

## **CS/CS/SB 1412 — Obsolete or Outdated Agency Plans, Reports, and Programs**

by Policy and Steering Committee on Ways and Means; Governmental Oversight and Accountability Committee; and Senator Haridopolos

This bill modifies or deletes numerous specific agency program, planning, and reporting requirements. The bill generally deletes outdated agency reporting requirements and obsolete plans or commissions. This is largely a statutory “cleanup” that removes sections of law that have already, in practice, lapsed.

If approved by the Governor, these provisions take effect upon becoming law.
