

## **CS/SB 1730 — Biodiesel Fuel**

by Higher Education Committee and Senators Oelrich and Crist

This bill provides an exemption from fuel tax for biodiesel fuel manufactured by a public or private secondary school. To qualify, the school must produce less than 1,000 gallons annually for the exclusive purpose of school use by employees or students. Qualifying schools are exempt from fuel tax registration requirements.

If approved by the Governor, these provisions take effect July 1, 2010.
