis were different—they didn’t just say we want to exterminate Jews in Germany. They had a plan to go around the world and find them wherever they were. It wasn’t enough to get rid of them where they lived. They were going to go everywhere.

Today, we find ourselves in the midst of an attempted second Holocaust where there are people in this country that are afraid to wear what I’m wearing right now; where there are people who wish to create a second Holocaust; and where there is a baby 10 hours away who’s never celebrated a birthday outside of captivity and terrorism. So, today I ask you to pray not only for the victims of that Holocaust 80 years ago, but for the victims of the new Holocaust that people are trying to create right now, and I ask you to pray that when we say “never again,” that we mean “never again.” I ask you to join me in saying, Amen.

PLEDGE

Senator Burgess led the Senate in the Pledge of Allegiance to the flag of the United States of America.

By direction of the President, the Secretary read the following proclamation:

MESSAGES FROM THE GOVERNOR AND OTHER EXECUTIVE COMMUNICATIONS

VETOED BILLS 2024 REGULAR SESSION

Secretary Cord Byrd
Secretary of State
R.A. Gray Building
500 South Bronough Street
Tallahassee, Florida 32399

June 25, 2024

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby veto and transmit my objection to Committee Substitute for Senate Bill 62 (CS/SB 62), enacted during the 126th Session of the Legislature of Florida during the Regular Session 2024 and entitled:

An act relating to Resident Status for Tuition Purposes

Florida's higher education system has ranked #1 in the country for nearly a decade, in part due to the state's investment in our institutions over that same period. We should not reward criminal activity by providing inmates with the same benefits as law-abiding citizens.

For these reasons, I withhold my approval of CS/SB 62 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

The bill, together with the Governor's objections thereto, was referred to the Committee on Rules.

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby veto and transmit my objection to Committee Substitute for Senate Bill 280 (CS/SB 280), enacted during the 126th Session of the Legislature of Florida during the Regular Session 2024 and entitled:

An act relating to Vacation Rentals

Beyond creating new bureaucratic red tape that locals must comply with, CS/SB 280 prevents local governments from enforcing existing ordinances or passing any new local measure which would exclusively apply to vacation rentals. Under the bill, any such measure must apply to all residential properties. The effect of this provision will prevent virtually all local regulation of vacation rentals even though the vacation rental markets are far from uniform across the various regions of the state.

Going forward, I encourage the Florida Legislature and all key stakeholders to work together, with the understanding that vacation rentals should not be approached as a one-size-fits-all issue.

For these reasons, I withhold my approval of CS/SB 280 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

The bill, together with the Governor's objections thereto, was referred to the Committee on Rules.

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby veto and transmit my objection to Committee Substitute for Senate Bill 494 (CS/CS/SB 494), enacted during the 126th Session of the Legislature of Florida during the Regular Session 2024 and entitled:

An act relating to Graduate Program Admissions

Standardized tests are a necessary component of a rigorous, merit-based admissions process. While the motivation behind this legislation is laudable, it is not clear that waiving these tests will be beneficial to our institutions or even, in many cases, to the students themselves.

For these reasons, I withhold my approval of CS/CS/SB 494 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby veto and transmit my objection to Senate Bill 1078 (SB 1078), enacted during the 126th Session of the Legislature of Florida during the Regular Session 2024 and entitled:

An act relating to Public Records

SB 1078 exempts the cellular telephone number of all insurance agents; agencies; adjusters, including public adjusters; service representatives; amongst other licensees that are submitted to the Department of Financial Services as part of the licensure process. Florida's insurance market is becoming increasingly competitive and hurricane season is upon us; it is not clear how this special exemption would serve the public interest.

For these reasons, I withhold my approval of SB 1078 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby veto and transmit my objections to Committee Substitute for Senate Bill 1082 (CS/SB 1082), enacted during the 126th Session of the Legislature of Florida during the Regular Session of 2024 and entitled:

An act relating to Housing for Legally Verified Agricultural Workers

CS/SB 1082 prohibits local governments from inhibiting the construction and installation of housing on farms for agriculture workers. The bill's terms apply to legal migrant farm workers, but the bill does not include the means to enforce this limitation and could pave the way for housing of illegal alien workers. Additionally, local governments currently have the ability to establish uniform guidelines and standards through their zoning ordinances which best suit each agricultural community.

For these reasons, I withhold my approval of CS/SB 1082 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

June 7, 2024

Dear Secretary Byrd:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Florida Constitution, I do hereby veto and transmit my objection to Senate Bill 1698, enacted during the 126th Session of the Legislature of Florida during the Regular Session 2024 and entitled:

An act relating to Food and Hemp Products

As hemp production and use continue to increase, we must ensure that such products are safe and that adequate measures exist to protect children. Last year, I signed Senate Bill 1676, which instituted a series of consumer protections related to the sale of hemp products. Florida Law now prohibits the sale of hemp products to anyone under 21, prohibits the sale or distribution of products found to be mislabeled or attractive to children, requires all hemp processing facilities to meet food safety and sanitation standards, and provides a potency cap on all products containing hemp extract.

Small businesses are the cornerstone of Florida's economy. While Senate Bill 1698's goals are commendable, the bill would, in fact, impose debilitating regulatory burdens on small businesses and almost certainly fail to achieve its purposes. Senate Bill 1698 would introduce dramatic disruption and harm to many small retail and manufacturing businesses in Florida - businesses that have emerged due to recent legislation paving the way for the commercial use of hemp.

I encourage the Florida Legislature to reconsider this topic during the next Legislative Session and engage with all relevant stakeholders to create a comprehensive regulatory framework for the manufacture and sale of hemp and hemp-derived products. Sensible, non-arbitrary regulation will provide businesses and consumers alike with much-needed stability- safeguarding public health and safety, allowing legitimate industry to flourish, and removing bad actors from the market.

When it resumes its work on this topic, I encourage the Legislature to consider the following: *Quality control*. The Legislature should set standards for cultivation, processing, and handling of hemp products to ensure the purity, potency, and safety of hemp and hemp derived products. This would include random, unannounced inspections, standardized and repeated testing, and dosing, packaging, and unit purchase caps that better correspond to the character of the products and their intoxicating capabilities. Upon review, Senate Bill 1698's effort to address those limitations misses the mark. Additionally, the Legislature should establish record-keeping requirements for sellers and suppliers of hemp products.

Labeling, Marketing, and Packaging. The Legislature should develop guidelines for accurate labeling, including cannabinoid content, sourcing information, health claims, and dosing instructions. Packaging should- by default-be child-resistant, and any and all advertising that makes these products attractive to minors should be prohibited.

Retail Sales. The Legislature should ensure that hemp-derived cannabinoids are sold behind the counter and that hemp retail shops operate outside sufficient proximities from schools, religious institutions, and other areas where children and families regularly gather. These shops should not present themselves as medical offices, and the Legislature should consider measures to prevent the ubiquity and concentration of these retail locations in communities across the State.

In the meantime, I encourage the Florida Department of Agriculture and Consumer Services to continue using its full, existing authority to root out products that violate Florida law.

For these reasons, I withhold my approval of SB 1698 and do hereby veto the same.

Sincerely,

Ron DeSantis
Governor

The bill, together with the Governor's objections thereto, was referred to the Committee on Rules.
