HOW TO FIND OR TRACE A BILL, RESOLUTION OR MEMORIAL

When the bill, resolution or memorial number is unknown, use the:

SUBJECT INDEX OF SENATE AND HOUSE BILLS, RESOLUTIONS AND MEMORIALS.

The subject matter of each bill is indexed and cross-indexed in an alphabetical arrangement, using topics of catchwords related closely to the subject matter. This is followed by the number of the bill, resolution or memorial.

When the bill, resolution or memorial number is known, use the:

NUMERICAL INDICES OF SENATE AND HOUSE BILLS, RESOLUTIONS AND MEMORIALS.

Each bill is listed in numerical order. Opposite each bill number is the subject, the name of introducer, the page numbers where the bill involved appears in the journal, and the final status of the bill.

Tracing all Senate and House Actions

It is possible to trace the progress of legislation from introduction to final disposition, step by step, as it is recorded on the various pages of the Senate Journal by looking at the pages referred to in the numerical index.

To follow the progress of Senate legislation passed by the Senate and sent to the House, use the indices contained in the House Journal to trace House action.
