**Senate Proposed Alternative Conforming Bill Language Relating  
to the Upcoming Mid-Cycle Math Adoption:**

For the 2012-2013 mathematics adoption, a district currently using a comprehensive mathematics instructional materials program adopted in the 2009-2010 adoption shall be deemed in compliance with this subsection if it provides each student with such additional state-adopted materials as may be necessary to align that previously-adopted comprehensive program to Common Core standards and the other criteria of the 2012-2013 mathematics adoption.
