Direct our paths that we may serve each other in humility of spirit. We ask this morning that you protect our sons and daughters who are serving in our armed services and those prisoners who have been taken captive. SR 33-2X—A resolution to the Florida State Turnpike Authority requesting a feasibility study for an extension of Florida's Turnpike from West Palm Beach to Belle Glade and South Bay.

Whereas, Florida State Road 80 between metropolitan West Palm Beach and the Lake Okeechobee agricultural area has in recent years gained the reputation of the deadliest stretch of highway in the nation; and

Whereas, an accident rate of more than seven times the national average has claimed more than 74 lives on Florida State Road 80 in the past four years; and

Whereas, this hazardous roadway is bordered by narrow shoulders and deep canals which provide little opportunity for drivers to pull off the road or take evasive action to avoid an impending collision; and

Whereas, Florida State Road 80 provides the only direct access route between two of Florida's fastest growing areas for the numerous tourists, school children, farm workers and other residents who must use it daily, often against their best judgment; and

Whereas, the early construction of a modern four lane highway is the only way to adequately correct this critical situation; Now, Therefore,

Be It Resolved by the Senate of the State of Florida:

That the Florida State Turnpike Authority be and is hereby requested to conduct a feasibility study of extending Florida's Turnpike from the present West Palm Beach interchange to Belle Glade, Florida, and that the Authority also conduct a feasibility study of further extending Florida's Turnpike from Belle Glade, Florida to connect with the presently four-laned portion of Florida State Road 80 at South Bay, Florida.

Be it Further Resolved that the Florida State Turnpike Authority be and is hereby requested to conduct these feasibility studies at the earliest possible date in the interests of the preservation of life and property.

Be it Further Resolved that copies of this resolution be dispatched to the chairman and each member of the Florida State Turnpike Authority and to the Governor of the State of Florida.

LOCAL GOVERNMENT

Section 1. COUNTIES.—

(a) **POLITICAL SUBDIVISIONS.** The state shall be divided by law into political subdivisions called counties. Counties may be created, abolished or changed by law, with provision for payment or apportionment of the public debt.

(b) **COUNTY FUNDS.** The care, custody and method of disbursing county funds shall be provided by general law.

(c) **GOVERNMENT.** Pursuant to general or special law, a county government may be established by charter which shall be adopted, amended or repealed only upon vote of the electors of the county in a special election called for that purpose.

(d) **COUNTY OFFICERS.** There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a tax assessor, a supervisor of elections, and a clerk of the circuit court; except, when provided by county charter or special law approved by vote of the electors of the county, any county officer may be chosen in another manner therein specified, or any county office may be abolished when all the duties of the office prescribed by general law are transferred to another office. When not otherwise provided by county charter or special law approved by vote of the electors, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds.

(e) **COMMISSIONERS.** Except when otherwise provided by county charter, the governing body of each county shall be a board of county commissioners composed of five members serving staggered terms of four years. After each decennial census the board of county commissioners shall divide the county into districts of contiguous territory as nearly equal in population as practicable. One commissioner residing in each district shall be elected by the electors of the county.

(f) **NON-CHARTER GOVERNMENT.** Counties not operating under county charters shall have such power of self-government as is provided by general or special law. The board of county commissioners of a county not operating under a charter may enact, in a manner prescribed by general law, county ordinances not inconsistent with general or special law, but an ordinance in conflict with a municipal ordinance shall not be effective within the municipality to the extent of such conflict.

(g) **CHARTER GOVERNMENT.** Counties operating under county charters shall have all powers of local self-government not inconsistent with general law, or with special law approved by vote of the electors. The governing body of a county operating under a charter may enact county ordinances not inconsistent with general law. The charter shall provide which shall prevail in the event of conflict between county and municipal ordinances.

(h) **TAXES—LIMITATION.** Property situate within municipalities shall not be subject to taxation for services rendered by the county exclusively for the benefit of the property or residents in unincorporated areas.

(i) COUNTY ORDINANCES. Each county ordinance shall be filed with the secretary of state and shall become effective at such time thereafter as is provided by general law.

(j) VIOLATION OF ORDINANCES. Persons violating county ordinances shall be prosecuted and punished as provided by law.

(k) COUNTY SEAT. In every county there shall be a county seat at which shall be located the principal offices and permanent records of all county officers. The county seat may not be moved except as provided by general law. Branch offices for the conduct of county business may be established elsewhere in the county by resolution of the governing body of the county in the manner prescribed by law. No instrument shall be deemed recorded in the county until filed at the county seat according to law.

Section 2. MUNICIPALITIES.—

(a) ESTABLISHMENT. Municipalities may be established or abolished and their charters amended pursuant to general or special law. When any municipality is abolished, provision shall be made for the protection of its creditors.

(b) POWERS. Municipalities shall have governmental, corporate and proprietary powers to enable them to conduct municipal government, perform municipal functions and render municipal services, and may exercise any power for municipal purposes except as otherwise provided by law. Each municipal legislative body shall be elective.

(c) ANNEXATION. Municipal annexation of unincorporated territory, merger of municipalities, and exercise of extra-territorial powers by municipalities shall be as provided by general or special law.

Section 3. CONSOLIDATION.—The government of a county and the government of one or more municipalities located therein may be consolidated into a single government which may exercise any and all powers of the county and the several municipalities. The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit from the facility or service for which the indebtedness was incurred.

Section 4. TRANSFER OF POWERS.—By law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

Section 5. LOCAL OPTION.—Local option on the legality or prohibition of the sale of intoxicating liquors, wines or beers shall be preserved to each county. The status of a county with respect thereto shall be changed only by vote of the electors in a special election called upon the petition of twenty-five per cent of the electors of the county, and not sooner than two years after an earlier election on the same question. Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.

Section 6. SCHEDULE.—

(a) This article shall replace all of Article VIII of the Constitution of 1885, as amended, except those sections expressly retained and made a part of this article by reference.

(b) COUNTIES—COUNTY SEATS—MUNICIPALITIES—DISTRICTS. The status of the following items as they exist on the date this article becomes effective is recognized and shall be continued until changed in accordance with law: the counties of the state; their status with respect to the legality of the sale of intoxicating liquors, wines and beers; the method of selection of county officers; the performance of municipal functions by county officers; the county seats; and the municipalities and special districts of the state, their powers, jurisdiction and government.

(c) OFFICERS TO CONTINUE IN OFFICE. Every person holding office when this article becomes effective shall

continue in office for the remainder of the term if that office is not abolished. If the office is abolished the incumbent shall be paid adequate compensation, to be fixed by law, for the loss of emoluments for the remainder of the term.

(d) ORDINANCES. Local laws relating only to unincorporated areas of a county on the effective date of this article may be amended or repealed by county ordinance.

(e) CONSOLIDATION AND HOME RULE. Article VIII, Sections 9, 10, 11 and 24, of the Constitution of 1885, as amended, shall remain in full force and effect as to each county affected, as if this article had not been adopted, until that county shall expressly adopt a charter or home rule plan pursuant to this article. All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to Article VIII, Section 11, of the Constitution of 1885, as amended, shall be valid, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said Article VIII, Section 11, of the Constitution of 1885, as amended.

(f) DADE COUNTY—POWERS CONFERRED UPON MUNICIPALITIES. To the extent not inconsistent with the powers of existing municipalities or general law, the Metropolitan Government of Dade County may exercise all the powers conferred now or hereafter by general law upon municipalities.

(g) DELETION OF OBSOLETE SCHEDULE ITEMS. The legislature shall have power, by joint resolution, to delete from this article any subsection of this Section 6, including this subsection, when all events to which the subsection to be deleted is or could become applicable have occurred.
