

## **HB 7113 — Open Government Sunset Review/Child Abuse Death Review Committee**

by Governmental Affairs Policy Committee and Rep. McBurney (CS/SB 920 by Health Regulation Committee)

The bill saves from scheduled repeal under the Open Government Sunset Review Act, the exemption from the Public Records and Meetings Laws for information that reveals the identity of household members of a deceased child whose death is under review and that is held by the State Child Abuse Death Review Committee or local panels or committees and portions of meetings at which such information would be revealed.

If approved by the Governor, these provisions take effect October 1, 2010.
