

CS/SB 2374 — State Group Insurance Program

by Policy and Steering Committee on Ways and Means; and Senator Alexander

The bill, relating to the state employees group insurance program:

- Directs the Department of Management Services to competitively procure postpayment claims review services and dependent eligibility verification services for the state group insurance program,
- Places requirements on the department regarding contract renewals with health maintenance organizations for the 2011 calendar year, and
- Requires the department to submit specified health plan information to the Legislature as well as recommendations for contracting with health maintenance organizations.

If approved by the Governor, these provisions take effect July 1, 2010.

Vote: Senate 39-0; House 95-20
