## PRAYER

The following prayer was offered by Rev. J. Walter Cross, Naples:

Eternal God, unto whom all hearts are open, all desires known, and from whom no secrets are hid, we offer unto you our thanksgiving for blessing upon blessing, more than we can number, far greater than we can express. We thank you for work to do and the ability and resources by which to accomplish it, and for all of the surroundings of our lives that make it desirable and enjoyable. In your grace receive us, of your goodness give us, and by your spirit guide us in the work before us this day.

Show to these, who have been chosen to represent the people of Florida, that life is ever on the side of the future. Keep alive, during the deliberations of this body, the forward look, the high hope, and the upward pull. Let them not be frozen by either the glories of the past or the perplexities of the present. Endow them with right understanding, pure purpose, and sound reasoning which will lead to the selection of options that prove beneficial to all. In the midst of conflicting ideas and opinions, positions and philosophies, enhance their determination to govern wisely and well.

Enable those in positions of leadership to perform their several duties with such care and diligence that their efforts may be beyond reproach. Inspire them with the quality of service that reflects humility, which brings forth truth, and results in peace and prosperity.

We commend to your care, O God, all those who are near and dear to these Senators wherever they may be today. Watch over them, provide for them, and bless them in body, mind and spirit.

And forasmuch as the needful business of this session is apt to steal from the hearts of these members the joy of service, pour out upon them your spirit that they may rejoice and be glad all the day. For we ask this to the honor and glory of your name. Amen

## PLEDGE

Senate Pages Erica Knowles of Opalocka and Nicole Williams of Orange Park, led the Senate in the pledge of allegiance to the flag of the United States of America.

The Comptroller shall issue two warrants on the Treasurer in each case, the sum of which shall be the amount due each of such counties from the fund. One warrant shall be payable to the county for the county general road fund, and one warrant, of equal amount, shall be payable to such county's district school board for the district school fund.

(3) In the event that actual figures of receipts from different reserves cannot be obtained by counties, so as to fully comply with subsections (1) and (2), the Comptroller may adjust the matter according to the United States statutes, or as may appear to him or her to be just and fair, and with the approval of all counties in interest.

(4) The moneys that may be received and credited to the *Federal Use of State Lands National Forest Trust Fund* are appropriated for the payment of the warrants of the Comptroller drawn on the Treasurer in pursuance of this section.

—a companion measure, was substituted for **SB 638** and read the second time by title.

Senator Casas moved the following amendment which was adopted:

**Amendment 1 (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. (1) *The Sewage Treatment Revolving Loan Fund within the Department of Environmental Protection, FLAIR number 37-2-661, which was created by section 403.1835, Florida Statutes, and which is to be terminated pursuant to Section 19(f), Article III of the State Constitution on November 4, 2000, is re-created and renamed the Wastewater Treatment and Stormwater Management Revolving Loan Trust Fund.*

(2) *All current balances of the fund are carried forward, and all current sources and uses of the fund are continued.*

Section 2. Paragraph (a) of subsection (9) and subsection (10) of section 403.1835, Florida Statutes, 1998 Supplement, are amended to read:

403.1835 Sewage treatment facilities revolving loan program.—

(9) Funds for the loans and grants authorized under this section must be managed as follows:

(a) A nonlapsing trust fund with revolving loan provisions to be known as the "~~Wastewater~~ Sewage Treatment and Stormwater Management Revolving Loan Trust Fund" is hereby established in the State Treasury to be used as a revolving fund by the department to carry out the purpose of this section. Any funds therein which are not needed on an immediate basis for loans may be invested pursuant to s. 215.49. The cost of administering the program shall be paid from federal funds, from reasonable service fees that may be imposed upon loans, and from proceeds from the sale of loans as permitted by federal law so as to enhance program perpetuity. Grants awarded by the Federal Government, state matching funds, and investment earnings thereon shall be deposited into the fund. Proceeds from the sale of loans must be deposited into the fund. All moneys available in the fund, including investment earnings, are hereby designated to carry out the purpose of this section. The principal and interest payments of all loans held by the fund shall be deposited into this fund.

(10) Because the Legislature has experienced revenue shortfalls in recent years and has been unable to provide enough funds to fully match available federal funds to help capitalize the ~~Wastewater~~ Sewage Treatment and Stormwater Management Revolving Loan Trust Fund, it is necessary for innovative approaches to be considered to help capitalize the revolving loan fund. The department shall evaluate potential innovative approaches that can generate funds to match available federal funds. The department may adopt approaches that will help ensure the continuing viability of the ~~Wastewater~~ Sewage Treatment and Stormwater Management Revolving Loan Trust Fund. The department shall consider, among other possible alternatives, the option of implementing by rule a program to allow local governments to offer funds voluntarily to the state for use as a match to available federal funds to capitalize the state sewage treatment revolving loan fund.

Section 3. Section 403.1836, Florida Statutes, is amended to read:

403.1836 ~~Wastewater~~ Sewage Treatment and Stormwater Management Revolving Loan Trust Fund; stormwater management system construction.—~~Each Beginning in fiscal year 1998-1999,~~ the Department of Environmental Protection shall make available up to 10 percent of the annual revenue received in the ~~Wastewater~~ Sewage Treatment and Stormwater Management Revolving Loan Trust Fund for loans to local governmental agencies for constructing stormwater management systems authorized pursuant to s. 403.1835. During this period of time, if the department does not receive requests for projects to use the funds available for stormwater management systems, such funds shall be used for

constructing sewage treatment facilities and other activities authorized by s. 403.1835.

Section 4. This act shall take effect November 4, 2000.

And the title is amended as follows:
