(1) *For the 2018-2019 fiscal year, charter school capital outlay funding shall consist of revenue resulting from the discretionary millage authorized in s. 1011.71(2) and state funds when such funds are appropriated in the 2018-2019 General Appropriations Act. Beginning in fiscal year 2019-2020, charter school capital outlay funding shall consist of state funds when such funds are appropriated in the General Appropriations Act and revenue resulting from the discretionary millage authorized in s. 1011.71(2) if the amount of state funds appropriated for charter school capital outlay in any fiscal year is less than the average charter school capital outlay funds per unweighted full-time equivalent student for the 2018-2019 fiscal year, multiplied by the estimated number of charter school students for the applicable fiscal year, and adjusted by changes in the Consumer Price Index issued by the United States Department of Labor from the previous fiscal year. Nothing in this subsection prohibits a school district from distributing to charter schools funds resulting from the discretionary millage authorized in s. 1011.71(2).*

(a) To be eligible to receive capital outlay funds, a charter school must:

- 1.a. Have been in operation for 2 or more years;
 - b. Be governed by a governing board established in the state for 2 or more years which operates both charter schools and conversion charter schools within the state;
 - c. Be an expanded feeder chain of a charter school within the same school district that is currently receiving charter school capital outlay funds;

 4. Have received final approval from its sponsor pursuant to s. 1002.33 for operation during that fiscal year.
 5. Serve students in facilities that are not provided by the charter school's sponsor.

(b) A charter school is not eligible to receive capital outlay funds if it was created by the conversion of a public school and operates in facilities provided by the charter school's sponsor for a nominal fee, or at no charge, or if it is directly or indirectly operated by the school district.

(3) If the school board levies the discretionary millage authorized in s. 1011.71(2), and the state funds appropriated for charter school capital outlay in any fiscal year are less than the average charter school capital outlay funds per unweighted full-time equivalent student for the 2018-2019 fiscal year, multiplied by the estimated number of charter school students for the applicable fiscal year, and adjusted by changes in the Consumer Price Index issued by the United States Department of Labor from the previous fiscal year, the department shall use the following calculation methodology to determine the amount of revenue that a school district must distribute to each eligible charter school:

(a) Reduce the total discretionary millage revenue by the school district's annual debt service obligation incurred as of March 1, 2017, which has not been subsequently retired, and any amount of participation requirement pursuant to s. 1013.64(2)(a)8. that is being satisfied by revenues raised by the discretionary millage.

(b) Divide the school district's adjusted discretionary millage revenue by the district's total capital outlay full-time equivalent membership and the total number of unweighted full-time equivalent students of each eligible charter school to determine a capital outlay allocation per full-time equivalent student.

(c) Multiply the capital outlay allocation per full-time equivalent student by the total number of full-time equivalent students of each eligible charter school to determine the capital outlay allocation for each charter school.

(d) If applicable, reduce the capital outlay allocation identified in paragraph (c) by the total amount of state funds allocated to each eligible charter school in subsection (2) to determine the maximum calculated capital outlay allocation.

(e) School districts shall distribute capital outlay funds to charter schools no later than February 1 of each year, as required by this subsection, based on the amount of funds received by the district school board, ~~beginning on February 1, 2018, for the 2017-2018 fiscal year.~~ School districts shall distribute any remaining capital outlay funds, as required by this subsection, upon the receipt of such funds until the total amount calculated pursuant to this subsection is distributed.

By October 1 of each year, each school district shall certify to the department the amount of debt service and participation requirement that complies with the requirement of paragraph (a) and can be reduced from the total discretionary millage revenue. The Auditor General shall verify compliance with the requirements of paragraph (a) and s. 1011.71(2)(e) during scheduled operational audits of school districts.

(5) If a charter school is nonrenewed or terminated, any unencumbered funds and all equipment and property purchased with district public funds shall revert to the ownership of the district school board, as provided for in s. 1002.33(8)(d) and (e) ~~s. 1002.33(8)(e) and (f).~~ In the case of a charter lab school, any unencumbered funds and all equipment and property purchased with university public funds shall revert to the ownership of the state university that issued the charter. The reversion of such equipment, property, and furnishings shall focus on recoverable assets, but not on intangible or irrecoverable costs such as rental or leasing fees, normal maintenance, and limited renovations. The reversion of all property secured with public funds is subject to the complete satisfaction of all lawful liens or encumbrances. If there are additional local issues such as the shared use of facilities or partial ownership of facilities or property, these issues shall be agreed to in the charter contract prior to the expenditure of funds.

Section 44. *For the 2018-2019 fiscal year, the sum of \$13,750,000 in recurring funds from the General Revenue Fund and the sum of \$850,000 in nonrecurring funds from the General Revenue Fund are appropriated to the Department of Education to implement this act, except as provided in this section. Section 1. Paragraph (b) of subsection (13) of section 121.091, Florida Statutes, is amended to read:

121.091 Benefits payable under the system.—Benefits may not be paid under this section unless the member has terminated employment as provided in s. 121.021(39)(a) or begun participation in the Deferred Retirement Option Program as provided in subsection (13), and a proper application has been filed in the manner prescribed by the department. The department may cancel an application for retirement benefits when the member or beneficiary fails to timely provide the information and documents required by this chapter and the department's rules. The department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application when the required information or documents are not received.

(13) DEFERRED RETIREMENT OPTION PROGRAM.—In general, and subject to this section, the Deferred Retirement Option Program, hereinafter referred to as DROP, is a program under which an eligible member of the Florida Retirement System may elect to participate, deferring receipt of retirement benefits while continuing employment with his or her Florida Retirement System employer. The deferred monthly benefits shall accrue in the Florida Retirement System on behalf of the member, plus interest compounded monthly, for the specified period of the DROP participation, as provided in paragraph (c). Upon termination of employment, the member shall receive the total DROP benefits and begin to receive the previously determined normal retirement benefits. Participation in the DROP does not guarantee employment for the specified period of DROP. Participation in DROP by an eligible member beyond the initial 60-month period as authorized in this subsection shall be on an annual contractual basis for all participants.

(b) *Participation in DROP.*—Except as provided in this paragraph, an eligible member may elect to participate in DROP for a period not to exceed a maximum of 60 calendar months.

1.a. An eligible member may elect to participate in DROP for a period not to exceed a maximum of 60 calendar months. However, members who are instructional personnel employed by the Florida School for the Deaf and the Blind and authorized by the Board of Trustees of the Florida School for the Deaf and the Blind, who are instructional personnel as defined in s. 1012.01(2)(a)-(d) in grades K-12 and authorized by the district school superintendent, or who are instructional personnel as defined in s. 1012.01(2)(a) employed by a developmental research school and authorized by the school's director, or if the school has no director, by the school's principal, may participate in DROP for up to 36 calendar months beyond the 60-month period. *Effective July 1, 2018, instructional personnel who are authorized to extend DROP participation beyond the 60-month period must have a termination date that is the last day of the last calendar month of the school year within the DROP extension granted by the employer. If, on July 1, 2018, the member's DROP participation has already been extended for the maximum 36 calendar months and the extension period concludes before the end of the school year, the member's DROP participation may be extended through the last day of the last calendar month of that school year. The employer shall notify the division of the change in termination date and the additional period of DROP participation for the affected instructional personnel.*

b. *Administrative personnel in grades K-12, as defined in s. 1012.01(3), who have a DROP termination date on or after July 1, 2018, may be authorized to extend DROP participation beyond the initial 60*

calendar month period if the administrative personnel's termination date is before the end of the school year. Such administrative personnel may have DROP participation extended until the last day of the last calendar month of the school year in which their original DROP termination date occurred if a date other than the last day of the last calendar month of the school year is designated. The employer shall notify the division of the change in termination date and the additional period of DROP participation for the affected administrative personnel.

2. Upon deciding to participate in DROP, the member shall submit, on forms required by the division:

a. A written election to participate in DROP;

b. Selection of DROP participation and termination dates that satisfy the limitations stated in paragraph (a) and subparagraph 1. The termination date must be in a binding letter of resignation to the employer establishing a deferred termination date. The member may change the termination date within the limitations of subparagraph 1., but only with the written approval of the employer;

c. A properly completed DROP application for service retirement as provided in this section; and

d. Any other information required by the division.

3. The DROP participant is a retiree under the Florida Retirement System for all purposes, except for paragraph (5)(f) and subsection (9) and ss. 112.3173, 112.363, 121.053, and 121.122. DROP participation is final and may not be canceled by the participant after the first payment is credited during the DROP participation period. However, participation in DROP does not alter the participant's employment status, and the member is not deemed retired from employment until his or her deferred resignation is effective and termination occurs as defined in s. 121.021.

4. Elected officers are eligible to participate in DROP subject to the following:

a. An elected officer who reaches normal retirement date during a term of office may defer the election to participate until the next succeeding term in that office. An elected officer who exercises this option may participate in DROP for up to 60 calendar months or no longer than the succeeding term of office, whichever is less.

b. An elected or a nonelected participant may run for a term of office while participating in DROP and, if elected, extend the DROP termination date accordingly; however, if such additional term of office exceeds the 60-month limitation established in subparagraph 1., and the officer does not resign from office within such 60-month limitation, the retirement and the participant's DROP is null and void as provided in sub-subparagraph (c)5.d.

c. An elected officer who is dually employed and elects to participate in DROP must terminate all employment relationships as provided in s. 121.021(39) for the nonelected position within the original 60-month period or maximum participation period as provided in subparagraph 1. For DROP participation ending:

(I) Before July 1, 2010, the officer may continue employment as an elected officer as provided in s. 121.053. The elected officer shall be enrolled as a renewed member in the Elected Officers' Class or the Regular Class, as provided in ss. 121.053 and 121.122, on the first day of the month after termination of employment in the nonelected position and termination of DROP. Distribution of the DROP benefits shall be made as provided in paragraph (c).

(II) On or after July 1, 2010, the officer may continue employment as an elected officer but must defer termination as provided in s. 121.053.

Section 2. *The Legislature finds that a proper and legitimate state purpose is served when employees and retirees of the state and its political subdivisions, and the dependents, survivors, and beneficiaries of such employees and retirees, are extended the basic protections afforded by governmental retirement systems. These persons must be provided benefits that are fair and adequate and that are managed, administered, and funded in an actuarially sound manner, as required by s. 14, Article X of the State Constitution and part VII of chapter 112, Florida Statutes. Therefore, the Legislature determines and declares that the amendments*

made to s. 121.091, *Florida Statutes*, by this act fulfills an important state interest.

Senator Bradley moved the following amendment which was adopted:

Amendment 1 (864952)—Delete lines 135-393 and insert: requirements of 12 C.F.R. part 1026 ~~226~~, relating to the federal Truth-in-Lending Act, and Regulation Z of the *Bureau of Consumer Financial Protection Board of Governors of the Federal Reserve Board*. A copy of the disclosure must be provided to the drawer at the time the deferred presentment transaction is initiated.

(14) A deferred presentment provider or its affiliate may not accept or hold an undated check or a check dated on a date other than the date on which the deferred presentment provider agreed to hold the check and signed the deferred presentment transaction agreement, *except when a customer provides a new payment instrument reflecting the new outstanding transaction balance and anticipated fees upon making a payment on a deferred presentment installment transaction.*

(19) A deferred presentment provider may not enter into a deferred presentment transaction with a drawer who has an outstanding deferred presentment transaction with that provider or with any other deferred presentment provider, or with a person whose previous deferred presentment transaction with that provider or with any other provider has been terminated for less than 24 hours. The deferred presentment provider must verify such information as follows:

(a) The deferred presentment provider *must* ~~shall~~ maintain a common database and ~~shall~~ verify whether the provider or an affiliate has an outstanding deferred presentment transaction with a particular person or has terminated a transaction with that person within the previous 24 hours. *If a provider has not established a database, the provider may rely upon the written verification of the drawer as provided in subsection (20).*

(b) The deferred presentment provider *must* ~~shall~~ access the office's database established pursuant to subsection (24) ~~(29)~~ and ~~shall~~ verify whether any other deferred presentment provider has an outstanding deferred presentment transaction with a particular person or has terminated a transaction with that person within the previous 24 hours. *Before the office has implemented a database to include deferred presentment installment transactions if a provider has not established a*

~~database~~, the deferred presentment provider *must access the office's current database pursuant to this paragraph and may rely upon the written verification of the drawer as provided in subsection (20).*

(20) A deferred presentment provider *must ~~shall~~ provide the following notice in a prominent place on each deferred presentment agreement in at least 14-point type in substantially the following form and ~~must~~ obtain the signature of the drawer where indicated:*

NOTICE

1. STATE LAW PROHIBITS YOU FROM HAVING MORE THAN ONE DEFERRED PRESENTMENT AGREEMENT AT ANY ONE TIME. STATE LAW ALSO PROHIBITS YOU FROM ENTERING INTO A DEFERRED PRESENTMENT AGREEMENT WITHIN 24 HOURS AFTER TERMINATING ANY PREVIOUS DEFERRED PRESENTMENT AGREEMENT. FAILURE TO OBEY THIS LAW COULD CREATE SEVERE FINANCIAL HARDSHIP FOR YOU AND YOUR FAMILY.

YOU MUST SIGN THE FOLLOWING STATEMENT:

I DO NOT HAVE AN OUTSTANDING DEFERRED PRESENTMENT AGREEMENT WITH ANY DEFERRED PRESENTMENT PROVIDER AT THIS TIME. I HAVE NOT TERMINATED A DEFERRED PRESENTMENT AGREEMENT WITHIN THE PAST 24 HOURS.

(Signature of Drawer)

2. YOU CANNOT BE PROSECUTED IN CRIMINAL COURT FOR A CHECK WRITTEN UNDER THIS AGREEMENT, BUT ALL LEGALLY AVAILABLE CIVIL MEANS TO ENFORCE THE DEBT MAY BE PURSUED AGAINST YOU.

3. STATE LAW PROHIBITS A DEFERRED PRESENTMENT PROVIDER (THIS BUSINESS) FROM ALLOWING YOU TO "ROLL OVER" YOUR DEFERRED PRESENTMENT TRANSACTION. THIS MEANS THAT YOU CANNOT BE ASKED OR REQUIRED TO PAY AN ADDITIONAL FEE IN ORDER TO FURTHER DELAY THE DEPOSIT OR PRESENTMENT OF YOUR CHECK FOR PAYMENT.

4. *FOR DEFERRED PRESENTMENT TRANSACTIONS NOT REPAYABLE IN INSTALLMENTS:* IF YOU INFORM THE PROVIDER IN PERSON THAT YOU CANNOT COVER THE CHECK OR PAY IN FULL THE AMOUNT OWING AT THE END OF THE TERM OF THIS AGREEMENT, YOU WILL RECEIVE A GRACE PERIOD EXTENDING THE TERM OF THE AGREEMENT FOR AN ADDITIONAL 60 DAYS AFTER THE ORIGINAL TERMINATION DATE, WITHOUT ANY ADDITIONAL CHARGE. THE DEFERRED PRESENTMENT PROVIDER *MUST ~~SHALL~~ REQUIRE THAT YOU, AS A CONDITION OF OBTAINING THE GRACE PERIOD, COMPLETE CONSUMER CREDIT COUNSELING PROVIDED BY AN AGENCY INCLUDED ON THE LIST THAT WILL BE PROVIDED TO YOU BY THIS PROVIDER. YOU MAY ALSO AGREE TO COMPLY WITH AND ADHERE TO A REPAYMENT PLAN APPROVED BY THAT AGENCY. IF YOU DO NOT COMPLY WITH AND ADHERE TO A REPAYMENT PLAN APPROVED BY THAT AGENCY, WE MAY DEPOSIT OR PRESENT YOUR CHECK FOR PAYMENT AND PURSUE ALL LEGALLY AVAILABLE CIVIL MEANS TO ENFORCE THE DEBT AT THE END OF THE 60-DAY GRACE PERIOD.*

5. *FOR DEFERRED PRESENTMENT INSTALLMENT TRANSACTIONS:* IF YOU INFORM THE PROVIDER IN WRITING OR IN PERSON BY NOON [TIME ZONE] OF THE BUSINESS DAY BEFORE A SCHEDULED PAYMENT THAT YOU CANNOT PAY IN FULL THE SCHEDULED AMOUNT DUE AND OWING, YOU MAY DEFER THE SCHEDULED PAYMENT, WITHOUT ANY ADDITIONAL FEES OR CHARGES, AND THE PROVIDER MAY NOT DEFAULT THE ACCOUNT AND ACCELERATE THE FULL BALANCE. YOU MAY REQUEST ONLY ONE DEFERRED PAYMENT PER LOAN. THE DEFERRED PAYMENT WILL BE ADDED AFTER THE LAST SCHEDULED PAYMENT AND IS DUE AT AN INTERVAL NO SHORTER

THAN THE INTERVALS BETWEEN THE ORIGINALLY SCHEDULED PAYMENTS.

(21) The deferred presentment provider may not deposit or present the drawer's check if the drawer informs the provider *in writing or in person* that the drawer cannot redeem or pay in full in cash the amount due and owing the deferred presentment provider, *unless the drawer fails to comply with subsection (22) or subsection (23), as applicable.* No additional fees or penalties may be imposed on the drawer by virtue of any misrepresentation made by the drawer as to the sufficiency of funds in the drawer's account. Additional fees may not be added to the amounts due and owing to the deferred presentment provider.

(22) *For deferred presentment transactions not repayable in installments,* if, by the end of the deferment period, the drawer informs the deferred presentment provider *in writing or in person* that the drawer cannot redeem or pay in full in cash the amount due and owing the deferred presentment provider, the deferred presentment provider *must ~~shall~~ provide a grace period extending the term of the agreement for an additional 60 days after the original termination date, without any additional charge.*

(a) The provider *must ~~shall~~ require, ~~that~~ as a condition of providing a grace period, that the drawer make an appointment with a consumer credit counseling agency within 7 days after the end of the deferment period and complete the counseling by the end of the grace period.* The drawer may agree to, comply with, and adhere to a repayment plan approved by the counseling agency. If the drawer agrees to comply with and adhere to a repayment plan approved by the counseling agency, the provider must also comply with and adhere to that repayment plan. The deferred presentment provider may not deposit or present the drawer's check for payment before the end of the 60-day grace period unless the drawer fails to comply with such conditions or the drawer fails to notify the provider of such compliance. Before each deferred presentment transaction, the provider may verbally advise the drawer of the availability of the grace period consistent with the written notice in subsection (20), and may not discourage the drawer from using the grace period.

(b) At the commencement of the grace period, the deferred presentment provider *must ~~shall~~ provide the drawer:*

1. Verbal notice of the availability of the grace period consistent with the written notice in subsection (20).

2. A list of approved consumer credit counseling agencies prepared by the office. The office list *must ~~shall~~ include nonprofit consumer credit counseling agencies affiliated with the National Foundation for Credit Counseling which provide credit counseling services to state residents in person, by telephone, or through the Internet. The office list must include phone numbers for the agencies, the counties served by the agencies, and indicate the agencies that provide telephone counseling and those that provide Internet counseling. The office ~~must ~~shall~~ update the list at least once each year.~~*

3. The following notice in at least 14-point type in substantially the following form:

AS A CONDITION OF OBTAINING A GRACE PERIOD EXTENDING THE TERM OF YOUR DEFERRED PRESENTMENT AGREEMENT FOR AN ADDITIONAL 60 DAYS, UNTIL [DATE], WITHOUT ANY ADDITIONAL FEES, YOU MUST COMPLETE CONSUMER CREDIT COUNSELING PROVIDED BY AN AGENCY INCLUDED ON THE LIST THAT WILL BE PROVIDED TO YOU BY THIS PROVIDER. YOU MAY ALSO AGREE TO COMPLY WITH AND ADHERE TO A REPAYMENT PLAN APPROVED BY THE AGENCY. THE COUNSELING MAY BE IN PERSON, BY TELEPHONE, OR THROUGH THE INTERNET. YOU MUST NOTIFY US WITHIN 7 DAYS, BY [DATE], THAT YOU HAVE MADE AN APPOINTMENT WITH A CONSUMER CREDIT COUNSELING AGENCY. YOU MUST ALSO NOTIFY US WITHIN 60 DAYS, BY [DATE], THAT YOU HAVE COMPLETED THE CONSUMER CREDIT COUNSELING. WE MAY VERIFY THIS INFORMATION WITH THE AGENCY. IF YOU FAIL TO PROVIDE THE 7-DAY OR 60-DAY NOTICE, OR IF YOU HAVE NOT MADE THE APPOINTMENT OR COMPLETED THE COUNSELING WITHIN THE TIME REQUIRED, WE MAY DEPOSIT OR PRESENT YOUR CHECK FOR PAYMENT AND

PURSUE ALL LEGALLY AVAILABLE CIVIL MEANS TO ENFORCE THE DEBT.

(c) If a drawer completes an approved payment plan, the deferred presentment provider ~~must shall~~ pay one-half of the drawer's fee for the deferred presentment agreement to the consumer credit counseling agency.

(23) *For deferred presentment installment transactions, if a drawer informs the deferred presentment provider in writing or in person by noon of the business day before a scheduled payment that the drawer cannot pay in full the scheduled payment amount due and owing the provider, the deferred presentment provider must provide the drawer the opportunity to defer the scheduled payment, at no additional fee or charge, until after the last scheduled payment. The phrase "by noon" means 12:00 p.m. of the same time zone in which the deferred presentment agreement was entered into. Only one deferred payment is permitted for each deferred presentment installment transaction. The deferred payment must be due at an interval after the last scheduled payment which is no shorter than the intervals between the originally scheduled payments.*

(24)(a)(23) The office ~~must shall~~ implement a common database with real-time access through an Internet connection for deferred presentment providers, as provided in this subsection. The database must be accessible to the office and the deferred presentment providers in order to verify whether any deferred presentment transactions are outstanding for a particular person. Deferred presentment providers ~~must shall~~ submit such data before entering into each deferred presentment transaction in such format as required by rule, including the drawer's name, social security number or employment authorization alien number, address, driver license number, amount of the transaction, date of transaction, the date that the transaction is closed, and such additional information as is required by rule.

(b) *For data that must be submitted by a deferred presentment provider, the commission may by rule impose a fee of up to \$1 per transaction for deferred presentment transactions not repayable in installments, and the commission may impose a fee of up to \$1 for each full or partial 30-day period that a balance is scheduled to be outstanding for a deferred presentment installment transaction for data that must be submitted by a deferred presentment provider.*

(c) A deferred presentment provider may rely on the information contained in the database as accurate and is not subject to any administrative penalty or civil liability due to relying on inaccurate information contained in the database.

(d) A deferred presentment provider must notify the office, in a manner as prescribed by rule, within 15 business days after ceasing operations or no longer holding a license under part II or part III of this chapter. Such notification must include a reconciliation of all open transactions. If the provider fails to provide notice, the office ~~must shall~~ take action to administratively release all open and pending transactions in the database after the office becomes aware of the closure.

(e) This section does not affect the rights of the provider to enforce the contractual provisions of the deferred presentment agreements through any civil action allowed by law.

(f) The commission may adopt rules to administer this subsection and to ensure that the database is used by deferred presentment providers in accordance with this section.

(25)(24) A deferred presentment provider may not accept more than one check or authorization to initiate more than one automated clearinghouse transaction to collect on a deferred presentment transaction for a single deferred presentment transaction, *except for deferred presentment installment transactions in which such checks or authorizations represent multiple scheduled payments.*

(26) *A deferred presentment installment transaction must be fully amortizing and repayable in consecutive installments as nearly equal as mathematically practicable according to a payment schedule agreed upon by the parties with no fewer than 13 days and not more than 1 calendar month between payments, except that the first installment period may be longer than the remaining installment periods by not more than 15 days, and the first installment payment may be larger than*

PRAYER

The following prayer was offered by Will Hosford, an employee with the Office of the Secretary of the Senate:

Lord, we humbly come before you this morning to thank you for the opportunity that has been bestowed upon the Florida Senate. I ask, Lord, that we do not take our task lightly, but remember the ideals of our founding fathers—ideals that were unprecedented in the creation of civilized society—the rights of the individual are supreme; most importantly, the right to liberty, that, as John Adams claimed, “Is derived from our maker.”

I pray you will guide each Senator this morning as they determine the laws that should be enacted to govern the people of the State of Florida. I pray that all of us working in the Senate, from the Senators to the staff, will do our jobs to the best of our ability, and I pray you will bless everyone here this morning. Amen.

PLEDGE

Senator Steube led the Senate in the Pledge of Allegiance to the flag of the United States of America.

The process established by s. 790.401, Florida Statutes, is intended to apply only to situations in which the person poses a significant danger of harming himself or herself or others by possessing a firearm or ammunition and to include standards and safeguards to protect the rights of respondents and due process of law.

(g) A temporary ex parte risk protection order must be served by a law enforcement officer in the same manner as provided for in subsection (5) for service of the notice of hearing and petition and must be served concurrently with the notice of hearing and petition.

When requested by the sheriff, the clerk of the court may transmit a facsimile copy of a temporary ex parte risk protection order or a risk protection order that has been certified by the clerk of the court, and this facsimile copy may be served in the same manner as a certified copy. Upon receiving a facsimile copy, the sheriff must verify receipt with the sender before attempting to serve it upon the respondent. The clerk of the court shall be responsible for furnishing to the sheriff information on the respondent's physical description and location. (b) All orders issued, changed, continued, extended, or vacated after the original service of documents specified in paragraph (a) must be certified by the clerk of the court and delivered to the parties at the time of the entry of the order. The parties may acknowledge receipt of such order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk shall note on the original order that service was effected. If delivery at the hearing is not possible, the clerk shall mail certified copies of the order to the parties at the last known address of each party. Service by mail is complete upon mailing. The hearing must occur no sooner than 14 days and no later than 30 days after the date of service of the request upon the petitioner.

2. The respondent shall have the burden of proving by clear and convincing evidence that the respondent does not pose a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm or ammunition. The court may consider any relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds after the hearing that the respondent has met his or her burden of proof, the court must vacate the order.

4. The law enforcement agency holding any firearm or ammunition or license to carry a concealed weapon or firearm that has been surrendered pursuant to this section shall be notified of the court order to vacate the risk protection order.

(b) The court must notify the petitioner of the impending end of a risk protection order. Notice must be received by the petitioner at least 30 days before the date the order ends.

(c) The petitioner may, by motion, request an extension of a risk protection order at any time within 30 days before the end of the order.

3. If the court finds by clear and convincing evidence that the requirements for issuance of a risk protection order as provided in subsection (3) continue to be met, the court must extend the order. However, if, after notice, the motion for extension is uncontested and no modification of the order is sought, the order may be extended on the basis of a motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension.

4. The court may extend a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months, subject to an order to vacate as provided in paragraph (a) or to another extension order by the court.

(7) SURRENDER OF FIREARMS AND AMMUNITION.—

(a) Upon issuance of a risk protection order under this section, including a temporary ex parte risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms and ammunition owned by the respondent in the respondent's custody, control, or possession except as provided in subsection (9), and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent.

(b) The law enforcement officer serving a risk protection order under this section, including a temporary ex parte risk protection order, shall request that the respondent immediately surrender all firearms and ammunition owned by the respondent in his or her custody, control, or possession and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent. The law enforcement officer shall take possession of all firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, which are surrendered. Alternatively, if personal service by a law enforcement officer is not possible or is not required because the respondent was present at the risk protection order hearing, the respondent must surrender any firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, in a safe manner to the control of the local law enforcement agency immediately after being served with the order by service or immediately after the hearing at which the respondent was present. Notwithstanding ss. 933.02 and 933.18, a law enforcement officer may seek a search warrant from a court of competent jurisdiction to conduct a search for firearms or ammunition owned by the respondent if the officer has probable cause to believe that there are firearms or ammunition owned by the respondent in the respondent's custody, control, or possession which have not been surrendered.

(c) At the time of surrender, a law enforcement officer taking possession of any firearm or ammunition owned by the respondent, or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent shall issue a receipt identifying all firearms and the quantity and type of ammunition that have been surrendered, and any license surrendered and shall provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the law enforcement officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(d) Notwithstanding ss. 933.02 and 933.18, upon the sworn statement or testimony of any person alleging that the respondent has failed to comply with the surrender of firearms or ammunition owned by the respondent, as required by an order issued under this section, the court shall determine whether probable cause exists to believe that the re-

spondent has failed to surrender all firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. If the court finds that probable cause exists, the court must issue a warrant describing the firearms or ammunition owned by the respondent and authorizing a search of the locations where the firearms or ammunition owned by the respondent are reasonably believed to be found and the seizure of any firearms or ammunition owned by the respondent discovered pursuant to such search.

(e) If a person other than the respondent claims title to any firearms or ammunition surrendered pursuant to this section and he or she is determined by the law enforcement agency to be the lawful owner of the firearm or ammunition, the firearm or ammunition shall be returned to him or her, if:

1. The lawful owner agrees to store the firearm or ammunition in a manner such that the respondent does not have access to or control of the firearm or ammunition.

2. The firearm or ammunition is not otherwise unlawfully possessed by the owner.

(f) Upon the issuance of a risk protection order, the court shall order a new hearing date and require the respondent to appear no later than 3 business days after the issuance of the order. The court shall require proof that the respondent has surrendered any firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. The court may cancel the hearing upon a satisfactory showing that the respondent is in compliance with the order.

(g) All law enforcement agencies must develop policies and procedures regarding the acceptance, storage, and return of firearms, ammunition, or licenses required to be surrendered under this section.

(8) RETURN AND DISPOSAL OF FIREARMS AND AMMUNITION.—

(a) If a risk protection order is vacated or ends without extension, a law enforcement agency holding a firearm or any ammunition owned by the respondent or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, that has been surrendered or seized pursuant to this section must return such surrendered firearm, ammunition, or license to carry a concealed weapon or firearm issued under s. 790.06, as requested by a respondent only after confirming through a background check that the respondent is currently eligible to own or possess firearms and ammunition under federal and state law and after confirming with the court that the risk protection order has been vacated or has ended without extension.

(b) If a risk protection order is vacated or ends without extension, the Department of Agriculture and Consumer Services, if it has suspended a license to carry a concealed weapon or firearm pursuant to this section, must reinstate such license only after confirming that the respondent is currently eligible to have a license to carry a concealed weapon or firearm pursuant to s. 790.06.

(c) A law enforcement agency must provide notice to any family or household members of the respondent before the return of any surrendered firearm and ammunition owned by the respondent.

(d) Any firearm and ammunition surrendered by a respondent pursuant to subsection (7) which remains unclaimed for 1 year by the lawful owner after an order to vacate the risk protection order shall be disposed of in accordance with the law enforcement agency's policies and procedures for the disposal of firearms in police custody.

(9) TRANSFER OF FIREARMS AND AMMUNITION.—A respondent may elect to transfer all firearms and ammunition owned by the respondent that have been surrendered to or seized by a local law enforcement agency pursuant to subsection (7) to another person who is willing to receive the respondent's firearms and ammunition. The law enforcement agency must allow such a transfer only if it is determined that the chosen recipient:

(a) Currently is eligible to own or possess a firearm and ammunition under federal and state law after confirmation through a background check;

(b) Attests to storing the firearms and ammunition in a manner such that the respondent does not have access to or control of the firearms and ammunition until the risk protection order against the respondent is vacated or ends without extension; and

(c) Attests not to transfer the firearms or ammunition back to the respondent until the risk protection order against the respondent is vacated or ends without extension.

(10) REPORTING OF ORDERS.—

(a) Within 24 hours after issuance, the clerk of the court shall enter any risk protection order or temporary ex parte risk protection order issued under this section into the uniform case reporting system.

(b) Within 24 hours after issuance, the clerk of the court shall forward a copy of an order issued under this section to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order into the Florida Crime Information Center and National Crime Information Center. The order must remain in each system for the period stated in the order, and the law enforcement agency may only remove an order from the systems which has ended or been vacated. Entry of the order into the Florida Crime Information Center and National Crime Information Center constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in this state.

(c) The issuing court shall, within 3 business days after issuance of a risk protection order or temporary ex parte risk protection order, forward all available identifying information concerning the respondent, along with the date of order issuance, to the Department of Agriculture and Consumer Services. Upon receipt of the information, the department shall determine if the respondent has a license to carry a concealed weapon or firearm. If the respondent does have a license to carry a concealed weapon or firearm, the department must immediately suspend the license.

(d) If a risk protection order is vacated before its end date, the clerk of the court shall, on the day of the order to vacate, forward a copy of the order to the Department of Agriculture and Consumer Services and the appropriate law enforcement agency specified in the order to vacate. Upon receipt of the order, the law enforcement agency shall promptly remove the order from any computer-based system in which it was entered pursuant to paragraph (b).

(c) In determining whether grounds for a risk protection order exist, the court may consider any relevant evidence, including, but not limited to, any of the following:

1. A recent act or threat of violence by the respondent against himself or herself or others, whether or not such violence or threat of violence involves a firearm.

(e) In a hearing under this section, the rules of evidence apply to the same extent as in a domestic violence injunction proceeding under s. 741.30.

(i) If the court denies the petitioner's request for a risk protection order, the court must state the particular reasons for the denial.

(4) TEMPORARY EX PARTE RISK PROTECTION ORDERS.—

(a) A petitioner may request that a temporary ex parte risk protection order be issued before a hearing for a risk protection order, without notice to the respondent, by including in the petition detailed allegations based on personal knowledge that the respondent poses a significant danger of causing personal injury to himself or herself or others in the near future by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or ammunition.

(b) In considering whether to issue a temporary ex parte risk protection order under this section, the court shall consider all relevant evidence, including the evidence described in paragraph (3)(c).

(c) If a court finds there is reasonable cause to believe that the respondent poses a significant danger of causing personal injury to himself or herself or others in the near future by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or ammunition, the court must issue a temporary ex parte risk protection order.

(d) The court must hold a temporary ex parte risk protection order hearing in person or by telephone on the day the petition is filed or on the business day immediately following the day the petition is filed.

(e) A temporary ex parte risk protection order must include all of the following:

You may not have in your custody or control, or purchase, possess, receive, or attempt to purchase or receive, a firearm or ammunition while this order is in effect. You must surrender immediately to the _____ (insert name of local law enforcement agency) all firearms and ammunition in your custody, control, or possession and any license to carry a concealed weapon or firearm issued to you under s. 790.06, Florida Statutes. A hearing will be held on the

(f) A temporary ex parte risk protection order ends upon the hearing on the risk protection order.

(g) A temporary ex parte risk protection order must be served by a law enforcement officer in the same manner as provided for in subsection (5) for service of the notice of hearing and petition and must be served concurrently with the notice of hearing and petition.

(h) If the court denies the petitioner's request for a temporary ex parte risk protection order, the court must state the particular reasons for the denial.

(5) SERVICE.—

(a) The clerk of the court shall furnish a copy of the notice of hearing, petition, and temporary ex parte risk protection order or risk protection order, as applicable, to the sheriff of the county where the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. When requested by the sheriff, the clerk of the court may transmit a facsimile copy of a temporary ex parte risk protection order or a risk protection order that has been certified by the clerk of the court, and this facsimile copy may be served in the same manner as a certified copy. Upon receiving a facsimile copy, the sheriff must verify receipt with the sender before attempting to serve it upon the respondent. The clerk of the court shall be responsible for furnishing to the sheriff information on the respondent's physical description and location. Notwithstanding any other provision of law to the contrary, the chief judge of each circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction to effect service. A law enforcement agency effecting service pursuant to this section shall use service and verification procedures consistent with those of the sheriff. Service under this section takes precedence over the service of other documents, unless the other documents are of a similar emergency nature.

(b) All orders issued, changed, continued, extended, or vacated after the original service of documents specified in paragraph (a) must be certified by the clerk of the court and delivered to the parties at the time of the entry of the order. The parties may acknowledge receipt of such order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk shall note on the original order that service was effected. If delivery at the hearing is not possible, the clerk shall mail certified copies of the order to the parties at the last known address of each party. Service by mail is complete upon mailing. When an order is served pursuant to this subsection, the clerk shall prepare a written certification to be placed in the court file specifying the time, date, and method of service and shall notify the sheriff.

(6) TERMINATION AND EXTENSION OF ORDERS.—

(a) The respondent may submit one written request for a hearing to vacate a risk protection order issued under this section, starting after the date of the issuance of the order, and may request another hearing after every extension of the order, if any.

1. Upon receipt of the request for a hearing to vacate a risk protection order, the court shall set a date for a hearing. Notice of the request must be served on the petitioner in accordance with subsection (5). The hearing must occur no sooner than 14 days and no later than 30 days after the date of service of the request upon the petitioner.

2. The respondent shall have the burden of proving by clear and convincing evidence that the respondent does not pose a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm or ammunition. The court may consider any relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds after the hearing that the respondent has met his or her burden of proof, the court must vacate the order.

4. The law enforcement agency holding any firearm or ammunition or license to carry a concealed weapon or firearm that has been surrendered pursuant to this section shall be notified of the court order to vacate the risk protection order.

(b) The court must notify the petitioner of the impending end of a risk protection order. Notice must be received by the petitioner at least 30 days before the date the order ends.

(c) The petitioner may, by motion, request an extension of a risk protection order at any time within 30 days before the end of the order.

1. Upon receipt of the motion to extend, the court shall order that a hearing be held no later than 14 days after the date the order is issued and shall schedule such hearing.

a. The court may schedule a hearing by telephone in the manner provided by subparagraph (3)(a)3.

b. The respondent must be personally served in the same manner provided by subsection (5).

2. In determining whether to extend a risk protection order issued under this section, the court may consider all relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds by clear and convincing evidence that the requirements for issuance of a risk protection order as provided in subsection (3) continue to be met, the court must extend the order. However, if, after notice, the motion for extension is uncontested and no modification of the order is sought, the order may be extended on the basis of a motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension.

4. The court may extend a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months, subject to an order to vacate as provided in paragraph (a) or to another extension order by the court.

(7) SURRENDER OF FIREARMS AND AMMUNITION.—

(a) Upon issuance of a risk protection order under this section, including a temporary ex parte risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms and ammunition owned by the respondent in the respondent's custody, control, or possession except as provided in subsection (9), and any license to carry a concealed weapon or firearm issued under s. 790.06.

(b) The law enforcement officer serving a risk protection order under this section, including a temporary ex parte risk protection order, shall request that the respondent immediately surrender all firearms and ammunition owned by the respondent in his or her custody, control, or possession and any license to carry a concealed weapon or firearm issued under s. 790.06. The law enforcement officer shall take possession of all firearms and ammunition owned by the respondent which are surrendered. Alternatively, if personal service by a law enforcement officer is not possible or is not required because the respondent was present at the risk protection order hearing, the respondent must surrender any firearms, ammunition, and license to carry a concealed weapon or firearm owned by the respondent in a safe manner to the control of the local law enforcement agency immediately after being served with the order by service or immediately after the hearing at which the respondent was present. Notwithstanding ss. 933.02 and 933.18, a law enforcement officer may seek a search warrant from a court of competent jurisdiction to conduct a search for firearms or ammunition owned by the respondent if the officer has probable cause to believe that there are firearms or ammunition owned by the respondent in the respondent's custody, control, or possession which have not been surrendered.

(c) At the time of surrender, a law enforcement officer taking possession of a firearm, any ammunition, or a license to carry a concealed weapon or firearm owned by the respondent shall issue a receipt identifying all firearms and the quantity and type of ammunition that have been surrendered and shall provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the law enforcement officer serving the order shall file the original receipt with the court and

shall ensure that his or her law enforcement agency retains a copy of the receipt.

(d) Notwithstanding ss. 933.02 and 933.18, upon the sworn statement or testimony of any person alleging that the respondent has failed to comply with the surrender of firearms or ammunition that he or she owns as required by an order issued under this section, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms or ammunition that he or she owns in his or her custody, control, or possession. If the court finds that probable cause exists, the court must issue a warrant describing the firearms or ammunition and authorizing a search of the locations where the firearms or ammunition owned by the respondent are reasonably believed to be found and the seizure of any firearms or ammunition discovered pursuant to such search.

(e) If a person other than the respondent claims title to any firearms or ammunition surrendered pursuant to this section and he or she is determined by the law enforcement agency to be the lawful owner of the firearm or ammunition, the firearm or ammunition shall be returned to him or her, if:

1. The lawful owner agrees to store the firearm or ammunition in a manner such that the respondent does not have access to or control of the firearm or ammunition.

2. The firearm or ammunition is not otherwise unlawfully possessed by the owner.

(f) Upon the issuance of a risk protection order, the court shall order a new hearing date and require the respondent to appear no later than 3 business days after the issuance of the order. The court shall require proof that the respondent has surrendered any firearms or ammunition in his or her custody, control, or possession. The court may cancel the hearing upon a satisfactory showing that the respondent is in compliance with the order.

(g) All law enforcement agencies must develop policies and procedures by January 1, 2019, regarding the acceptance, storage, and return of firearms, ammunition, or licenses required to be surrendered under this section.

(8) RETURN AND DISPOSAL OF FIREARMS AND AMMUNITION.—

(a) If a risk protection order is vacated or ends without extension, a law enforcement agency holding a firearm or any ammunition that has been surrendered or seized pursuant to this section must return such surrendered firearm or ammunition requested by a respondent only after confirming through a background check that the respondent is currently eligible to own or possess firearms and ammunition under federal and state law and after confirming with the court that the risk protection order has been vacated or has ended without extension.

(b) If a risk protection order is vacated or ends without extension, the Department of Agriculture and Consumer Services, if it has suspended a license to carry a concealed weapon or firearm pursuant to this section, must reinstate such license only after confirming that the respondent is currently eligible to have a license to carry a concealed weapon or firearm pursuant to s. 790.06.

(c) A law enforcement agency must provide notice to any family or household members of the respondent before the return of any surrendered firearm and ammunition.

(d) Any firearm and ammunition surrendered by a respondent pursuant to subsection (7) which remains unclaimed by the lawful owner after an order to vacate the risk protection order shall be disposed of in accordance with the law enforcement agency's policies and procedures for the disposal of firearms in police custody.

(9) TRANSFER OF FIREARMS AND AMMUNITION.—A respondent may elect to transfer all firearms and ammunition that have been surrendered to or seized by a local law enforcement agency pursuant to subsection (7) to another person who is willing to receive the respondent's firearms and ammunition. The law enforcement agency may allow such a transfer only if it is determined that the chosen recipient:

(a) Currently is eligible to own or possess a firearm and ammunition under federal and state law after confirmation through a background check;

(b) Attests to storing the firearms and ammunition in a manner such that the respondent does not have access to or control of the firearms and ammunition until the risk protection order against the respondent is vacated or ends without extension; and

(c) Attests not to transfer the firearms or ammunition back to the respondent until the risk protection order against the respondent is vacated or ends without extension.

(10) REPORTING OF ORDERS.—

(a) Within 24 hours after issuance, the clerk of the court shall enter any risk protection order or temporary ex parte risk protection order issued under this section into the uniform case reporting system.

(b) Within 24 hours after issuance, the clerk of the court shall forward a copy of an order issued under this section to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order into the Florida Crime Information Center and National Crime Information Center. The order must remain in each system for the period stated in the order, and the law enforcement agency may only remove an order from the systems which has ended or been vacated. Entry of the order into the Florida Crime Information Center and National Crime Information Center constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in this state.

(c) The issuing court shall, within 3 business days after issuance of a risk protection order or temporary ex parte risk protection order, forward all available identifying information concerning the respondent, along with the date of order issuance, to the Department of Agriculture and Consumer Services. Upon receipt of the information, the department shall determine if the respondent has a license to carry a concealed weapon or firearm. If the respondent does have a license to carry a concealed weapon or firearm, the department must immediately suspend the license.

(d) If a risk protection order is vacated before its end date, the clerk of the court shall, on the day of the order to vacate, forward a copy of the order to the Department of Agriculture and Consumer Services and the appropriate law enforcement agency specified in the order to vacate. Upon receipt of the order, the law enforcement agency shall promptly remove the order from any computer-based system in which it was entered pursuant to paragraph (b).

(11) PENALTIES.—

(a) A person who makes a false statement, which he or she does not believe to be true, under oath in a hearing under this section in regard to any material matter commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) A person who has in his or her custody or control a firearm or any ammunition or who purchases, possesses, or receives a firearm or any ammunition with knowledge that he or she is prohibited from doing so by an order issued under this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(12) LAW ENFORCEMENT RETAINS OTHER AUTHORITY.—This section does not affect the ability of a law enforcement officer to remove a firearm or ammunition or license to carry a concealed weapon or concealed firearm from any person or to conduct any search and seizure for firearms or ammunition pursuant to other lawful authority.

(13) LIABILITY.—Except as provided in subsection (8) or subsection (11), this section does not impose criminal or civil liability on any person or entity for acts or omissions related to obtaining a risk protection order or temporary ex parte risk protection order, including, but not limited to, providing notice to the petitioner and any known third party that may be at risk of

~~790.335 Prohibition of registration of firearms; electronic records.—~~

~~(1) LEGISLATIVE FINDINGS AND INTENT.—~~

~~(a) The Legislature finds and declares that:~~

~~1. The right of individuals to keep and bear arms is guaranteed under both the Second Amendment to the United States Constitution and s. 8, Art. I of the State Constitution.~~

~~2. A list, record, or registry of legally owned firearms or law abiding firearm owners is not a law enforcement tool and can become an instrument for profiling, harassing, or abusing law abiding citizens based on their choice to own a firearm and exercise their Second Amendment right to keep and bear arms as guaranteed under the United States Constitution. Further, such a list, record, or registry has the potential to fall into the wrong hands and become a shopping list for thieves.~~

~~3. A list, record, or registry of legally owned firearms or law abiding firearm owners is not a tool for fighting terrorism, but rather is an instrument that can be used as a means to profile innocent citizens and to harass and abuse American citizens based solely on their choice to own firearms and exercise their Second Amendment right to keep and bear arms as guaranteed under the United States Constitution.~~

~~4. Law abiding firearm owners whose names have been illegally recorded in a list, record, or registry are entitled to redress.~~

~~(b) The Legislature intends through the provisions of this section to:~~

~~1. Protect the right of individuals to keep and bear arms as guaranteed under both the Second Amendment to the United States Constitution and s. 8, Art. I of the State Constitution.~~

~~2. Protect the privacy rights of law abiding firearm owners.~~

~~(2) PROHIBITIONS. No state governmental agency or local government, special district, or other political subdivision or official, agent, or employee of such state or other governmental entity or any other person, public or private, shall knowingly and willfully keep or cause to be kept any list, record, or registry of privately owned firearms or any list, record, or registry of the owners of those firearms.~~

~~(3) EXCEPTIONS. The provisions of this section shall not apply to:~~

~~(a) Records of firearms that have been used in committing any crime.~~

~~(b) Records relating to any person who has been convicted of a crime.~~

~~(c) Records of firearms that have been reported stolen that are retained for a period not in excess of 10 days after such firearms are recovered. Official documentation recording the theft of a recovered weapon may be maintained no longer than the balance of the year entered, plus 2 years.~~

~~(d) Firearm records that must be retained by firearm dealers under federal law, including copies of such records transmitted to law enforcement agencies. However, no state governmental agency or local government, special district, or other political subdivision or official, agent, or employee of such state or other governmental entity or any other person, private or public, shall accumulate, compile, computerize, or otherwise collect or convert such written records into any form of list, registry, or database for any purpose.~~

~~(e)1. Records kept pursuant to the recordkeeping provisions of s. 790.065; however, nothing in this section shall be construed to authorize the public release or inspection of records that are made confidential and exempt from the provisions of s. 119.07(1) by s. 790.065(4)(a).~~

~~2. Nothing in this paragraph shall be construed to allow the maintaining of records containing the names of purchasers or transferees~~

who receive unique approval numbers or the maintaining of records of firearm transactions.

~~(f) Firearm records, including paper pawn transaction forms and contracts on firearm transactions, required by chapters 538 and 539.~~

1. Electronic firearm records held pursuant to chapter 538 may only be kept by a secondhand dealer for 30 days after the date of the purchase of the firearm by the secondhand dealer.

2. Electronic firearm records held pursuant to chapter 539 may only be kept by a pawnbroker for 30 days after the expiration of the loan that is secured by a firearm or 30 days after the date of purchase of a firearm, whichever is applicable.

3. Except as required by federal law, any firearm records kept pursuant to chapter 538 or chapter 539 shall not, at any time, be electronically transferred to any public or private entity, agency, business, or enterprise, nor shall any such records be copied or transferred for purposes of accumulation of such records into lists, registries, or databases.

4. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit firearm transaction records to the appropriate law enforcement agencies as required by chapters 538 and 539; however, the law enforcement agencies may not electronically submit such records to any other person or entity and must destroy such records within 60 days after receipt of such records.

5. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit limited firearms records consisting solely of the manufacturer, model, serial number, and caliber of pawned or purchased firearms to a third party private provider that is exclusively incorporated, exclusively owned, and exclusively operated in the United States and that restricts access to such information to only appropriate law enforcement agencies for legitimate law enforcement purposes. Such records must be destroyed within 30 days by the third party provider. As a condition of receipt of such records, the third party provider must agree in writing to comply with the requirements of this section. Any pawnbroker or secondhand dealer who contracts with a third party provider other than as provided in this act or electronically transmits any records of firearms transactions to any third party provider other than the records specifically allowed by this paragraph commits a felony of the second degree, punishable as provided in s. 775.082 or s. 775.083.

~~(m) Membership lists of organizations comprised of firearm owners.~~

~~(n) Records maintained by an employer or contracting entity of the firearms owned by its officers, employees, or agents, if such firearms are used in the course of business performed on behalf of the employer.~~

~~(p) Records of firearms involved in criminal investigations, criminal prosecutions, criminal appeals, and postconviction motions, civil proceedings relating to the surrender or seizure of firearms including protective injunctions, Baker Act commitments, and sheriffs levies pursuant to court judgments, and voluntary surrender by the owner or custodian of the firearm.~~

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Garcia moved the following amendment to **Amendment 1 (234288)** which failed:

Amendment 1I (716994) (with title amendment)—Between lines 2135 and 2136 insert:

Section 30. Subsection (6) of section 1013.64, Florida Statutes, is amended to read:

1013.64 Funds for comprehensive educational plant needs; construction cost maximums for school district capital projects.—Allocations from the Public Education Capital Outlay and Debt Service Trust Fund to the various boards for capital outlay projects shall be determined as follows:

(6)(a) Each district school board must meet all educational plant space needs of its elementary, middle, and high schools before spending funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any ancillary plant or any other new construction, renovation, or remodeling of ancillary space. Expenditures to meet such space needs may include expenditures for site acquisition; new construction of educational plants; renovation, remodeling, and maintenance and repair of existing educational plants, including auxiliary facilities; and the directly related costs of such services of school district personnel. It is not the intent of the Legislature to preclude the use of capital outlay funding for the labor costs necessary to accomplish the authorized uses for the capital outlay funding. Day-labor contracts or any other educational facilities contracting and construction techniques pursuant to s. 1013.45 are authorized. Additionally, if a school district has salaried maintenance staff whose duties consist solely of performing the labor necessary to accomplish the authorized uses for the capital outlay funding, such funding may be used for those salaries; however, if a school district has salaried staff whose duties consist partially of performing the labor necessary to accomplish the authorized uses for the capital outlay funding, the district shall prorate the portion of salary of each such employee that is based on labor for authorized capital outlay funding, and such funding may be used to pay that portion.

(b)1. A district school board may not use funds from the following sources: Public Education Capital Outlay and Debt Service Trust Fund; School District and Community College District Capital Outlay and Debt Service Trust Fund; Classrooms First Program funds provided in s. 1013.68; nonvoted 1.5-mill levy of ad valorem property taxes provided in s. 1011.71(2); Classrooms for Kids Program funds provided in s. 1013.735; District Effort Recognition Program funds provided in s. 1013.736; or High Growth District Capital Outlay Assistance Grant Program funds provided in s. 1013.738 for any new construction of educational plant space with a total cost per student station, including change orders, that equals more than:

- a. \$17,952 for an elementary school,
- b. \$19,386 for a middle school, or
- c. \$25,181 for a high school,

(January 2006) as adjusted annually to reflect increases or decreases in the Consumer Price Index.

2. School districts shall maintain accurate documentation related to the costs of all new construction of educational plant space reported to the Department of Education pursuant to paragraph (d). The Auditor General shall review the documentation maintained by the school dis-

tricts and verify compliance with the limits under this paragraph during its scheduled operational audits of the school district. The department shall make the final determination on district compliance based on the recommendation of the Auditor General.

3. The Office of Economic and Demographic Research, in consultation with the department, shall conduct a study of the cost per student station amounts using the most recent available information on construction costs. In this study, the costs per student station should represent the costs of classroom construction and administrative offices as well as the supplemental costs of core facilities, including required media centers, gymnasiums, music rooms, cafeterias and their associated kitchens and food service areas, vocational areas, and other defined specialty areas, including exceptional student education areas. The study must take into account appropriate cost-effectiveness factors in school construction and should include input from industry experts. The Office of Economic and Demographic Research must provide the results of the study and recommendations on the cost per student station to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

4. The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall conduct a study of the State Requirements for Education Facilities (SREF) to identify current requirements that can be eliminated or modified in order to decrease the cost of construction of educational facilities while ensuring student safety. OPPAGA must provide the results of the study, and an overall recommendation as to whether SREF should be retained, to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

5. Effective July 1, 2017, in addition to the funding sources listed in subparagraph 1., a district school board may not use funds from any sources for new construction of educational plant space with a total cost per student station, including change orders, which equals more than the current adjusted amounts provided in sub-subparagraphs 1.a.-c. which shall subsequently be adjusted annually to reflect increases or decreases in the Consumer Price Index. However, if a contract has been executed for architectural and design services or for construction management services before July 1, 2017, a district school board may use funds from any source for the new construction of educational plant space and such funds are exempt from the total cost per student station requirements.

6. A district school board must not use funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any new construction of an ancillary plant that exceeds 70 percent of the average cost per square foot of new construction for all schools.

(c) Except as otherwise provided, new construction for which a contract has been executed for architectural and design services or for construction management services by a district school board on or after July 1, 2017, may not exceed the cost per student station as provided in paragraph (b). A school district that exceeds the cost per student station provided in paragraph (b), as determined by the Auditor General, shall be subject to sanctions. If the Auditor General determines that the cost per student station overage is de minimus or due to extraordinary circumstances outside the control of the district, the sanctions shall not apply. The sanctions are as follows:

1. The school district shall be ineligible for allocations from the Public Education Capital Outlay and Debt Service Trust Fund for the next 3 years in which the school district would have received allocations had the violation not occurred.

2. The school district shall be subject to the supervision of a district capital outlay oversight committee. The oversight committee is authorized to approve all capital outlay expenditures of the school district, including new construction, renovations, and remodeling, for 3 fiscal years following the violation.

- a. Each oversight committee shall be composed of the following:

(I) One appointee of the Commissioner of Education who has significant financial management, school facilities construction, or related experience.

(II) One appointee of the office of the state attorney with jurisdiction over the district.

(III) One appointee of the Chief Financial Officer who is a licensed certified public accountant.

b. An appointee to the oversight committee may not be employed by the school district; be a relative, as defined in s. 1002.33(24)(a)2., of any school district employee; or be an elected official. Each appointee must sign an affidavit attesting to these conditions and affirming that no conflict of interest exists in his or her oversight role.

(d) The department shall:

1. Compute for each calendar year the statewide average construction costs for facilities serving each instructional level, for relocatable educational facilities, for administrative facilities, and for other ancillary and auxiliary facilities. The department shall compute the statewide average costs per student station for each instructional level.

2. Annually review the actual completed construction costs of educational facilities in each school district. For any school district in which the total actual cost per student station, including change orders, exceeds the statewide limits established in paragraph (b), the school district shall report to the department the actual cost per student station and the reason for the school district's inability to adhere to the limits established in paragraph (b). The department shall collect all such reports and shall provide these reports to the Auditor General for verification purposes.

Cost per student station includes contract costs, legal and administrative costs, fees of architects and engineers, furniture and equipment, and site improvement costs. Cost per student station does not include the cost of purchasing or leasing the site for the construction, ~~or the cost of related offsite improvements, or the cost of providing building and site improvements related to enhanced safety and security, including, but not limited to, perimeter walls, special gates and enclosure mechanisms, enhanced security systems, and additional hardening of the building envelope.~~

And the title is amended as follows:

Between lines 2652 and 2653 insert: amending s. 1013.64, F.S.; specifying that the cost per student station does not include certain improvements related to enhanced safety and security;

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Section 13. Section 790.33, Florida Statutes, is amended to read:

790.33 ~~Field of Regulation of firearms and ammunition pre-empted.~~—

(1) *It is the intent of the Legislature to set minimum statewide firearm and ammunition standards and to allow local governments, through their elected officials, to enact ordinances, regulations, or rules that fit the unique makeup and demographics of their respective communities.*

(2) *Local government officials may enact ordinances, regulations, or rules that are more stringent than the laws established by the Legislature which they deem appropriate for their respective communities.*

(1) ~~PREEMPTION.~~ Except as expressly provided by the State Constitution or general law, the Legislature hereby declares that it is occupying the whole field of regulation of firearms and ammunition, including the purchase, sale, transfer, taxation, manufacture, ownership, possession, storage, and transportation thereof, to the exclusion of all existing and future county, city, town, or municipal ordinances or any administrative regulations or rules adopted by local or state government relating thereto. Any such existing ordinances, rules, or regulations are hereby declared null and void.

(2) ~~POLICY AND INTENT.~~—

(a) It is the intent of this section to provide uniform firearms laws in the state; to declare all ordinances and regulations null and void which have been enacted by any jurisdictions other than state and federal, which regulate firearms, ammunition, or components thereof; to prohibit the enactment of any future ordinances or regulations relating to firearms, ammunition, or components thereof unless specifically authorized by this section or general law; and to require local jurisdictions to enforce state firearms laws.

(b) It is further the intent of this section to deter and prevent the violation of this section and the violation of rights protected under the constitution and laws of this state related to firearms, ammunition, or components thereof, by the abuse of official authority that occurs when enactments are passed in violation of state law or under color of local or state authority.

(3) ~~PROHIBITIONS; PENALTIES.~~—

(a) Any person, county, agency, municipality, district, or other entity that violates the Legislature's occupation of the whole field of regulation of firearms and ammunition, as declared in subsection (1), by enacting or causing to be enforced any local ordinance or administrative rule or regulation impinging upon such exclusive occupation of the field shall be liable as set forth herein.

(b) If any county, city, town, or other local government violates this section, the court shall declare the improper ordinance, regulation, or rule invalid and issue a permanent injunction against the local government prohibiting it from enforcing such ordinance, regulation, or rule. It is no defense that in enacting the ordinance, regulation, or rule the local government was acting in good faith or upon advice of counsel.

(c) If the court determines that a violation was knowing and willful, the court shall assess a civil fine of up to \$5,000 against the elected or appointed local government official or officials or administrative agency head under whose jurisdiction the violation occurred.

(d) ~~Except as required by applicable law, public funds may not be used to defend or reimburse the unlawful conduct of any person found to have knowingly and willfully violated this section.~~

(e) A knowing and willful violation of any provision of this section by a person acting in an official capacity for any entity enacting or causing to be enforced a local ordinance or administrative rule or regulation prohibited under paragraph (a) or otherwise under color of law shall be cause for termination of employment or contract or removal from office by the Governor.

(f) ~~A person or an organization whose membership is adversely affected by any ordinance, regulation, measure, directive, rule, enactment, order, or policy promulgated or caused to be enforced in violation of this section may file suit against any county, agency, municipality, district, or other entity in any court of this state having jurisdiction over any defendant to the suit for declaratory and injunctive relief and for actual damages, as limited herein, caused by the violation. A court shall award the prevailing plaintiff in any such suit:~~

1. ~~Reasonable attorney's fees and costs in accordance with the laws of this state, including a contingency fee multiplier, as authorized by law; and~~

2. ~~The actual damages incurred, but not more than \$100,000.~~

~~Interest on the sums awarded pursuant to this subsection shall accrue at the legal rate from the date on which suit was filed.~~

(4) ~~EXCEPTIONS.~~ This section does not prohibit:

(a) ~~Zoning ordinances that encompass firearms businesses along with other businesses, except that zoning ordinances that are designed for the purpose of restricting or prohibiting the sale, purchase, transfer, or manufacture of firearms or ammunition as a method of regulating firearms or ammunition are in conflict with this subsection and are prohibited;~~

(b) ~~A duly organized law enforcement agency from enacting and enforcing regulations pertaining to firearms, ammunition, or firearm accessories issued to or used by peace officers in the course of their official duties;~~

(c) ~~Except as provided in s. 790.251, any entity subject to the prohibitions of this section from regulating or prohibiting the carrying of firearms and ammunition by an employee of the entity during and in the course of the employee's official duties;~~

(d) ~~A court or administrative law judge from hearing and resolving any case or controversy or issuing any opinion or order on a matter within the jurisdiction of that court or judge; or~~

(e) ~~The Florida Fish and Wildlife Conservation Commission from regulating the use of firearms or ammunition as a method of taking wildlife and regulating the shooting ranges managed by the commission.~~

(5) ~~SHORT TITLE.~~ As created by chapter 87-23, Laws of Florida, this section may be cited as the "Joe Carlucci Uniform Firearms Act."

Section 14. Subsection (4) of section 790.251, Florida Statutes, is amended to read:

790.251 Protection of the right to keep and bear arms in motor vehicles for self-defense and other lawful purposes; prohibited acts; duty of public and private employers; immunity from liability; enforcement.—

(b) No public or private employer may violate the privacy rights of a customer, employee, or invitee by verbal or written inquiry regarding the presence of a firearm inside or locked to a private motor vehicle in a parking lot or by an actual search of a private motor vehicle in a parking lot to ascertain the presence of a firearm within the vehicle. Further, no public or private employer may take any action against a customer, employee, or invitee based upon verbal or written statements of any party concerning possession of a firearm stored inside a private motor vehicle in a parking lot for lawful purposes. A search of a private motor vehicle in the parking lot of a public or private employer to ascertain the presence of a firearm within the vehicle may only be conducted by on-

duty law enforcement personnel, based upon due process and must comply with constitutional protections.

(c) No public or private employer shall condition employment upon either:

1. The fact that an employee or prospective employee holds or does not hold a license issued pursuant to s. 790.06; or

2. Any agreement by an employee or a prospective employee that prohibits an employee from keeping a legal firearm locked inside or locked to a private motor vehicle in a parking lot when such firearm is kept for lawful purposes.

(d) No public or private employer shall prohibit or attempt to prevent any customer, employee, or invitee from entering the parking lot of the employer's place of business because the customer's, employee's, or invitee's private motor vehicle contains a legal firearm being carried for lawful purposes, that is out of sight within the customer's, employee's, or invitee's private motor vehicle.

(e) No public or private employer may terminate the employment of or otherwise discriminate against an employee, or expel a customer or invitee for exercising his or her constitutional right to keep and bear arms or for exercising the right of self-defense as long as a firearm is never exhibited on company property for any reason other than lawful defensive purposes.

The department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application when the required information or documents are not received.

(9) EMPLOYMENT AFTER RETIREMENT; LIMITATION.—

(c) Any person whose retirement is effective on or after July 1, 2010, or whose participation in the Deferred Retirement Option Program terminates on or after July 1, 2010, who is retired under this chapter, except under the disability retirement provisions of subsection (4) or as provided in s. 121.053, may be reemployed by an employer that participates in a state-administered retirement system and receive retirement benefits and compensation from that employer. However, a DROP participant shall continue employment and receive a salary during the period of participation in the Deferred Retirement Option Program, as provided in subsection (13).

1. The reemployed retiree may not renew membership in the Florida Retirement System, except as provided in s. 121.122.

2. The employer shall pay retirement contributions in an amount equal to the unfunded actuarial liability portion of the employer contribution that would be required for active members of the Florida Retirement System in addition to the contributions required by s. 121.76.

3. A retiree initially reemployed in violation of this paragraph and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any retirement benefits paid to the retirement trust fund from which the benefits were paid, including the Florida Retirement System Trust Fund and the Public Employee Optional Retirement Program Trust Fund, as appropriate. (b) Upon notice and a hearing on the matter, if the court finds by clear and convincing evidence that the respondent poses a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or any ammunition, the court must issue a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months.

(c) In determining whether grounds for a risk protection order exist, the court may consider any relevant evidence, including, but not limited to, any of the following:

1. A recent act or threat of violence by the respondent against himself or herself or others, whether or not such violence or threat of violence involves a firearm.

2. An act or threat of violence by the respondent within the past 12 months, including, but not limited to, acts or threats of violence by the respondent against himself or herself or others.

(e) In a hearing under this section, the rules of evidence apply to the same extent as in a domestic violence injunction proceeding under s. 741.30.

(f) During the hearing, the court must consider whether a mental health evaluation or chemical dependency evaluation is appropriate and, if such determination is made, may order such evaluations, if appropriate.

You may not have in your custody or control, or purchase, possess, receive, or attempt to purchase or receive, a firearm or ammunition while this order is in effect. You have the right to request one hearing to vacate this order, starting after the date of the issuance of this order, and to request another hearing after every extension of the order, if any. You may seek the advice of an attorney as to any matter connected with this order.”

(h) If the court issues a risk protection order, the court must inform the respondent that he or she is entitled to request a hearing to vacate the order in the manner provided by subsection (6). The court shall provide the respondent with a form to request a hearing to vacate.

(i) If the court denies the petitioner’s request for a risk protection order, the court must state the particular reasons for the denial.

(4) TEMPORARY EX PARTE RISK PROTECTION ORDERS.—

(b) In considering whether to issue a temporary ex parte risk protection order under this section, the court shall consider all relevant evidence, including the evidence described in paragraph (3)(c).

(c) If a court finds there is reasonable cause to believe that the respondent poses a significant danger of causing personal injury to himself or herself or others in the near future by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or ammunition, the court must issue a temporary ex parte risk protection order.

(d) The court must hold a temporary ex parte risk protection order hearing in person or by telephone on the day the petition is filed or on the business day immediately following the day the petition is filed.

(e) A temporary ex parte risk protection order must include all of the following:

5. A description of the requirements for the surrender of all firearms and ammunition that the respondent owns, under subsection (7); and
6. The following statement:

“To the subject of this protection order: This order is valid until the date noted above. You are required to surrender all firearms and ammunition that you own in your custody, control, or possession. You may not have in your custody or control, or purchase, possess, receive, or attempt to purchase or receive, a firearm or ammunition while this order is in effect. You must surrender immediately to the (insert name of local law enforcement agency) all firearms and ammunition in your custody, control, or possession and any license to carry a concealed weapon or firearm issued to you under s. 790.06, Florida Statutes. A hearing will be held on the date and at the time noted above to determine if a risk protection order should be issued. Failure to appear at that hearing may result in a

court issuing an order against you which is valid for 1 year. You may seek the advice of an attorney as to any matter connected with this order.”

(f) A temporary ex parte risk protection order ends upon the hearing on the risk protection order.

(g) A temporary ex parte risk protection order must be served by a law enforcement officer in the same manner as provided for in subsection (5) for service of the notice of hearing and petition and must be served concurrently with the notice of hearing and petition.

(h) If the court denies the petitioner’s request for a temporary ex parte risk protection order, the court must state the particular reasons for the denial.

(5) SERVICE.—

(a) The clerk of the court shall furnish a copy of the notice of hearing, petition, and temporary ex parte risk protection order or risk protection order, as applicable, to the sheriff of the county where the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. When requested by the sheriff, the clerk of the court may transmit a facsimile copy of a temporary ex parte risk protection order or a risk protection order that has been certified by the clerk of the court, and this facsimile copy may be served in the same manner as a certified copy. Upon receiving a facsimile copy, the sheriff must verify receipt with the sender before attempting to serve it upon the respondent. The clerk of the court shall be responsible for furnishing to the sheriff information on the respondent’s physical description and location. Notwithstanding any other provision of law to the contrary, the chief judge of each circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction to effect service. A law enforcement agency effecting service pursuant to this section shall use service and verification procedures consistent with those of the sheriff. Service under this section takes precedence over the service of other documents, unless the other documents are of a similar emergency nature.

(b) All orders issued, changed, continued, extended, or vacated after the original service of documents specified in paragraph (a) must be certified by the clerk of the court and delivered to the parties at the time of the entry of the order. The parties may acknowledge receipt of such order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk shall note on the original order that service was effected. If delivery at the hearing is not possible, the clerk shall mail certified copies of the order to the parties at the last known address of each party. Service by mail is complete upon mailing. When an order is served pursuant to this subsection, the clerk shall prepare a written certification to be placed in the court file specifying the time, date, and method of service and shall notify the sheriff.

(6) TERMINATION AND EXTENSION OF ORDERS.—

(a) The respondent may submit one written request for a hearing to vacate a risk protection order issued under this section, starting after the date of the issuance of the order, and may request another hearing after every extension of the order, if any.

1. Upon receipt of the request for a hearing to vacate a risk protection order, the court shall set a date for a hearing. Notice of the request must be served on the petitioner in accordance with subsection (5). The hearing must occur no sooner than 14 days and no later than 30 days after the date of service of the request upon the petitioner.

2. The respondent shall have the burden of proving by clear and convincing evidence that the respondent does not pose a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm or ammunition. The court may consider any relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds after the hearing that the respondent has met his or her burden of proof, the court must vacate the order.

4. The law enforcement agency holding any firearm or ammunition or license to carry a concealed weapon or firearm that has been surren-

dered pursuant to this section shall be notified of the court order to vacate the risk protection order.

(b) The court must notify the petitioner of the impending end of a risk protection order. Notice must be received by the petitioner at least 30 days before the date the order ends.

(c) The petitioner may, by motion, request an extension of a risk protection order at any time within 30 days before the end of the order.

1. Upon receipt of the motion to extend, the court shall order that a hearing be held no later than 14 days after the date the order is issued and shall schedule such hearing.

a. The court may schedule a hearing by telephone in the manner provided by subparagraph (3)(a)3.

b. The respondent must be personally serviced in the same manner provided by subsection (5).

2. In determining whether to extend a risk protection order issued under this section, the court may consider all relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds by clear and convincing evidence that the requirements for issuance of a risk protection order as provided in subsection (3) continue to be met, the court must extend the order. However, if, after notice, the motion for extension is uncontested and no modification of the order is sought, the order may be extended on the basis of a motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension.

4. The court may extend a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months, subject to an order to vacate as provided in paragraph (a) or to another extension order by the court.

(7) SURRENDER OF FIREARMS AND AMMUNITION.—

(a) Upon issuance of a risk protection order under this section, including a temporary ex parte risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms and ammunition owned by the respondent in the respondent's custody, control, or possession except as provided in subsection (9), and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent.

(b) The law enforcement officer serving a risk protection order under this section, including a temporary ex parte risk protection order, shall request that the respondent immediately surrender all firearms and ammunition owned by the respondent in his or her custody, control, or possession and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent. The law enforcement officer shall take possession of all firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, which are surrendered. Alternatively, if personal service by a law enforcement officer is not possible or is not required because the respondent was present at the risk protection order hearing, the respondent must surrender any firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, in a safe manner to the control of the local law enforcement agency immediately after being served with the order by service or immediately after the hearing at which the respondent was present. Notwithstanding ss. 933.02 and 933.18, a law enforcement officer may seek a search warrant from a court of competent jurisdiction to conduct a search for firearms or ammunition owned by the respondent if the officer has probable cause to believe that there are firearms or ammunition owned by the respondent in the respondent's custody, control, or possession which have not been surrendered.

(c) At the time of surrender, a law enforcement officer taking possession of any firearm or ammunition owned by the respondent, or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent shall issue a receipt identifying all firearms and the quantity and type of ammunition that have been surrendered, and any license surrendered and shall provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the law enforce-

ment officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(d) Notwithstanding ss. 933.02 and 933.18, upon the sworn statement or testimony of any person alleging that the respondent has failed to comply with the surrender of firearms or ammunition owned by the respondent, as required by an order issued under this section, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. If the court finds that probable cause exists, the court must issue a warrant describing the firearms or ammunition owned by the respondent and authorizing a search of the locations where the firearms or ammunition owned by the respondent are reasonably believed to be found and the seizure of any firearms or ammunition owned by the respondent discovered pursuant to such search.

(e) If a person other than the respondent claims title to any firearms or ammunition surrendered pursuant to this section and he or she is determined by the law enforcement agency to be the lawful owner of the firearm or ammunition, the firearm or ammunition shall be returned to him or her, if:

1. The lawful owner agrees to store the firearm or ammunition in a manner such that the respondent does not have access to or control of the firearm or ammunition.

2. The firearm or ammunition is not otherwise unlawfully possessed by the owner.

(f) Upon the issuance of a risk protection order, the court shall order a new hearing date and require the respondent to appear no later than 3 business days after the issuance of the order. The court shall require proof that the respondent has surrendered any firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. The court may cancel the hearing upon a satisfactory showing that the respondent is in compliance with the order.

(g) All law enforcement agencies must develop policies and procedures regarding the acceptance, storage, and return of firearms, ammunition, or licenses required to be surrendered under this section.

(8) RETURN AND DISPOSAL OF FIREARMS AND AMMUNITION.—

(a) If a risk protection order is vacated or ends without extension, a law enforcement agency holding a firearm or any ammunition owned by the respondent or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, that has been surrendered or seized pursuant to this section must return such surrendered firearm, ammunition, or license to carry a concealed weapon or firearm issued under s. 790.06, as requested by a respondent only after confirming through a background check that the respondent is currently eligible to own or possess firearms and ammunition under federal and state law and after confirming with the court that the risk protection order has been vacated or has ended without extension.

(b) If a risk protection order is vacated or ends without extension, the Department of Agriculture and Consumer Services, if it has suspended a license to carry a concealed weapon or firearm pursuant to this section, must reinstate such license only after confirming that the respondent is currently eligible to have a license to carry a concealed weapon or firearm pursuant to s. 790.06.

(c) A law enforcement agency must provide notice to any family or household members of the respondent before the return of any surrendered firearm and ammunition owned by the respondent.

(d) Any firearm and ammunition surrendered by a respondent pursuant to subsection (7) which remains unclaimed for 1 year by the lawful owner after an order to vacate the risk protection order shall be disposed of in accordance with the law enforcement agency's policies and procedures for the disposal of firearms in police custody.

(9) TRANSFER OF FIREARMS AND AMMUNITION.—A respondent may elect to transfer all firearms and ammunition owned by the respondent that have been surrendered to or seized by a local law enforcement agency pursuant to subsection (7) to another person who is

willing to receive the respondent's firearms and ammunition. The law enforcement agency must allow such a transfer only if it is determined that the chosen recipient:

(a) Currently is eligible to own or possess a firearm and ammunition under federal and state law after confirmation through a background check;

(b) Attests to storing the firearms and ammunition in a manner such that the respondent does not have access to or control of the firearms and ammunition until the risk protection order against the respondent is vacated or ends without extension; and

(c) Attests not to transfer the firearms or ammunition back to the respondent until the risk protection order against the respondent is vacated or ends without extension.

(10) REPORTING OF ORDERS.—

(a) Within 24 hours after issuance, the clerk of the court shall enter any risk protection order or temporary ex parte risk protection order issued under this section into the uniform case reporting system.

(b) Within 24 hours after issuance, the clerk of the court shall forward a copy of an order issued under this section to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order into the Florida Crime Information Center and National Crime Information Center. The order must remain in each system for the period stated in the order, and the law enforcement agency may only remove an order from the systems which has ended or been vacated. Entry of the order into the Florida Crime Information Center and National Crime Information Center constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in this state.

(c) The issuing court shall, within 3 business days after issuance of a risk protection order or temporary ex parte risk protection order, forward all available identifying information concerning the respondent, along with the date of order issuance, to the Department of Agriculture and Consumer Services. Upon receipt of the information, the department shall determine if the respondent has a license to carry a concealed weapon or firearm. If the respondent does have a license to carry a concealed weapon or firearm, the department must immediately suspend the license.

(d) If a risk protection order is vacated before its end date, the clerk of the court shall, on the day of the order to vacate, forward a copy of the order to the Department of Agriculture and Consumer Services and the appropriate law enforcement agency specified in the order to vacate. Upon receipt of the order, the law enforcement agency shall promptly remove the order from any computer-based system in which it was entered pursuant to paragraph (b).

(11) PENALTIES.—

(a) A person who makes a false statement, which he or she does not believe to be true, under oath in a hearing under this section in regard to any material matter commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) A person who has in his or her custody or control a firearm or any ammunition or who purchases, possesses, or receives a firearm or any ammunition with knowledge that he or she is prohibited from doing so by an order issued under this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(12) **LAW ENFORCEMENT RETAINS OTHER AUTHORITY.**—This section does not affect the ability of a law enforcement officer to remove a firearm or ammunition or license to carry a concealed weapon or concealed firearm from any person or to conduct any search and seizure for firearms or ammunition pursuant to other lawful authority.

(13) **LIABILITY.**—Except as provided in subsection (8) or subsection (11), this section does not impose criminal or civil liability on any person or entity for acts or omissions related to obtaining a risk protection order or temporary ex parte risk protection order, including, but not limited to, providing notice to the petitioner, a family or household member of the respondent, and any known third party who may be at risk of violence or failure to provide such notice, or reporting, declining to report, in-

vestigating, declining to investigate, filing, or declining to file, a petition under this section.

(14) INSTRUCTIONAL AND INFORMATIONAL MATERIAL.—

(a) The Office of the State Courts Administrator shall develop and prepare instructions and informational brochures, standard petitions and risk protection order forms, and a court staff handbook on the risk protection order process. The standard petition and order forms must be used after January 1, 2019, for all petitions filed and orders issued pursuant to this section. The office shall determine the significant non-English-speaking or limited English-speaking populations in the state and prepare the instructions and informational brochures and standard petitions and risk protection order forms in such languages. The instructions, brochures, forms, and handbook must be prepared in consultation with interested persons, including representatives of gun violence prevention groups, judges, and law enforcement personnel. Materials must be based on best practices and must be available online to the public.

1. The instructions must be designed to assist petitioners in completing the petition and must include a sample of a standard petition and order for protection forms.

2. The instructions and standard petition must include a means for the petitioner to identify, with only layman's knowledge, the firearms or ammunition the respondent may own, possess, receive, or have in his or her custody or control. The instructions must provide pictures of types of firearms and ammunition that the petitioner may choose from to identify the relevant firearms or ammunition, or must provide an equivalent means to allow petitioners to identify firearms or ammunition without requiring specific or technical knowledge regarding the firearms or ammunition.

3. The informational brochure must describe the use of and the process for obtaining, extending, and vacating a risk protection order under this section and must provide relevant forms.

4. The risk protection order form must include, in a conspicuous location, notice of criminal penalties resulting from violation of the order and the following statement: "You have the sole responsibility to avoid or refrain from violating this order's provisions. Only the court can change the order and only upon written request."

5. The court staff handbook must allow for the addition of a community resource list by the clerk of the court.

(b) Any clerk of court may create a community resource list of crisis intervention, mental health, substance abuse, interpreter, counseling, and other relevant resources serving the county in which the court is located. The court may make the community resource list available as part of or in addition to the informational brochures described in paragraph (a).

(c) The Office of the State Courts Administrator shall distribute a master copy of the petition and order forms, instructions, and informational brochures to the clerks of court. Distribution of all documents shall, at a minimum, be in an electronic format or formats accessible to all courts and clerks of court in the state.

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(4) COMPUTATION OF DISTRICT REQUIRED LOCAL EFFORT.—The Legislature shall prescribe the aggregate required local effort for all school districts collectively as an item in the General Appropriations Act for each fiscal year. The amount that each district shall provide annually toward the cost of the Florida Education Finance Program for kindergarten through grade 12 programs shall be calculated as follows:

(a) *Estimated taxable value calculations.—*

1.a. Not later than 2 working days before July 19, the Department of Revenue shall certify to the Commissioner of Education its most recent estimate of the taxable value for school purposes in each school district and the total for all school districts in the state for the current calendar year based on the latest available data obtained from the local property appraisers. The value certified shall be the taxable value for school purposes for that year, and no further adjustments shall be made, except those made pursuant to paragraphs (c) and (d), or an assessment roll change required by final judicial decisions as specified in paragraph (17)(b) ~~(16)(b)~~. Not later than July 19, the Commissioner of Education shall compute a millage rate, rounded to the next highest one one-thousandth of a mill, which, when applied to 96 percent of the estimated state total taxable value for school purposes, would generate the prescribed aggregate required local effort for that year for all districts. The Commissioner of Education shall certify to each district school board the millage rate, computed as prescribed in this subparagraph, as the minimum millage rate necessary to provide the district required local effort for that year.

b. The General Appropriations Act shall direct the computation of the statewide adjusted aggregate amount for required local effort for all school districts collectively from ad valorem taxes to ensure that no school district's revenue from required local effort millage will produce more than 90 percent of the district's total Florida Education Finance Program calculation as calculated and adopted by the Legislature, and the adjustment of the required local effort millage rate of each district that produces more than 90 percent of its total Florida Education Finance Program entitlement to a level that will produce only 90 percent of its total Florida Education Finance Program entitlement in the July calculation.

2. On the same date as the certification in sub-subparagraph 1.a., the Department of Revenue shall certify to the Commissioner of Education for each district:

a. Each year for which the property appraiser has certified the taxable value pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a.

b. For each year identified in sub-subparagraph a., the taxable value certified by the appraiser pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a. This is the certification that reflects all final administrative actions of the value adjustment board.

(6) CATEGORICAL FUNDS.—

(b) If a district school board finds and declares in a resolution adopted at a regular meeting of the school board that the funds received for any of the following categorical appropriations are urgently needed to maintain school board specified academic classroom instruction or improve school safety, the school board may consider and approve an amendment to the school district operating budget transferring the

identified amount of the categorical funds to the appropriate account for expenditure:

1. Funds for student transportation.

~~2. Funds for safe schools.~~

~~2.3.~~ Funds for supplemental academic instruction if the required additional hour of instruction beyond the normal school day for each day of the entire school year has been provided for the students in each low-performing elementary school in the district pursuant to paragraph (1)(f).

Funds available after March 1 may be used to purchase hardware for student instruction.

(14) **QUALITY ASSURANCE GUARANTEE.**—The Legislature may annually in the General Appropriations Act determine a percentage increase in funds per K-12 unweighted FTE as a minimum guarantee to each school district. The guarantee shall be calculated from prior year base funding per unweighted FTE student which shall include the adjusted FTE dollars as provided in subsection (17) ~~(16)~~, quality guarantee funds, and actual nonvoted discretionary local effort from taxes. From the base funding per unweighted FTE, the increase shall be calculated for the current year. The current year funds from which the guarantee shall be determined shall include the adjusted FTE dollars as provided in subsection (17) ~~(16)~~ and potential nonvoted discretionary local effort from taxes. A comparison of current year funds per unweighted FTE to prior year funds per unweighted FTE shall be computed. For those school districts which have less than the legislatively assigned percentage increase, funds shall be provided to guarantee the assigned percentage increase in funds per unweighted FTE student. Should appropriated funds be less than the sum of this calculated amount for all districts, the commissioner shall prorate each district's allocation. This provision shall be implemented to the extent specifically funded.

(15) **SAFE SCHOOLS ALLOCATION.**—A safe schools allocation is created to provide funding to assist school districts in their compliance with s. 1006.07 ~~ss. 1006.07-1006.148~~, with priority given to ~~implementing the district's establishing a~~ school resource officer program pursuant to s. 1006.12. Eligible charter schools are entitled to a proportionate share of district funding. (e)1. Records kept pursuant to the recordkeeping provisions of s. 790.065; however, nothing in this section shall be construed to authorize the public release or inspection of records that are made confidential and exempt from the provisions of s. 119.07(1) by s. 790.065(3)(a) ~~or 790.065(4)(a).~~

2. Nothing in this paragraph shall be construed to allow the maintaining of records containing the names of purchasers or transferees who receive unique approval numbers or the maintaining of records of firearm transactions.

Section 12. Present subsection (13) of section 790.065, Florida Statutes, is redesignated as subsection (12), subsections (1), (3), and (10) of that section are amended, and a new subsection (11) is added to that section, to read:

790.065 Sale and delivery of firearms.—

(1)(a) A licensed importer, licensed manufacturer, or licensed dealer may not sell or deliver from her or his inventory at her or his licensed premises any firearm to another person, other than a licensed importer, licensed manufacturer, licensed dealer, or licensed collector, until she or he has:

1. Obtained a completed form from the potential buyer or transferee, which form shall have been ~~adopted promulgated~~ by the Department of Law Enforcement and provided by the licensed importer, licensed manufacturer, or licensed dealer, which shall include the name, date of birth, gender, race, and social security number or other identification number of such potential buyer or transferee and has inspected proper identification including an identification containing a photograph of the potential buyer or transferee.

2. Collected a fee from the potential buyer for processing the criminal history check of the potential buyer. The fee shall be established by the Department of Law Enforcement and may not exceed \$8 per transaction. The Department of Law Enforcement may reduce, or suspend collection of, the fee to reflect payment received from the Federal Government applied to the cost of maintaining the criminal history check system established by this section as a means of facilitating or supplementing the National Instant Criminal Background Check System. The Department of Law Enforcement shall, by rule, establish procedures for the fees to be transmitted by the licensee to the Department of Law Enforcement. All such fees shall be deposited into the Department of Law Enforcement Operating Trust Fund, but shall be segregated from all other funds deposited into such trust fund and must be accounted for separately. Such segregated funds must not be used for any purpose other than the operation of the criminal history checks required by this section. The Department of Law Enforcement, each year ~~before~~ ~~prior to~~ February 1, shall make a full accounting of all receipts and expenditures of such funds to the President of the Senate, the Speaker of the House of Representatives, the majority and minority leaders of each house of the Legislature, and the chairs of the appropriations committees of each house of the Legislature. In the event that the cumulative amount of funds collected exceeds the cumulative amount of expenditures by more than \$2.5 million, excess funds may be

used for the purpose of purchasing soft body armor for law enforcement officers.

3. Requested, by means of a toll-free telephone call, the Department of Law Enforcement to conduct a check of the information as reported and reflected in the Florida Crime Information Center and National Crime Information Center systems as of the date of the request.

4. Received a unique approval number for that inquiry from the Department of Law Enforcement, and recorded the date and such number on the consent form.

(b) However, if the person purchasing, or receiving delivery of, the firearm is a holder of a valid concealed weapons or firearms license pursuant to the provisions of s. 790.06 or holds an active certification from the Criminal Justice Standards and Training Commission as a “law enforcement officer,” a “correctional officer,” or a “correctional probation officer” as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9), this subsection does not apply.

(c) This subsection does not apply to the purchase, trade, or transfer of a rifle or shotgun by a resident of this state when the resident makes such purchase, trade, or transfer from a licensed importer, licensed manufacturer, or licensed dealer in another state.

(d)1. *If neither party to a prospective firearms sale, lease, or transfer is a licensed dealer, the parties to the transaction must complete the sale, lease, or transfer through a licensed dealer as follows:*

a. *The seller, lessor, or transferor must deliver the firearm to a licensed dealer, who shall process the sale, lease, or transfer as if she or he were the seller, lessor, or transferor, except that the seller, lessor, or transferor who is not a licensed dealer may remove the firearm from the business premises of the licensed dealer while the background check is being conducted and while the waiting period requirement set forth in s. 790.0655 is being met. Other than allowing the unlicensed seller or transferor to remove the firearm from the licensed dealer's business premises, the licensed dealer shall comply with all requirements of federal and state law which would apply if she or he were the seller, lessor, or transferor of the firearm;*

b. *The licensed dealer shall conduct a background check on the buyer or other transferee as provided in this section and, unless the transaction is prohibited, and after all other legal requirements are met, including those set forth in s. 790.0655, the licensed dealer shall either:*

(I) *Deliver the firearm to the seller, lessor, or transferor, who shall complete the transaction and deliver the firearm to the buyer; or*

(II) *If the seller, lessor, or transferor has removed the firearm from the licensed dealer's business premises, contact the seller, lessor, or transferor to let her or him know that he or she may complete the transaction and deliver the firearm to the buyer.*

c. *If the licensed dealer cannot legally complete the transaction, the dealer must:*

(I) *Return the firearm to the seller, lessor, or transferor; or*

(II) *If the seller, lessor, or transferor has removed the firearm from the licensed dealer's business premises, contact the seller, lessor, or transferor to let her or him know that the transaction is prohibited, and that the seller, lessor, or transferor may not deliver the firearm to the buyer; and*

d. *The licensed dealer may require the buyer or other transferee to pay a fee covering the administrative costs incurred by the licensed dealer for facilitating the transfer of the firearm, plus applicable fees pursuant to federal and state law.*

2. *This paragraph does not apply to:*

a. *The activities of the United States Marshals Service, members of the United States Armed Forces or the National Guard, or federal officials required to carry firearms while engaged in performing their official duties; or*

b. *The following activities, unless the lawful owner knows or has reasonable cause to believe that federal, state, or local law prohibits the*

transferee from purchasing or possessing firearms, or that the transferee is likely to use the firearm for unlawful purposes:

(I) *The delivery of a firearm to a gunsmith for service or repair, or the return of the firearm to its owner by the gunsmith;*

(II) *The transfer of a firearm to a carrier, warehouseman, or other person engaged in the business of transportation or storage, to the extent that the receipt, possession, or having on or about the person any firearm is in the ordinary course of business and in conformity with federal, state, and local laws, and not for the personal use of any such person;*

(III) *The loan of a firearm solely for the purpose of shooting at targets, if the loan occurs on the premises of a properly licensed target facility and if the firearm is at all times kept within the premises of the target facility;*

(IV) *The loan of a firearm to a person who is under 18 years of age for lawful hunting, sporting, or educational purposes while under the direct supervision and control of a responsible adult;*

(V) *The loan of a firearm to a person who is 18 years of age or older if the firearm remains in the person's possession only while the person is accompanying the lawful owner and using the firearm for lawful hunting, sporting, or recreational purposes; or*

(VI) *The loan of a firearm to an adult family member of the lawful owner of the firearm if the lawful owner resides with the family member but is not present in the residence, provided that the family member does not maintain control over the firearm for more than 10 consecutive days.*

~~(3) In the event of scheduled computer downtime, electronic failure, or similar emergency beyond the control of the Department of Law Enforcement, the department shall immediately notify the licensee of the reason for, and estimated length of, such delay. After such notification, the department shall forthwith, and in no event later than the end of the next business day of the licensee, either inform the requesting licensee if its records demonstrate that the buyer or transferee is prohibited from receipt or possession of a firearm pursuant to Florida and Federal law or provide the licensee with a unique approval number. Unless notified by the end of said next business day that the buyer or transferee is so prohibited, and without regard to whether she or he has received a unique approval number, the licensee may complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.~~

~~(10) A licensed importer, licensed manufacturer, or licensed dealer is not required to comply with the requirements of this section in the event of:~~

~~(a) Unavailability of telephone service at the licensed premises due to the failure of the entity which provides telephone service in the state, region, or other geographical area in which the licensee is located to provide telephone service to the premises of the licensee due to the location of said premises; or the interruption of telephone service by reason of hurricane, tornado, flood, natural disaster, or other act of God, war, invasion, insurrection, riot, or other bona fide emergency, or other reason beyond the control of the licensee; or~~

(b) Upon notice and a hearing on the matter, if the court finds by clear and convincing evidence that the respondent poses a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or any ammunition, the court must issue a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months.

(c) In determining whether grounds for a risk protection order exist, the court may consider any relevant evidence, including, but not limited to, any of the following:

1. A recent act or threat of violence by the respondent against himself or herself or others, whether or not such violence or threat of violence involves a firearm.

2. An act or threat of violence by the respondent within the past 12 months, including, but not limited to, acts or threats of violence by the respondent against himself or herself or others.

(e) In a hearing under this section, the rules of evidence apply to the same extent as in a domestic violence injunction proceeding under s. 741.30.

(f) During the hearing, the court must consider whether a mental health evaluation or chemical dependency evaluation is appropriate and, if such determination is made, may order such evaluations, if appropriate.

You may not have in your custody or control, or purchase, possess, receive, or attempt to purchase or receive, a firearm or ammunition while this order is in effect. You have the right to request one hearing to vacate this order, starting after the date of the issuance of this order, and to request another hearing after every extension of the order, if any. You may seek the advice of an attorney as to any matter connected with this order."

(h) If the court issues a risk protection order, the court must inform the respondent that he or she is entitled to request a hearing to vacate the order in the manner provided by subsection (6). The court shall provide the respondent with a form to request a hearing to vacate.

(i) If the court denies the petitioner's request for a risk protection order, the court must state the particular reasons for the denial.

(4) TEMPORARY EX PARTE RISK PROTECTION ORDERS.—

(a) A petitioner may request that a temporary ex parte risk protection order be issued before a hearing for a risk protection order, without notice to the respondent, by including in the petition detailed allegations based on personal knowledge that the respondent poses a significant danger of causing personal injury to himself or herself or others in the near future by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or ammunition.

(b) In considering whether to issue a temporary ex parte risk protection order under this section, the court shall consider all relevant evidence, including the evidence described in paragraph (3)(c).

(c) If a court finds there is reasonable cause to believe that the respondent poses a significant danger of causing personal injury to himself or herself or others in the near future by having in his or her custody or control, or by purchasing, possessing, or receiving, a firearm or ammunition, the court must issue a temporary ex parte risk protection order.

6. The following statement:

"To the subject of this protection order: This order is valid until the date noted above. You are required to surrender all firearms and ammunition that you own in your custody, control, or possession. You may not have in your custody or control, or purchase, possess, receive, or attempt to purchase or receive, a firearm or ammunition while this order is in effect. You must surrender immediately to the (insert name of local law enforcement agency) all firearms and ammunition in your custody, control, or possession and any license to carry a concealed weapon or firearm issued to you under s. 790.06, Florida Statutes. A hearing will be held on the date and at the time noted above to determine if a risk protection order should be issued. Failure to appear at that hearing may result in a court issuing an order against you which is valid for 1 year. You may seek the advice of an attorney as to any matter connected with this order."

(f) A temporary ex parte risk protection order ends upon the hearing on the risk protection order.

(g) A temporary ex parte risk protection order must be served by a law enforcement officer in the same manner as provided for in subsection (5) for service of the notice of hearing and petition and must be served concurrently with the notice of hearing and petition.

(h) If the court denies the petitioner's request for a temporary ex parte risk protection order, the court must state the particular reasons for the denial.

(5) SERVICE.—

(a) The clerk of the court shall furnish a copy of the notice of hearing, petition, and temporary ex parte risk protection order or risk protection order, as applicable, to the sheriff of the county where the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. When requested by the sheriff, the clerk of the court may transmit a facsimile copy of a temporary ex parte risk protection order or a risk protection order that has been certified by the clerk of the court, and this facsimile copy may be served in the same manner as a certified copy. Upon receiving a facsimile copy, the sheriff must verify receipt with the sender before attempting to serve it upon the respondent. The clerk of the court shall be responsible for furnishing to the sheriff information on the respondent's physical description and location. Notwithstanding any other provision of law to the contrary, the chief judge of each circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction to effect service. A law enforcement agency effecting service pursuant to this section shall use service and verification procedures consistent with those of the sheriff. Service under this section takes precedence over the service of other documents, unless the other documents are of a similar emergency nature.

(b) All orders issued, changed, continued, extended, or vacated after the original service of documents specified in paragraph (a) must be certified by the clerk of the court and delivered to the parties at the time of the entry of the order. The parties may acknowledge receipt of such order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk shall note on the original order that service was effected. If delivery at the hearing is not possible, the clerk shall mail certified copies of the order to the parties at the last known address of each party. Service by mail is complete upon mailing. When an order is served pursuant to this subsection, the clerk shall prepare a written certification to be placed in the court file specifying the time, date, and method of service and shall notify the sheriff.

(6) TERMINATION AND EXTENSION OF ORDERS.—

(a) The respondent may submit one written request for a hearing to vacate a risk protection order issued under this section, starting after the date of the issuance of the order, and may request another hearing after every extension of the order, if any.

1. Upon receipt of the request for a hearing to vacate a risk protection order, the court shall set a date for a hearing. Notice of the request must be served on the petitioner in accordance with subsection (5). The hearing must occur no sooner than 14 days and no later than 30 days after the date of service of the request upon the petitioner.

2. The respondent shall have the burden of proving by clear and convincing evidence that the respondent does not pose a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm or ammunition. The court may consider any relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds after the hearing that the respondent has met his or her burden of proof, the court must vacate the order.

4. The law enforcement agency holding any firearm or ammunition or license to carry a concealed weapon or firearm that has been surrendered pursuant to this section shall be notified of the court order to vacate the risk protection order.

(b) The court must notify the petitioner of the impending end of a risk protection order. Notice must be received by the petitioner at least 30 days before the date the order ends.

(c) The petitioner may, by motion, request an extension of a risk protection order at any time within 30 days before the end of the order.

1. Upon receipt of the motion to extend, the court shall order that a hearing be held no later than 14 days after the date the order is issued and shall schedule such hearing.

a. The court may schedule a hearing by telephone in the manner provided by subparagraph (3)(a)3.

b. The respondent must be personally serviced in the same manner provided by subsection (5).

2. In determining whether to extend a risk protection order issued under this section, the court may consider all relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds by clear and convincing evidence that the requirements for issuance of a risk protection order as provided in subsection (3) continue to be met, the court must extend the order. However, if, after notice, the motion for extension is uncontested and no modification of the order is sought, the order may be extended on the basis of a motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension.

4. The court may extend a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months, subject to an order to vacate as provided in paragraph (a) or to another extension order by the court.

(7) SURRENDER OF FIREARMS AND AMMUNITION.—

(a) Upon issuance of a risk protection order under this section, including a temporary ex parte risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms and ammunition owned by the respondent in the respondent's custody, control, or possession except as provided in subsection (9), and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent.

(b) The law enforcement officer serving a risk protection order under this section, including a temporary ex parte risk protection order, shall request that the respondent immediately surrender all firearms and ammunition owned by the respondent in his or her custody, control, or possession and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent. The law enforcement officer shall take possession of all firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, which are surrendered. Alternatively, if personal service by a law enforcement officer is not possible or is not required because the respondent was present at the risk protection order hearing, the respondent must surrender any firearms and am-

munition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, in a safe manner to the control of the local law enforcement agency immediately after being served with the order by service or immediately after the hearing at which the respondent was present. Notwithstanding ss. 933.02 and 933.18, a law enforcement officer may seek a search warrant from a court of competent jurisdiction to conduct a search for firearms or ammunition owned by the respondent if the officer has probable cause to believe that there are firearms or ammunition owned by the respondent in the respondent's custody, control, or possession which have not been surrendered.

(c) At the time of surrender, a law enforcement officer taking possession of any firearm or ammunition owned by the respondent, or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent shall issue a receipt identifying all firearms and the quantity and type of ammunition that have been surrendered, and any license surrendered and shall provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the law enforcement officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(d) Notwithstanding ss. 933.02 and 933.18, upon the sworn statement or testimony of any person alleging that the respondent has failed to comply with the surrender of firearms or ammunition owned by the respondent, as required by an order issued under this section, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. If the court finds that probable cause exists, the court must issue a warrant describing the firearms or ammunition owned by the respondent and authorizing a search of the locations where the firearms or ammunition owned by the respondent are reasonably believed to be found and the seizure of any firearms or ammunition owned by the respondent discovered pursuant to such search.

(e) If a person other than the respondent claims title to any firearms or ammunition surrendered pursuant to this section and he or she is determined by the law enforcement agency to be the lawful owner of the firearm or ammunition, the firearm or ammunition shall be returned to him or her, if:

1. The lawful owner agrees to store the firearm or ammunition in a manner such that the respondent does not have access to or control of the firearm or ammunition.

2. The firearm or ammunition is not otherwise unlawfully possessed by the owner.

(f) Upon the issuance of a risk protection order, the court shall order a new hearing date and require the respondent to appear no later than 3 business days after the issuance of the order. The court shall require proof that the respondent has surrendered any firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. The court may cancel the hearing upon a satisfactory showing that the respondent is in compliance with the order.

(g) All law enforcement agencies must develop policies and procedures regarding the acceptance, storage, and return of firearms, ammunition, or licenses required to be surrendered under this section.

(8) RETURN AND DISPOSAL OF FIREARMS AND AMMUNITION.—

(a) If a risk protection order is vacated or ends without extension, a law enforcement agency holding a firearm or any ammunition owned by the respondent or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, that has been surrendered or seized pursuant to this section must return such surrendered firearm, ammunition, or license to carry a concealed weapon or firearm issued under s. 790.06, as requested by a respondent only after confirming through a background check that the respondent is currently eligible to own or possess firearms and ammunition under federal and state law and after confirming with the court that the risk protection order has been vacated or has ended without extension.

(b) If a risk protection order is vacated or ends without extension, the Department of Agriculture and Consumer Services, if it has suspended a license to carry a concealed weapon or firearm pursuant to this section, must reinstate such license only after confirming that the respondent is currently eligible to have a license to carry a concealed weapon or firearm pursuant to s. 790.06.

(c) A law enforcement agency must provide notice to any family or household members of the respondent before the return of any surrendered firearm and ammunition owned by the respondent.

(d) Any firearm and ammunition surrendered by a respondent pursuant to subsection (7) which remains unclaimed for 1 year by the lawful owner after an order to vacate the risk protection order shall be disposed of in accordance with the law enforcement agency's policies and procedures for the disposal of firearms in police custody.

(9) **TRANSFER OF FIREARMS AND AMMUNITION.**—A respondent may elect to transfer all firearms and ammunition owned by the respondent that have been surrendered to or seized by a local law enforcement agency pursuant to subsection (7) to another person who is willing to receive the respondent's firearms and ammunition. The law enforcement agency must allow such a transfer only if it is determined that the chosen recipient:

(a) Currently is eligible to own or possess a firearm and ammunition under federal and state law after confirmation through a background check;

(b) Attests to storing the firearms and ammunition in a manner such that the respondent does not have access to or control of the firearms and ammunition until the risk protection order against the respondent is vacated or ends without extension; and

(c) Attests not to transfer the firearms or ammunition back to the respondent until the risk protection order against the respondent is vacated or ends without extension.

(10) **REPORTING OF ORDERS.**—

(a) Within 24 hours after issuance, the clerk of the court shall enter any risk protection order or temporary ex parte risk protection order issued under this section into the uniform case reporting system.

(b) Within 24 hours after issuance, the clerk of the court shall forward a copy of an order issued under this section to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order, the law enforcement agency shall enter the order into the Florida Crime Information Center and National Crime Information Center. The order must remain in each system for the period stated in the order, and the law enforcement agency may only remove an order from the systems which has ended or been vacated. Entry of the order into the Florida Crime Information Center and National Crime Information Center constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in this state.

(c) The issuing court shall, within 3 business days after issuance of a risk protection order or temporary ex parte risk protection order, forward all available identifying information concerning the respondent, along with the date of order issuance, to the Department of Agriculture and Consumer Services. Upon receipt of the information, the department shall determine if the respondent has a license to carry a concealed weapon or firearm. If the respondent does have a license to carry a concealed weapon or firearm, the department must immediately suspend the license.

(d) If a risk protection order is vacated before its end date, the clerk of the court shall, on the day of the order to vacate, forward a copy of the order to the Department of Agriculture and Consumer Services and the appropriate law enforcement agency specified in the order to vacate. Upon receipt of the order, the law enforcement agency shall promptly remove the order from any computer-based system in which it was entered pursuant to paragraph (b).

(11) **PENALTIES.**—

(12) **LAW ENFORCEMENT RETAINS OTHER AUTHORITY.**—This section does not affect the ability of a law enforcement officer to remove a firearm or ammunition or license to carry a concealed weapon or concealed firearm from any person or to conduct any search and seizure for firearms or ammunition pursuant to other lawful authority.

(13) **LIABILITY.**—Except as provided in subsection (8) or subsection (11), this section does not impose criminal or civil liability on any person or entity for acts or omissions related to obtaining a risk protection order or temporary ex parte risk protection order, including, but not limited to, providing notice to the petitioner, a family or household member of the respondent, and any known third party who may be at risk of violence or failure to provide such notice, or reporting, declining to report, investigating, declining to investigate, filing, or declining to file, a petition under this section.

(14) **INSTRUCTIONAL AND INFORMATIONAL MATERIAL.**—

(a) The Office of the State Courts Administrator shall develop and prepare instructions and informational brochures, standard petitions and risk protection order forms, and a court staff handbook on the risk protection order process. The standard petition and order forms must be used after January 1, 2019, for all petitions filed and orders issued pursuant to this section. 3. The informational brochure must describe the use of and the process for obtaining, extending, and vacating a risk protection order under this section and must provide relevant forms.

4. The risk protection order form must include, in a conspicuous location, notice of criminal penalties resulting from violation of the order and the following statement: "You have the sole responsibility to avoid or refrain from violating this order's provisions. (2) The FSSAT must help school officials identify threats, vulnerabilities, and appropriate safety controls for the schools that they supervise, pursuant to the security risk assessment requirements of s. 1006.07(6).

(a) At a minimum, the FSSAT must address all of the following components:

Section 27. Subsection (16) and (17) of section 1011.62, Florida Statutes, are redesignated as subsections (17) and (18), respectively, paragraph (a) of subsection (4), paragraph (b) of subsection (6), subsection (14), and subsection (15) of that section are amended, and a new subsection (16) is added to that section, to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(4) COMPUTATION OF DISTRICT REQUIRED LOCAL EFFORT.—The Legislature shall prescribe the aggregate required local effort for all school districts collectively as an item in the General Appropriations Act for each fiscal year. The amount that each district shall provide annually toward the cost of the Florida Education Finance Program for kindergarten through grade 12 programs shall be calculated as follows:

(a) Estimated taxable value calculations.—

1.a. Not later than 2 working days before July 19, the Department of Revenue shall certify to the Commissioner of Education its most recent estimate of the taxable value for school purposes in each school district and the total for all school districts in the state for the current calendar year based on the latest available data obtained from the local property appraisers. The value certified shall be the taxable value for school purposes for that year, and no further adjustments shall be made, except those made pursuant to paragraphs (c) and (d), or an assessment roll change required by final judicial decisions as specified in paragraph (17)(b) ~~(16)(b)~~. Not later than July 19, the Commissioner of Education shall compute a millage rate, rounded to the next highest one one-thousandth of a mill, which, when applied to 96 percent of the estimated state total taxable value for school purposes, would generate the prescribed aggregate required local effort for that year for all districts. The Commissioner of Education shall certify to each district school board the millage rate, computed as prescribed in this subparagraph, as the minimum millage rate necessary to provide the district required local effort for that year.

b. The General Appropriations Act shall direct the computation of the statewide adjusted aggregate amount for required local effort for all school districts collectively from ad valorem taxes to ensure that no school district's revenue from required local effort millage will produce more than 90 percent of the district's total Florida Education Finance Program calculation as calculated and adopted by the Legislature, and the adjustment of the required local effort millage rate of each district that produces more than 90 percent of its total Florida Education Finance Program entitlement to a level that will produce only 90 percent of its total Florida Education Finance Program entitlement in the July calculation.

2. On the same date as the certification in sub-subparagraph 1.a., the Department of Revenue shall certify to the Commissioner of Education for each district:

a. Each year for which the property appraiser has certified the taxable value pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a.

b. For each year identified in sub-subparagraph a., the taxable value certified by the appraiser pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a. This is the certification that reflects all final administrative actions of the value adjustment board.

(6) CATEGORICAL FUNDS.—

(b) If a district school board finds and declares in a resolution adopted at a regular meeting of the school board that the funds received for any of the following categorical appropriations are urgently needed to maintain school board specified academic classroom instruction or improve school safety, the school board may consider and approve an amendment to the school district operating budget transferring the identified amount of the categorical funds to the appropriate account for expenditure:

1. Funds for student transportation.

~~2. Funds for safe schools.~~

~~2.3.~~ Funds for supplemental academic instruction if the required additional hour of instruction beyond the normal school day for each day of the entire school year has been provided for the students in each low-performing elementary school in the district pursuant to paragraph (1)(f).

~~3.4.~~ Funds for research-based reading instruction if the required additional hour of instruction beyond the normal school day for each day of the entire school year has been provided for the students in each low-performing elementary school in the district pursuant to paragraph (9)(a).

~~4.5.~~ Funds for instructional materials if all instructional material purchases necessary to provide updated materials that are aligned with applicable state standards and course descriptions and that meet statutory requirements of content and learning have been completed for that fiscal year, but no sooner than March 1. Funds available after March 1 may be used to purchase hardware for student instruction.

(14) QUALITY ASSURANCE GUARANTEE.—The Legislature may annually in the General Appropriations Act determine a percentage increase in funds per K-12 unweighted FTE as a minimum guarantee to each school district. The guarantee shall be calculated from prior year base funding per unweighted FTE student which shall include the adjusted FTE dollars as provided in subsection (17) ~~(16)~~, quality guarantee funds, and actual nonvoted discretionary local effort from taxes. From the base funding per unweighted FTE, the increase shall be calculated for the current year. The current year funds from which the guarantee shall be determined shall include the adjusted FTE dollars as provided in subsection (17) ~~(16)~~ and potential nonvoted discretionary local effort from taxes. A comparison of current year funds per unweighted FTE to prior year funds per unweighted FTE shall be computed. For those school districts which have less than the legislatively assigned percentage increase, funds shall be provided to guarantee the assigned percentage increase in funds per unweighted FTE student. Should appropriated funds be less than the sum of this calculated amount for all districts, the commissioner shall prorate each district's allocation. This provision shall be implemented to the extent specifically funded.

(15) SAFE SCHOOLS ALLOCATION.—A safe schools allocation is created to provide funding to assist school districts in their compliance with s. 1006.07 ~~ss. 1006.07-1006.148~~, with priority given to implementing the district's establishing a school resource officer program pursuant to s. 1006.12. Each school district shall receive a minimum safe schools allocation in an amount provided in the General Appropriations Act. Of the remaining balance of the safe schools allocation, two-thirds shall be allocated to school districts based on the most recent official Florida Crime Index provided by the Department of Law Enforcement and one-third shall be allocated based on each school dis-

Eligible charter schools are entitled to a proportionate share of district funding. At least 90 percent of a district's allocation must be expended on the elements specified in subparagraphs (b)1. and 2. It is the intent of the Legislature to establish zero tolerance of criminals who use, threaten to use, or avail themselves of firearms in order to commit crimes and thereby demonstrate their lack of value for human life. It is also the intent of the Legislature that prosecutors should appropriately exercise their discretion in those cases in which the offenders' possession of the firearm is incidental to the commission of a crime and not used in furtherance of the crime, used in order to commit the crime, or used in preparation to commit the crime. For every case in which the offender meets the criteria in this act and does not receive the

mandatory minimum prison sentence, the state attorney must explain the sentencing deviation in writing and place such explanation in the case file maintained by the state attorney.

Section 16. For the purpose of incorporating the amendment made by this act to section 775.087, Florida Statutes, in a reference thereto, paragraph (b) of subsection (1) of section 921.0024, Florida Statutes, is reenacted to read:

(1)

(b) WORKSHEET KEY:

Legal status points are assessed when any form of legal status existed at the time the offender committed an offense before the court for sentencing. Four (4) sentence points are assessed for an offender's legal status.

Community sanction violation points are assessed when a community sanction violation is before the court for sentencing. Six (6) sentence points are assessed for each community sanction violation and each successive community sanction violation, unless any of the following apply:

1. If the community sanction violation includes a new felony conviction before the sentencing court, twelve (12) community sanction violation points are assessed for the violation, and for each successive community sanction violation involving a new felony conviction.

2. If the community sanction violation is committed by a violent felony offender of special concern as defined in s. 948.06:

a. Twelve (12) community sanction violation points are assessed for the violation and for each successive violation of felony probation or community control where:

I. The violation does not include a new felony conviction; and

II. The community sanction violation is not based solely on the probationer or offender's failure to pay costs or fines or make restitution payments.

b. Twenty-four (24) community sanction violation points are assessed for the violation and for each successive violation of felony probation or community control where the violation includes a new felony conviction.

Multiple counts of community sanction violations before the sentencing court shall not be a basis for multiplying the assessment of community sanction violation points.

Prior serious felony points: If the offender has a primary offense or any additional offense ranked in level 8, level 9, or level 10, and one or more prior serious felonies, a single assessment of thirty (30) points shall be added. For purposes of this section, a prior serious felony is an offense in the offender's prior record that is ranked in level 8, level 9, or level 10 under s. 921.0022 or s. 921.0023 and for which the offender is serving a sentence of confinement, supervision, or other sanction or for which the offender's date of release from confinement, supervision, or other sanction, whichever is later, is within 3 years before the date the primary offense or any additional offense was committed.

Prior capital felony points: If the offender has one or more prior capital felonies in the offender's criminal record, points shall be added to the subtotal sentence points of the offender equal to twice the number of points the offender receives for the primary offense and any additional offense. A prior capital felony in the offender's criminal record is a previous capital felony offense for which the offender has entered a plea of *nolo contendere* or guilty or has been found guilty; or a felony in another jurisdiction which is a capital felony in that jurisdiction, or would be a capital felony if the offense were committed in this state.

Possession of a firearm, semiautomatic firearm, or machine gun: If the offender is convicted of committing or attempting to commit any felony other than those enumerated in s. 775.087(2) while having in his or her possession: a firearm as defined in s. 790.001(6), an additional eighteen

(18) sentence points are assessed; or if the offender is convicted of committing or attempting to commit any felony other than those enumerated in s. 775.087(3) while having in his or her possession a semiautomatic firearm as defined in s. 775.087(3) or a machine gun as defined in s. 790.001(9), an additional twenty-five (25) sentence points are assessed.

Sentencing multipliers:

Drug trafficking: If the primary offense is drug trafficking under s. 893.135, the subtotal sentence points are multiplied, at the discretion of the court, for a level 7 or level 8 offense, by 1.5. The state attorney may move the sentencing court to reduce or suspend the sentence of a person convicted of a level 7 or level 8 offense, if the offender provides substantial assistance as described in s. 893.135(4).

Law enforcement protection: If the primary offense is a violation of the Law Enforcement Protection Act under s. 775.0823(2), (3), or (4), the subtotal sentence points are multiplied by 2.5. If the primary offense is a violation of s. 775.0823(5), (6), (7), (8), or (9), the subtotal sentence points are multiplied by 2.0. If the primary offense is a violation of s. 784.07(3) or s. 775.0875(1), or of the Law Enforcement Protection Act under s. 775.0823(10) or (11), the subtotal sentence points are multiplied by 1.5.

Grand theft of a motor vehicle: If the primary offense is grand theft of the third degree involving a motor vehicle and in the offender's prior record, there are three or more grand thefts of the third degree involving a motor vehicle, the subtotal sentence points are multiplied by 1.5.

Offense related to a criminal gang: If the offender is convicted of the primary offense and committed that offense for the purpose of benefiting, promoting, or furthering the interests of a criminal gang as defined in s. 874.03, the subtotal sentence points are multiplied by 1.5. If applying the multiplier results in the lowest permissible sentence exceeding the statutory maximum sentence for the primary offense under chapter 775, the court may not apply the multiplier and must sentence the defendant to the statutory maximum sentence.

Domestic violence in the presence of a child: If the offender is convicted of the primary offense and the primary offense is a crime of domestic violence, as defined in s. 741.28, which was committed in the presence of a child under 16 years of age who is a family or household member as defined in s. 741.28(3) with the victim or perpetrator, the subtotal sentence points are multiplied by 1.5.

Adult-on-minor sex offense: If the offender was 18 years of age or older and the victim was younger than 18 years of age at the time the offender committed the primary offense, and if the primary offense was an offense committed on or after October 1, 2014, and is a violation of s. 787.01(2) or s. 787.02(2), if the violation involved a victim who was a minor and, in the course of committing that violation, the defendant committed a sexual battery under chapter 794 or a lewd act under s. 800.04 or s. 847.0135(5) against the minor; s. 787.01(3)(a)2. or 3.; s. 787.02(3)(a)2. or 3.; s. 794.011, excluding s. 794.011(10); s. 800.04; or s. 847.0135(5), the subtotal sentence points are multiplied by 2.0. If applying the multiplier results in the lowest permissible sentence exceeding the statutory maximum sentence for the primary offense under chapter 775, the court may not apply the multiplier and must sentence the defendant to the statutory maximum sentence.

Section 17. For the purpose of incorporating the amendment made by this act to section 775.087, Florida Statutes, in a reference thereto, paragraph (b) of subsection (3) of section 947.146, Florida Statutes, is reenacted to read:

947.146 Control Release Authority.—

(3) Within 120 days prior to the date the state correctional system is projected pursuant to s. 216.136 to exceed 99 percent of total capacity, the authority shall determine eligibility for and establish a control release date for an appropriate number of parole ineligible inmates committed to the department and incarcerated within the state who have been determined by the authority to be eligible for discretionary early release pursuant to this section. In establishing control release dates, it is the intent of the Legislature that the authority prioritize consideration of eligible inmates closest to their tentative release date. The authority shall rely upon commitment data on the offender in-

formation system maintained by the department to initially identify inmates who are to be reviewed for control release consideration. The authority may use a method of objective risk assessment in determining if an eligible inmate should be released. Such assessment shall be a part of the department's management information system. However, the authority shall have sole responsibility for determining control release eligibility, establishing a control release date, and effectuating the release of a sufficient number of inmates to maintain the inmate population between 99 percent and 100 percent of total capacity. Inmates who are ineligible for control release are inmates who are parole eligible or inmates who:

(b) Are serving the mandatory minimum portion of a sentence enhanced under s. 775.087(2) or (3), or s. 784.07(3);

In making control release eligibility determinations under this subsection, the authority may rely on any document leading to or generated during the course of the criminal proceedings, including, but not limited to, any presentence or postsentence investigation or any information contained in arrest reports relating to circumstances of the offense.

Section 18. *Section 921.139, Florida Statutes, may be cited as the “Sentencing Accountability and Fair Explanation (SAFE) Act.”*

Section 19. Section 921.139, Florida Statutes, is created to read:

921.139 *Sentencing and accountability for certain crimes.*—

(1) *The Legislature finds that students have the right to be safe from violent crime at schools. The Legislature further finds that the murder or attempted murder of two or more persons, including students, teachers, administrators, or other persons, committed on school property with a firearm or deadly weapon is one of the most morally reprehensible acts imaginable. Such a crime is directly contrary to all that is just and good. To ensure justice for the victims, venerate innocent life, and maximize the power of the law to deter future violent acts at schools, the branches of government must work together, consistent with constitutional requirements, to ensure that the punishment for the crime is as swift and severe as possible. Consistent with these purposes:*

(a) *If the identity of an adult who commits murder in the first degree of two or more persons using a firearm or deadly weapon on school property is not in doubt due to the quality and quantity of evidence available to a prosecutor, the prosecutor should not offer, and the court should not accept, a plea agreement that excludes the possibility of a death sentence.*

(b) *If the identity of a person who commits murder in the first degree of two or more persons using a firearm or deadly weapon on school property is not in doubt due to the quality and quantity of evidence available to a prosecutor and the offense was committed before the person attained 18 years of age, the prosecutor should not offer, and the court should not accept, a plea agreement that excludes the possibility of a life sentence.*

(c) *If the identity of a person who attempts to commit murder of two or more persons using a firearm or deadly weapon on school property is not in doubt due to the quality and quantity of evidence available to a prosecutor, the prosecutor should not offer, and the court should not accept, a plea agreement for a sentence that is less than the maximum penalty for the offense.*

(2) *As used in this section, the term “school” means any preschool, elementary school, middle school, junior high school, secondary school, career center, or postsecondary school, whether public or nonpublic.*

(3) *If a prosecutor enters into a plea agreement that is accepted by a court which is inconsistent with the recommendations of this section, the office of the state attorney employing the prosecutor shall issue a report within 30 days after the agreement is accepted by the court which explains the following:*

(a) *Whether and the extent to which the prosecutor conferred with the victims and intended victims, families of the victims, the investigating officers, and other interested persons before entering into the plea agreement.*

(b) *Whether or the extent to which the agreement is consistent with the severity of the crime and the importance of the lives of the victims or intended victims.*

(c) *Whether or the extent to which the plea agreement will deter similar crimes in the future.*

(d) *Whether other information justifies the plea agreement.*

The report must be published on the website for the office of the state attorney for at least 30 days.

Section 20. Subsection (2) of section 921.1401, Florida Statutes, is amended to read:

921.1401 Sentence of life imprisonment for persons who are under the age of 18 years at the time of the offense; sentencing proceedings.—

(2) In determining whether life imprisonment or a term of years equal to life imprisonment is an appropriate sentence, the court shall consider factors relevant to the offense and the defendant's youth and attendant circumstances, including, but not limited to:

(a) The nature and circumstances of the offense committed by the defendant.

(b) The effect of the crime on the victim's family and on the community.

(c) The defendant's age, maturity, intellectual capacity, and mental and emotional health at the time of the offense.

(d) The defendant's background, including his or her family, home, and community environment.

(e) The effect, if any, of immaturity, impetuosity, or failure to appreciate risks and consequences on the defendant's participation in the offense.

(f) The extent of the defendant's participation in the offense.

(g) The effect, if any, of familial pressure or peer pressure on the defendant's actions.

(h) The nature and extent of the defendant's prior criminal history.

(i) The effect, if any, of characteristics attributable to the defendant's youth on the defendant's judgment.

(j) The possibility of rehabilitating the defendant.

(k) *The need to deter others from committing murder or attempted murder with a firearm or deadly weapon on the property of a school, as defined in s. 921.139.*

Section 21. Subsection (6) of section 921.141, Florida Statutes, is amended to read:

921.141 Sentence of death or life imprisonment for capital felonies; further proceedings to determine sentence.—

(6) AGGRAVATING FACTORS.—Aggravating factors shall be limited to the following:

(a) The capital felony was committed by a person previously convicted of a felony and under sentence of imprisonment or placed on community control or on felony probation.

(b) The defendant was previously convicted of another capital felony or of a felony involving the use or threat of violence to the person.

(c) The defendant knowingly created a great risk of death to many persons.

(d) The capital felony was committed while the defendant was engaged, or was an accomplice, in the commission of, or an attempt to commit, or flight after committing or attempting to commit, any: robbery; sexual battery; aggravated child abuse; abuse of an elderly person or disabled adult resulting in great bodily harm, permanent disability, or permanent disfigurement; arson; burglary; kidnapping; aircraft piracy; or unlawful throwing, placing, or discharging of a destructive device or bomb.

(e) The capital felony was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(f) The capital felony was committed for pecuniary gain.

(g) The capital felony was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(h) The capital felony was especially heinous, atrocious, or cruel.

(i) The capital felony was a homicide and was committed in a cold, calculated, and premeditated manner without any pretense of moral or legal justification.

(j) The victim of the capital felony was a law enforcement officer engaged in the performance of his or her official duties.

(k) The victim of the capital felony was an elected or appointed public official engaged in the performance of his or her official duties if the motive for the capital felony was related, in whole or in part, to the victim's official capacity.

(l) The victim of the capital felony was a person less than 12 years of age.

(m) The victim of the capital felony was particularly vulnerable due to advanced age or disability, or because the defendant stood in a position of familial or custodial authority over the victim.

(n) The capital felony was committed by a criminal gang member, as defined in s. 874.03.

(o) The capital felony was committed by a person designated as a sexual predator pursuant to s. 775.21 or a person previously designated as a sexual predator who had the sexual predator designation removed.

(p) The capital felony was committed by a person subject to an injunction issued pursuant to s. 741.30 or s. 784.046, or a foreign protection order accorded full faith and credit pursuant to s. 741.315, and was committed against the petitioner who obtained the injunction or protection order or any spouse, child, sibling, or parent of the petitioner.

Amendment 1DD (508454) (with title amendment)—Between lines 2135 and 2136 insert:

Section 30. Subsection (6) of section 1013.64, Florida Statutes, is amended to read:

1013.64 Funds for comprehensive educational plant needs; construction cost maximums for school district capital projects.—Allocations from the Public Education Capital Outlay and Debt Service Trust Fund to the various boards for capital outlay projects shall be determined as follows:

(6)(a) Each district school board must meet all educational plant space needs of its elementary, middle, and high schools before spending funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any ancillary plant or any other new construction, renovation, or remodeling of ancillary space. Expenditures to meet such space needs may include expenditures for site acquisition; new construction of educational plants; renovation, remodeling, and maintenance and repair of existing educational plants, including auxiliary facilities; and the directly related costs of such services of school district personnel. It is not the intent of the Legislature to preclude the use of capital outlay funding for the labor costs necessary to accomplish the authorized uses for the capital outlay funding. Day-labor contracts or any other educational facilities contracting and construction techniques pursuant to s. 1013.45 are authorized. Additionally, if a school district has salaried maintenance staff whose duties consist solely of performing the labor necessary to accomplish the authorized uses for the capital outlay funding, such funding may be used for those salaries; however, if a school district has salaried staff whose duties consist partially of performing the labor necessary to accomplish the authorized uses for the capital outlay funding, the district shall prorate the portion of salary of each such employee that is based on labor for authorized capital outlay funding, and such funding may be used to pay that portion.

(b)1. A district school board may not use funds from the following sources: Public Education Capital Outlay and Debt Service Trust Fund; School District and Community College District Capital Outlay and Debt Service Trust Fund; Classrooms First Program funds provided in s. 1013.68; nonvoted 1.5-mill levy of ad valorem property taxes provided in s. 1011.71(2); Classrooms for Kids Program funds provided in s. 1013.735; District Effort Recognition Program funds provided in s. 1013.736; or High Growth District Capital Outlay Assistance Grant Program funds provided in s. 1013.738 for any new construction of educational plant space with a total cost per student station, including change orders, that equals more than:

- a. \$17,952 for an elementary school,
- b. \$19,386 for a middle school, or
- c. \$25,181 for a high school,

(January 2006) as adjusted annually to reflect increases or decreases in the Consumer Price Index.

2. School districts shall maintain accurate documentation related to the costs of all new construction of educational plant space reported to the Department of Education pursuant to paragraph (d). The Auditor General shall review the documentation maintained by the school districts and verify compliance with the limits under this paragraph during its scheduled operational audits of the school district. The department shall make the final determination on district compliance based on the recommendation of the Auditor General.

3. The Office of Economic and Demographic Research, in consultation with the department, shall conduct a study of the cost per student station amounts using the most recent available information on construction costs. In this study, the costs per student station should represent the costs of classroom construction and administrative offices as well as the supplemental costs of core facilities, including required media centers, gymnasiums, music rooms, cafeterias and their associated kitchens and food service areas, vocational areas, and other defined specialty areas, including exceptional student education areas. The study must take into account appropriate cost-effectiveness factors in school construction and should include input from industry experts. The Office of Economic and Demographic Research must provide the results of the study and recommendations on the cost per student station to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

4. The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall conduct a study of the State Requirements for Education Facilities (SREF) to identify current requirements that can be eliminated or modified in order to decrease the cost of construction of educational facilities while ensuring student safety. OPPAGA must provide the results of the study, and an overall recommendation as to whether SREF should be retained, to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than January 31, 2017.

5. Effective July 1, 2017, in addition to the funding sources listed in subparagraph 1., a district school board may not use funds from any sources for new construction of educational plant space with a total cost per student station, including change orders, which equals more than the current adjusted amounts provided in sub-subparagraphs 1.a.-c. which shall subsequently be adjusted annually to reflect increases or decreases in the Consumer Price Index. However, if a contract has been executed for architectural and design services or for construction management services before July 1, 2017, a district school board may use funds from any source for the new construction of educational plant space and such funds are exempt from the total cost per student station requirements.

6. A district school board must not use funds from the Public Education Capital Outlay and Debt Service Trust Fund or the School District and Community College District Capital Outlay and Debt Service Trust Fund for any new construction of an ancillary plant that exceeds 70 percent of the average cost per square foot of new construction for all schools.

(c) Except as otherwise provided, new construction for which a contract has been executed for architectural and design services or for construction management services by a district school board on or after July 1, 2017, may not exceed the cost per student station as provided in paragraph (b). A school district that exceeds the cost per student station provided in paragraph (b), as determined by the Auditor General, shall be subject to sanctions. If the Auditor General determines that the cost per student station overage is de minimus or due to extraordinary circumstances outside the control of the district, the sanctions shall not apply. The sanctions are as follows:

1. The school district shall be ineligible for allocations from the Public Education Capital Outlay and Debt Service Trust Fund for the next 3 years in which the school district would have received allocations had the violation not occurred.

2. The school district shall be subject to the supervision of a district capital outlay oversight committee. The oversight committee is authorized to approve all capital outlay expenditures of the school district, including new construction, renovations, and remodeling, for 3 fiscal years following the violation.

- a. Each oversight committee shall be composed of the following:

(I) One appointee of the Commissioner of Education who has significant financial management, school facilities construction, or related experience.

(II) One appointee of the office of the state attorney with jurisdiction over the district.

(III) One appointee of the Chief Financial Officer who is a licensed certified public accountant.

b. An appointee to the oversight committee may not be employed by the school district; be a relative, as defined in s. 1002.33(24)(a)2., of any school district employee; or be an elected official. Each appointee must sign an affidavit attesting to these conditions and affirming that no conflict of interest exists in his or her oversight role.

(d) The department shall:

1. Compute for each calendar year the statewide average construction costs for facilities serving each instructional level, for relocatable educational facilities, for administrative facilities, and for other ancillary and auxiliary facilities. The department shall compute the statewide average costs per student station for each instructional level.

2. Annually review the actual completed construction costs of educational facilities in each school district. For any school district in which the total actual cost per student station, including change orders, exceeds the statewide limits established in paragraph (b), the school district shall report to the department the actual cost per student station and the reason for the school district's inability to adhere to the limits established in paragraph (b). The department shall collect all such reports and shall provide these reports to the Auditor General for verification purposes.

Cost per student station includes contract costs, legal and administrative costs, fees of architects and engineers, furniture and equipment, and site improvement costs. Cost per student station does not include the cost of purchasing or leasing the site for the construction or the cost of related offsite improvements. *Cost per student station also does not include the cost for securing entries, checkpoint construction, lighting specifically designed for entry point security, security cameras, automatic locks and locking devices, electronic security systems, fencing designed to prevent intruder entry into a building, bullet-proof glass, or other capital construction items approved by the school safety specialist to ensure building security for new educational, auxiliary, or ancillary facilities; costs for these items must be below 2 percent per student station.*

And the title is amended as follows:

Between lines 2652 and 2653 insert: amending s. 1013.64, F.S.; specifying that the cost per student station does not include certain improvements related to enhanced safety and security;

790.222 Bump-fire stocks prohibited.—A person may not import into this state or transfer, distribute, sell, keep for sale, offer for sale, possess, or give to another person a bump-fire stock. A person who violates this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. As used in this section, the term “bump-fire stock” means a conversion kit, a tool, an accessory, or a device used to alter the rate of fire of a firearm to mimic automatic weapon fire or which is used to increase the rate of fire to a faster rate than is possible for a person to fire such semiautomatic firearm unassisted by a kit, a tool, an accessory, or a device.

Section 9. Section 790.064, Florida Statutes, is created to read:

790.064 Firearm possession and firearm ownership disability.—

(1) A person who has been adjudicated mentally defective or who has been committed to a mental institution, as those terms are defined in s. 790.065(2), may not own a firearm or possess a firearm until relief from the firearm possession and firearm ownership disability is obtained.

Section 10. (1) Section 790.401, Florida Statutes, is intended to temporarily prevent individuals who are at high risk of harming themselves or others from accessing firearms or ammunition by allowing law enforcement officers to obtain a court order when there is demonstrated evidence that a person poses a significant danger to himself or herself or others, including significant danger as a result of a mental health crisis or violent behavior.

(2) The purpose and intent of s. 790.401, Florida Statutes, is to reduce deaths and injuries as a result of certain individuals' use of firearms while respecting constitutional rights by providing a judicial procedure for law enforcement officers to obtain a court order temporarily restricting a person's access to firearms and ammunition. The process established by s. 790.401, Florida Statutes, is intended to apply only to situations in which the person poses a significant danger of harming himself or herself or others by possessing a firearm or ammunition and to include standards and safeguards to protect the rights of respondents and due process of law.

Section 11. Section 790.401, Florida Statutes, may be cited as “The Risk Protection Order Act.”

When requested by the sheriff, the clerk of the court may transmit a facsimile copy of a temporary ex parte risk protection order or a risk protection order that has been certified by the clerk of the court, and this facsimile copy may be served in the same manner as a certified copy. Upon receiving a facsimile copy, the sheriff must verify receipt with the sender before attempting to serve it upon the respondent. The clerk of the court shall be responsible for furnishing to the sheriff information on the respondent's physical description and location. Notwithstanding any other provision of law to the contrary, the chief judge of each circuit, in consultation with the appropriate sheriff, may authorize a law enforcement agency within the jurisdiction to effect service. A law enforcement agency effecting service pursuant to this section shall use service and verification procedures consistent with those of the sheriff. Service under this section takes precedence over the service of other documents, unless the other documents are of a similar emergency nature.

(b) All orders issued, changed, continued, extended, or vacated after the original service of documents specified in paragraph (a) must be certified by the clerk of the court and delivered to the parties at the time of the entry of the order. The parties may acknowledge receipt of such order in writing on the face of the original order. If a party fails or refuses to acknowledge the receipt of a certified copy of an order, the clerk shall note on the original order that service was effected. If delivery at the hearing is not possible, the clerk shall mail certified copies of the order to the parties at the last known address of each party. Service by mail is complete upon mailing. When an order is served pursuant to this subsection, the clerk shall prepare a written certification to be placed in the court file specifying the time, date, and method of service and shall notify the sheriff.

(6) TERMINATION AND EXTENSION OF ORDERS.—

(a) The respondent may submit one written request for a hearing to vacate a risk protection order issued under this section, starting after the date of the issuance of the order, and may request another hearing after every extension of the order, if any.

1. Upon receipt of the request for a hearing to vacate a risk protection order, the court shall set a date for a hearing. Notice of the request must be served on the petitioner in accordance with subsection (5). The hearing

must occur no sooner than 14 days and no later than 30 days after the date of service of the request upon the petitioner.

2. The respondent shall have the burden of proving by clear and convincing evidence that the respondent does not pose a significant danger of causing personal injury to himself or herself or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm or ammunition. The court may consider any relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds after the hearing that the respondent has met his or her burden of proof, the court must vacate the order.

4. The law enforcement agency holding any firearm or ammunition or license to carry a concealed weapon or firearm that has been surrendered pursuant to this section shall be notified of the court order to vacate the risk protection order.

(b) The court must notify the petitioner of the impending end of a risk protection order. Notice must be received by the petitioner at least 30 days before the date the order ends.

(c) The petitioner may, by motion, request an extension of a risk protection order at any time within 30 days before the end of the order.

1. Upon receipt of the motion to extend, the court shall order that a hearing be held no later than 14 days after the date the order is issued and shall schedule such hearing.

a. The court may schedule a hearing by telephone in the manner provided by subparagraph (3)(a)3.

b. The respondent must be personally serviced in the same manner provided by subsection (5).

2. In determining whether to extend a risk protection order issued under this section, the court may consider all relevant evidence, including evidence of the considerations listed in paragraph (3)(c).

3. If the court finds by clear and convincing evidence that the requirements for issuance of a risk protection order as provided in subsection (3) continue to be met, the court must extend the order. However, if, after notice, the motion for extension is uncontested and no modification of the order is sought, the order may be extended on the basis of a motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension.

4. The court may extend a risk protection order for a period that it deems appropriate, up to and including but not exceeding 12 months, subject to an order to vacate as provided in paragraph (a) or to another extension order by the court.

(7) SURRENDER OF FIREARMS AND AMMUNITION.—

(a) Upon issuance of a risk protection order under this section, including a temporary ex parte risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms and ammunition owned by the respondent in the respondent's custody, control, or possession except as provided in subsection (9), and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent.

(b) The law enforcement officer serving a risk protection order under this section, including a temporary ex parte risk protection order, shall request that the respondent immediately surrender all firearms and ammunition owned by the respondent in his or her custody, control, or possession and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent. The law enforcement officer shall take possession of all firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, which are surrendered. Alternatively, if personal service by a law enforcement officer is not possible or is not required because the respondent was present at the risk protection order hearing, the respondent must surrender any firearms and ammunition owned by the respondent and any license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, in a safe manner to the control of the local law enforcement agency im-

mediately after being served with the order by service or immediately after the hearing at which the respondent was present. Notwithstanding ss. 933.02 and 933.18, a law enforcement officer may seek a search warrant from a court of competent jurisdiction to conduct a search for firearms or ammunition owned by the respondent if the officer has probable cause to believe that there are firearms or ammunition owned by the respondent in the respondent's custody, control, or possession which have not been surrendered.

(c) At the time of surrender, a law enforcement officer taking possession of any firearm or ammunition owned by the respondent, or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent shall issue a receipt identifying all firearms and the quantity and type of ammunition that have been surrendered, and any license surrendered and shall provide a copy of the receipt to the respondent. Within 72 hours after service of the order, the law enforcement officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(d) Notwithstanding ss. 933.02 and 933.18, upon the sworn statement or testimony of any person alleging that the respondent has failed to comply with the surrender of firearms or ammunition owned by the respondent, as required by an order issued under this section, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. If the court finds that probable cause exists, the court must issue a warrant describing the firearms or ammunition owned by the respondent and authorizing a search of the locations where the firearms or ammunition owned by the respondent are reasonably believed to be found and the seizure of any firearms or ammunition owned by the respondent discovered pursuant to such search.

(e) If a person other than the respondent claims title to any firearms or ammunition surrendered pursuant to this section and he or she is determined by the law enforcement agency to be the lawful owner of the firearm or ammunition, the firearm or ammunition shall be returned to him or her, if:

1. The lawful owner agrees to store the firearm or ammunition in a manner such that the respondent does not have access to or control of the firearm or ammunition.

2. The firearm or ammunition is not otherwise unlawfully possessed by the owner.

(f) Upon the issuance of a risk protection order, the court shall order a new hearing date and require the respondent to appear no later than 3 business days after the issuance of the order. The court shall require proof that the respondent has surrendered any firearms or ammunition owned by the respondent in the respondent's custody, control, or possession. The court may cancel the hearing upon a satisfactory showing that the respondent is in compliance with the order.

(g) All law enforcement agencies must develop policies and procedures regarding the acceptance, storage, and return of firearms, ammunition, or licenses required to be surrendered under this section.

(8) RETURN AND DISPOSAL OF FIREARMS AND AMMUNITION.—

(a) If a risk protection order is vacated or ends without extension, a law enforcement agency holding a firearm or any ammunition owned by the respondent or a license to carry a concealed weapon or firearm issued under s. 790.06, held by the respondent, that has been surrendered or seized pursuant to this section must return such surrendered firearm, ammunition, or license to carry a concealed weapon or firearm issued under s. 790.06, as requested by a respondent only after confirming through a background check that the respondent is currently eligible to own or possess firearms and ammunition under federal and state law and after confirming with the court that the risk protection order has been vacated or has ended without extension.

b. The General Appropriations Act shall direct the computation of the statewide adjusted aggregate amount for required local effort for all school districts collectively from ad valorem taxes to ensure that no school district's revenue from required local effort millage will produce more than 90 percent of the district's total Florida Education Finance Program calculation as calculated and adopted by the Legislature, and the adjustment of the required local effort millage rate of each district that produces more than 90 percent of its total Florida Education Finance Program entitlement to a level that will produce only 90 percent of its total Florida Education Finance Program entitlement in the July calculation.

a. Each year for which the property appraiser has certified the taxable value pursuant to s. 193.122(2) or (3), if applicable, since the prior certification under sub-subparagraph 1.a.

A comparison of current year funds per unweighted FTE to prior year funds per unweighted FTE shall be computed. For those school districts which have less than the legislatively assigned percentage increase, funds shall be provided to guarantee the assigned percentage increase in funds per unweighted FTE student. Should appropriated funds be less than the sum of this calculated amount for all districts, the commissioner shall prorate each district's allocation. This provision shall be implemented to the extent specifically funded.

Senator Galvano moved the following amendment which was adopted:

Amendment 1 (172090) (with title amendment)—Delete lines 25-77 and insert:

(6) The identity of the reporting party received through the mobile suspicious activity reporting tool and held by the department, law enforcement agencies, or school officials is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. Any other information received through the mobile suspicious activity reporting tool and held by the department, law enforcement agencies, or school officials is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. Present subsection (8) of section 943.687, Florida Statutes, as created by SB 7026, 2018 Regular Session, is renumbered as subsection (9), and a new subsection (8) is added to that section, to read:

943.687 Marjory Stoneman Douglas High School Public Safety Commission.—

(8) Any portion of a meeting of the Marjory Stoneman Douglas High School Public Safety Commission at which exempt or confidential and exempt information is discussed is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution. This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 3. Subsection (4) is added to section 1006.12, Florida Statutes, as amended by SB 7026, 2018 Regular Session, to read:

1006.12 Safe-school officers at each public school.—

(4) Any information that would identify whether a particular individual has been appointed as a safe-school officer pursuant to this section held by a law enforcement agency, school district, or charter school is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 4. (1) *The Legislature finds that it is a public necessity that the identity of a person reporting unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, received through the mobile suspicious activity reporting tool and held by the Department of Law Enforcement, a law enforcement agency, or school officials, be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution, if the reporting person provides his or her identity. The public records exemption for the identity of those individuals reporting potentially harmful or threatening activities as part of the School Safety Awareness Program encourages individuals to act and not be fearful that their*

identity will be revealed. Without the public records exemption, individuals reporting such activities might be less willing to report their knowledge of these possible activities to the appropriate authorities out of fear. Ensuring their identity is protected will encourage reporting, which could lead to law enforcement or other appropriate agencies intervening before an incident of mass violence occurs.

(2) The Legislature also finds that it is a public necessity that any other information received through the mobile suspicious activity reporting tool through the School Safety Awareness Program and held by the Department of Law Enforcement, law enforcement agencies, or school officials be made exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. The public records exemption for any other information received through the mobile suspicious activity reporting tool protects information of a sensitive personal nature that, if disclosed, could be embarrassing. Without the public records exemption, individuals reporting such activities might be less willing to report their knowledge of these possible activities to the appropriate authorities out of fear and concern for their safety. The public records exemption will encourage reporting, which could lead to law enforcement or other appropriate agencies intervening before an incident of mass violence occurs. The public records exemption is also needed to protect the privacy of other individuals who are included in the report. After a report is made, law enforcement may find the report to be unfounded. For these reasons, the Legislature finds that it is a public necessity to protect any other information reported through the mobile suspicious activity reporting tool.

And the title is amended as follows:

Delete lines 3-5 and insert: amending s. 943.082, F.S.; providing exemptions from public records requirements for the identity of a reporting party and any information received through the mobile suspicious activity reporting tool which is held by the Department of Law Enforcement, law enforcement agencies, or school officials; amending
