SUSPENSION REPORTS

EXECUTIVE ORDER NUMBER 19-14
(Executive Order of Suspension)

WHEREAS, Article IV, Section 7 of the Florida Constitution provides in relevant part that, “the Governor may suspend from office ... any county officer for ... neglect of duty ...[or] incompetence”; and

WHEREAS, Scott Israel is presently serving as the Sheriff for Broward County, Florida, having been reelected by the voters of Broward County in 2016 for a four-year term; and

WHEREAS, pursuant to Florida Statute § 30.15, it is the duty of elected sheriffs to be the conservators of the peace in their respective counties; and

WHEREAS, pursuant to Florida Statute § 30.07, “sheriffs may appoint deputies to act under them who shall have the same power as the sheriff appointing them, and for the neglect and default of whom in the execution of their office the sheriff shall be responsible”; and

WHEREAS, sheriffs are responsible for appointing command staff who are responsible for the training, response and security within the counties, including airports, seaports and schools within their jurisdiction; and

WHEREAS, sheriffs are responsible for the recruitment, hiring and promotion of their command staff and deputy sheriffs; and

WHEREAS, on February 14, 2018, Marjory Stoneman Douglas High School in Parkland, Broward County, Florida, experienced a tragic shooting, taking the lives of seventeen students and staff members; and

WHEREAS, prior to the shooting at Marjory Stoneman Douglas High School, Broward County Sheriff’s Office had a total of 21 interactions with the shooter, including two incidents that an internal affairs investigation later found warranted additional follow-up; and

WHEREAS, the first of the above incidents occurred in February 2016 when the Marjory Stoneman Douglas shooter posted a picture of a gun with a statement similar to “I am going to get this gun when I turn 18 and shoot up the school”; and

WHEREAS, Broward County Deputy Eason, acting on behalf of and in place of Sheriff Israel, did not complete an incident report, but instead noted in CAD, “No threats noted and info forwarded to (SRO) Peterson at school.”; and

WHEREAS, the second of the above incidents occurred in November 2017 when Broward County Sheriff’s Office received a call that the Marjory Stoneman Douglas shooter “had weapons and wanted to join the military to kill people” and “that [he] ‘might be a Columbine in the making’ and was a threat to kill himself.”; and

WHEREAS, Broward County Deputy Treijs, acting on behalf and in place of Sheriff Israel, did not complete an incident report, but instead noted in CAD that the Marjory Stoneman Douglas shooter was autistic, his location was unknown, and directed the caller to contact another police department; and

WHEREAS, on February 14, 2018, Broward County Deputy Scot Peterson was at all times acting on behalf of and in place of Sheriff Israel while serving as the School Resource Officer at Marjory Stoneman Douglas High School; and

WHEREAS, on February 14, 2018, Broward County Deputy Peterson exercised the discretion of Sheriff Israel consciously deciding not to engage the Marjory Stoneman Douglas shooter, while the shooter was actively killing and attempting to kill the students and teachers of Marjory Stoneman Douglas High School; and

WHEREAS, according to the Marjory Stoneman Douglas Public Safety Commission Report dated January 2, 2019, there were six other Broward County Sheriff Deputies acting on behalf of and in place of Sheriff Israel who were in close proximity to the Marjory Stoneman Douglas High School that “did not immediately move towards the gunshots to confront the shooter”; and

WHEREAS, Sheriff Israel is responsible for developing, implementing and training his deputies on policy related to active shooters; and

WHEREAS, Sheriff Israel is responsible for inserting into the Broward County Sheriff’s Office Active Shooter Policy that a deputy “may” enter the area or structure to engage an active shooter and preserve life; and

WHEREAS, on November 15, 2018, Sheriff Israel stated to the Marjory Stoneman Douglas Public Safety Commission “that he wanted his deputies to exercise discretion and he did not want them engaging in ‘suicide missions.’”; and

WHEREAS, as noted by the Marjory Stoneman Douglas Public Safety Commission Report dated January 2, 2019, Broward County Sheriff’s Office policy for responding to an active shooter situation is inconsistent with current and standard law enforcement practices; and

WHEREAS, even if the duty to engage an active shooter was discretionary, the responsibility for the exercise of that discretion falls upon the elected sheriff; and

WHEREAS, the Marjory Stoneman Douglas Public Safety Commission Report further revealed a failure on the part of Sheriff Israel and his deputies to timely establish an incident command center; and

WHEREAS, to meet the Sheriff’s duty to be the conservator of the peace, it is necessary for the Sheriff to provide adequate, up-to-date, frequent, thorough and realistic training to handle high-risk, high-stress situations, including mass casualty incidents; and

WHEREAS, Sheriff Israel’s deputies interviewed by the Marjory Stoneman Douglas Public Safety Commission could not remember the last time they attended active shooter training or what type of training they received; and

WHEREAS, on January 6, 2017, a tragic shooting occurred at the Fort Lauderdale-Hollywood Airport in Broward County, Florida, taking the lives of five and injuring dozens more; and

WHEREAS, during the shooting at the Fort Lauderdale-Hollywood Airport the Broward County Sheriff’s Office failed to contain and maintain security resulting in a breach of airport security; and

WHEREAS, an internal investigation into the Fort Lauderdale Airport shooting uncovered a lack of leadership by Sheriff Israel, including: a failure by Sheriff Israel to establish proper containment procedures for the crime scene, a failure by Sheriff Israel to establish a centralized command and response, a failure by Sheriff Israel to provide his deputies adequate, thorough and realistic training, and a failure by Sheriff Israel to establish an appropriate response to a mass casualty incident; and

WHEREAS, the investigation also revealed that Sheriff Israel’s neglect of duty and incompetence lead to “most of the law enforcement personnel who responded [lacking] clear instructions, objectives, and roles.”; and

WHEREAS, Sheriff Israel has egregiously failed in his duties as Sheriff for Broward County; and

WHEREAS, Sheriff Israel failed to maintain a culture of vigilance and thoroughness amongst his deputies in protecting the peace in Broward County, Florida; and

WHEREAS, Sheriff Israel has demonstrated during multiple incidents that he has not provided for the proper training of his deputies; and

WHEREAS, two separate reports into the recent mass casualty shootings in Broward County specifically found that Sheriff Israel has not and does not provide frequent training for his deputies resulting in the deaths of twenty-two individuals and a response that is inadequate for the future safety of Broward County residents; and

WHEREAS, two separate reports into the recent mass casualty shootings in Broward County specifically found that Sheriff Israel has not implemented proper protocols to provide guaranteed access to emergency services, nor proper protocols to have timely, unified command centers setup to control a crime scene, leading to confusion, a lack of recognized chain-of-command, and ultimately a failure to contain the dangerous situation; and

WHEREAS, Sheriff Israel has contravened his oath of office as set forth in Article II, section 5, of the Florida Constitution, to "...faithfully perform the duties" of Sheriff of Broward County, Florida; and

WHEREAS, due to his demonstrated neglect of duty and incompetence, Sheriff Israel can no longer demonstrate the qualifications necessary to meet his duties in office; and

WHEREAS, it is in the best interests of the residents of Broward County, and the citizens of the State of Florida, that Sheriff Israel be immediately suspended from the public office, which he now holds;

NOW, THEREFORE, I, RON DESANTIS, Governor of Florida, pursuant to the Constitution and the laws of the State of Florida, do hereby find, determine, and for the purposes of Article IV, section 7, of the Florida Constitution, allege as follows:

- A. Scott Israel is, and at all times material was, the Sheriff for Broward County, Florida.
- B. The office of sheriff is within the purview of the suspension powers of the Governor, pursuant to Article IV, section 7, of the Florida Constitution.
- C. The actions and omissions of Scott Israel as referenced above and as noted in the Marjory Stoneman Douglas Public Safety Commission Report, dated January 2, 2019 and attached hereto, constitute neglect of duty and incompetence for the purposes of Article IV, section 7, of the Florida Constitution.
- D. If, after execution of this suspension, additional facts are discovered that illustrate further neglect of duty and incompetence—or other constitutional grounds for suspension of Sheriff Israel—this Executive Order may be amended to allege those additional facts.

BEING FULLY ADVISED in the premises, and in accordance with the Constitution and the laws of the State of Florida, this Executive Order is issued, effective immediately:

Section 1. Scott Israel is hereby suspended from the public office that he now holds, to wit: Sheriff for Broward County, Florida.

Section 2. Scott Israel is hereby prohibited from performing any official act, duty, or function of public office; from receiving any pay or allowance; and from being entitled to any of the emoluments or privileges of public office during the period of this suspension, which period shall be from the effective date hereof, until a further executive order is issued, or as otherwise provided by law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 11th day of January, 2019.

Ron DeSantis
GOVERNOR

ATTEST:
Michael Ertel
SECRETARY OF STATE

[Previously referred to the Senate Special Master January 24, 2019.]

MEMORANDUM

To: Debbie Brown, Secretary
From: Bill Galvano, President
Subject: Executive Order of Suspension Number 19-14, re Scott Israel
Date: March 12, 2019

On Thursday, March 7, 2019, Executive Order of Suspension 19-14 was challenged by way of a Petition for Writ of Quo Warranto in Broward County's 17th Judicial Circuit Court. Subsequent to the filing of the Writ and after receiving statements from the parties, Special Master Goodlette recommended the matter be held in abeyance until a final determination in the pending litigation has been rendered including the exhaustion of all appellate remedies.

I accept Special Master Goodlette's recommendation. Therefore, pursuant to Senate Rule 12.9(2), the proceedings regarding EO 19-14 are held in abeyance.

PRAYER

The following prayer was offered by Professor Ammar Ahmed, South Florida Director of Emgage and Professor at Broward College, Palm Beach:

In the name of God, the most gracious and merciful, the creator of all that is, all that has been, and all that will be, we remind ourselves of the bounty and blessings you have bestowed upon us. You have provided us with food and drink, clothing and shelter, and so much else we have to be thankful for. We have been gifted with time, ability, and opportunity. May we justly wield this opportunity. We ask for your continued blessings—may you shower them down upon all of us, our friends and family, and the people of this great state.

You are the wise—may you grant us a piece of your infinite wisdom. You are the guide—may you show us the straight path and help us to follow it. You are the unifier—may you give us the strength and the courage to stand together and do righteous deeds for the sake of our fellow humanity. You are the listener—may you give us the ability to listen deeply and compassionately.

May your peace and blessings be upon those sent to guide us and upon us all. Amin.

PLEDGE

Senate Pages, Ava DeVries of Naples; Preston Edwards of Sopchoppy; Alana Kornegay of Tallahassee; and Samuel Newson III of St. Petersburg, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

ADOPTION OF RESOLUTIONS

At the request of Senator Rouson—

By Senator Rouson—

SR 632—A resolution recognizing Tampa Theatre as a treasured Florida landmark for its significant contribution to the arts, its historical significance as a preserved and protected landmark, and the service and enjoyment it provides to residents of and visitors to this state.

WHEREAS, Tampa Theatre, lovingly referred to as “the Tampa,” enjoys a long and luminous history and distinguished heritage, having been constructed in 1926 as one of America’s most majestic and elaborate motion picture palaces, and

WHEREAS, the Tampa opened its doors on October 15, 1926, to a sold-out audience, including then-Governor John W. Martin, and

WHEREAS, an extraordinary example of movie palace architecture, the Tampa was designed by acclaimed architect John Ebersson as his favorite representation of the “atmospheric” style of theatre for which he was renowned, replete with old-world style ornamentation and statuary, wrought iron accents, rich tapestries, gargoyles, and a star-filled night sky, and has elegantly endured through the decades, and

WHEREAS, in 1976, when changes in the film industry endangered the future of the Tampa, area residents and champions statewide rescued the building for the enjoyment of future generations, and

WHEREAS, the Tampa’s successful resurgence as a nonprofit film and cultural center has been central to the economic revitalization of downtown Tampa and the region, and

WHEREAS, the Tampa has received international acclaim as being one of the most beautiful, important, and best historic movie theaters in the world, and

WHEREAS, the Tampa is fiercely protected and generously supported by the residents of this state and welcomes more than 140,000 visitors a year, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That Tampa Theatre is recognized as a treasured Florida landmark for its significant contribution to the arts, its historical significance as a preserved and protected landmark, and the service and enjoyment it provides to residents of and visitors to this state.

—was introduced, read, and adopted by publication.

At the request of Senator Perry—

By Senator Perry—

SR 678—A resolution commemorating the 175th anniversary of Marion County and recognizing March 25, 2019, as “Marion County Day” in Florida.

WHEREAS, when the United States Government acquired Florida in 1821, scouts were sent to survey the peninsula, and in 1825, the government created the Seminole Agency to oversee the Seminole Nation in what would become Marion County, and

WHEREAS, the United States Army established a military outpost to protect the northern boundary of the Seminole Indian reservation and in 1827, erected a site called Fort King, and

WHEREAS, as a result of the Armed Occupation Act of 1842, which offered free land if certain conditions were met, pioneers migrated to present-day Marion County, and

WHEREAS, between 1842 and 1844, Marion County was still a part of Alachua, Mosquito, now known as Orange, and Hillsborough Counties, and the closest county seat was in Alachua County, a difficult 50 miles from Fort King, and so early settlers wanted a new county, and

WHEREAS, Gabriel L. Priest, Sr., the first State Senator from Marion County, represented Alachua County when he introduced a bill to create the new county, and

WHEREAS, the territorial legislative council authorized the formation of Marion County, and Richard Keith Call, the third territorial Governor, signed the law on March 25, 1844, and

WHEREAS, Marion County has grown substantially and now boasts significant economic development and the title of Horse Capital of the World, and

WHEREAS, the people and natural landmarks of Marion County have contributed greatly to the history of the State of Florida, and

WHEREAS, March 25, 2019, marks the 175th anniversary of Marion County's creation, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That March 25, 2019, is designated as "Marion County Day" in Florida, and that all Marion County residents, past and present, are thanked for their significant contributions to the state.

—was introduced, read, and adopted by publication.

At the request of Senator Berman—

By Senator Berman—

SR 1810—A resolution recognizing March 2019 as "Colorectal Cancer Awareness Month" in Florida.

WHEREAS, colorectal cancer is currently the second leading cause of cancer death in the United States among both men and women, and

WHEREAS, in 2018, approximately 140,250 people in the United States were diagnosed with colorectal cancer, and approximately 50,630 people died from the disease, and

WHEREAS, the average risk of developing colorectal cancer in one's lifetime is 5 percent, and this risk may increase depending on age, family history, or ethnicity, and

WHEREAS, according to the Centers for Disease Control and Prevention's 2013 incidence report, Floridians were affected by colorectal cancer at a rate of 35.8 per 100,000, and the death rate was 13.4 per 100,000, and

WHEREAS, with early detection, the 5-year survival rate for colorectal cancer is approximately 90 percent, but, even with regular screenings, only four out of ten cases are detected sufficiently early, and such factors as lack of awareness and inability to afford proper screenings often prevent detection, and

WHEREAS, if colorectal cancer is discovered in later stages after it has begun to spread to other organs, the survival rate is a mere 10 percent, but this survival figure could increase if adults older than 50 years of age are regularly screened to discover the cancer in its earlier stages, and

WHEREAS, increasing awareness of and education concerning colorectal cancer leads to significant progress in both preventing and overcoming the disease, as the majority of cases have proven to be both treatable and survivable, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That March 2019 is recognized as "Colorectal Cancer Awareness Month" in Florida.

—was introduced, read, and adopted by publication.

SR 682—A resolution expressing solidarity with the people of Venezuela in their pursuit of a strong and stable democratic government under which they may enjoy the political freedoms and economic security that are the hallmarks of democracy.

WHEREAS, Venezuela was once a rich and prosperous country with a stable democratic form of government, recognized as South America's economic powerhouse because of its bountiful natural resources, and

WHEREAS, since 1998, when Hugo Chávez first came into power, and continuing today under the brutal dictatorship of Nicolás Maduro, Venezuela has become a shadow of its former self, crippled by an economic collapse that has resulted in shortages of food and the suspension of essential services, and

WHEREAS, the current dictatorship has robbed the Venezuelan people of their freedom of press, freedom of speech, and the right to peaceful assembly, and

WHEREAS, United States Senator Marco Rubio and President Donald J. Trump have joined other world leaders in calling for the recognition of Juan Guaidó as Venezuela's new president in light of his promise to re-establish the Constitution of Venezuela, which would guarantee and promote political rights, including the right to assemble for political purposes, for the people of Venezuela, and

WHEREAS, democracy is a necessary condition for the peace, stability, and development of Venezuela and the well-being of the Venezuelan people, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Senate expresses solidarity with the people of Venezuela in their pursuit of a strong and stable democratic government under which they may enjoy the political freedoms and economic security that are the hallmarks of democracy.

BE IT FURTHER RESOLVED that the Senate calls for the recognition of Juan Guaidó as Venezuela's new president.

—was read the second time by title. On motion by Senator Diaz, **SR 682** was adopted.

REPORT OF JOINT SELECT COMMITTEE

The Honorable Bill Galvano
 President of the Senate
 409 The Capitol
 Tallahassee, FL 32399-1100

March 11, 2019

Dear Mr. President:

The Joint Select Committee on Collective Bargaining convened on March 11, 2019, in Morris Hall, 17 House Office Building, at 11:00 a.m. The purpose of the meeting was to provide all parties involved in collective bargaining disputes with the State of Florida the opportunity to present their positions to the Florida Legislature, consistent with the provisions of section 447.403, Florida Statutes, and the open meeting provisions of Articles III, section 4 of the State Constitution.

The parties presented their positions and indicated they are continuing to negotiate the issues at impasse. We recommend that nego-

tiations continue and that the appropriate legislative committees be kept abreast of the issues agreed upon by the parties as well as the issues that remain at impasse or require legislative action to resolve.

Respectfully submitted,
Senator Ed Hooper

PRAYER

The following prayer was offered by Reverend Karen Reed, Martin Memorial African Methodist Episcopal Church, Miami:

As you begin your work day, let us take a moment to quiet ourselves, seeking direction for the operations of the day. To our creator and the source of our being, we give thanks for granting your people a new day of your grace and mercy. Thank you for the renewal of their physical estate to return and fulfill their daily obligations.

Mighty God, we are seeking your divine wisdom and direction for the work that is set for today. Order the steps of our leaders. Grace your leaders with understanding of the voiceless. Open their ears, hearts, and minds to hear the cries of the wilderness—families impacted by mental illnesses and parents whose children have been robbed of life due to gun violence. Open their ears, hearts, and minds to hear the cries of the at-risk students struggling and fighting for a fair chance to meet the educational standards. Open their ears, hearts, and minds to hear the cries of those who are not able to afford health care for themselves and their families. Open their ears, hearts, and minds to hear the cries to preserve the precious resources that help create a healthy environment. Grace your leaders with compassion that will bring healing to humanity and to this land. Fill this room today with your presence of peace that a unified sound will resonate in the State of Florida as one

voice. Fill this room today with unity that throughout the State of Florida—men, women, boys, and girls will know there is liberty and justice for all.

God, I pray for our leaders that, as they take on the spirit of servants, they will never forget the real cost of leadership sacrificed for all and they never lose sight nor passion that brought them here. God, as they serve the State of Florida, we pray for their families who continue to support the passion and willingness to serve the people. They, too, have sacrificed for the greater good. Grant peace and blessings upon our leaders and their families.

We end this prayer today in the words of Mother Teresa, “Yesterday is gone. Tomorrow has not yet come. We have only today. Let us begin.” Amen.

PLEDGE

Senate Pages, Brooke Bryant of Hernando; Isiah Johnson III of Tampa; Kathelyn Rodriguez of Hialeah; and Evon Thompson of Orlando, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Jeffrey Block of Miami, sponsored by Senator Taddeo, as the doctor of the day. Dr. Block specializes in anesthesiology.

RE: Executive Order of Suspension, Executive Order 19-83

Dear Mr. Hudson:

The Florida Senate has received Executive Order 19-83 in which the Governor has suspended you from office as Clerk of Court and Comptroller for Holmes County, Florida. Pursuant to Article IV, s7(b) of the Florida Constitution, the Florida Senate may remove you from office or reinstate you.

You have a right to a hearing conducted in accordance with Part V, Chapter 112, Florida Statutes and Senate Rule 12. However, Senate Rule 12.9(2) requires all inquiry, investigation, or hearings be held in abeyance and not considered by the Senate until the pending charges are dismissed or until final determination of the criminal charges is rendered, including the exhaustion of all appellate remedies. Given the pending criminal charges against you, the Senate's consideration of your suspension is held in abeyance pursuant to Senate Rules 12.9(2).

At the conclusion of the pending criminal matter, should you wish to have a hearing, it is your responsibility to submit your written request to the Office of the Senate Secretary. Senate Special Counsel Christie Letarte has been appointed as the special master in this matter should a hearing be necessary. Until the criminal matter is resolved, please direct any questions to the Secretary of the Senate at the contact information below. It is your responsibility to make sure the Senate has your correct contact information.

If you choose to submit your written resignation to the Governor's Office, please provide a copy of the resignation to the Office of the Senate Secretary. The Secretary will record your decision to resign in the official records of the Senate and this matter will be closed.

To learn more about the Senate's process, or to access applicable statutes and rules, please visit the Senate website, www.flsenate.gov, and navigate to the Executive Suspensions webpage, <http://www.flsenate.gov/Session/ExecutiveSuspensions>.

If you have any questions concerning this notice, please contact the undersigned.

PRAYER

The following prayer was offered by Monsignor Thomas J. Skindeliski, St. Vincent Ferrer Catholic Church, Delray Beach:

Blessed are you, Lord God of the universe. You have made us in your image and likeness with great love and care. You are wonderful and are the consolation of many hearts. We thank you for the many blessings and gifts you constantly pour forth on us in this great State of Florida.

Today, we call upon you once again as we begin this legislative session. We seek your aid in using our collective wisdom as we deliberate the issues that truly affect the lives of our people. Grant us your wisdom to use prudently the talents with which you have blessed us. Open our minds to better understand the needs of those who have chosen us to serve them. Teach us how to craft laws that will better the lives of millions of people who are counting on our efforts to serve them well.

Let justice and peace be foremost in our minds as we endeavor to legislate in ways that will benefit all our people. Direct our efforts to preserve the life and liberty of all we represent, including the most vulnerable members of our society, especially the very young and the very old.

Help us to be respectful in our attitudes toward each other, to be diligent in our work, courteous in our speech, and humbly aware of your

presence when we debate those issues that affect our people. Encourage us in our struggle to be examples of integrity, honesty, and trust. Guard our minds and hearts from the power of the evildoer, especially when he tempts us to stray from your God-given direction.

Watch over and protect us and our families from all harm, especially when we are apart. As we pray for ourselves and our families, we ask you to look after the men and women of our state who are serving abroad in our armed forces. Return them safely to their loved ones as soon as possible. Grant us a sense of serious purpose in our work, so that we may not take our responsibilities and duties lightly; but teach us how to balance that with a sense of humor, so that we may not take ourselves too seriously.

Finally, gracious God, show us how to look upon the poor with compassion and mercy and to justly share with them the abundance of your blessings, especially in their time of need. May all of our actions reflect your goodness to us, and may we, in turn, reflect it toward those who have need of that goodness. All of this we ask of you, mighty God, who guides and governs all of us. Amen.

PLEDGE

Senate Pages, Parker Bevis of Tallahassee; Leighanna Goldman of Saint Johns; Katherine Gramling of Tampa; and Ameion Hamlet of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Richard Tempel of Winter Garden, sponsored by Senator Bracy, as the doctor of the day. Dr. Tempel specializes in emergency medicine.

ADOPTION OF RESOLUTIONS

At the request of Senator Perry—

By Senator Perry—

SR 340—A resolution recognizing April 2019 as “Landscape Architecture Month” in Florida.

WHEREAS, landscape architecture encompasses the analysis, design, planning, management, and stewardship of the natural and built environment, and

WHEREAS, Floridians benefit from the licensed practice of landscape architecture, which assures the design of healthy, equitable, safe, and resilient public and private outdoor spaces, and

WHEREAS, landscape architects are responsible for protecting the public health by creating accessible spaces, such as public plazas, parks, schools, residential common areas, playgrounds, and trails that lead to active lifestyles and healthy communities, and

WHEREAS, landscape architects are also responsible for promoting public safety by applying land design skills, technical knowledge, and conservation techniques that ensure the safety of individuals and communities, and for protecting the public welfare by purposefully designing public and private spaces that provide economic, social, and environmental benefits for people of all ages and abilities to enjoy, and

WHEREAS, there are more than 1,200 landscape architects in Florida who are licensed by the Florida Board of Landscape Architecture through the Department of Business and Professional Regulation and have met the education, examination, and experience requirements imposed by the board, and

WHEREAS, science, technology, engineering, and mathematics (STEM) knowledge is at the core of the professional practice of landscape architecture and informs landscape architects as innovators, educators, researchers, and leaders who can solve the most pressing challenges facing Florida's communities, and

WHEREAS, landscape architects promote security and safety through transportation design and planning of multi-use transportation corridors that accommodate all users, including pedestrians, bicyclists, motorists, and people who use public transportation, including people with disabilities, while also protecting sidewalks, public plazas, and other vulnerable outdoor areas from potential attackers and security threats, and

WHEREAS, landscape architects are leaders in creating resilient and green infrastructure designs that address erosion and sediment control, stormwater management, and strategies to mitigate the effects of sea level rise and flood waters, thus allowing communities to better withstand and respond to severe weather events and lessening the need for state and local funds and resources in disaster-recovery efforts, and

WHEREAS, landscape architects are leaders in creating sustainable landscapes, helping to reduce water demand and energy consumption, conserve and restore natural resources, preserve wildlife habitats, improve air quality, and regulate climate, and

WHEREAS, landscape architects believe in and prioritize the fair treatment and meaningful involvement of all people regardless of race, national origin, education level, or income with regard to the development and implementation of public designs and plans, and

WHEREAS, Florida's economy benefits from licensed landscape architects through the creation of inviting and safe spaces for the public, residents, and tourists alike, while simultaneously protecting the environment and associated ecological systems, and

WHEREAS, the University of Florida and Florida International University have accredited landscape architecture programs, preparing students to be the next generation of leaders and innovators in landscape architecture in Florida, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 2019 is recognized as "Landscape Architecture Month" in Florida.

—was introduced, read, and adopted by publication.

At the request of Senator Benacquisto—

By Senator Benacquisto—

SR 1336—A resolution to recognize the lifetime achievements of legendary tennis coach Nicholas J. "Nick" Bollettieri.

WHEREAS, Nicholas J. "Nick" Bollettieri, president emeritus of IMG Academy in Bradenton, is one of the most influential people in the world of tennis, and

WHEREAS, in 1978, Nick Bollettieri created the academy model of training and founded the Nick Bollettieri Tennis Academy (NBTA) in Florida, which was the first full-time tennis boarding school to combine intense training on the court with a custom-designed academic curriculum, and

WHEREAS, NBTA successfully blended technical and strategic on-court tennis training with specialized physical and mental conditioning, an approach that not only builds athletes on the court, but also prepares them for a successful life off the court, and

WHEREAS, Nick Bollettieri used this method to coach 10 No. 1 players who are household names in the sport — Agassi, Becker, Courier, Hingis, Jankovic, Rios, Seles, Sharapova, and Venus and

Serena Williams, as well as a multitude of other world-class players who include Nishikori, Haas, Kournikova, and Arias, and

WHEREAS, in 1987, Nick Bollettieri joined forces with IMG to turn NBTA into a multi-sport training facility known as IMG Academy, which spans 500 acres and trains more than 13,000 athletes from more than 75 countries annually, and

WHEREAS, IMG Academy is an economic force in Florida, bringing families to this great state, building businesses, and growing communities in and around Manatee County, and

WHEREAS, now, at age 87, Nick Bollettieri still gets up at 5 a.m. every day for a schedule of teaching, coaching, and overseeing the progress of numerous professional players, elite juniors, and academy groups, in addition to his traveling and public speaking, and

WHEREAS, honored with many tennis awards and accolades, Nick Bollettieri brings a passion, energy, and commitment to all he pursues, and he makes a special point to support programs for youth and charitable foundations that provide opportunities for less fortunate children, and

WHEREAS, through his work and his many accomplishments, Nick Bollettieri has proven that personal resilience, hard work, and a positive attitude form a winning foundation not only in tennis, but in life, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That legendary tennis coach Nicholas J. "Nick" Bollettieri is recognized for his lifetime achievements.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Nicholas J. "Nick" Bollettieri as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

SPECIAL GUESTS

Senator Benacquisto recognized legendary tennis coach Nicholas J. "Nick" Bollettieri, who was present in the gallery.

SB 186—A bill to be entitled An act relating to public records; transferring, renumbering, and amending s. 406.136, F.S.; defining the term “killing of a victim of mass violence”; expanding an existing exemption from public records requirements for a photograph or a video or audio recording held by an agency which depicts or records the killing of a law enforcement officer to include a photograph or a video or audio recording held by an agency which depicts or records the killing of a victim of mass violence; clarifying that a surviving spouse, parent, or adult child of the victim is not precluded from publicly releasing such photograph or video or audio recording; providing criminal penalties; providing retroactive applicability; providing for future legislative review and repeal of the exemption; conforming provisions to changes made by the act; providing a statement of public necessity; providing a directive to the Division of Law Revision; providing an effective date.

—as amended March 21, was read the third time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senators Lee and Rodriguez offered the following amendment which was moved by Senator Lee and adopted by two-thirds vote:

Amendment 1 (563584)—Delete lines 38-47 and insert:

b. “Killing of a victim of mass violence” means events that depict either a victim being killed or the body of a victim killed in an incident in which three or more persons, not including the perpetrator, are killed by the perpetrator of an intentional act of violence. For purposes of this definition, the term “perpetrator” does not include a public official or a public employee acting within the scope of his or her duties or under color of office at the time of the killing.

PRAYER

The following prayer was offered by The Most Reverend Bernardito Auza, Apostolic Nuncio, Permanent Observer of the Holy See to the United Nations and Organization of American States, Rank of an Archbishop, New York:

Grace and peace be to this Senate.

Almighty God, we ask you to bless each and every member of the Senate of the State of Florida as they come together to examine and deliberate on the issues and concerns affecting the people and the state. Grant them wisdom to make decisions that redound to the common good of all, the courage to discuss with serenity even the most challenging and divisive issues of the day, and the capacity to love and respect one another in spite of their political differences. Inspire them to foster a political culture that is always of service and not of dominion, charity and not opposition, and respect and not dishonor of the other.

God of wisdom, inspire them to be public servants with a lofty sense of their duties, attentive listeners to the concerns and needs of the citizens of this state, uplifting examples and preserving the credibility of

the office, passionate caretakers of this bountiful and beautiful land, and compassionate protectors of those left behind in society.

Bless all their endeavors and plans to make this State of Florida ever more just, peaceful, and prosperous—where the young look to the future with confidence, where the equal dignity of all is fully guaranteed, where the vulnerable are defended, and where all Floridians are proud to be stewards of their state’s enormous natural beauty, resources, and people.

We ask these things in your holy name. Amen.

PLEDGE

Senate Pages, Elise Farr of Tallahassee; Janae Mobley of Jacksonville; Jasmin Torres of Monticello; and Lorne “Eli” Whaley of Carabelle, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Michelle Mendez of Jacksonville Beach, sponsored by Senator Bean, as the doctor of the day. Dr. Mendez specializes in family practice.

ADOPTION OF RESOLUTIONS

At the request of Senator Taddeo—

By Senator Taddeo—

SR 930—A resolution recognizing April 1-7, 2019, as “Autism Soccer Awareness Week” in Florida.

WHEREAS, autism spectrum disorder is a lifelong developmental disability resulting in impairment of an individual’s ability to learn, develop healthy interactive behaviors, and understand verbal, non-verbal, and reciprocal communication, and

WHEREAS, autism, the result of a neurological disorder affecting brain function, affects one in every 68 children, and millions nationwide, but few understand this complex disorder, and

WHEREAS, children with autism have a variety of symptoms and special abilities, and

WHEREAS, children with autism have been discriminated against in the participation of sports and extracurricular activities because of these symptoms and special abilities, and

WHEREAS, children with autism have a right to reap the physical and mental benefits of sports and extracurricular activities, and

WHEREAS, children with autism must be given the chance to participate in sports and extracurricular activities as we continue to research this complex neurological disorder to find treatment options to help those affected and as we strive to provide families with education, awareness, and acceptance, and

WHEREAS, Autism Soccer teaches soccer skills to children with autism in a supportive environment that encourages teamwork and assists them in building self-confidence, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 1-7, 2019, is designated as “Autism Soccer Awareness Week” in Florida, and that Floridians are encouraged to support and encourage the engagement of children with autism in sports, including soccer, and extracurricular activities.

—was introduced, read, and adopted by publication.

At the request of Senator Montford—

By Senator Montford—

SR 1818—A resolution commending the osteopathic physicians of this state and recognizing April 4, 2019, as “Osteopathic Medicine and Health Awareness Day” in Florida.

WHEREAS, there are currently more than 114,000 osteopathic physicians in the United States, and

WHEREAS, osteopathic physicians provide health care services that account for more than 76 million patient visits annually nationwide, and

WHEREAS, this state has three accredited osteopathic hospitals and two osteopathic medical colleges and the third-largest osteopathic physician population in the nation, and

WHEREAS, osteopathic manipulation of the musculoskeletal system is a viable and proven technique for many diagnoses and treatments and is an alternative to many drug therapies, and

WHEREAS, osteopathic physicians provide comprehensive medical care, including preventive medicine, diagnoses, and the appropriate use of drugs, surgery, manipulation, and hospital referrals, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate commends the osteopathic physicians of this state for their contributions to the health and welfare of the residents of this state and recognizes April 4, 2019, as “Osteopathic Medicine and Health Awareness Day” in Florida.

—was introduced, read, and adopted by publication.

At the request of Senator Gibson—

By Senator Gibson—

SR 1830—A resolution acknowledging the remarkable contributions made to the people of this state by Delta Sigma Theta Sorority, Inc., and recognizing March 31-April 2, 2019, as the 25th annual “Delta Days at the Capitol.”

WHEREAS, Delta Sigma Theta Sorority, Inc., is a private, not-for-profit organization founded on January 13, 1913, by 22 illustrious collegiate African-American women at Howard University in Washington, D.C., and

WHEREAS, only 6 weeks after its founding, Delta Sigma Theta Sorority, Inc., joined in the women’s suffrage movement, demanding rights for women, including the right to vote, a historic endeavor that transformed the role of women in the democratic process, and

WHEREAS, Delta Sigma Theta Sorority, Inc., is a sisterhood of college-educated women committed to implementing the sorority’s mission through its Five-Point Programmatic Thrust: economic development, educational development, physical and mental health, political awareness and involvement, and international awareness and involvement, and

WHEREAS, Delta Sigma Theta Sorority, Inc., in 2013 celebrated 100 years of commendable service and support to local communities, leading

dialogue on public policy issues, supporting quality education, producing new projects to stimulate current and future economic growth, and improving the holistic well-being of minority populations internationally, and

WHEREAS, with more than 250,000 college-educated women initiated and more than 900 chapters worldwide, 52 of which are located in Florida and the Bahamas, members of Delta Sigma Theta Sorority, Inc., are clearly focused and visible as corporate and civic leaders, productive public officials, acclaimed academicians, and activists in their own right, and

WHEREAS, for the past 24 years, the Florida chapters of Delta Sigma Theta Sorority, Inc., have conducted “Delta Days at the Capitol,” during which members have a unique opportunity to advocate policies and legislation that will impact every area of the Five-Point Programmatic Thrust; promote leadership, advocacy, and empowerment to effect social change and public policy; advocate for social justice, as well as broaden their knowledge of the state’s legislative process; and influence the enactment of legislation of particular interest to African Americans and women, and

WHEREAS, under the leadership of the national president of Delta Sigma Theta Sorority, Inc., Beverly E. Smith, a native of Massillon, Ohio; Southern Regional Director Sandra K. Horton; Southern Regional Representative Jasmine Minor; and the 25th National President, Dr. Paulette C. Walker, a resident of Tampa, members of the 52 chapters of Delta Sigma Theta Sorority, Inc., now serving Florida and the Bahamas will converge March 31-April 2, 2019, in Tallahassee to participate in the 25th annual “Delta Days at the Capitol,” and

WHEREAS, Senator Audrey Gibson is an esteemed member of Delta Sigma Theta Sorority, Inc., NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate commends Delta Sigma Theta Sorority, Inc., for the remarkable contributions the organization has made to the people of this state and recognizes March 31-April 2, 2019, as the 25th annual “Delta Days at the Capitol.”

—was introduced, read, and adopted by publication.

At the request of Senator Broxson—

By Senator Broxson—

SR 1834—A resolution recognizing Florida’s “hidden heroes,” the caregivers of ill or injured military servicemembers and veterans.

WHEREAS, a RAND Corporation study commissioned by the Elizabeth Dole Foundation shows that as a result of the series of wars and conflicts in which the United States has been engaged since World War II, 5.5 million individuals, including parents, spouses, siblings, and friends, are caregivers to ill or injured servicemembers and veterans, and

WHEREAS, the daily tasks of these caregivers, many of whom are employed outside the home to earn essential income, may include bathing, dressing, feeding, and caring for grievous injuries of and administering medications and providing emotional support to servicemembers and veterans, and

WHEREAS, the United States provides multifaceted support to ill and injured servicemembers and veterans through public, private, and philanthropic resources, but caregivers receive little support or acknowledgment despite research that shows an alarming number suffer debilitating mental, physical, and emotional effects as a result of their caregiving responsibilities, and

WHEREAS, the Elizabeth Dole Foundation established the Hidden Heroes campaign to raise awareness of the issues confronted daily by these caregivers and to inspire individuals, businesses, and community leaders to take action in supporting caregivers in their communities, and

WHEREAS, Alachua County, Gainesville, Jacksonville, and Winter Springs are currently registered as Hidden Heroes Cities, a growing nationwide network of cities and counties dedicated to recognizing and supporting caregivers of military servicemembers and veterans, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the caregivers of military servicemembers and veterans in the Hidden Heroes Cities of Alachua County, Gainesville, Jacksonville, and Winter Springs are recognized and commended for their selfless dedication to the challenging responsibilities of caring for those who have defended all Americans.

BE IT FURTHER RESOLVED that all caregivers of Florida’s military servicemembers and veterans are encouraged to register with the Hidden Heroes program established by the Elizabeth Dole Foundation to become better connected to helpful resources and support.

—was introduced, read, and adopted by publication.

SPECIAL GUESTS

Senator Broxson recognized members of Florida’s “Hidden Heroes,” who were present in the gallery.

PRAYER

The following prayer was offered by Rick Spence, Chaplain, Central Florida Firefighters' Association, Ocoee:

Most gracious Heavenly Father, we just come to you right now with grateful and humble hearts. We are thankful for this opportunity and thankful for the men and women in this assembly who made that step forward to serve their public. We know we are never more like Christ than when we are in the service of others.

We pray for godly wisdom upon each man and each woman in this assembly. We pray they will be able to see people as you see people, Lord. We just ask for your blessing upon them and upon their staff. We ask for strong health, guidance, and direction for them as they carry out the people's business. We appreciate this time to be together today. In Jesus' name, amen.

PLEDGE

Senate Pages, Natalie Dunn of Tallahassee; Haleigh Howell of Panama City Beach; Holden Margheim of DeBary; and Ryan Stogdill of Jupiter, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

ADOPTION OF RESOLUTIONS

At the request of Senator Montford—

By Senator Montford—

SR 1812—A resolution recognizing April 9, 2019, as “FSU Day” in Florida.

WHEREAS, Florida State University was founded in 1851, and its Tallahassee campus is the oldest continuous site of higher education in this state, and

WHEREAS, the State of Florida recognizes Florida State University as a preeminent university and as a leader in education, research, student retention, and graduation, and

WHEREAS, Florida State University is a nationally recognized institution, with many of its colleges and programs ranked within the top 10 in the nation, and

WHEREAS, in 2019, Florida State University vaulted to 26th place among public universities in the U.S. News and World Report rankings, moving up 17 places since 2016, and

WHEREAS, in 2019, the U.S. News and World Report also recognized Florida State University as the most efficient university in the nation based on its ability to manage its financial resources while providing top-quality education, and

WHEREAS, Florida State University leads State University System institutions with a 4-year graduation rate of 71.5 percent, placing it in the top 15 of the nation's public research institutions, and

WHEREAS, Florida State University offers graduate, undergraduate, doctoral, and professional degrees in 306 programs within 19 independent colleges and schools, taught by a faculty of 2,305 members, which has included National Academy of Sciences members and six Nobel Laureates, and

WHEREAS, Florida State University is more popular than ever with prospective first-time college students, as a record number of applications were received for admission to the 2019 summer and fall semesters, and

WHEREAS, Florida State University received a total of nearly 57,000 applications for admission for the 2018-2019 academic year, an 11.9 percent jump over last year's total, which resulted in one of the university's largest freshmen classes ever, of about 6,200 students, and

WHEREAS, Florida State University has one of the most academically accomplished freshman classes in school history, with a median GPA of 4.3, a median SAT score of 1,345, and a median ACT composite score of 30, and

WHEREAS, the Florida State University Center for Academic Retention and Enhancement is celebrating 50 years of providing aid to underrepresented students who have faced both educational and economic difficulties in their lives and of helping such students to graduate and succeed, and

WHEREAS, in 2018, Florida State University's women's softball team celebrated its first-ever NCAA National Championship, with the women's soccer team also winning an NCAA National Championship, its second national title, and

WHEREAS, in 2019, INSIGHT Into Diversity magazine recognized Florida State University as a "Diversity Champion" for the third consecutive year, and

WHEREAS, the college experience continues to enrich the lives of Florida State University students due to its long-standing tradition of promoting racial, ethnic, and cultural diversity on campus and because of the university's aggressive recruitment of a diverse student body, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 9, 2019, is recognized as "FSU Day" in Florida in recognition of Florida State University's contribution as an outstanding institution of higher education.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to Florida State University President John Thrasher as a tangible token of the sentiments of the Florida Senate.

—was introduced, read, and adopted by publication.

At the request of Senator Harrell—

By Senator Harrell—

SR 1816—A resolution recognizing May 5-11, 2019, and the first full week in May each year thereafter, as "Tardive Dyskinesia Awareness Week" in Florida.

WHEREAS, tardive dyskinesia is a condition of involuntary muscle movements of the face, trunk, and extremities which can vary in frequency and severity, and

WHEREAS, tardive dyskinesia is a condition that may occur as a result of treatment using dopamine receptor blocking agents for both psychiatric and nonpsychiatric conditions, and may persist even after treatment is discontinued, and

WHEREAS, research conducted by the Citizens Commission on Human Rights shows that more than 12 million Americans take antipsychotic medications and that more than 500,000 of such Americans may have tardive dyskinesia, and

WHEREAS, anyone taking an antipsychotic medication may develop tardive dyskinesia, but people who are elderly, female, diabetic or who have a mental illness are at a greater risk of developing symptoms, and

WHEREAS, it is in the best interest of all Floridians that public awareness of tardive dyskinesia be increased, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That May 5-11, 2019, and the first full week in May each year thereafter, is recognized as "Tardive Dyskinesia Awareness Week" in Florida.

—was introduced, read, and adopted by publication.

At the request of Senator Bradley—

By Senator Bradley—

SR 1824—A resolution recognizing April 2019 as "Springs Protection Awareness Month" in Florida.

WHEREAS, Florida's springs are essential to the environment and the economy and to the residents of and visitors to this state, and

WHEREAS, Florida has one of the most productive aquifers in the world, which supports more than 900 natural springs and gives this state one of the world's highest concentrations of springs, and

WHEREAS, the groundwater supply is vital to the state's economy, and approximately 93 percent of Florida residents rely on it for their drinking water, and

WHEREAS, Florida's springs reflect groundwater conditions and provide an important habitat for wildlife, making them a natural resource that must be protected, and

WHEREAS, springs provide important recreational resources and opportunities that are enjoyed by residents and visitors alike, and

WHEREAS, Florida's springs discharge nearly 8 billion gallons of water each day, and healthy springs reflect the State of Florida's commitment to sustainable groundwater and surface water resource protection, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 2019 is recognized as "Springs Protection Awareness Month" in Florida.

—was introduced, read, and adopted by publication.

ADOPTION OF RESOLUTIONS

At the request of Senator Perry—

By Senator Perry—

SR 1822—A resolution commending the University of Florida for its outstanding ranking as eighth on the 2019 *U.S. News & World Report* list of Top Public Schools in the nation and recognizing April 10, 2019, as “Gator Day.”

WHEREAS, the University of Florida is a top 10 university, rising from No. 9 in 2018 to No. 8 in the 2019 *U.S. News & World Report* list of Top Public Schools among National Universities, and

WHEREAS, the University of Florida continues its upward momentum with a 40-percent increase in the number of graduate programs now ranked among the top 30 nationwide, according to the 2020 *U.S. News & World Report* list of Best Graduate Schools, and

WHEREAS, UF Online, the University of Florida’s online bachelor’s degree program, is tied for the No. 5 spot in the country, up from No. 12 last year, in the 2019 *U.S. News & World Report* rankings, and

WHEREAS, UF physics professor Clifford Will is the 2019 recipient of the Albert Einstein Medal by the Albert Einstein Society in Bern, Switzerland, for his “important contributions to general relativity,” and

WHEREAS, UF researchers, with funding from the State of Florida, have developed a rapid, cost-effective point-of-care test for the Zika virus which can be used in the field, and

WHEREAS, applications to the University of Florida once again reached a new record in 2019, with more than 41,000 prospective students vying for admission during the summer and fall semesters, and

WHEREAS, UF was ranked No. 6 on *College Magazine’s* list of the top 10 campuses for students who have physical disabilities, and

WHEREAS, with generous funding made possible by the Legislature, the University of Florida is nearly halfway toward reaching its goal of hiring 500 new faculty members to further enhance teaching and research and to build on UF’s reputation as one of the very best research universities in the nation, and

WHEREAS, University of Florida faculty earned a record \$837.6 million in research awards in fiscal year 2018, and

WHEREAS, UF athletes have won 20 national team titles since the 2008-2009 season, and UF is one of only two programs to claim at least one national title in collegiate sports each of the last 11 seasons, and

WHEREAS, the UF athletic program has ranked among the nation’s top 10 for 35 straight years (1983-1984 to 2017-2018) and among the top 5 for 20 of the last 27 years, according to national all-sport rankings, and

WHEREAS, the University of Florida Athletic Association has contributed more than \$76 million since 2006 to help fund UF academic endeavors, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Florida Senate commends the University of Florida for its outstanding ranking as eighth on the 2019 *U.S. News & World Report* list of Top Public Schools in the nation and recognizes April 10, 2019, as “Gator Day.”

Excused: Senator Gainer

PRAYER

The following prayer was offered by Derrick Crum, Pastor, Grace Baptist Church, Crawfordville:

Dear God, we come to you today with humble hearts. God, we are thankful for another day you have given us. We are asking you to be with every man and woman here. We thank you for their service. God, I ask you to bless this meeting.

Lord, we thank you for providing us with a universal Father that is unexplainable. God, we know that everything happens for you. Lord, I ask you now to clear our minds and hearts, so that we may show the love that you have shown us. We do this in your name. Amen.

PLEDGE

Senate Pages, Collin Baldetti of Saint Johns; Stella Butkis of Huntsville, Alabama, granddaughter of Senator Gainer; Nicholas Cerasoli of Havana; Elizabeth Jeffrey of Sarasota; and Hannah Troop of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

By Senators Montford and Broxson—

SR 1844—A resolution to the Congress of the United States urging members of Congress to immediately pass a federal supplemental appropriations package for disaster relief and recovery to assist those attempting to rebuild their lives in the wake of Hurricane Michael.

WHEREAS, on October 10, 2018, Hurricane Michael made landfall near Mexico Beach as an extraordinarily powerful Category 4 hurricane, and, as a result of the storm, a state and national disaster was declared, and

WHEREAS, the impacted Panhandle region of Florida includes Bay, Calhoun, Franklin, Gadsden, Gulf, Hamilton, Holmes, Jackson, Jefferson, Leon, Liberty, Madison, Okaloosa, Suwannee, Taylor, Wakulla, Walton, and Washington Counties, and

WHEREAS, Hurricane Michael damaged or destroyed more than 144,000 insured homes in Florida, thus far resulting in more than \$6 billion in property insurance claims, and agricultural losses or damages in this state are believed to be approaching \$1.5 billion, and

WHEREAS, the impacts of the fourth-strongest Atlantic hurricane ever to make landfall in the United States are still evident in the Panhandle, and

WHEREAS, some residents in the impacted counties are still in the process of repairing and restoring their properties and businesses, while others are still without a permanent place to live, and

WHEREAS, local hospitals, educational facilities, and other community facilities are still struggling to recover from the impacts of the storm so that they may return to full delivery of services to area residents, and

WHEREAS, economic losses in fiscally constrained counties pose additional challenges, and overcoming those challenges requires the full support of federal and state governmental agencies and resources, and

WHEREAS, the Legislature is committed to assisting those impacted counties and their residents in recovering from the devastation of Hurricane Michael, both in the short term and in the long term, and

WHEREAS, the Legislature recognizes not only its role but also the role of the federal government in accelerating Federal Emergency Management Agency payments to survivors of previous disasters and in allocating vital resources for the people of Northwest Florida so that they may rebuild in the aftermath of Hurricane Michael, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the Congress of the United States is urged to immediately pass a federal supplemental appropriations package for disaster relief and recovery which provides needed resources to residents, businesses, local governments, and other entities in the Florida Panhandle and to recognize the crucial role of these federal resources in addressing the diverse and unique challenges of rebuilding after Hurricane Michael.

BE IT FURTHER RESOLVED that the Secretary of State dispatch copies of this resolution to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

—was introduced, read, and adopted by publication.

Excused: Senator Rader

PRAYER

The following prayer was offered by Deacon Wallace Brown, Pilgrim Rest Missionary Baptist Church, Havana, a long-time employee of the Office of the Senate Sergeant at Arms:

Lord, give me strength in my weakness. Lord, give me faith in my fears. Lord, give me power in my powerlessness. Grant me courage as I go through this day. When I am tempted to give up, help me to keep going. Grant me a cheerful spirit when things don't go my way. Give me courage to do whatever needs to be done.

Lord, thank you for your many blessings. Thank you for the life you have given us, and help us to use our limited time for good. Help us to live our lives to the fullest. Remind us that living for you is the only way to true fulfillment. Thank you for all of the amazing work you are allowing us to do for this great state and the world. Please keep your loving arms around us all. We pray this prayer in your faultless name. Amen.

PLEDGE

Senate Pages, Kayla Abramowitz of North Palm Beach; Kaitlyn Connell of Tallahassee; Destiny Stewart of Tallahassee; Craig Sutton, Jr. of Tallahassee; and Shelby Watson of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

Senator Diaz moved the following amendment:

Amendment 1 (684762) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Paragraph (k) of subsection (1) of section 30.15, Florida Statutes, is amended to read:

30.15 Powers, duties, and obligations.—

(1) Sheriffs, in their respective counties, in person or by deputy, shall:

(k) *Assist district school boards and charter school governing boards in complying with s. 1006.12. A sheriff must, at a minimum, provide access to establish, if the sheriff so chooses, a Coach Aaron Feis Guardian Program to aid in the prevention or abatement of active assailant incidents on school premises, as required under this paragraph. Persons certified as school guardians pursuant to this paragraph have no authority to act in any law enforcement capacity except to the extent necessary to prevent or abate an active assailant incident.*

1.a. If a local school board has voted by a majority to implement a guardian program, the sheriff in that county shall establish a guardian program to provide training, pursuant to subparagraph 2., to school district or charter school employees, either directly or through a contract with another sheriff's office that has established a guardian program.

b. A charter school governing board in a school district that has not voted, or has declined, to implement a guardian program may request the sheriff in the county to establish a guardian program for the purpose of training the charter school employees. If the county sheriff denies the request, the charter school governing board may contract with a sheriff that has established a guardian program to provide such training. The charter school governing board must notify the superintendent and the sheriff in the charter school's county of the contract prior to its execution.

c. The sheriff conducting the training pursuant to subparagraph 2. will be reimbursed for screening-related and training-related costs and for providing a one-time stipend of \$500 to each school guardian who participates in the school guardian program. A school guardian has no authority to act in any law enforcement capacity except to the extent necessary to prevent or abate an active assailant incident on a school premises.

~~2. A Excluded from participating in the Coach Aaron Feis Guardian Program are individuals who exclusively perform classroom duties as classroom teachers as defined in s. 1012.01(2)(a). This limitation does not apply to classroom teachers of a Junior Reserve Officers' Training Corps program, a current servicemember, as defined in s. 250.01, or a current or former law enforcement officer, as defined in s. 943.10(1), (6), or (8). The sheriff who establishes a chooses to establish the program shall consult with the Department of Law Enforcement on programmatic guiding principles, practices, and resources, and shall certify appoint as school guardians, without the power of arrest, school employees, as specified in s. 1006.12(3), who volunteer and who:~~

~~a.1. Hold a valid license issued under s. 790.06.~~

~~b.2.~~ Complete a 144-hour training program, consisting of 12 hours of a certified nationally recognized diversity training and 132 total hours of comprehensive firearm safety and proficiency training conducted by Criminal Justice Standards and Training Commission-certified instructors, which must include:

~~(I)a.~~ Eighty hours of firearms instruction based on the Criminal Justice Standards and Training Commission's Law Enforcement Academy training model, which must include at least 10 percent but no more than 20 percent more rounds fired than associated with academy training. Program participants must achieve an 85 percent pass rate on the firearms training.

~~(II)b.~~ Sixteen hours of instruction in precision pistol.

~~(III)e.~~ Eight hours of discretionary shooting instruction using state-of-the-art simulator exercises.

~~(IV)d.~~ Eight hours of instruction in active shooter or assailant scenarios.

~~(V)e.~~ Eight hours of instruction in defensive tactics.

~~(VI)f.~~ Twelve hours of instruction in legal issues.

~~c.3.~~ Pass a psychological evaluation administered by a psychologist licensed under chapter 490 and designated by the Department of Law Enforcement and submit the results of the evaluation to the sheriff's office. The Department of Law Enforcement is authorized to provide the sheriff's office with mental health and substance abuse data for compliance with this paragraph.

~~d.4.~~ Submit to and pass an initial drug test and subsequent random drug tests in accordance with the requirements of s. 112.0455 and the sheriff's office.

~~e.5.~~ Successfully complete ongoing training, weapon inspection, and firearm qualification on at least an annual basis.

~~6.~~ Successfully complete at least 12 hours of a certified nationally recognized diversity training program.

The sheriff who conducts the guardian training shall issue a school guardian certificate to individuals who meet the requirements of this section to the satisfaction of the sheriff, and ~~subparagraph 2.~~ The sheriff shall maintain documentation of weapon and equipment inspections, as well as the training, certification, inspection, and qualification records of each school guardian certified appointed by the sheriff. An individual who is certified under this paragraph may serve as a school guardian under s. 1006.12(3) only if he or she is appointed by the applicable school district superintendent or charter school principal.

Section 2. Effective October 1, 2019, section 843.08, Florida Statutes, is amended to read:

843.08 False personation.—A person who falsely assumes or pretends to be a firefighter, a sheriff, an officer of the Florida Highway Patrol, an officer of the Fish and Wildlife Conservation Commission, a fire or arson investigator of the Department of Financial Services, an officer of the Department of Financial Services, an officer of the Department of Corrections, a correctional probation officer, a deputy sheriff, a state attorney or an assistant state attorney, a statewide prosecutor or an assistant statewide prosecutor, a state attorney investigator, a coroner, a police officer, a lottery special agent or lottery investigator, a beverage enforcement agent, a school guardian as described in s. 30.15(1)(k), a security officer licensed under chapter 493 or watchman, or any member of the Florida Commission on Offender Review or any administrative aide or supervisor employed by the commission, or any personnel or representative of the Department of Law Enforcement, or a federal law enforcement officer as defined in s. 901.1505, and takes upon himself or herself to act as such, or to require any other person to aid or assist him or her in a matter pertaining to the duty of any such officer, commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. However, a person who falsely personates any such officer during the course of the commission of a felony commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. If the commission of the felony results in the death or personal injury of another human being, the person commits a felony of the first degree, punish-

able as provided in s. 775.082, s. 775.083, or s. 775.084. ~~The term "watchman" means a security officer licensed under chapter 493.~~

Section 3. Subsection (16) is added to section 943.03, Florida Statutes, to read:

943.03 Department of Law Enforcement.—

(16) Upon request, the department shall consult with sheriffs to provide input regarding programmatic guiding principles, practices, and resources in order to assist in the development and implementation of the Coach Aaron Feis Guardian Program established pursuant to s. 30.15. Such input and guidance may include, but need not be limited to, standards, curriculum, instructional strategies, evaluation, certification, records retention, equipment, and other resource needs.

Section 4. Subsection (4) of section 943.082, Florida Statutes, is amended to read:

943.082 School Safety Awareness Program.—

(4)(a) Law enforcement dispatch centers, school districts, schools, and other entities identified by the department ~~shall~~ be made aware of the mobile suspicious activity reporting tool.

(b) The district school board shall promote the use of the mobile suspicious activity reporting tool by advertising it on the school district website, in newsletters, on school campuses, and in school publications, by installing it on all mobile devices issued to students, and by bookmarking the website on all computer devices issued to students.

Section 5. Subsection (9) is added to section 1001.10, Florida Statutes, to read:

1001.10 Commissioner of Education; general powers and duties.—

(9) The commissioner shall review the report of the School Hardening and Harm Mitigation Workgroup regarding hardening and harm mitigation strategies and recommendations submitted by the Office of Safe Schools, pursuant to s. 1001.212(11). By September 1, 2020, the commissioner shall submit a summary of such recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

Section 6. Subsection (9) is added to section 1001.11, Florida Statutes, to read:

1001.11 Commissioner of Education; other duties.—

(9) The commissioner shall oversee compliance with the safety and security requirements of the Marjory Stoneman Douglas High School Public Safety Act, chapter 2018-03, Laws of Florida, by school districts; district school superintendents; and public schools, including charter schools. The commissioner must facilitate compliance to the maximum extent provided under law, identify incidents of noncompliance, and impose or recommend to the State Board of Education, the Governor, or the Legislature enforcement and sanctioning actions pursuant to s. 1008.32 and other authority granted under law.

Section 7. Section 1001.212, Florida Statutes, is amended to read:

1001.212 Office of Safe Schools.—There is created in the Department of Education the Office of Safe Schools. The office is fully accountable to the Commissioner of Education. The office shall serve as a central repository for best practices, training standards, and compliance oversight in all matters regarding school safety and security, including prevention efforts, intervention efforts, and emergency preparedness planning. The office shall:

(1) Establish and update as necessary a school security risk assessment tool for use by school districts pursuant to s. 1006.07(6). The office shall make the security risk assessment tool available for use by charter schools. The office shall provide annual training to appropriate school district and charter school personnel on the proper assessment of physical site security and completion of the school security risk assessment tool.

(2) Provide ongoing professional development opportunities to school district personnel.

(3) Provide a coordinated and interdisciplinary approach to providing technical assistance and guidance to school districts on safety and security and recommendations to address findings identified pursuant to s. 1006.07(6).

(4) Develop and implement a School Safety Specialist Training Program for school safety specialists appointed pursuant to s. 1006.07(6). The office shall develop the training program which shall be based on national and state best practices on school safety and security and must include active shooter training. The office shall develop training modules in traditional or online formats. A school safety specialist certificate of completion shall be awarded to a school safety specialist who satisfactorily completes the training required by rules of the office.

(5) Review and provide recommendations on the security risk assessments. The department may contract with security personnel, consulting engineers, architects, or other safety and security experts the department deems necessary for safety and security consultant services.

(6) Coordinate with the Department of Law Enforcement to provide a centralized integrated data repository and data analytics resources to improve access to timely, complete, and accurate information integrating data from, at a minimum, but not limited to, the following data sources by August 1, 2019 ~~December 1, 2018~~:

- (a) Social media *Internet posts*;
- (b) Department of Children and Families;
- (c) Department of Law Enforcement;
- (d) Department of Juvenile Justice;
- (e) *Mobile suspicious activity reporting tool known as FortifyFL*;
- (f) *School environmental safety incident reports collected under subsection (8); and*
- (g) ~~(e)~~ Local law enforcement.

Data that is exempt or confidential and exempt from public records requirements retains its exempt or confidential and exempt status when incorporated into the centralized integrated data repository. To maintain the confidentiality requirements attached to the information provided to the centralized integrated data repository by the various state and local agencies, data governance and security shall ensure compliance with all applicable state and federal data privacy requirements through the use of user authorization and role-based security, data anonymization and aggregation and auditing capabilities. To maintain the confidentiality requirements attached to the information provided to the centralized integrated data repository by the various state and local agencies, each source agency providing data to the repository shall be the sole custodian of the data for the purpose of any request for inspection or copies thereof under chapter 119. The department shall only allow access to data from the source agencies in accordance with rules adopted by the respective source agencies and the requirements of the Federal Bureau of Investigation Criminal Justice Information Services security policy, where applicable.

(7) Provide data to support the evaluation of mental health services pursuant to s. 1004.44.

(8) Provide technical assistance to school districts and charter school governing boards for school environmental safety incident reporting as required under s. 1006.07(9). The office shall collect data through school environmental safety incident reports on incidents involving any person which occur on school premises, on school transportation, and at off-campus, school-sponsored events. The office shall review and evaluate school district reports to ensure compliance with reporting requirements. Upon notification by the department that a superintendent has failed to comply with the requirements of s. 1006.07(9), the district school board shall withhold further payment of his or her salary as authorized under s. 1001.42(13)(b) and impose other appropriate sanctions that the commissioner or state board by law may impose.

~~(7) Data that is exempt or confidential and exempt from public records requirements retains its exempt or confidential and exempt status when incorporated into the centralized integrated data repository.~~

~~(8) To maintain the confidentiality requirements attached to the information provided to the centralized integrated data repository by the various state and local agencies, data governance and security shall ensure compliance with all applicable state and federal data privacy requirements through the use of user authorization and role-based security, data anonymization and aggregation and auditing capabilities.~~

~~(9) To maintain the confidentiality requirements attached to the information provided to the centralized integrated data repository by the various state and local agencies, each source agency providing data for the repository shall be the sole custodian of the data for the purpose of any request for inspection or copies thereof under chapter 119. The department shall only allow access to data from the source agencies in accordance with rules adopted by the respective source agencies.~~

~~(9)(10)~~ Award grants to schools to improve the safety and security of school buildings based upon recommendations of the security risk assessment developed pursuant to subsection (1).

~~(10)(11)~~ Disseminate, in consultation with the Department of Law Enforcement, to participating schools awareness and education materials on the School Safety Awareness Program developed pursuant to s. 943.082.

(11)(a) Convene a School Hardening and Harm Mitigation Workgroup composed of individuals with subject matter expertise on school campus hardening best practices. The workgroup shall meet as necessary to review school hardening and harm mitigation policies, including, but not limited to, the target hardening practices implemented in other states; the school safety guidelines developed by organizations such as the Partner Alliance for Safer Schools; the tiered approach to target campus hardening strategies identified in the initial report submitted by the Marjory Stoneman Douglas High School Public Safety Commission pursuant to s. 943.687(9); and the Florida Building Code for educational facilities construction to determine whether the building code may need to be modified to strengthen school safety and security. Based on this review of school safety best practices, by August 1, 2020, the workgroup shall submit a report to the executive director of the office which includes, at a minimum, a prioritized list for the implementation of school campus hardening and harm mitigation strategies and the estimated costs of and timeframes for implementation of the strategies by school districts and charter schools. The estimated costs must include regional and statewide projections of the implementation costs.

(b) Submit to the commissioner:

1. The workgroup's report pursuant to paragraph (a); and
2. Recommendations regarding procedures for the office to use to monitor and enforce compliance by the school districts and charter schools in the implementation of the workgroup's recommended campus hardening and harm mitigation strategies.

This subsection is repealed June 30, 2023.

(12) By August 1, 2019, develop a standardized, statewide behavioral threat assessment instrument for use by all public schools, including charter schools, which addresses early identification, evaluation, early intervention, and student support.

(a) The standardized, statewide behavioral threat assessment instrument must include, but need not be limited to, components and forms that address:

1. An assessment of the threat, which includes an assessment of the student, family, and school and social dynamics.
2. An evaluation to determine if the threat is transient or substantive.
3. The response to a substantive threat, which includes the school response and the role of law enforcement agencies.
4. The response to a serious substantive threat, including mental health and law enforcement referrals.

5. Ongoing monitoring to assess implementation of safety strategies.

6. Training for members of threat assessment teams established under s. 1006.07(7) and school administrators regarding the use of the instrument.

(b) The office shall:

1. By August 1, 2020, evaluate each school district's and charter school governing board's behavioral threat assessment procedures for compliance with this subsection.

2. Notify the district school superintendent or charter school governing board, as applicable, if the behavioral threat assessment is not in compliance with this subsection.

3. Report any issues of ongoing noncompliance with this subsection to the commissioner and the district school superintendent or the charter school governing board, as applicable.

(13) Establish the Statewide Threat Assessment Database Workgroup, composed of members appointed by the department, to complement the work of the department and the Department of Law Enforcement associated with the centralized integrated data repository and data analytics resources initiative and make recommendations regarding the development of a statewide threat assessment database. The database must allow authorized public school personnel to enter information related to any threat assessment conducted at their respective schools using the instrument developed by the office pursuant to subsection (12), and must provide such information to authorized personnel in each school district and public school and to appropriate stakeholders. By December 31, 2019, the workgroup shall provide a report to the office with recommendations that include, but need not be limited to:

(a) Threat assessment data that should be required to be entered into the database.

(b) School district and public school personnel who should be allowed to input student records to the database and view such records.

(c) Database design and functionality, to include data security.

(d) Restrictions and authorities on information sharing, including:

1. Section 1002.22 and other applicable state laws.

2. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. s. 1232g, 42 C.F.R. part 2; the Health Insurance Portability and Accountability Act (HIPAA), 42 U.S.C. s. 1320d6, 45 C.F.R. part 164, subpart E; and other applicable federal laws.

3. The appropriateness of interagency agreements that will allow law enforcement to view database records.

(e) The cost to develop and maintain a statewide online database.

(f) An implementation plan and timeline for the workgroup recommendations.

(14) Monitor compliance with requirements relating to school safety by school districts and public schools, including charter schools. The office shall report incidents of noncompliance to the commissioner pursuant to s. 1001.11(9) and the state board pursuant to s. 1008.32 and other requirements of law, as appropriate.

Section 8. Paragraph (b) of subsection (16) of section 1002.33, Florida Statutes, is amended to read:

1002.33 Charter schools.—

(16) EXEMPTION FROM STATUTES.—

(b) Additionally, a charter school shall be in compliance with the following statutes:

1. Section 286.011, relating to public meetings and records, public inspection, and criminal and civil penalties.

2. Chapter 119, relating to public records.

3. Section 1003.03, relating to the maximum class size, except that the calculation for compliance pursuant to s. 1003.03 shall be the average at the school level.

4. Section 1012.22(1)(c), relating to compensation and salary schedules.

5. Section 1012.33(5), relating to workforce reductions.

6. Section 1012.335, relating to contracts with instructional personnel hired on or after July 1, 2011.

7. Section 1012.34, relating to the substantive requirements for performance evaluations for instructional personnel and school administrators.

8. Section 1006.12, relating to safe-school officers.

9. Section 1006.07(7), relating to threat assessment teams.

10. Section 1006.07(9), relating to School Environmental Safety Incident Reporting.

11. Section 1006.1493, relating to the Florida Safe Schools Assessment Tool.

12. Section 1006.07(6)(c), relating to adopting an active assailant response plan.

13. Section 943.082(4)(b), relating to the mobile suspicious activity reporting tool.

14. Section 1012.584, relating to youth mental health awareness and assistance training.

Section 9. Subsection (2) of section 1003.25, Florida Statutes, is amended to read:

1003.25 Procedures for maintenance and transfer of student records.—

(2) The procedure for transferring and maintaining records of students who transfer from school to school shall be prescribed by rules of the State Board of Education. *The transfer of records shall occur within 3 school days. The records shall include:*

(a) Verified reports of serious or recurrent behavior patterns, including threat assessment evaluations and intervention services.

(b) Psychological evaluations, including therapeutic treatment plans and therapy or progress notes created or maintained by school district or charter school staff, as appropriate.

Section 10. Paragraph (b) of subsection (1), paragraph (a) of subsection (4), and subsections (6) and (7) of section 1006.07, Florida Statutes, are amended, and subsection (9) is added to that section, to read:

1006.07 District school board duties relating to student discipline and school safety.—The district school board shall provide for the proper accounting for all students, for the attendance and control of students at school, and for proper attention to health, safety, and other matters relating to the welfare of students, including:

(1) CONTROL OF STUDENTS.—

(b) Require each student at the time of initial registration for school in the school district to note previous school expulsions, arrests resulting in a charge, juvenile justice actions, and *any corresponding referral referrals* to mental health services ~~by the school district the student has had~~, and have the authority as the district school board of a receiving school district to honor the final order of expulsion or dismissal of a student by any in-state or out-of-state public district school board or private school, or lab school, for an act which would have been grounds for expulsion according to the receiving district school board's code of student conduct, in accordance with the following procedures:

1. A final order of expulsion shall be recorded in the records of the receiving school district.

2. The expelled student applying for admission to the receiving school district shall be advised of the final order of expulsion.

3. The district school superintendent of the receiving school district may recommend to the district school board that the final order of expulsion be waived and the student be admitted to the school district, or that the final order of expulsion be honored and the student not be admitted to the school district. If the student is admitted by the district school board, with or without the recommendation of the district school superintendent, the student may be placed in an appropriate educational program and referred to mental health services identified by the school district pursuant to s. 1012.584(4), when appropriate, at the direction of the district school board.

(4) EMERGENCY DRILLS; EMERGENCY PROCEDURES.—

(a) Formulate and prescribe policies and procedures, in consultation with the appropriate public safety agencies, for emergency drills and for actual emergencies, including, but not limited to, fires, natural disasters, active shooter and hostage situations, and bomb threats, for all students and faculty at all public schools of the district comprised of grades K-12. Drills for active shooter and hostage situations shall be conducted in accordance with developmentally appropriate and age-appropriate procedures at least as often as other emergency drills. District school board policies shall include commonly used alarm system responses for specific types of emergencies and verification by each school that drills have been provided as required by law and fire protection codes. The emergency response policy shall identify the individuals responsible for contacting the primary emergency response agency and the emergency response agency that is responsible for notifying the school district for each type of emergency.

(6) SAFETY AND SECURITY BEST PRACTICES.—Each district school superintendent shall establish policies and procedures for the prevention of violence on school grounds, including the assessment of and intervention with individuals whose behavior poses a threat to the safety of the school community.

(a) Each district school superintendent shall designate a school administrator as a school safety specialist for the district. *The school safety specialist must be a school administrator employed by the school district or a law enforcement officer employed by the sheriff's office located in the school district. Any school safety specialist designated from the sheriff's office must first be authorized and approved by the sheriff employing the law enforcement officer. Any school safety specialist designated from the sheriff's office remains the employee of the office for purposes of compensation, insurance, workers' compensation, and other benefits authorized by law for a law enforcement officer employed by the sheriff's office. The sheriff and the school superintendent may determine by agreement the reimbursement for such costs, or may share the costs, associated with employment of the law enforcement officer as a school safety specialist.* The school safety specialist must earn a certificate of completion of the school safety specialist training provided by the Office of Safe Schools within 1 year after appointment and is responsible for the supervision and oversight for all school safety and security personnel, policies, and procedures in the school district. The school safety specialist shall:

1. Review school district policies and procedures for compliance with state law and rules, including the district's timely and accurate submission of school environmental safety incident reports to the department pursuant to s. 1001.212(8).

2. Provide the necessary training and resources to students and school district staff in matters relating to youth mental health awareness and assistance; emergency procedures, including active shooter training; and school safety and security.

3. Serve as the school district liaison with local public safety agencies and national, state, and community agencies and organizations in matters of school safety and security.

4. In collaboration with the appropriate public safety agencies, as that term is defined in s. 365.171, by October 1 of each year, conduct a school security risk assessment in accordance with s. 1006.1493 at each public school using the Florida Safe Schools Assessment Tool school security risk assessment tool developed by the Office of Safe Schools pursuant to s. 1006.1493. Based on the assessment findings, the dis-

trict's school safety specialist shall provide recommendations to the district school superintendent and the district school board which identify strategies and activities that the district school board should implement in order to address the findings and improve school safety and security. ~~Annually,~~ Each district school board must receive such findings and the school safety specialist's recommendations at a publicly noticed district school board meeting to provide the public an opportunity to hear the district school board members discuss and take action on the findings and recommendations. Each school safety specialist shall report such findings and school board action to the Office of Safe Schools within 30 days after the district school board meeting.

(b) Each school safety specialist shall coordinate with the appropriate public safety agencies, as defined in s. 365.171, that are designated as first responders to a school's campus to conduct a tour of such campus once every 3 years and provide recommendations related to school safety. The recommendations by the public safety agencies must be considered as part of the recommendations by the school safety specialist pursuant to paragraph (a).

(c) *Each district school board and charter school governing board must adopt an active assailant response plan. By October 1, 2019, and annually thereafter, each district school superintendent and charter school principal shall certify that all school personnel have received annual training on the procedures contained in the active assailant response plan for the applicable school district or charter school.*

(7) THREAT ASSESSMENT TEAMS.—Each district school board shall adopt policies for the establishment of threat assessment teams at each school whose duties include the coordination of resources and assessment and intervention with individuals whose behavior may pose a threat to the safety of school staff or students consistent with the model policies developed by the Office of Safe Schools. Such policies ~~must shall~~ include procedures for referrals to mental health services identified by the school district pursuant to s. 1012.584(4), when appropriate, and procedures for behavioral threat assessments in compliance with the instrument developed pursuant to s. 1001.212(12).

(a) A threat assessment team shall include persons with expertise in counseling, instruction, school administration, and law enforcement. The threat assessment teams shall identify members of the school community to whom threatening behavior should be reported and provide guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a threat to the community, school, or self. *Upon the availability of the behavioral threat assessment instrument developed pursuant to s. 1001.212(12), the threat assessment team shall use that instrument.*

(b) Upon a preliminary determination that a student poses a threat of violence or physical harm to himself or herself or others, a threat assessment team shall immediately report its determination to the superintendent or his or her designee. The superintendent or his or her designee shall immediately attempt to notify the student's parent or legal guardian. Nothing in this subsection shall preclude school district personnel from acting immediately to address an imminent threat.

(c) Upon a preliminary determination by the threat assessment team that a student poses a threat of violence to himself or herself or others or exhibits significantly disruptive behavior or need for assistance, *authorized members of the threat assessment team may obtain criminal history record information pursuant to s. 985.04(1), as provided in s. 985.047.* A member of a threat assessment team may not disclose any criminal history record information obtained pursuant to this section or otherwise use any record of an individual beyond the purpose for which such disclosure was made to the threat assessment team.

(d) Notwithstanding any other provision of law, all state and local agencies and programs that provide services to students experiencing or at risk of an emotional disturbance or a mental illness, including the school districts, school personnel, state and local law enforcement agencies, the Department of Juvenile Justice, the Department of Children and Families, the Department of Health, the Agency for Health Care Administration, the Agency for Persons with Disabilities, the Department of Education, the Statewide Guardian Ad Litem Office, and any service or support provider contracting with such agencies, may share with each other records or information that are confidential or exempt from disclosure under chapter 119 if the records or information are reasonably necessary to ensure access to appropriate services for

the student or to ensure the safety of the student or others. All such state and local agencies and programs shall communicate, collaborate, and coordinate efforts to serve such students.

(e) If an immediate mental health or substance abuse crisis is suspected, school personnel shall follow policies established by the threat assessment team to engage behavioral health crisis resources. Behavioral health crisis resources, including, but not limited to, mobile crisis teams and school resource officers trained in crisis intervention, shall provide emergency intervention and assessment, make recommendations, and refer the student for appropriate services. Onsite school personnel shall report all such situations and actions taken to the threat assessment team, which shall contact the other agencies involved with the student and any known service providers to share information and coordinate any necessary followup actions. *Upon the student's transfer to a different school, the threat assessment team shall verify that any intervention services provided to the student remain in place until the threat assessment team of the receiving school independently determines the need for intervention services.*

(f) Each threat assessment team established pursuant to this subsection shall report quantitative data on its activities to the Office of Safe Schools in accordance with guidance from the office and shall utilize the threat assessment database developed pursuant to s. 1001.212(13) upon the availability of the database.

(9) **SCHOOL ENVIRONMENTAL SAFETY INCIDENT REPORTING.**—*Each district school board shall adopt policies to ensure the accurate and timely reporting of incidents related to school safety and discipline. The district school superintendent is responsible for school environmental safety incident reporting. A district school superintendent who fails to comply with this subsection is subject to the penalties specified in law, including, but not limited to, s. 1001.42(13)(b) or s. 1001.51(12)(b), as applicable. The State Board of Education shall adopt rules establishing the requirements for the school environmental safety incident report.*

Section 11. Section 1006.12, Florida Statutes, is amended to read:

1006.12 Safe-school officers at each public school.—For the protection and safety of school personnel, property, students, and visitors, each district school board and school district superintendent shall partner with law enforcement agencies or security agencies to establish or assign one or more safe-school officers at each school facility within the district, including charter schools. A district school board must collaborate with charter school governing boards to facilitate charter school access to all safe-school officer options available under this section. ~~The school district may implement by implementing any combination of the following options in subsections (1)-(4) to best meet which best meets the needs of the school district and charter schools.:~~

(1) **SCHOOL RESOURCE OFFICER.**—*A school district may establish school resource officer programs, through a cooperative agreement with law enforcement agencies.*

(a) School resource officers shall undergo criminal background checks, drug testing, and a psychological evaluation and be certified law enforcement officers, as defined in s. 943.10(1), who are employed by a law enforcement agency as defined in s. 943.10(4). The powers and duties of a law enforcement officer shall continue throughout the employee's tenure as a school resource officer.

(b) School resource officers shall abide by district school board policies and shall consult with and coordinate activities through the school principal, but shall be responsible to the law enforcement agency in all matters relating to employment, subject to agreements between a district school board and a law enforcement agency. Activities conducted by the school resource officer which are part of the regular instructional program of the school shall be under the direction of the school principal.

(c) Complete mental health crisis intervention training using a curriculum developed by a national organization with expertise in mental health crisis intervention. The training shall improve officers' knowledge and skills as first responders to incidents involving students with emotional disturbance or mental illness, including de-escalation skills to ensure student and officer safety.

(2) **SCHOOL SAFETY OFFICER.**—*A school district may commission one or more school safety officers for the protection and safety of school personnel, property, and students within the school district. The district school superintendent may recommend, and the district school board may appoint, one or more school safety officers.*

(a) School safety officers shall undergo criminal background checks, drug testing, and a psychological evaluation and be law enforcement officers, as defined in s. 943.10(1), certified under the provisions of chapter 943 and employed by either a law enforcement agency or by the district school board. If the officer is employed by the district school board, the district school board is the employing agency for purposes of chapter 943, and must comply with the provisions of that chapter.

(b) A school safety officer has and shall exercise the power to make arrests for violations of law on district school board property and to arrest persons, whether on or off such property, who violate any law on such property under the same conditions that deputy sheriffs are authorized to make arrests. A school safety officer has the authority to carry weapons when performing his or her official duties.

(c) A district school board may enter into mutual aid agreements with one or more law enforcement agencies as provided in chapter 23. A school safety officer's salary may be paid jointly by the district school board and the law enforcement agency, as mutually agreed to.

(3) **SCHOOL GUARDIAN.**—*At the school district's or the charter school governing board's discretion, as applicable, pursuant to s. 30.15, a school district or charter school governing board may participate in the Coach Aaron Feis Guardian Program if such program is established pursuant to s. 30.15, to meet the requirement of establishing a safe-school officer. The following individuals may serve as a school guardian, in support of school-sanctioned activities for purposes of s. 790.115, upon satisfactory completion of the requirements under s. 30.15(1)(k) and certification by a sheriff:*

(a) *A school district employee or personnel, as defined under s. 1012.01, or a charter school employee, as provided under s. 1002.33(12)(a), who volunteers to serve as a school guardian in addition to his or her official job duties; or*

(b) *An employee of a school district or a charter school who is hired for the specific purpose of serving as a school guardian.*

(4) **SCHOOL SECURITY GUARD.**—*A school district or charter school governing board may contract with a security agency as defined in s. 493.6101(18) to employ as a school security guard an individual who holds a Class "D" and Class "G" license pursuant to chapter 493, provided the following training and contractual conditions are met:*

(a) *An individual who serves as a school security guard, for purposes of satisfying the requirements of this section, must:*

1. *Demonstrate completion of 144 hours of required training pursuant to s. 30.15(1)(k)2.*

2. *Pass a psychological evaluation administered by a psychologist licensed under chapter 490 and designated by the Department of Law Enforcement and submit the results of the evaluation to the sheriff's office, school district, or charter school governing board, as applicable. The Department of Law Enforcement is authorized to provide the sheriff's office, school district, or charter school governing board with mental health and substance abuse data for compliance with this paragraph.*

3. *Submit to and pass an initial drug test and subsequent random drug tests in accordance with the requirements of s. 112.0455 and the sheriff's office, school district, or charter school governing board, as applicable.*

4. *Successfully complete ongoing training, weapon inspection, and firearm qualification on at least an annual basis and provide documentation to the sheriff's office, school district, or charter school governing board, as applicable.*

(b) *The contract between a security agency and a school district or a charter school governing board regarding requirements applicable to school security guards serving in the capacity of a safe-school officer for purposes of satisfying the requirements of this section shall define the entity or entities responsible for training and the responsibilities for*

maintaining records relating to training, inspection, and firearm qualification.

(c) *School security guards serving in the capacity of a safe-school officer pursuant to this subsection are in support of school-sanctioned activities for purposes of s. 790.115, and must aid in the prevention or abatement of active assailant incidents on school premises.*

(5)(4) **EXEMPTION.**—Any information that would identify whether a particular individual has been appointed as a safe-school officer pursuant to this section held by a law enforcement agency, school district, or charter school is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

If a district school board, through its adopted policies, procedures, or actions, denies a charter school access to any safe-school officer options pursuant to this section, the school district must assign a school resource officer or school safety officer to the charter school. Under such circumstances, the charter school's share of the costs of the school resource officer or school safety officer may not exceed the safe school allocation funds provided to the charter school pursuant to s. 1011.62(15) and shall be retained by the school district.

Section 12. Subsection (1), paragraphs (a), (b), and (c) of subsection (2), and subsection (4) of section 1006.13, Florida Statutes, are amended to read:

1006.13 Policy of zero tolerance for crime and victimization.—

(1) District school boards shall promote a safe and supportive learning environment in schools by protecting students and staff from conduct that poses a ~~serious~~ threat to school safety. A threat assessment team may use alternatives to expulsion or referral to law enforcement agencies to address disruptive behavior through restitution, civil citation, teen court, neighborhood restorative justice, or similar programs. Zero-tolerance policies may not be rigorously applied to petty acts of misconduct and misdemeanors, including, but not limited to, ~~minor fights or disturbances~~. Zero-tolerance policies must apply equally to all students regardless of their economic status, race, or disability.

(2) Each district school board shall adopt a policy of zero tolerance that:

(a) Defines criteria for reporting to a law enforcement agency any act *that poses a threat to school safety* that occurs whenever or wherever students are within the jurisdiction of the district school board.

(b) Defines acts that pose a ~~serious~~ threat to school safety.

(c) Defines petty acts of misconduct *which are not a threat to school safety and do not require consultation with law enforcement.*

(4)(a) Each district school board shall enter into agreements with the county sheriff's office and local police department specifying guidelines for ensuring that acts that pose a ~~serious~~ threat to school safety, whether committed by a student or adult, are reported to a law enforcement agency.

(b) The agreements must include the role of school resource officers, if applicable, in handling reported incidents, ~~circumstances in which school officials may handle incidents without filing a report with a law enforcement agency~~, and a procedure *requiring for ensuring that school personnel to consult with school resource officers concerning properly report* appropriate delinquent acts and crimes.

(c) ~~Zero tolerance policies do not require the reporting of petty acts of misconduct and misdemeanors to a law enforcement agency, including, but not limited to, disorderly conduct, simple assault or battery, affray, theft of less than \$300, trespassing, and vandalism of less than \$1,000. However, if a student commits more than one misdemeanor, the threat assessment team must consult with law enforcement to determine if the act should be reported to law enforcement.~~

(c)(d) The school principal shall ~~notify ensure that~~ all school personnel ~~are properly informed~~ as to their responsibilities regarding ~~incident crime reporting, that appropriate delinquent acts which pose a~~

threat to school safety and crimes are properly reported to the school principal, or his or her designee, and that the disposition of the incident is actions taken in cases with special circumstances are properly taken and documented.

Section 13. Section 1006.1493, Florida Statutes, is amended to read:

1006.1493 Florida Safe Schools Assessment Tool.—

(1) The department, through the Office of Safe Schools pursuant s. 1001.212, shall contract with a security consulting firm that specializes in the development of risk assessment software solutions and has experience in conducting security assessments of public facilities to develop, update, and implement a risk assessment tool, which shall be known as the Florida Safe Schools Assessment Tool (FSSAT). The FSSAT must be *the primary physical site security assessment tool as revised and required by the Office of Safe Schools which is used by school officials at each school district and public school site in the state in conducting security assessments for use by school officials at each school district and public school site in the state.*

(2) The FSSAT must help school officials identify threats, vulnerabilities, and appropriate safety controls for the schools that they supervise, pursuant to the security risk assessment requirements of s. 1006.07(6).

(a) At a minimum, the FSSAT must address all of the following components:

1. School emergency and crisis preparedness planning;
2. Security, crime, and violence prevention policies and procedures;
3. Physical security measures;
4. Professional development training needs;
5. An examination of support service roles in school safety, security, and emergency planning;
6. School security and school police staffing, operational practices, and related services;
7. School and community collaboration on school safety; and
8. A return on investment analysis of the recommended physical security controls.

(b) The department shall require by contract that the security consulting firm:

1. Generate written automated reports on assessment findings for review by the department and school and district officials;
2. Provide training to the department and school officials in the use of the FSSAT and other areas of importance identified by the department; ~~and~~
3. Advise in the development and implementation of templates, formats, guidance, and other resources necessary to facilitate the implementation of this section at state, district, school, and local levels; ~~and-~~
4. *Review recommendations of the School Hardening and Harm Mitigation Workgroup established under s. 1001.212(11) to address physical security measures identified by the FSSAT.*

(3) *The Office of Safe Schools shall make the FSSAT available no later than May 1 of each year. The office must provide annual training to each district's school safety specialist and other appropriate school district personnel on the assessment of physical site security and completing the FSSAT.*

(4) *By December 1 of each year, By December 1, 2018, and annually by that date thereafter, the department shall must report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the status of implementation across school districts and schools. The report must include a summary of the positive school safety measures in place at the time of the assessment and any re-*

commendations for policy changes or funding needed to facilitate continued school safety planning, improvement, and response at the state, district, or school levels.

(5)(4) In accordance with ss. 119.071(3)(a) and 281.301, data and information related to security risk assessments administered pursuant to this section and s. 1006.07(6) and the security information contained in the annual report required pursuant to ~~subsection (4)~~ ~~subsection (3)~~ are confidential and exempt from public records requirements.

Section 14. Subsection (15) of section 1011.62, Florida Statutes, is amended to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(15) SAFE SCHOOLS ALLOCATION.—A safe schools allocation is created to provide funding to assist school districts in their compliance with ss. 1006.07-1006.12 ~~s. 1006.07~~, with priority given to ~~safe-school officers implementing the district's school resource officer program~~ pursuant to s. 1006.12. Each school district shall receive a minimum safe schools allocation in an amount provided in the General Appropriations Act. Of the remaining balance of the safe schools allocation, two-thirds shall be allocated to school districts based on the most recent official Florida Crime Index provided by the Department of Law Enforcement and one-third shall be allocated based on each school district's proportionate share of the state's total unweighted full-time equivalent student enrollment. Any additional funds appropriated to this allocation in the 2018-2019 fiscal year ~~must to the school resource officer program established pursuant to s. 1006.12 shall be used exclusively for employing or contracting for safe-school resource officers, established or assigned under s. 1006.12 which shall be in addition to the number of officers employed or contracted for in the 2017-2018 fiscal year. This subsection applies retroactively to July 1, 2018. The amendments to this subsection are intended to be clarifying and remedial in nature.~~

Section 15. Effective July 1, 2019, paragraph (b) of subsection (6), subsection (15), as amended by this act, and subsection (16) of section 1011.62, Florida Statutes, are amended to read:

1011.62 Funds for operation of schools.—If the annual allocation from the Florida Education Finance Program to each district for operation of schools is not determined in the annual appropriations act or the substantive bill implementing the annual appropriations act, it shall be determined as follows:

(6) CATEGORICAL FUNDS.—

(b) If a district school board finds and declares in a resolution adopted at a regular meeting of the school board that the funds received for any of the following categorical appropriations are urgently needed to maintain school board specified academic classroom instruction or improve school safety, the school board may consider and approve an amendment to the school district operating budget transferring the identified amount of the categorical funds to the appropriate account for expenditure:

1. Funds for student transportation.
2. Funds for research-based reading instruction if the required additional hour of instruction beyond the normal school day for each day of the entire school year has been provided for the students in each low-performing elementary school in the district pursuant to paragraph (9)(a).
3. Funds for instructional materials if all instructional material purchases necessary to provide updated materials that are aligned with applicable state standards and course descriptions and that meet statutory requirements of content and learning have been completed for that fiscal year, but no sooner than March 1. Funds available after March 1 may be used to purchase hardware for student instruction.

4. Funds for the guaranteed allocation as provided in subparagraph (1)(e)2.

5. Funds for the supplemental academic instruction allocation as provided in paragraph (1)(f).

6. Funds for the Florida digital classrooms allocation as provided in subsection (12).

7. Funds for the federally connected student supplement as provided in subsection (13).

8. Funds for class size reduction as provided in s. 1011.685.

(15) SAFE SCHOOLS ALLOCATION.—A safe schools allocation is created to provide funding to assist school districts in their compliance with ss. 1006.07-1006.12, with priority given to safe-school officers pursuant to s. 1006.12. Each school district shall receive a minimum safe schools allocation in an amount provided in the General Appropriations Act. Of the remaining balance of the safe schools allocation, ~~one-third~~ ~~two-thirds~~ shall be allocated to school districts based on the most recent official Florida Crime Index provided by the Department of Law Enforcement and ~~two-thirds~~ ~~one-third~~ shall be allocated based on each school district's proportionate share of the state's total unweighted full-time equivalent student enrollment. ~~Each school district must report to the Department of Education by October 15 that all public schools within the school district have completed the school security risk assessment using the Florida Safe Schools Assessment Tool developed pursuant to s. 1006.1493. If a district school board is required by s. 1006.12 to assign a school resource officer or school safety officer to a charter school, the charter school's share of costs for such officer may not exceed the amount of funds allocated to the charter school under this subsection. Any additional funds appropriated to this allocation in the 2018-2019 fiscal year must be used exclusively for employing or contracting for safe school officers, established or assigned under s. 1006.12. This subsection applies retroactively to July 1, 2018. The amendments to this subsection are intended to be clarifying and remedial in nature.~~

(16) MENTAL HEALTH ASSISTANCE ALLOCATION.—The mental health assistance allocation is created to provide funding to assist school districts in establishing or expanding school-based mental health care; *train educators and other school staff in detecting and responding to mental health issues; and connect children, youth, and families who may experience behavioral health issues with appropriate services.* These funds shall be allocated annually in the General Appropriations Act or other law to each eligible school district. Each school district shall receive a minimum of \$100,000, with the remaining balance allocated based on each school district's proportionate share of the state's total unweighted full-time equivalent student enrollment. ~~Eligible Charter schools that submit a plan separate from the school district are entitled to a proportionate share of district funding. At least 90 percent of a district's allocation must be expended on the elements specified in subparagraphs (b)1. and 2.~~ The allocated funds may not supplant funds that are provided for this purpose from other operating funds and may not be used to increase salaries or provide bonuses. School districts are encouraged to maximize ~~third-party~~ ~~third-party~~ health insurance benefits and Medicaid claiming for services, where appropriate.

(a) Before the distribution of the allocation:

1. The school district must develop and submit a detailed plan outlining the local program and planned expenditures to the district school board for approval. *This plan must include all district schools, including charter schools, unless a charter school elects to submit a plan independently from the school district pursuant to subparagraph 2.*

2. A charter school ~~may~~ ~~must~~ develop and submit a detailed plan outlining the local program and planned expenditures to its governing body for approval. After the plan is approved by the governing body, it must be provided to the charter school's sponsor.

(b) The plans required under paragraph (a) must be focused on *a multi-tiered system of supports to deliver delivering evidence-based mental health care assessment, diagnosis, intervention, treatment, and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and to students at high risk of such diagnoses. The provision of these services must be coordinated with a student's primary mental health care provider and with other mental*

health providers involved in the student's care. At a minimum, the plans must ~~treatment to children and~~ include the following elements:

1. *Direct employment of school-based mental health services providers to expand and enhance school-based student services and to reduce the ratio of students to staff in order to better align with nationally recommended ratio models. These providers include, but are not limited to, certified school counselors, school psychologists, school social workers, and other licensed mental health professionals. The plan also must identify strategies to increase the amount of time that school-based student services personnel spend providing direct services to students, which may include the review and revision of district staffing resource allocations based on school or student mental health assistance needs. ~~Provision of mental health assessment, diagnosis, intervention, treatment, and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.~~*

2. *Contracts or interagency agreements with one or more local community behavioral health providers or providers of Community Action Team services to provide a behavioral health staff presence and services at district schools. Services may include, but are not limited to, mental health screenings and assessments, individual counseling, family counseling, group counseling, psychiatric or psychological services, trauma-informed care, mobile crisis services, and behavior modification. These behavioral health services may be provided on or off the school campus and may be supplemented by telehealth. ~~Coordination of such services with a student's primary care provider and with other mental health providers involved in the student's care.~~*

3. *Policies and procedures, including contracts with service providers, which will ensure that students who are referred to a school-based or community-based mental health service provider for mental health screening for the identification of mental health concerns and ensure that the assessment of students at risk for mental health disorders occurs within 15 days of referral. School-based mental health services must be initiated within 15 days after identification and assessment, and support by community-based mental health service providers for students who are referred for community-based mental health services must be initiated within 30 days after the school or district makes a referral. ~~Direct employment of such service providers, or a contract based collaborative effort or partnership with one or more local community mental health programs, agencies, or providers.~~*

4. *Programs to assist students in dealing with anxiety, depression, bullying, trauma, and violence.*

5. *Strategies or programs to reduce the likelihood of at-risk students developing social, emotional, or behavioral health problems, suicidal tendencies, or substance use disorders.*

6. *Strategies to improve the early identification of social, emotional, or behavioral problems or substance use disorders and to improve the provision of early intervention services.*

(c) School districts shall submit approved plans, including approved plans of each charter school in the district, to the commissioner by August 1 of each fiscal year.

(d) Beginning September 30, 2019, and annually by September 30 thereafter, each school district shall submit to the Department of Education a report on its program outcomes and expenditures for the previous fiscal year that, at a minimum, must include the number of each of the following:

1. Students who receive screenings or assessments.
2. Students who are referred to either school-based or community-based providers for services or assistance.
3. Students who receive either school-based or community-based interventions, services, or assistance.

4. *School-based and community-based mental health providers, including licensure type, paid for from funds provided through the allocation. ~~Direct employment service providers employed by each school district.~~*

5. Contract-based collaborative efforts or partnerships with community mental health programs, agencies, or providers.

Section 17. *The Legislature finds that a proper and legitimate state purpose is served when district school boards are afforded options for the provision of safe-school officers for the protection and safety of school personnel, property, students, and visitors. School guardians must be available to any district school board that chooses such an option. Therefore, the Legislature determines and declares that this act fulfills an important state interest.*

Section 18. Except as otherwise expressly provided in this act, this act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to implementation of legislative recommendations of the Marjory Stoneman Douglas High School Public Safety Commission; amending s. 30.15, F.S.; requiring sheriffs to assist district school boards and charter school governing boards with compliance with

school, any intervention services provided to the student remain in place until the team makes a certain determination; requiring district school boards to adopt policies for accurate and timely reporting of school environmental safety incidents; providing penalties for non-compliance with such policies; requiring the State Board of Education to adopt rules establishing requirements for school environmental safety incident reports; amending s. 1006.12, F.S.; requiring district school boards and school district superintendents to partner with security agencies to establish or assign safe-school officers; requiring district school boards to collaborate with charter school governing boards to facilitate access to all safe-school officer options; expanding the options school districts are authorized to implement; expanding the categories of individuals who may serve as school guardians; authorizing school districts and charter school governing boards to contract with security agencies to employ school security guards; providing requirements for school security guards; authorizing the Department of Law Enforcement to provide certain entities with specified data relating to psychological evaluations administered to school security guard applicants; providing requirements for contracts between a security agency and a school district or charter school governing board; providing that certain school security guards are in support of school-sanctioned activities and are required to aid in the prevention or abatement of certain incidents; requiring school districts to assign school resource officers or school safety officers to charter schools under certain circumstances; requiring school districts to retain specified allocation funds for a specified purpose if such officers are assigned; amending s. 1006.13, F.S.; revising requirements for school district zero-tolerance policies; amending s. 1006.1493, F.S.; requiring the Florida Safe Schools Assessment Tool (FSSAT) to be the primary site security assessment tool for school districts; requiring the department to require a security consulting firm to review recommendations of the School Hardening and Harm Mitigation Workgroup; requiring the office to annually make the FSSAT available by a specified date; requiring the office to provide FSSAT training; amending s. 1011.62, F.S.; modifying the required use of funds in the safe schools allocation; providing for retroactive application; providing legislative intent; expanding, as of a specified date, the categorical fund that may be accessed to improve classroom instruction or improve school safety; requiring each school district to report that the public schools within the district have completed the required school security risk assessment; providing that a charter school's share of costs for a school resource officer or school safety officer may not exceed a specified amount if a district school board is required to assign such an officer to the charter school; deleting obsolete language; expanding the purpose of the mental health assistance allocation; providing that charter schools that take a specified action are entitled to a proportionate share of certain funding; deleting a requirement that restricted to certain elements how a specified percentage of a district's mental health assistance allocation could be expended; revising requirements for a plan required to be developed by school districts before distribution of such allocation; requiring that the plans include charter schools, except in certain circumstances; authorizing, rather than requiring, charter schools to develop and submit a specified plan; revising requirements for school districts' and charter schools' plans; revising requirements relating to a specified report required by school districts to annually submit to the department; reenacting s. 921.0022(3)(b), F.S., relating to the offense severity ranking chart of the Criminal Punishment Code, to incorporate the amendment made to s. 843.08, F.S., in a reference thereto; providing a declaration of important state interest; providing effective dates.

Excused: Senator Rader

PRAYER

The following prayer was offered by Major Timothy Gilliam, Area Commander, Salvation Army of Lee, Hendry, Glades Counties, Fort Myers:

Almighty God, as we gather in this chamber this morning, our hearts are filled with gratitude and thanksgiving because you continually bestow unimaginable blessings upon us. You have endowed our state and its people with your provision, resources, and protection. This morning, we acknowledge you as the creator and sustainer of all things.

The days of this particular legislative session are drawing to a close, and, as they do, I ask that you continue to guide and inspire our lawmakers. Remind them that they represent all Floridians, in both times of prosperity as well as in times of despair. Give them wisdom to make right decisions and give them boldness to take actions that preserve the dignity of all of our citizens. Continue to lead our Governor, Senators, and Representatives. Help them to remember the poor, the needy, the elderly, and the disenfranchised.

Help us to care for our natural resources. You have blessed this state with so many. Motivate us to keep our water, air, and earth clean so that future generations can enjoy the beauty of these essential elements that give us life itself.

May we always be a people of hope, peace, and justice. May we be a positive example for the rest of the nation and a bright light to a world that, at times, seems to be growing darker. Teach us to love all that is good and to shun all that is evil.

Continue to guide and bless the men and women of this chamber. Remind them not only of the gravity of their positions, but also of the fact that you can make their burden lighter. Grant each of them your strength and encouragement, for I pray these things in your name. Amen.

PLEDGE

Senate Pages, Isabelle Kelly of Wellington, niece of Senator Benacquisto; John Kelly of Wellington, nephew of Senator Benacquisto; Miles Corbella of Tallahassee; Brandan Louis of Orlando; and Julianna Morgan of Tallahassee, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

DOCTOR OF THE DAY

The President recognized Dr. Daniel Patrick Montero of Ponte Vedra, sponsored by Senator Bean, as the doctor of the day. Dr. Montero specializes in primary care sports medicine.

ADOPTION OF RESOLUTIONS

At the request of Senator Passidomo—

By Senator Passidomo—

SR 1852—A resolution recognizing May 2019 as “Bladder Cancer Awareness Month” in Florida.

WHEREAS, according to the National Cancer Institute, bladder cancer is the sixth most common cancer in the United States, and

WHEREAS, among the 50 states, Florida had the second-highest average number of bladder cancer diagnoses per year as of 2018, and

WHEREAS, bladder cancer is the fourth most common cancer in men and more men than women are diagnosed with bladder cancer each year, and, as of 2015, approximately 708,444 people in the United States were living with bladder cancer, and

WHEREAS, approximately 81,190 new cases of bladder cancer were expected to be diagnosed in 2018, and approximately 17,240 deaths from bladder cancer were expected, and

WHEREAS, although bladder cancer can occur at any age, a higher percentage of people suffering from the disease are 55 years of age or older, and

WHEREAS, bladder cancer ranks 18th of all diseases in the United States in terms of research dollars expended, and

WHEREAS, exposure to certain workplace chemicals and smoking are major contributors to the disease, and

WHEREAS, because diagnosis can be delayed due to lack of awareness of early symptoms, patients should discuss anything unusual with their urinary system with their doctors, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That May 2019 is recognized as “Bladder Cancer Awareness Month” in Florida.

—was introduced, read, and adopted by publication.

At the request of Senator Hooper—

By Senator Hooper—

SR 1866—A resolution to remember the extraordinary life of Walter Loebenberg, founder of The Florida Holocaust Museum.

WHEREAS, Walter Loebenberg was born on May 22, 1924, in Waechtersbach, Germany, and moved with his family to Frankfurt to escape the rising tide of antisemitism in his small hometown, and

WHEREAS, Walter Loebenberg was forced to leave school and went to work as an apprentice in a bakery, and he and his family were in Frankfurt on Kristallnacht—the Night of the Broken Glass—in November of 1938, and

WHEREAS, Walter Loebenberg immigrated to the United States, arriving at Ellis Island on May 22, 1939, his 15th birthday, and

WHEREAS, Walter Loebenberg went on to serve in the European theater during World War II and fought at the Battle of the Bulge, and General Dwight D. Eisenhower personally presented him with a Bronze Star in recognition of his service, and

WHEREAS, after the war, Walter Loebenberg settled in Chicago, where he met and married his wife, Edie, and began a business career that spanned seven decades, and

WHEREAS, in 1969, Walter and Edie Loebenberg, who were married for nearly 62 years, settled in St. Petersburg, where they devoted their lives to family and community, and

WHEREAS, Walter Loebenberg never forgot the victims of the Holocaust and their families and, in remembrance of those lost and shattered lives, he founded The Florida Holocaust Museum in 1992, which has kept alive the lessons of the past to help create a better future for all, and

WHEREAS, Walter Loebenberg died peacefully at home on January 29, 2019, leaving behind three children, eight grandchildren, and seven great-grandchildren and a legacy of love and compassion, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That the extraordinary life of Walter Loebenberg, founder of The Florida Holocaust Museum, is remembered.

—was introduced, read, and adopted by publication.

Senator Lee moved the following amendment:

Amendment 1 (969912)—Delete lines 167-169 and insert:

j. Regional planning councils;

k. The community, who may be an individual or a member of a nonprofit community organization, as determined by the department; and

l. Appropriate environmental groups, such as 1000 Friends of Florida, Audubon Florida, the Everglades Foundation, The Nature Conservancy, the Florida Sierra Club, and the Conservation Lands Foundation, as determined by the department.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Lee moved the following amendment to **Amendment 1 (969912)** which was adopted:

Amendment 1A (602144)—Delete line 12 and insert:
Florida Wildlife Corridor, as determined by the department.

Amendment 1 (969912), as amended, was adopted.

Senator Lee moved the following amendment:

Amendment 2 (979880) (with title amendment)—Between lines 220 and 221 insert:

10. The department shall provide affected local governments with a copy of the applicable task force report and project alignments. Not later than December 31, 2023, a local government that has an interchange within its jurisdiction shall review the applicable task force report and its local comprehensive plan as adopted under chapter 163. The local government review must include consideration of whether the area in and around the interchange contains appropriate land uses and natural

resource protections and whether the comprehensive plan should be amended to provide such appropriate uses and protections.

And the title is amended as follows:

Delete line 32 and insert: Legislature by a specified date; requiring the department to provide affected local governments with a copy of the applicable task force report and project alignments; requiring, by a specified date, local governments that have an interchange within their jurisdictions to review the applicable task force report and their local comprehensive plans; providing requirements for the local government review; providing specified

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Lee moved the following substitute amendment which was adopted:

Amendment 3 (372746) (with title amendment)—Delete lines 133-268 and insert:

(k) *Protection or enhancement of primary springs protection zones and farmland preservation areas designated within local comprehensive plans adopted under chapter 163.*

(2) *The program is composed of all of the following corridors:*

(a) *Southwest-Central Florida Connector, extending from Collier County to Polk County.*

(b) *Suncoast Connector, extending from Citrus County to Jefferson County.*

(c) *Northern Turnpike Connector, extending from the northern terminus of the Florida Turnpike northwest to the Suncoast Parkway.*

(3)(a) *Projects undertaken in the corridors identified in subsection (2) are tolled facilities and approved turnpike projects that are part of the turnpike system, and are considered as Strategic Intermodal System facilities.*

(b) *During the project development phase, the department shall identify opportunities to accommodate or colocate multiple types of infrastructure-addressing issues, such as those identified in subsection (1), within or adjacent to the corridors.*

(c)1. *During the project development phase, the department shall utilize an inclusive, consensus-building mechanism for each proposed multi-use corridor identified in subsection (2). For each multi-use corridor identified in subsection (2), the department shall convene a corridor task force composed of appropriate representatives of:*

- a. *The Department of Environmental Protection;*
- b. *The Department of Economic Opportunity;*
- c. *The Department of Education;*
- d. *The Department of Health;*
- e. *The Fish and Wildlife Conservation Commission;*
- f. *The Department of Agriculture and Consumer Services;*
- g. *The local water management district or districts;*
- h. *A local government official from each local government within a proposed corridor;*
- i. *Metropolitan planning organizations;*
- j. *Regional planning councils; and*
- k. *Other appropriate conservation or community not-for-profit organizations as determined by the department.*

2. *The secretary of the department shall appoint the members of the respective corridor task forces by August 1, 2019.*

3. *Each corridor task force shall coordinate with the department on pertinent aspects of corridor analysis, including accommodation or collocation of multiple types of infrastructure, addressing issues such as those identified in subsection (1), within or adjacent to the corridor.*

4. *Each corridor task force shall evaluate the need for, and the economic and environmental impacts of, hurricane evacuation impacts of, and land use impacts of, the related corridor as identified in subsection (2).*

5. *Each corridor task force shall hold a public meeting in accordance with chapter 286 in each local government jurisdiction in which a project within an identified corridor is being considered.*

6. *To the maximum extent feasible, the department shall adhere to the recommendations of the task force created for each corridor in the design of the multiple modes of transportation and multiple types of infrastructure associated with the corridor. The task force for each corridor may consider and recommend innovative concepts to combine right-of-way acquisition with the acquisition of lands or easements to facilitate environmental mitigation or ecosystem, wildlife habitat, or water quality protection or restoration. The department, in consultation with the Department of Environmental Protection, may incorporate those features into each corridor during the project development phase.*

7. *The Southwest-Central Florida Connector corridor task force shall:*

a. *Address the impacts of the construction of a project within the corridor on panther and other critical wildlife habitat and evaluate in its final report the need for acquisition of lands for state conservation or as mitigation for project construction; and*

b. *Evaluate wildlife crossing design features to protect panther and other critical wildlife habitat corridor connections.*

8. *The Suncoast Connector corridor task force and the Northern Turnpike Connector corridor task force shall evaluate design features and the need for acquisition of state conservation lands that mitigate the impact of project construction within the respective corridors on:*

a. *The water quality and quantity of springs, rivers, and aquifer recharge areas;*

b. *Agricultural land uses; and*

c. *Wildlife habitat.*

9. *Each corridor task force shall issue its evaluations in a final report that must be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives by October 1, 2020.*

10. *The department shall provide affected local governments with a copy of the applicable task force report and project alignments. Not later than December 31, 2023, a local government that has an interchange within its jurisdiction shall review the applicable task force report and its local comprehensive plan as adopted under chapter 163. The local government review must include consideration of whether the area in and around the interchange contains appropriate land uses and natural resource protections and whether the comprehensive plan should be amended to provide such appropriate uses and protections.*

(4)(a) *Project construction in any corridor identified in subsection (2) is not eligible for funding until submission of the final report of the corridor task force for that corridor required in subsection (3) and completion of 30 percent of the design phase of any project within a corridor identified in subsection (2), except for project phases that are under construction or for which project alignment has been determined.*

(b) *Subject to the economic and environmental feasibility statement requirements of s. 338.223, projects may be funded through turnpike revenue bonds or right-of-way and bridge construction bonds or financing by the Florida Department of Transportation Financing Corporation; by advances from the State Transportation Trust Fund; with funds obtained through the creation of public-private partnerships; or any combination thereof. The department also may accept donations of land for use as transportation rights-of-way or to secure or use transportation rights-of-way for such projects in accordance with s. 337.25. To the extent legally available, any toll revenues from the turnpike system not required*

for payment of principal, interest, reserves, or other required deposits for bonds; costs of operations and maintenance; other contractual obligations; or system improvement project costs must be used to repay advances received from the State Transportation Trust Fund.

(c)1. Projects undertaken under this section are subject to the department's delegated responsibilities under s. 334.044(34) for environmental review, consultation, or other action required under any federal environmental law applicable to review or approval of such projects. For projects that do not receive federal aid or projects that do not require federal action, the department must perform a project evaluation that considers the following:

- a. Project purpose and need;
- b. An alternatives analysis;
- c. Existing conditions of the project area and potential impacts or enhancements the project may have on social, economic, cultural, natural, and connectivity issues and resources;
- d. Anticipated permits identified during the project development and environmental study;
- e. Opportunities for stakeholder and regulatory agency coordination; and
- f. Public and agency comments and coordination.

2. At a minimum, for projects constructed under this section, decisions on matters such as corridor configuration, project alignment, and interchange locations must be determined in accordance with applicable department rules, policies, and procedures.

3. To the greatest extent practical, corridor configuration, project alignment, and interchange locations shall be designed so that project rights-of-way are not located within conservation lands acquired under the Florida Preservation 2000 Act as established in s. 259.101, and the Florida Forever program as established in s. 259.105.

And the title is amended as follows:

Delete lines 32-47 and insert: Legislature by a specified date; requiring the department to provide affected local governments with a copy of the applicable task force report and project alignments; requiring a local government that has an interchange within its jurisdiction to review the applicable task force report and its local comprehensive plan by a specified date; providing requirements for the local government review; providing specified requirements that must be met before project construction in any identified corridor is eligible for funding; providing exceptions to such requirements; authorizing sources of funding for the projects; authorizing the department to accept certain donations of land for the projects; requiring that certain toll revenues from the turnpike system be used to repay advances received from the State Transportation Trust Fund; providing requirements for the department relating to certain delegated responsibilities; requiring the department to perform a specified project evaluation on certain projects; requiring that certain decisions on projects be determined in accordance with applicable department rules, policies, and procedures; providing design requirements for corridor configuration, project alignment, and interchange locations; authorizing the

Senator Lee moved the following amendment which was adopted:

Amendment 4 (391488) (with title amendment)—Between lines 693 and 694 insert:

Section 6. Section 337.1101, Florida Statutes, is created to read:

337.1101 Contracting and procurement authority of the department; settlements; notification required.—

(1) When the department, or any entity or enterprise within the department, determines that it is in the best interest of the public to resolve a protest filed in accordance with s. 120.57(3) of the award of a contract being procured pursuant to s. 337.11 or related to the purchase of personal property or contractual services being procured pursuant to s. 287.057, through a settlement that requires the department to pay a nonselected responsive bidder a total sum of \$1 million or more, in-

cluding any amount paid pursuant to s. 334.049, s. 337.11(8), or any other law, the department must:

(a) Document in a written memorandum by the secretary, which must be finalized not later than the date of notification of such settlement required pursuant to paragraph (b), the specific reasons that such settlement and payment to a nonselected responsive bidder is in the best interest of the state in lieu of resoliciting competitive sealed bids, proposals, or replies. The written memorandum must be included and maintained in the department's permanent files concerning the procurement and must include:

1. A detailed description of the property rights, patent rights, copyrights, or trademarks that the department will acquire as a result of such settlement;
2. A detailed description of the analysis undertaken by the department of the proposal development costs and the anticipated degree of engineering design or other design work undertaken by the responsive bidder to which the department will obtain and retain the right to use from the nonselected responsive bidder or design-build firm;
3. The department's cost-benefit analysis demonstrating that the payment provides value to the department and is in the best interests of the state;
4. The specific appropriation in the existing General Appropriations Act which the department intends to use to provide such payment; and
5. The specific detailed reasons why the selected responsive bidder should not be responsible for the entire payment to the nonselected nonresponsive bidder or design-build firm.

(b) Provide prior written notification to the President of the Senate, the Speaker of the House of Representatives, the Senate and House of Representatives minority leaders, the chair and vice chair of the Legislative Budget Commission, and the Attorney General at least 5 business days, or as soon thereafter as practicable, before the department makes the settlement agreement final. Such written notification must include the written memorandum required pursuant to paragraph (a).

(c) Provide, at the time settlement discussions regarding any such payment have begun in earnest, written notification of such discussions to the President of the Senate, the Speaker of the House of Representatives, the Senate and House of Representatives minority leaders, the chair and vice chair of the Legislative Budget Commission, and the Attorney General. The written notification required pursuant to this paragraph must describe the procurement to which the proposed settlement payment relates, the range of the proposed payments involved, the specific appropriation in the General Appropriations Act which will be used to make the proposed payment, and a summary of the specific reasons the department has for considering such payment.

(2) The department may not pledge any current or future action by another branch of state government as a condition of any procurement action. Any settlement that commits the state to spending any amount in excess of current appropriations, to the appropriation of funds in a subsequent fiscal year, or to policy changes inconsistent with current state law must be contingent upon and subject to legislative appropriation or statutory amendment. The department may agree to use its efforts to procure legislative funding or statutory amendments.

And the title is amended as follows:

Between lines 98 and 99 insert: creating s. 337.1101, F.S.; specifying requirements for the department when the department or any entity or enterprise within the department determines that it is in the best interest of the public to resolve a certain protest of the award of a certain contract; providing requirements for a certain memorandum; providing requirements for certain notifications; prohibiting the department from pledging any current or future action by another branch of state government as a condition of any procurement action; requiring certain settlements to be contingent upon and subject to legislative appropriation or statutory amendment; authorizing the department to agree to use its efforts to procure legislative funding or statutory amendments;

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Cruz moved the following amendment which failed:

Amendment 1 (663344) (with title amendment)—Delete lines 370-377 and insert:

Section 4. *A property insurer may not implement rate changes in 2019 for DP-3 or HO-3 policies. A DP-3 or HO-3 property insurance policy issued in years 2020 to 2023 must provide rate savings to consumers if it is restricted-in-part or restricted-in-whole. A restricted-in-part policy must be provided at a 7.5 percent lower cost to the consumer than an unrestricted policy. A restricted-in-whole policy must be provided at a 7.5 percent lower cost than a restricted-in-part policy, or at a 15 percent lower cost than an unrestricted policy if no restricted-in-part policy is offered by the insurer.*

And the title is amended as follows:

Delete lines 40-45 and insert: benefits; providing an exception; prohibiting property insurers from implementing rate changes for certain policies during a certain year; requiring that certain property insurance policies with certain restrictions which are issued during a certain timeframe provide specified rate savings to consumers; providing

PRAYER

The following prayer was offered by Rabbi Schneur Z. Oirechman, Chabad Lubavitch of the Panhandle, Tallahassee:

Almighty G-d, creator of the universe: as we celebrate the fifth day of the ancient holiday of Passover, we pray that we remember its lessons today. The Torah tells us that in every generation, one should see himself as personally leaving Egypt. Egypt in Hebrew is “Mitzrayim” or “limits.” So we pray for the strength to experience exodus from our personal Egypts—from self-made limits to our potential and to overcome any obstacle, personal or professional.

Almighty G-d, help us not just remove the slave from slavery but also slavery from the slave. Let us be free of worship of the self—of slavery to our own habits; let us pass over our personal shortcomings; let us be delivered from any slave mentality; and let us experience true freedom. Grant us the freedom to understand and tend to the needs of the people of Florida. Almighty G-d, let us be like the ancient Hebrews who escaped 210 years of slavery in mere moments.

There is a Jewish prayer we say every morning: “I offer thanks to you, living and eternal King, for you have mercifully restored my soul within me. Your faithfulness is great.”

Let us recognize the gifts in every aspect of our lives and not take them for granted. Let us recognize that you are the source of our success and blessings in life, and let us fear none but you. And let us rise to true freedom and do one more Mitzvah, act of goodness and kindness, to

make the world a better place in preparation for the ultimate redemption, speedily in our days. Amen.

PLEDGE

By Senator Harrell—

SR 1814—A resolution recognizing April 21-27, 2019, as “Health Information Technology Week” in Florida.

WHEREAS, using the latest technology, health care providers in this state share information safely, securely, and in real time, thereby connecting doctors and patients to more complete and accurate health records, which affords residents of this state access to the highest quality of health care, and

WHEREAS, comprehensive health care reform is not possible without the systemwide adoption of health information technology, which improves the quality of health care delivery, increases patient safety, decreases the number of medical errors, controls costs, strengthens the interaction between patients and health care providers, and expands access to care, and

WHEREAS, the Healthcare Information and Management Systems Society (HIMSS) is a nonprofit organization of volunteers, including more than 4,291 members in this state, who are committed to the adoption of policies in support of the optimal use of health information technology, and

WHEREAS, HIMSS recognizes 14 hospitals and more than 12 ambulatory facilities in this state as having attained a Stage 7 ranking under the Electronic Medical Record Adoption Model, the highest possible ranking, which indicates that a health system has an advanced electronic patient record environment, and

WHEREAS, more than 255 hospitals in this state are participating in the Florida Health Information Exchange Event Notification Service, providing more than 1.1 million notifications per month to clinics, physicians, health plans, accountable care organizations, and other health care organizations in this state to foster improved continuity of care and care coordination for more than 8.2 million patients in this state, and

WHEREAS, since January 2011, more than 29,100 eligible hospitals and professionals in this state have participated in the Electronic Health Record Incentive Program by adopting and effectively using certified electronic health record technology, and

WHEREAS, Health Information Technology Week honors the commitment and service of the clinicians, information technology executives, directors, and managers who work in this state’s health care provider institutions, payer organizations, the military and other branches of government, academic centers, and supplier and consulting companies, and

WHEREAS, since 2006, states and organizations across the nation have united to support Health Information Technology Week to raise public awareness of the benefits of improved quality and cost efficiency in the health care system which the implementation of health information technology is achieving, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 21-27, 2019, is recognized as “Health Information Technology Week” in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution, with the Seal of the Senate affixed, be presented to representatives of the Healthcare Information and Management Systems Society as a tangible token of the sentiments of the Florida Senate.

SR 1848—A resolution recognizing September 2019 as “Spinal Cord Injury Awareness Month” in Florida.

WHEREAS, the central nervous system is made up of two parts, the brain and the spinal cord, and

WHEREAS, the spinal cord is considered the information super-highway of the body because it contains bundles of neurons that carry signals to and from the brain, controlling many bodily functions, and

WHEREAS, after a spinal cord injury occurs, damaged neurons can no longer emit signals to or from the brain, and the injured person suffers permanent sensory loss and loss of muscle control, and

WHEREAS, in 2018, an estimated 291,000 individuals in the United States were living with a spinal cord injury, and

WHEREAS, it is estimated that the number of new cases involving spinal cord injury in the United States is approximately 17,730 each year, and

WHEREAS, the average age at injury for victims is 43 years, with men accounting for about 78 percent of all new spinal cord injury cases, and

WHEREAS, the National Spinal Cord Injury Statistical Center’s 2019 data sheet shows that the four leading causes of spinal cord injury for both men and women were auto accidents, falls, acts of violence, and sports- and recreation-related activities, and

WHEREAS, the same report shows that the average annual cost of care for individuals who had a spinal cord injury ranged between about \$369,000 and \$1.13 million the first year after injury, with an estimated lifetime cost of between about \$1.67 million and \$5 million, depending on the severity of injury and the age of the individual at the time of injury, and

WHEREAS, over the past two decades, scientists have made major breakthroughs in understanding how to stimulate the regeneration of damaged neurons, restore function, and improve the quality of life for patients with spinal cord injuries in such areas as infertility and pain management, and

WHEREAS, scores of local, regional, and national organizations and researchers, doctors, volunteers, and others across this state are dedicated to improving the quality of life of people with spinal cord injuries and their families, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That September 2019 is recognized as “Spinal Cord Injury Awareness Month” in Florida.

SR 1850—A resolution recognizing May 2019 as “American Stroke Month” in Florida.

WHEREAS, stroke is a leading cause of serious long-term disability and the fourth leading cause of death in the United States, annually killing more than 140,000 people nationwide and 29,600 in Florida, and

WHEREAS, stroke prevalence is projected to increase by 20.5 percent between 2016 and 2030, and the direct medical costs for treating stroke are expected to almost triple during that period, from \$71.6 billion to \$184.1 billion, and

WHEREAS, nearly 80 million Americans have high blood pressure, a major controllable risk factor for stroke, including 44 percent of African-American adults, an incidence that is among the highest percentage of hypertension in any population in the world, and

WHEREAS, 58 percent of Americans do not know they are at risk for stroke, and one in three cannot recall any stroke warning signs or symptoms, which may include sudden numbness or weakness of the face, arm, or leg, especially on one side of the body; sudden confusion or difficulty in speaking or understanding; sudden difficulty in seeing in one or both eyes; sudden difficulty in walking; dizziness; loss of balance or coordination; and a sudden severe headache with no known cause, and

WHEREAS, the most common signs and symptoms of stroke can be remembered by the acronym F.A.S.T., which stands for face drooping, arm weakness, speech difficulty, and “time to call 9-1-1,” and

WHEREAS, according to the Centers for Disease Control and Prevention, atrial fibrillation is a common type of arrhythmia, an abnormal heart rhythm, and risk factors for atrial fibrillation include many of the same risk factors as stroke, including high blood pressure, heart failure, diabetes, advanced age hyperthyroidism, and heart disease, and

WHEREAS, those with atrial fibrillation have a risk of stroke that is five times greater than those without, and 15 percent to 20 percent of all people who have strokes also have atrial fibrillation, and

WHEREAS, atrial fibrillation is a serious health issue that warrants greater community awareness, which can improve the likelihood that people with atrial fibrillation will seek the treatment they need before suffering the devastating consequences of a stroke, and

WHEREAS, on May 1, 2019, the American Stroke Association will celebrate its Day of Action as part of American Stroke Month and as part of its year-round initiative, “Together to End Stroke,” launched in collaboration with the American Heart Association, which celebration brings stroke awareness to the forefront of Americans’ minds and encourages people to memorize and share the stroke warning signs and call 9-1-1 at the first sign of a stroke, and

WHEREAS, new and effective treatments have been developed to treat and minimize the severity and damaging effects of strokes, but much more research is needed, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That May 2019 is recognized as “American Stroke Month” in Florida, and that all residents of this state are urged to familiarize themselves with the risk factors, warning signs, and symptoms associated with stroke.

BE IT FURTHER RESOLVED that the residents of this state are encouraged to call 9-1-1 at the first sign of a stroke in order to reduce the devastating effects of stroke and to ensure that Floridians may live stronger, healthier lives.

Amendment 2 (561776) (with title amendment)—Delete lines 336-515 and insert:
effective replacement or renovation of an existing building;

6. *The project is deemed by the state board to be integral to the mission of the system or the institution in serving the strategic needs of communities, regions, or the state; and*

7. *For a new construction, remodeling, or renovation project that has not received a prior appropriation, the project has received, or has commitments to receive, funding from sources other than a project-specific state appropriation to assist with completion of the project and future maintenance needs associated with the project; the project is needed to preserve the safety of persons using the facility; or the project is consistent with a strategic legislative or state board initiative.*

(b) *For each Florida College System institution with a final FTE of 15,000 or greater for the prior year, a new construction, remodeling, or renovation project that has not received an appropriation in a previous year may not be considered for inclusion on the prioritized list required by s. 1013.64(4), unless:*

1. *There are sufficient excess funds from the allocation provided pursuant to s. 1013.60 within the 3-year planning period which are not needed to complete the projects listed pursuant to paragraph (d); and*

2. *The project has been recommended pursuant to s. 1013.31.*

(c) *The project scoring the highest for each criterion shall be awarded the maximum points in the range of points within the points scale developed by the state board. The state board shall weight the value of criteria such that the maximum points awarded for each criterion represents a percent of the total maximum points.*

(d) *The state board shall continually maintain a list of all public education capital outlay projects for which state funds were previously appropriated and have not been completed. The list shall include an estimate of the amount of state funding needed for the completion of each project.*

(e) *The state board shall review its space need calculation methodology developed pursuant to s. 1013.03(2)(a) and present a summary of its work with preliminary draft recommendations to the chairs of the Senate and the House of Representatives appropriations committees by January 15, 2020, and every 3 years thereafter.*

Section 4. Paragraphs (e) and (f) of subsection (5) of section 1001.706, Florida Statutes, are amended, paragraph (j) is added to subsection (3) and paragraph (i) is added to subsection (5) of that section, and subsection (12) is added to that section, to read:

1001.706 Powers and duties of the Board of Governors.—

(3) **POWERS AND DUTIES RELATING TO ORGANIZATION AND OPERATION OF STATE UNIVERSITIES.—**

(j) *The Board of Governors shall develop and annually deliver a training program for members of each state university board of trustees that addresses the role of such boards in governing institutional resources and protecting the public interest. At a minimum, each trustee must participate in the training program within 1 year of appointment and reappointment to a university board of trustees. The program must include information on trustee responsibilities relating to all of the following:*

1. *Meeting the statutory, regulatory, and fiduciary obligations of the board.*

2. *Establishing internal process controls and accountability mechanisms for the institution's president and other administrative officers.*

3. *Oversight of planning, construction, maintenance, expansion, and renovation projects that impact the university's consolidated infrastructure, physical facilities, and natural environment, including its lands, improvements, and capital equipment.*

4. *Establishing policies that promote college affordability, including ensuring that the costs of university fees, textbooks, and instructional materials are minimized whenever possible.*

5. *Creation and implementation of institutionwide rules and regulations.*

6. *Institutional ethics and conflicts of interest.*

7. *Best practices for board governance.*

8. *Understanding current national and state issues in higher education.*

9. *Any other responsibilities the Board of Governors deems necessary or appropriate.*

(5) POWERS AND DUTIES RELATING TO ACCOUNTABILITY.—

(e) The Board of Governors shall maintain an effective information system to provide accurate, timely, and cost-effective information about each university. The board shall continue to collect and maintain, at a minimum, management information as such information existed on June 30, 2002. *To ensure consistency, the Board of Governors shall define the data components and methodology used to implement ss. 1001.7065 and 1001.92. Each university shall conduct an annual audit to verify that the data submitted pursuant to ss. 1001.7065 and 1001.92 complies with the data definitions established by the board and submit the audits to the Board of Governors Office of Inspector General as part of the annual certification process required by the Board of Governors.*

(f) If the Board of Governors of the State University System, the presiding officer of either house of the Legislature, the Chief Financial Officer, or the chairperson of the board of trustees of the institution for which an investigation is sought determines that a state university board of trustees is unwilling or unable to address substantiated allegations made by any person relating to waste, fraud, or financial mismanagement within the state university, the Office of the Inspector General shall investigate the allegations.

(i) *The Board of Governors shall match individual student information with information in the files of state and federal agencies that maintain educational and employment records. The board must enter into an agreement with the Department of Economic Opportunity that allows access to the individual reemployment assistance wage records maintained by the department. The agreement must protect individual privacy and provide that student information may be used only for the purposes of auditing or evaluating higher education programs offered by state universities.*

(12) **PUBLIC EDUCATION CAPITAL OUTLAY.**—*The Board of Governors shall submit the prioritized list as required by s. 1013.64(4). Projects considered for prioritization shall be chosen from a preliminary selection group that shall include the list of projects maintained pursuant to paragraph (d) and up to the top five ranked priorities of each state university.*

(a) *The board shall develop a points-based prioritization method to rank projects for consideration from the preliminary selection group and award points for the degree to which a project meets specific criteria compared to other projects in the preliminary selection group. The board shall consider criteria that evaluate the degree to which:*

1. *The project was funded previously by the Legislature and the amount of funds needed for completion constitutes a relatively low percentage of total project costs;*

2. *The project represents a building maintenance project or the repair of utility infrastructure which is necessary to preserve a safe environment for students and staff, or a project that is necessary to maintain the operation of a university site, and for which the university can demonstrate it has no other fund source available to complete the project;*

3. *The project addresses the greatest current or projected need for space as indicated by factors such as increased instructional or research capacity that enhances educational opportunities for students;*

4. *The project reflects a ranked priority of the submitting university;*

5. *The project represents the most practical and cost effective replacement or renovation of an existing building;*

6. *The project is deemed integral to the mission of the system or the institution in serving the strategic needs of communities, regions, or this state; and*

7. *For a new construction, remodeling, or renovation project that has not received a prior appropriation, the project has received, or has commitments to receive, funding from sources other than a project-specific state appropriation to assist with completion of the project and fu-*

ture maintenance needs associated with the project; the project is needed to preserve the safety of persons using the facility; or the project is consistent with a strategic legislative or board initiative.

(b) *A new construction, remodeling, or renovation project that has not received an appropriation in a previous year may not be considered for inclusion on the prioritized list required by s. 1013.64(4), unless:*

1. *There are sufficient excess funds from the allocation provided pursuant to s. 1013.60 within the 3-year planning period which are not needed to complete the projects listed pursuant to paragraph (d); and*

2. *The project has been recommended pursuant to s. 1013.31.*

(c) *The project scoring the highest for each criterion shall be awarded the maximum points in the range of points within the points scale developed by the board. The board shall weight the value of criteria such that the maximum points awarded for each criterion represent a percent of the total of maximum points.*

(d) *The board shall continually maintain a list of all public education capital outlay projects for which state funds were previously appropriated which have not been completed. The list shall include an estimate of the amount of state funding needed for the completion of each project.*

(e) *The board shall review its space need calculation methodology developed pursuant to s. 1013.03(2)(a) and present a summary of its work with preliminary draft recommendations to the chairs of the Senate and the House of Representatives appropriations committees by January 15, 2020, and every 3 years thereafter.*

Senator Bradley moved the following amendment:

Amendment 1 (925196) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Section 581.217, Florida Statutes, is created to read:

581.217 *State hemp program.*—

(1) **CREATION AND PURPOSE.**—*The state hemp program is created within the department to promote the cultivation of hemp in this state.*

(2) **LEGISLATIVE FINDINGS.**—*The Legislature finds that:*

(a) *Hemp is an agricultural commodity.*

(b) *Hemp-derived cannabinoids, including, but not limited to, cannabidiol, are not controlled substances or adulterants.*

(c) *Products containing one or more hemp-derived cannabinoids, including, but not limited to, cannabidiol, intended for ingestion are foods and not controlled substances or adulterated products.*

(d) *The addition of hemp derivatives, including, but not limited to, hemp-derived cannabidiol, to cosmetics, personal care products, and products intended for human or animal consumption is not an adulteration of such products.*

(3) **DEFINITIONS.**—*As used in this section, the term:*

(a) *"Cannabidiol" means the compound by the same name derived from the hemp variety of the Cannabis sativa L. plant.*

(b) *"Contaminants unsafe for human consumption" includes, but is not limited to, any microbe, fungus, yeast, mildew, herbicide, pesticide, fungicide, residual solvent, metal, or other contaminant found in any amount that exceeds any of the accepted limitations as determined by rules adopted by the Department of Health in accordance with s. 381.986, or other limitation pursuant to the laws of this state, whichever amount is less.*

(c) *"Cultivate" means planting, watering, growing, and harvesting a hemp plant or a hemp crop. The term does not include the transport of a hemp plant or a hemp crop.*

(d) *"Federally defined THC level for hemp" means a total delta-9-tetrahydrocannabinol concentration that does not exceed 0.3 percent on a dry-weight basis, or the tetrahydrocannabinol concentration for hemp defined in 7 U.S.C. s. 5940, whichever is greater.*

(e) *"Hemp" means the plant Cannabis sativa L. and any part of that plant, including seeds, derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers thereof, whether growing or not, which has the federally defined THC level for hemp. The term includes industrial hemp as defined in s. 1004.4473.*

(f) *"Hemp extract" means a no-THC or low-THC substance or compound intended for ingestion, containing more than trace amounts of cannabidiol, which:*

1. *Is derived from or contains any part of the plant Cannabis sativa L. which meets the definition of hemp under this section;*

2. *Contains a total delta-9-tetrahydrocannabinol concentration that does not exceed 0.3 percent on a dry-weight basis; and*

3. *Does not contain other controlled substances.*

(g) *"Hemp products" means all products with the federally defined THC level for hemp derived from or made by processing hemp plants or plant parts that are prepared in a form available for retail sale, including, but not limited to, cosmetics, personal care products, food intended for animal or human consumption, cloth, cordage, fiber, fuel, paint, paper, particleboard, plastics, and any product containing one or more hemp-derived cannabinoids, such as cannabidiol.*

(h) *"Independent testing laboratory" means a laboratory that:*

1. *Does not have a direct or indirect interest in the entity whose product is being tested;*

2. *Does not have a direct or indirect interest in a facility that cultivates, processes, distributes, dispenses, or sells hemp or hemp extract in this state or in another jurisdiction or cultivates, processes, distributes, dispenses, or sells marijuana, as defined in s. 381.986; and*

3. Is accredited by a third-party accrediting body as a competent testing laboratory pursuant to ISO/IEC 17025 of the International Organization for Standardization.

(i) "Licensee" means all owners, officers, stakeholders, and directors of such legal or business entity that have a direct or indirect interest in a business seeking to cultivate hemp.

(4) **LICENSURE.**—A licensee:

(a) Must submit the results of a Level 1 background screening to the department with every initial and renewal licensure. The department must deny the issuance of a hemp license to an applicant, or refuse to renew the hemp license of a licensee, if the department finds that the applicant or licensee:

1. Has falsified any information contained in an application for a hemp license or hemp license renewal; or

2. Has been convicted of a felony relating to a controlled substance under state or federal law. A hemp license may not be issued for 10 years after the date of the conviction.

(b) May not cultivate hemp in this state without being annually licensed by the department.

(c) Must provide to the department the legal land description and global positioning coordinates of the area where hemp will be cultivated.

(d) Must provide to the department prior written consent allowing representatives of the department, the state police, and other state and local law enforcement agencies to enter onto all premises, during regular business hours, where hemp is cultivated for the purpose of conducting physical inspections and ensuring compliance with the requirements of this section and department rules.

(5) **INDUSTRIAL HEMP PILOT PROJECTS.**—Notwithstanding s. 1004.4473, an existing industrial hemp project approved by a university under s. 1004.4473 is eligible to cultivate hemp and may obtain a license from the department to participate in the state hemp program.

(6) **DISTRIBUTION AND RETAIL SALE OF HEMP EXTRACT.**—

(a) Hemp extract may only be distributed and sold in this state if the product:

1. Has a certificate of analysis prepared by an independent testing laboratory which states:

a. The hemp extract is the product of a batch tested by the independent testing laboratory;

b. The batch contained a total delta-9-tetrahydrocannabinol concentration that did not exceed 0.3 percent on a dry-weight basis pursuant to the testing of a random sample of the batch; and

c. The batch does not contain contaminants unsafe for human consumption.

2. Is distributed or sold in packaging that includes:

a. A scannable barcode or quick response code linked to the certificate of analysis of the hemp extract by an independent testing laboratory;

b. The batch number;

c. The Internet address of a website where batch information may be obtained;

d. The expiration date;

e. The number of milligrams of hemp extract; and

f. A statement that the product contains a total delta-9-tetrahydrocannabinol concentration that does not exceed 0.3 percent on a dry-weight basis.

(b) A violation of this subsection is punishable by a civil fine of \$500 and the forfeiture of any products found to be in violation.

(c) Hemp, hemp products, and hemp extract may be legally transported across state lines and exported to foreign nations consistent with federal laws, laws of other states, and the laws of respective foreign nations.

(7) **HEMP SEED.**—Hemp seed and hemp seed dealers are subject to chapter 578 and the rules adopted thereto. Licensees shall only use seeds certified by one of the following:

(a) A certifying agency as defined in s. 578.011(8).

(b) A university conducting an industrial hemp pilot project pursuant to s. 1004.4473.

(c) A member of the Association of Official Seed Certifying Agencies.

(8) **RULES.**—Within 90 days after the effective date of this act, the department shall, in consultation with the Department of Health and the Department of Business and Professional Regulation, adopt rules to administer the state hemp program. The rules must ensure that the application process and licensure requirements are reasonable and attainable for small farmers, small businesses, and private individuals. Rules adopted pursuant to this section are not subject to s. 120.541(3). The rules must provide for:

(a) Sampling and testing measures to ensure that hemp cultivated under this section do not exceed the federally defined THC level for hemp;

(b) Due process and an appeals process;

(c) Enforcement of this section and department rules;

(d) A civil penalty schedule for violations;

(e) A schedule of nonrefundable fees for administering the program;

(f) Inclusion of the state hemp program in the Florida Agricultural Promotional Campaign and for promotion and labeling of hemp, hemp products, and hemp extract as "Fresh From Florida" or any other agricultural campaign for the promotion of agriculture products;

(g) The regulation of the transportation of hemp, hemp products, and hemp extract in this state; and

(h) The implementation of the department plan and this section.

(9) **DEPARTMENT PLAN.**—

(a) Within 90 days after the effective date of this act, the Commissioner of Agriculture, in consultation with and with final approval from the Administration Commission as defined in s. 14.202, shall submit to the United States Secretary of Agriculture the department plan for regulating hemp production. The plan must include:

1. A procedure for maintaining relevant information regarding the locations in the state where hemp is cultivated for not less than 3 calendar years;

2. A procedure that uses post-decarboxylation or other similarly reliable methods for testing delta-9-tetrahydrocannabinol concentration levels of hemp cultivated in this state;

3. A procedure for the effective disposal of hemp, hemp products, and hemp extract cultivated in violation of this section and department rules;

4. Notwithstanding s. 120.569-120.595, a procedure for the enforcement of violations as outlined in 7 U.S.C. s. 1639o to s. 1639s;

5. A procedure for conducting annual inspections of at least a random sample of licensees to verify that hemp is not being produced in violation of this section;

6. A procedure for submitting the information described in 7 U.S.C. s. 1639q(d)(2) to the United States Secretary of Agriculture within 30 days after the date on which the information is received; and

7. A certification that this state has the resources and personnel to carry out the practices and procedures described in this subsection.

(b) *If the department plan for regulating hemp production is not approved by the United States Secretary of Agriculture, the Commissioner of Agriculture, in consultation with and with final approval from the Administration Commission, shall submit an amended plan.*

(10) **INDUSTRIAL HEMP ADVISORY BOARD.**—*An Industrial Hemp Advisory Board is created to provide advice and expertise as needed by a university or the department with respect to plans, policies, and procedures applicable to the administration of their respective industrial hemp pilot programs.*

(a) *The Industrial Hemp Advisory Board shall be adjunct to the department for administrative purposes.*

(b) *The Industrial Hemp Advisory Board shall be composed of all of the following members:*

1. *Two members appointed by the Commissioner of Agriculture and Consumer Services.*

2. *Two members appointed by the Governor.*

3. *Two members appointed by the President of the Senate.*

4. *Two members appointed by the Speaker of the House of Representatives.*

5. *The dean for research of the Institute of Food and Agricultural Sciences of the University of Florida or his or her designee.*

6. *The president of Florida Agricultural and Mechanical University or his or her designee.*

7. *The executive director of the Department of Law Enforcement or his or her designee.*

8. *The president of the Florida Sheriffs Association or his or her designee.*

9. *The president of the Florida Police Chiefs Association or his or her designee.*

10. *The president of the Florida Farm Bureau Federation or his or her designee.*

11. *The president of the Florida Fruit and Vegetable Association or his or her designee.*

(c) *The board shall elect by a two-thirds vote of the members one member to serve as chair of the board.*

(d) *A majority of the members of the board shall constitute a quorum.*

(e) *The board shall meet at least once annually at the call of the chair.*

(f) *Board members may not receive compensation but may be reimbursed for any actual travel expense incurred while attending meetings of the board.*

Section 2. Subsection (3) of section 893.02, Florida Statutes, is amended to read:

893.02 **Definitions.**—*The following words and phrases as used in this chapter shall have the following meanings, unless the context otherwise requires:*

(3) “Cannabis” means all parts of any plant of the genus *Cannabis*, whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant or its seeds or resin. The term does not include “marijuana,” as defined in s. 381.986, if manufactured, possessed, sold, purchased, delivered, distributed, or dispensed, in conformance with s. 381.986; “hemp,” as defined in s. 581.217(3); or “industrial hemp,” as defined in s. 1004.4473(1).

Section 3. Paragraph (a) of subsection (2) of section 1004.4473, Florida Statutes, is amended, and subsection (8) is added to that section, to read:

1004.4473 **Industrial hemp pilot projects.**—

(2)(a) *The department shall authorize and oversee the development of industrial hemp pilot projects for the Institute of Food and Agricultural Sciences at the University of Florida, Florida Agricultural and Mechanical University, and any land grant university in the state that has a college of agriculture, and any Florida College System institution or state university that has an established agriculture, pharmacy, or engineering program.* The department shall adopt rules as required under the Agricultural Act of 2014, 7 U.S.C. s. 5940, to implement this section, including rules for the certification and registration of sites used for growth or cultivation. The purpose of the pilot projects is to cultivate, process, test, research, create, and market safe and effective commercial applications for industrial hemp in the agricultural sector in this state.

(8) *Notwithstanding this section, a university may choose to implement an industrial hemp pilot project pursuant to s. 581.217.*

Section 4. *The Department of Agriculture and Consumer Services shall include, at a minimum, all of the following information for administering the state hemp program as created pursuant to s. 581.217, Florida Statutes, in the department’s legislative budget request for the 2020-2021 fiscal year:*

(1) *An estimate of the number of licensees for the first year.*

(2) *An outline of costs associated with operation of the program.*

(3) *A recommended fee schedule.*

Section 5. *The Division of Law Revision is directed to replace the phrase “the effective date of this act” wherever it occurs in this act with the date this act becomes a law.*

Section 6. *This act shall take effect upon becoming a law.*

And the title is amended as follows:

Amendment 7 (939266) (with directory and title amendments)—Between lines 1799 and 1800 insert:

(6) In addition to the maximum millage levy as provided in subsections (1) and (2), each school board may levy with a super-majority vote not more than a total of 0.5 mills against the taxable value for school purposes for district schools to fund capital outlay or operating expenditures needed for school safety and security.

(a) If the millage is levied for capital outlay, it shall be used for hardening of school facilities, including, but not limited to, securing entries, metal detectors, security lighting, emergency address systems, security fencing, security cameras, bullet-resistant glass, checkpoint construction, automatic locking devices, and building modifications to reduce or eliminate obstructions or hidden areas for new educational, auxiliary, or ancillary facilities. All items must be identified by a security risk assessment, recommended by the district school safety specialist, and approved by the district school board in a public meeting.

(b) Of the total 0.5 mills, no more than 0.1 mill may be levied for operations. Funds from this levy shall be used to fund safe-school officers and other school safety and security expenditures to support the requirements of s. 1006.07 and 1006.12. If a district levies the maximum 0.1 mill for operations, it may be eligible for the discretionary millage compression supplement as provided in 1011.62(5).

(c) The nonvoted millage for capital outlay and operations authorized in subparagraphs (a) and (b) shall be separately identified and approved in separate actions by the school board. Each millage shall be subject to s. 200.065.

Section 17. Subsection (2) of section 1011.73, Florida Statutes, is amended to read:

1011.73 District millage elections.—

(2) MILLAGE AUTHORIZED NOT TO EXCEED 4 YEARS.—The district school board, pursuant to resolution adopted at a regular meeting, shall direct the county commissioners to call an election at which the electors within the school district may approve an ad valorem tax millage as authorized under s. 1011.71(10) ~~s. 1011.71(9)~~. Such election may be held at any time, except that not more than one such election shall be held during any 12-month period. Any millage so authorized shall be levied for a period not in excess of 4 years or until changed by another millage election, whichever is earlier. If any such election is invalidated by a court of competent jurisdiction, such invalidated election shall be considered not to have been held.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Flores moved the following amendment:

Amendment 1 (315200) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Subsection (6) is added to section 456.074, Florida Statutes, to read:

456.074 Certain health care practitioners; immediate suspension of license.—

(6) *The department may issue an emergency order suspending or restricting the registration of an office registered under s. 458.328 or s. 459.0139 upon a finding of probable cause that the office or a physician practicing in the office is not in compliance with the standards of practice for office surgery adopted by the boards pursuant to s. 458.328 or s. 459.0138, as applicable, or is in violation of s. 458.331(1)(v) or s. 459.015(1)(z), and that such noncompliance or violation constitutes an immediate danger to the public. The department shall revoke the registration of an office if the noncompliance constitutes an immediate or imminent danger to the health or safety of the public.*

Section 2. Subsection (3) of section 458.309, Florida Statutes, is amended to read:

458.309 Rulemaking authority.—

~~(3) A physician who performs liposuction procedures in which more than 1,000 cubic centimeters of supernatant fat is removed, level 2 procedures lasting more than 5 minutes, and all level 3 surgical procedures in an office setting must register the office with the department unless that office is licensed as a facility under chapter 395. The department shall inspect the physician's office annually unless the office is accredited by a nationally recognized accrediting agency or an accrediting organization subsequently approved by the Board of Medicine. The actual costs for registration and inspection or accreditation shall be paid by the person seeking to register and operate the office setting in which office surgery is performed.~~

Section 3. Section 458.328, Florida Statutes, is created to read:

458.328 *Office surgeries.*—

(1) **REGISTRATION.**—

(a) *An office in which a physician performs a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery must register with the department unless the office is licensed as a facility under chapter 395.*

(b) *By January 1, 2020, each office registered under this section or s. 459.0138 must designate a physician who is responsible for the office's compliance with the office health and safety requirements of this section and rules adopted hereunder. A designated physician must have a full, active, and unencumbered license under this chapter or chapter 459 and shall practice at the office for which he or she has assumed responsibility. Within 10 calendar days after the termination of a designated physician relationship, the office must notify the department of the designation of another physician to serve as the designated physician. The department may suspend the registration of an office if the office fails to comply with the requirements of this paragraph.*

(c) *As a condition of registration, each office must establish financial responsibility by demonstrating that it has met and continues to maintain, at a minimum, the same requirements applicable to physicians in ss. 458.320 and 459.0085. Each physician practicing at an office registered under this section or s. 459.0138 must meet the financial responsibility requirements under s. 458.320 or s. 459.0085, as applicable.*

(d) *Each physician practicing at an office registered under this section or s. 459.0138 shall advise the board, in writing, within 10 calendar days after beginning or ending his or her practice at a registered office.*

(e) *The department shall inspect a registered office at least annually, including a review of patient records, to ensure that the office is in compliance with this section and rules adopted hereunder unless the office is accredited by a nationally recognized accrediting agency approved by the board. The inspection may be unannounced, except for the*

inspection of an office that meets the description of a clinic specified in s. 458.3265(1)(a)3.h., and those wholly owned and operated physician offices described in s. 458.3265(1)(a)3.g. which perform procedures referenced in s. 458.3265(1)(a)3.h., which must be announced.

(f) The department may suspend or revoke the registration of an office in which a procedure or surgery identified in paragraph (a) is performed for failure of any of its physicians, owners, or operators to comply with this section and rules adopted hereunder or s. 459.0138 and rules adopted thereunder. The department must revoke the registration if the noncompliance constitutes an immediate or imminent danger to the health or safety of the public. If an office's registration is revoked for any reason, the department may deny any person named in the registration documents of the office, including the persons who own or operate the office, individually or as part of a group, from registering an office to perform procedures or office surgeries pursuant to this section or s. 459.0138 for 5 years after the revocation date.

(g) The department may impose any penalty set forth in s. 456.072(2) against the designated physician for failure of the office to operate in compliance with the office health and safety requirements of this section and rules adopted hereunder or s. 459.0138 and rules adopted thereunder.

(h) A physician may only perform a procedure or surgery identified in paragraph (a) in an office that is registered with the department. The board shall impose a fine of \$5,000 per day on a physician who performs a procedure or surgery in an office that is not registered with the department.

(i) The actual costs of registration and inspection or accreditation shall be paid by the person seeking to register and operate the office in which a procedure or surgery identified in paragraph (a) will be performed.

(2) RULEMAKING.—

(a) The board shall adopt by rule standards of practice for physicians who perform procedures or office surgeries pursuant to this section.

(b) The board may adopt rules to administer the registration, inspection, and safety of offices in which a physician performs procedures or office surgeries pursuant to this section.

Section 4. Paragraph (vv) is added to subsection (1) of section 458.331, Florida Statutes, to read:

458.331 Grounds for disciplinary action; action by the board and department.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(vv) Performing a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery in an office that is not registered with the department pursuant to s. 458.328 or s. 459.0138.

Section 5. Subsection (2) of section 459.005, Florida Statutes, is amended to read:

459.005 Rulemaking authority.—

~~(2) A physician who performs liposuction procedures in which more than 1,000 cubic centimeters of supernatant fat is removed, level 2 procedures lasting more than 5 minutes, and all level 3 surgical procedures in an office setting must register the office with the department unless that office is licensed as a facility under chapter 395. The department shall inspect the physician's office annually unless the office is accredited by a nationally recognized accrediting agency or an accrediting organization subsequently approved by the Board of Osteopathic Medicine. The actual costs for registration and inspection or accreditation shall be paid by the person seeking to register and operate the office setting in which office surgery is performed.~~

Section 6. Section 459.0138, Florida Statutes, is created to read:

459.0138 Office surgeries.—

(1) REGISTRATION.—

(a) An office in which a physician performs a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery must register with the department unless the office is licensed as a facility under chapter 395.

(b) By January 1, 2020, each office registered under this section or s. 458.328 must designate a physician who is responsible for the office's compliance with the office health and safety requirements of this section and rules adopted hereunder. A designated physician must have a full, active, and unencumbered license under this chapter or chapter 458 and shall practice at the office for which he or she has assumed responsibility. Within 10 calendar days after the termination of a designated physician relationship, the office must notify the department of the designation of another physician to serve as the designated physician. The department may suspend a registration for an office if the office fails to comply with the requirements of this paragraph.

(c) As a condition of registration, each office must establish financial responsibility by demonstrating that it has met and continues to maintain, at a minimum, the same requirements applicable to physicians in ss. 458.320 and 459.0085. Each physician practicing at an office registered under this section or s. 458.328 must meet the financial responsibility requirements under s. 458.320 or s. 459.0085, as applicable.

(d) Each physician practicing at an office registered under this section or s. 458.328 shall advise the board, in writing, within 10 calendar days after beginning or ending his or her practice at the registered office.

(e) The department shall inspect a registered office at least annually, including a review of patient records, to ensure that the office is in compliance with this section and rules adopted hereunder unless the office is accredited by a nationally recognized accrediting agency approved by the board. The inspection may be unannounced, except for the inspection of an office that meets the description of clinic specified in s. 459.0137(1)(a)3.h., and those wholly owned and operated physician offices described in s. 459.0137(1)(a)3.g. which perform procedures referenced in s. 459.0137(1)(a)3.h., which must be announced.

(f) The department may suspend or revoke the registration of an office in which a procedure or surgery identified in paragraph (a) is performed for failure of any of its physicians, owners, or operators to comply with this section and rules adopted hereunder or s. 458.328 and rules adopted thereunder. The department must revoke the registration if the noncompliance constitutes an immediate or imminent danger to the health or safety of the public. If an office's registration is revoked for any reason, the department may deny any person named in the registration documents of the office, including the persons who own or operate the office, individually or as part of a group, from registering an office to perform procedures or office surgeries pursuant to this section or s. 458.328 for 5 years after the revocation date.

(g) The department may impose any penalty set forth in s. 456.072(2) against the designated physician for failure of the office to operate in compliance with the office health and safety requirements of this section and rules adopted hereunder or s. 458.328 and rules adopted thereunder.

(h) A physician may only perform a procedure or surgery identified in paragraph (a) in an office that is registered with the department. The board shall impose a fine of \$5,000 per day on a physician who performs a procedure or surgery in an office that is not registered with the department.

(i) The actual costs of registration and inspection or accreditation shall be paid by the person seeking to register and operate the office in which a procedure or surgery identified in paragraph (a) will be performed.

(2) RULEMAKING.—

(a) The board shall adopt by rule standards of practice for physicians who perform procedures or office surgeries pursuant to this section.

(b) The board may adopt rules to administer the registration, inspection, and safety of offices in which a physician performs procedures or office surgeries pursuant to this section.

Section 7. Paragraph (xx) is added to subsection (1) of section 459.015, Florida Statutes, to read:

459.015 Grounds for disciplinary action; action by the board and department.—

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072(2):

(xx) *Performing a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery in an office that is not registered with the department pursuant to s. 458.328 or s. 459.0138.*

Section 8. This act shall take effect January 1, 2020.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to office surgery; amending s. 456.074, F.S.; authorizing the Department of Health to issue an emergency order suspending or restricting the registration of certain facilities upon specified findings; requiring the department to revoke the registration of an office when its noncompliance constitutes an immediate or imminent danger to the health or safety of the public; amending s. 458.309, F.S.; deleting a provision relating to registration and inspection of an office in which a physician performs certain procedures or office surgeries; creating s. 458.328, F.S.; requiring an office in which a physician performs certain procedures or office surgeries to register with the department; requiring an office to designate a physician to be responsible for certain compliance requirements as part of registration by a specified date; requiring an office and physicians practicing at the office to meet certain financial responsibility requirements; authorizing the department to deny or revoke the registration of or impose certain penalties against a facility in which certain procedures or office surgeries are performed under certain circumstances; requiring the department to conduct certain inspections; providing exceptions; requiring the department to revoke the registration of an office in which certain procedures or office surgeries are performed under certain circumstances; requiring the Board of Medicine to adopt rules governing the standards of practice for physicians practicing in such offices and to impose a specified fine on physicians who perform certain procedures or office surgeries in an unregistered office; authorizing the board to adopt rules to administer the registration, inspection, and safety of offices in which certain procedures or office surgeries are performed; amending s. 458.331, F.S.; providing that a physician performing certain procedures or office surgeries in an unregistered office constitutes grounds for denial of a license or disciplinary action; amending s. 459.005, F.S.; deleting a provision relating to registration and inspection of an office in which a physician performs certain procedures or office surgeries; creating s. 459.0138, F.S.; requiring an office in which a physician performs certain procedures or office surgeries to register with the department; requiring an office to designate a physician to be responsible for certain compliance requirements as part of registration by a specified date; requiring an office and physicians practicing at the office to meet certain financial responsibility requirements; authorizing the department to deny or revoke the registration of or impose certain penalties against a facility in which certain procedures or office surgeries are performed under certain circumstances; requiring the department to conduct certain inspections; providing exceptions; requiring the department to revoke the registration of an office in which certain procedures or office surgeries are performed under certain circumstances; requiring the Board of Osteopathic Medicine to adopt rules governing the standards of practice for physicians practicing in such offices and to impose a specified fine on physicians who perform certain procedures or office surgeries in an unregistered office; authorizing the board to adopt rules to administer the registration, inspection, and safety of offices in which certain procedures or office surgeries are performed; amending s. 459.015, F.S.; providing that the performance of certain procedures or office surgeries by a physician in an unregistered office constitutes grounds for denial of a license or disciplinary action; providing an effective date.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Simpson moved the following amendment:

Amendment 1 (220604) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. Effective July 1, 2019, paragraph (b) of subsection (1) of section 624.438, Florida Statutes, is amended to read:

624.438 General eligibility.—

(1) To meet the requirements for issuance of a certificate of authority and to maintain a multiple-employer welfare arrangement, an arrangement:

(b) ~~1. Must be established by a bona fide group trade association, industry association, or professional association of employers as defined in 29 C.F.R. s. 2510.3-5 or professionals which has a constitution or bylaws specifically stating its purpose and which has been organized and maintained in good faith for a continuous period of 1 year for purposes in addition to other than that of obtaining or providing insurance.~~

~~2. Must not combine member employers from disparate trades, industries, or professions as defined by the appropriate licensing agencies, and must not combine member employers from more than one of the employer categories defined in sub-subparagraphs a. e.~~

~~a. A trade association consists of member employers who are in the same trade as recognized by the appropriate licensing agency.~~

~~b. An industry association consists of member employers who are in the same major group code, as defined by the Standard Industrial Classification Manual issued by the federal Office of Management and~~

~~Budget, unless restricted by sub-subparagraph a. or sub-subparagraph e.~~

~~e.—A professional association consists of member employers who are of the same profession as recognized by the appropriate licensing agency.~~

The requirements of this ~~paragraph~~ ~~subparagraph~~ do not apply to an arrangement licensed ~~before~~ ~~prior to~~ April 1, 1995, regardless of the nature of its business. However, an arrangement exempt from the requirements of this ~~paragraph~~ ~~subparagraph~~ may not expand the nature of its business beyond that set forth in the articles of incorporation of its sponsoring association as of April 1, 1995, except as authorized in this ~~paragraph~~ ~~subparagraph~~.

Section 2. Section 627.443, Florida Statutes, is created to read:

627.443 *Essential health benefits.—*

(1) *As used in this section, the term:*

(a) *“EHB-benchmark plan” has the same meaning as provided in 45 C.F.R. s. 156.20.*

(b) *“PPACA” has the same meaning as in s. 627.402.*

(2) *A health insurer or health maintenance organization issuing or delivering an individual or a group health insurance policy or health maintenance contract in this state may create a new health insurance policy or health maintenance contract that:*

(a) *Must include at least one service or coverage under each of the 10 essential health benefits categories under 42 U.S.C. s. 18022(b) which are required under PPACA;*

(b) *May fulfill the requirement in paragraph (a) by selecting one or more services or coverages for each of the required categories from the list of essential health benefits required by any single state or multiple states; and*

(c) *May comply with paragraphs (a) and (b) by selecting one or more services or coverages from any one or more of the required categories of essential health benefits from one state or multiple states.*

(3) *This section specifically authorizes an insurer or health maintenance organization to include any combination of services or coverages required by any one or a combination of states to provide the 10 categories of essential health benefits required under PPACA in a policy or contract issued in this state.*

(4) *Health insurance policies and health maintenance contracts created by health insurers and health maintenance organizations under this section:*

(a) *May be submitted to the office for consideration as part of the office’s study of this state’s essential health benefits benchmark plan; and*

(b) *May also be submitted to the office for evaluation as equivalent to the current state EHB-benchmark plan or to any EHB-benchmark plan created in the future.*

Section 3. Effective July 1, 2019, subsection (3) of section 627.6045, Florida Statutes, is amended to read:

627.6045 *Preexisting condition.—*A health insurance policy must comply with the following:

(3) ~~This section does not apply to short-term, nonrenewable health insurance policies of no more than a 6-month policy term, provided that it is clearly disclosed to the applicant in the advertising and application, in 14-point 10-point contrasting type, that “This policy does not meet the definition of qualifying previous coverage or qualifying existing coverage as defined in s. 627.6699. As a result, if purchased in lieu of a conversion policy or other group coverage, you may have to meet a preexisting condition requirement when renewing or purchasing other coverage.”~~

Section 4. Effective July 1, 2019, section 627.6046, Florida Statutes, is created to read:

627.6046 *Limit on preexisting conditions.—*

(1) *As used in this section, the term:*

(a) *“Operative date” means the date on which either of the following occurs with respect to the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152 (PPACA):*

1. *A federal law is enacted which expressly repeals PPACA; or*
2. *PPACA is invalidated by the United States Supreme Court.*

(b) *“Preexisting medical condition” means a condition that was present before the effective date of coverage under a policy, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.*

(2)(a) *Not later than 30 days after the operative date, and notwithstanding s. 627.6045 or any other law to the contrary, every insurer issuing, delivering, or issuing for delivery comprehensive major medical individual health insurance policies in this state shall make at least one comprehensive major medical health insurance policy available to all residents of this state, and such insurer may not exclude, limit, deny, or delay coverage under such policy due to one or more preexisting medical conditions.*

(b) *An insurer may not limit or exclude benefits under such policy, including a denial of coverage applicable to an individual as a result of information relating to an individual’s health status before the individual’s effective date of coverage, or if coverage is denied, the date of the denial.*

(3) *The comprehensive major medical health insurance policy that the insurer is required to offer under this section must be a policy that had been actively marketed in this state by the insurer as of the operative date and that was also actively marketed in this state during the year immediately preceding the operative date.*

(4) *This section does not apply to an insurer that issues only limited benefit, disability income, specified disease, Medicare supplement, or hospital indemnity policies in this state.*

Section 5. Effective July 1, 2019, subsection (1) of section 627.6425, Florida Statutes, is amended to read:

627.6425 *Renewability of individual coverage.—*

(1) ~~Except as otherwise provided in this section, an insurer that provides individual health insurance coverage to an individual shall renew or continue in force such coverage at the option of the individual. For the purpose of this section, the term “individual health insurance” means health insurance coverage, as described in s. 624.603, offered to an individual in this state, including certificates of coverage offered to individuals in this state as part of a group policy issued to an association outside this state, but the term does not include short-term limited duration insurance or excepted benefits specified in s. 627.6513(1)-(14).~~

Section 6. Effective July 1, 2019, section 627.6426, Florida Statutes, is created to read:

627.6426 *Short-term health insurance.—*

(1) *For purposes of this part, the term “short-term health insurance” means health insurance coverage provided by an issuer with an expiration date specified in the contract which is less than 12 months after the original effective date of the contract and, taking into account renewals or extensions, has a duration not to exceed 36 months in total.*

(2) *All contracts for short-term health insurance entered into by an issuer and an individual seeking coverage shall include the following disclosure:*

“This coverage is not required to comply with certain federal market requirements for health insurance, principally those contained in the Patient Protection and Affordable Care Act. Be sure to check your policy

carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescription drugs, and mental health and substance use disorder services). Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.”

Section 7. Effective July 1, 2019, section 627.6525, Florida Statutes, is created to read:

627.6525 Short-term health insurance.—

(1) For purposes of this part, the term “short-term health insurance” means a group, blanket, or franchise policy of health insurance coverage provided by an issuer with an expiration date specified in the contract which is less than 12 months after the original effective date of the contract and, taking into account renewals or extensions, has a duration not to exceed 36 months in total.

(2) All contracts for short-term health insurance entered into by an issuer and a party seeking coverage shall include the following disclosure:

“This coverage is not required to comply with certain federal market requirements for health insurance, principally those contained in the Patient Protection and Affordable Care Act. Be sure to check your policy carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescription drugs, and mental health and substance use disorder services). Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.”

Section 8. Effective July 1, 2019, subsection (1) of section 627.654, Florida Statutes, is amended to read:

627.654 Labor union, association, and small employer health alliance groups.—

(1)(a) A bona fide group or association of employers, as defined in 29 C.F.R. s. 2510.3-5, or a group of individuals may be insured under a policy issued to an association, including a labor union, which association has a constitution and bylaws and not less than 25 individual members and which has been organized and has been maintained in good faith for a period of 1 year for purposes in addition to other than that of obtaining insurance, or to the trustees of a fund established by such an association, which association or trustees shall be deemed the policyholder, insuring at least 15 individual members of the association for the benefit of persons other than the officers of the association, the association, or trustees.

(b) A small employer, as defined in s. 627.6699 and including the employer’s eligible employees and the spouses and dependents of such employees, may be insured under a policy issued to a small employer health alliance by a carrier as defined in s. 627.6699. A small employer health alliance must be organized as a not for profit corporation under chapter 617. Notwithstanding any other law, if a small employer member of an alliance loses eligibility to purchase health care through the alliance solely because the business of the small employer member expands to more than 50 and fewer than 75 eligible employees, the small employer member may, at its next renewal date, purchase coverage through the alliance for not more than 1 additional year. A small employer health alliance shall establish conditions of participation in the alliance by a small employer, including, but not limited to:

1. Assurance that the small employer is not formed for the purpose of securing health benefit coverage.

2. Assurance that the employees of a small employer have not been added for the purpose of securing health benefit coverage.

Section 9. Effective July 1, 2019, section 627.65612, Florida Statutes, is created to read:

627.65612 Limit on preexisting conditions.—

(1) As used in this section, the terms “operative date” and “preexisting medical condition” have the same meanings as provided in s. 627.6046.

(2)(a) Not later than 30 days after the operative date, and notwithstanding s. 627.6561 or any other law to the contrary, every insurer issuing, delivering, or issuing for delivery comprehensive major medical group health insurance policies in this state shall make at least one comprehensive major medical health insurance policy available to all residents of this state, and such insurer may not exclude, limit, deny, or delay coverage under such policy due to one or more preexisting medical conditions.

(b) An insurer may not limit or exclude benefits under such policy, including a denial of coverage applicable to an individual as a result of information relating to an individual’s health status before the individual’s effective date of coverage, or if coverage is denied, the date of the denial.

(3) The comprehensive major medical health insurance policy that the insurer is required to offer under this section must be a policy that had been actively marketed in this state by the insurer as of the operative date and that was also actively marketed in this state during the year immediately preceding the operative date.

(4) This section does not apply to an insurer issuing only limited benefit, disability income, specified disease, Medicare supplement, or hospital indemnity policies in this state.

Section 10. Effective July 1, 2019, subsection (45) is added to section 641.31, Florida Statutes, to read:

641.31 Health maintenance contracts.—

(45)(a) As used in this subsection, the terms “operative date” and “preexisting medical condition” have the same meanings as provided in s. 627.6046.

(b) Not later than 30 days after the operative date, and notwithstanding s. 641.31071 or any other law to the contrary, every health maintenance organization issuing, delivering, or issuing for delivery individual or group contracts in this state shall make at least one comprehensive major medical health maintenance contract available to all residents of this state, and such health maintenance organization may not exclude, limit, deny, or delay coverage under such contract due to one or more preexisting medical conditions. A health maintenance organization may not limit or exclude benefits under such contract, including a denial of coverage applicable to an individual as a result of information relating to an individual’s health status before the individual’s effective date of coverage, or if coverage is denied, the date of the denial.

(c) The comprehensive major medical health maintenance contract the health maintenance organization is required to offer under this section must be a contract that had been actively marketed in this state by the health maintenance organization as of the operative date and that was also actively marketed in this state during the year immediately preceding the operative date.

Section 11. Study of state essential health benefits benchmark plan; report.—

(1) As used in this section, the term:

(a) “EHB-benchmark plan” has the same meaning as provided in 45 C.F.R. s. 156.20.

(b) “Office” means the Office of Insurance Regulation.

(2) The office shall conduct a study to evaluate this state’s current EHB-benchmark plan for nongrandfathered individual and group health plans and options for changing the EHB-benchmark plan pursuant to 45 C.F.R. s. 156.111 for future plan years. In conducting the study, the office shall:

(a) Consider EHB-benchmark plans and benefits under the 10 essential health benefits categories established under 45 C.F.R. s. 156.110(a) which are used by the other 49 states;

(b) Compare the costs of benefits within such categories and overall costs of EHB-benchmark plans used by other states with the costs of benefits within the categories and overall costs of the current EHB-benchmark plan of this state; and

(c) Solicit and consider proposed individual and group health plans from health insurers and health maintenance organizations in developing recommendations for changes to the current EHB-benchmark plan.

(3) By October 30, 2019, the office shall submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives which must include recommendations for changing the current EHB-benchmark plan to provide comprehensive care at a lower cost than this state's current EHB-benchmark plan. In its report, the office shall provide an analysis as to whether proposed health plans it receives under paragraph (2)(c) meet the requirements for an EHB-benchmark plan under 45 C.F.R. s. 156.111(b).

Section 12. If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 13. Except as otherwise expressly provided in this act, this act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to health plans; amending s. 624.438, F.S.; revising eligibility requirements for multiple-employer welfare arrangements; creating s. 627.443, F.S.; defining the terms “EHB-benchmark plan” and “PPACA”; authorizing health insurers and health maintenance organizations to create new health insurance policies and health maintenance contracts meeting certain criteria for essential health benefits under the federal Patient Protection and Affordable Care Act (PPACA); providing that such criteria may be met by certain means; providing construction; providing that such policies and contracts created by health insurers and health maintenance organizations may be submitted to the Office of Insurance Regulation for certain purposes; amending s. 627.6045, F.S.; revising applicability of requirements relating to preexisting conditions; revising the font size for a certain disclosure; creating s. 627.6046, F.S.; defining the terms “operative date” and “preexisting medical condition” with respect to individual health insurance policies; requiring certain insurers, contingent upon the occurrence of either of two specified events, to make at least one comprehensive major medical health insurance policy available to all residents of this state within a specified timeframe; prohibiting such insurers from excluding, limiting, denying, or delaying coverage under such policies due to preexisting medical conditions; requiring such policies to have been actively marketed on a specified date and during a certain timeframe before that date; providing applicability; amending s. 627.6425, F.S.; revising the definition of the term “individual health insurance” relating to renewability of individual coverage; creating ss. 627.6426 and 627.6525, F.S.; defining the term “short-term health insurance”; providing disclosure requirements for short-term individual, group, blanket, and franchise health insurance policies; amending s. 627.654, F.S.; revising requirements for, and applicability relating to, association and small employer policies; creating s. 627.65612, F.S.; defining the terms “operative date” and “preexisting medical condition” with respect to group health insurance policies; requiring certain insurers, contingent upon the occurrence of either of two specified events, to make at least one comprehensive major medical health insurance policy available to all residents of this state within a specified timeframe; prohibiting such insurers from excluding, limiting, denying, or delaying coverage under such policies due to preexisting medical conditions; requiring such policies to have been actively marketed on a specified date and during a certain timeframe before that date; providing applicability; amending s. 641.31, F.S.; defining the terms “operative date” and “preexisting medical condition” with respect to health maintenance contracts; requiring health maintenance organizations, contingent upon the occurrence of either of two specified events, to make at least one comprehensive major medical health maintenance contract available to all residents of this state within a specified timeframe; prohibiting such health maintenance organizations from excluding, limiting, denying, or delaying coverage under such contracts due to

preexisting medical conditions; requiring such contracts to have been actively marketed on a specified date and during a certain timeframe before that date; defining the terms “EHB-benchmark plan” and “office”; requiring the office to conduct a study evaluating this state's current benchmark plan for essential health benefits under PPACA and options for changing the benchmark plan for future plan years; requiring the office, in conducting the study, to consider plans and certain benefits used by other states and to compare costs with those of this state; requiring the office to solicit and consider proposed health plans from health insurers and health maintenance organizations in developing recommendations; requiring the office, by a certain date, to provide a report with certain recommendations and a certain analysis to the Governor and the Legislature; providing for severability; providing effective dates.

624.438 General eligibility.—

(1) To meet the requirements for issuance of a certificate of authority and to maintain a multiple-employer welfare arrangement, an arrangement:

~~(b)1. Must be established by a bona fide group trade association, industry association, or professional association of employers as defined in 29 C.F.R. s. 2510.3-5 or professionals which has a constitution or bylaws specifically stating its purpose and which has been organized and maintained in good faith for a continuous period of 1 year for purposes in addition to other than that of obtaining or providing insurance.~~

~~2. Must not combine member employers from disparate trades, industries, or professions as defined by the appropriate licensing agencies, and must not combine member employers from more than one of the employer categories defined in sub-subparagraphs a. - c.~~

~~a. A trade association consists of member employers who are in the same trade as recognized by the appropriate licensing agency.~~

~~b. An industry association consists of member employers who are in the same major group code, as defined by the Standard Industrial Classification Manual issued by the federal Office of Management and Budget, unless restricted by sub-subparagraph a. or sub-subparagraph e.~~

~~e. A professional association consists of member employers who are of the same profession as recognized by the appropriate licensing agency.~~

The requirements of this ~~paragraph~~ ~~subparagraph~~ do not apply to an arrangement licensed before prior to April 1, 1995, regardless of the nature of its business. However, an arrangement exempt from the requirements of this ~~paragraph~~ ~~subparagraph~~ may not expand the nature of its business beyond that set forth in the articles of incorporation of its sponsoring association as of April 1, 1995, except as authorized in this ~~paragraph~~ ~~subparagraph~~.

Section 2. Section 627.443, Florida Statutes, is created to read:

627.443 Essential health benefits.—

(1) As used in this section, the term:

(a) “EHB-benchmark plan” has the same meaning as provided in 45 C.F.R. s. 156.20.

(b) “PPACA” has the same meaning as in s. 627.402.

(2) A health insurer or health maintenance organization issuing or delivering an individual or a group health insurance policy or health maintenance contract in this state may create a new health insurance policy or health maintenance contract that:

(a) Must include at least one service or coverage under each of the 10 essential health benefits categories under 42 U.S.C. s. 18022(b) which are required under PPACA;

(b) May fulfill the requirement in paragraph (a) by selecting one or more services or coverages for each of the required categories from the list of essential health benefits required by any single state or multiple states; and

(c) May comply with paragraphs (a) and (b) by selecting one or more services or coverages from any one or more of the required categories of essential health benefits from one state or multiple states.

(3) This section specifically authorizes an insurer or health maintenance organization to include any combination of services or coverages required by any one or a combination of states to provide the 10 categories of essential health benefits required under PPACA in a policy or contract issued in this state.

(4) Health insurance policies and health maintenance contracts created by health insurers and health maintenance organizations under this section:

(a) May be submitted to the office for consideration as part of the office’s study of this state’s essential health benefits benchmark plan; and

(b) May also be submitted to the office for evaluation as equivalent to the current state EHB-benchmark plan or to any EHB-benchmark plan created in the future.

Section 3. Section 627.6045, Florida Statutes, is repealed.

Section 4. Section 627.6046, Florida Statutes, is created to read:

627.6046 Preexisting conditions coverage.—

(1) As used in this section, the term “preexisting condition” means a condition that was present before the effective date of coverage under an individual health insurance policy, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.

(2) A nongrandfathered individual health insurance policy issued or delivered in this state may not exclude, limit, deny, or delay coverage due to a preexisting condition.

Section 5. Effective July 1, 2019, subsection (1) of section 627.6425, Florida Statutes, is amended to read:

627.6425 Renewability of individual coverage.—

(1) Except as otherwise provided in this section, an insurer that provides individual health insurance coverage to an individual shall renew or continue in force such coverage at the option of the individual. For the purpose of this section, the term “individual health insurance” means health insurance coverage, as described in s. 624.603, offered to an individual in this state, including certificates of coverage offered to individuals in this state as part of a group policy issued to an association outside this state, but the term does not include ~~short-term limited duration insurance or~~ excepted benefits specified in s. 627.6513(1)-(14).

Section 6. Effective July 1, 2019, section 627.6426, Florida Statutes, is created to read:

627.6426 Short-term health insurance.—

(1) For purposes of this part, the term “short-term health insurance” means health insurance coverage provided by an issuer with an expiration date specified in the contract which is less than 12 months after the original effective date of the contract and, taking into account renewals or extensions, has a duration not to exceed 36 months in total.

(2) All contracts for short-term health insurance entered into by an issuer and an individual seeking coverage:

(a) Must include the following disclosure:

“This coverage is not required to comply with certain federal market requirements for health insurance, including some requirements contained in the Patient Protection and Affordable Care Act. Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.”

(b) May not exclude, limit, deny, or delay coverage due to a preexisting condition. As used in this paragraph, the term “preexisting condition” means a condition that was present before the effective date of coverage under a contract, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.

Section 7. Section 627.6525, Florida Statutes, is created to read:

627.6525 Short-term health insurance.—

(1) For purposes of this part, the term “short-term health insurance” means a group, blanket, or franchise policy of health insurance coverage provided by an issuer with an expiration date specified in the contract which is less than 12 months after the original effective date of the contract and, taking into account renewals or extensions, has a duration not to exceed 36 months in total.

(2) All contracts for short-term health insurance entered into by an issuer and a party seeking coverage:

(a) Must include the following disclosure:

“This coverage is not required to comply with certain federal market requirements for health insurance, including some requirements contained in the Patient Protection and Affordable Care Act. Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.”

(b) May not exclude, limit, deny, or delay coverage due to a pre-existing condition. As used in this paragraph, the term “preexisting condition” means a condition that was present before the effective date of coverage under a contract, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.

Section 8. Effective July 1, 2019, subsection (1) of section 627.654, Florida Statutes, is amended to read:

627.654 Labor union, association, and small employer health alliance groups.—

(1)(a) ~~A bona fide group or association of employers, as defined in 29 C.F.R. s. 2510.3-5, or a group of individuals may be insured under a policy issued to an association, including a labor union, which association has a constitution and bylaws and not less than 25 individual members and which has been organized and has been maintained in good faith for a period of 1 year for purposes in addition to other than that of obtaining insurance, or to the trustees of a fund established by such an association, which association or trustees shall be deemed the policyholder, insuring at least 15 individual members of the association for the benefit of persons other than the officers of the association, the association, or trustees.~~

(b) A small employer, as defined in s. 627.6699 and including the employer’s eligible employees and the spouses and dependents of such employees, may be insured under a policy issued to a small employer health alliance by a carrier as defined in s. 627.6699. ~~A small employer health alliance must be organized as a not for profit corporation under chapter 617. Notwithstanding any other law, if a small employer member of an alliance loses eligibility to purchase health care through the alliance solely because the business of the small employer member expands to more than 50 and fewer than 75 eligible employees, the small employer member may, at its next renewal date, purchase coverage through the alliance for not more than 1 additional year. A small employer health alliance shall establish conditions of participation in the alliance by a small employer, including, but not limited to:~~

~~1. Assurance that the small employer is not formed for the purpose of securing health benefit coverage.~~

~~2. Assurance that the employees of a small employer have not been added for the purpose of securing health benefit coverage.~~

Section 9. Section 627.65612, Florida Statutes, is created to read:

627.65612 Preexisting conditions coverage.—

(1) As used in this section, the term “preexisting condition” means a condition that was present before the effective date of coverage under a group health insurance policy, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.

(2) A group health insurance policy issued or delivered in this state may not exclude, limit, deny, or delay coverage due to a preexisting condition.

Section 10. Subsection (45) is added to section 641.31, Florida Statutes, to read:

641.31 Health maintenance contracts.—

(45)(a) As used in this subsection, the term “preexisting condition” means a condition that was present before the effective date of coverage under a health maintenance contract, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. The term includes a condition identified as a result of a preenrollment questionnaire or physical examination given to the individual, or review of medical records relating to the preenrollment period.

(b) A health maintenance contract issued or delivered in this state may not exclude, limit, deny, or delay coverage due to a preexisting condition.

Section 11. Study of state essential health benefits benchmark plan; report.—

(1) As used in this section, the term:

(a) “EHB-benchmark plan” has the same meaning as provided in 45 C.F.R. s. 156.20.

(b) “Office” means the Office of Insurance Regulation.

(2) The office shall conduct a study to evaluate this state’s current EHB-benchmark plan for nongrandfathered individual and group health plans and options for changing the EHB-benchmark plan pursuant to 45 C.F.R. s. 156.111 for future plan years. In conducting the study, the office shall:

(a) Consider EHB-benchmark plans and benefits under the 10 essential health benefits categories established under 45 C.F.R. s. 156.110(a) which are used by the other 49 states;

(b) Compare the costs of benefits within such categories and overall costs of EHB-benchmark plans used by other states with the costs of benefits within the categories and overall costs of the current EHB-benchmark plan of this state; and

(c) Solicit and consider proposed individual and group health plans from health insurers and health maintenance organizations in developing recommendations for changes to the current EHB-benchmark plan.

(3) By October 30, 2019, the office shall submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives which must include recommendations for changing the current EHB-benchmark plan to provide comprehensive care at a lower cost than this state’s current EHB-benchmark plan. In its report, the office shall provide an analysis as to whether proposed health plans it receives under paragraph (2)(c) meet the requirements for an EHB-benchmark plan under 45 C.F.R. s. 156.111(b).

Section 12. If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 13. Except as otherwise expressly provided in this act, this act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to health plans; amending s. 624.438, F.S.; revising eligibility requirements for multiple-employer welfare arrangements; creating s. 627.443, F.S.; defining the terms “EHB-benchmark plan” and “PPACA”; authorizing health insurers and health maintenance organizations to create new health insurance policies and health maintenance contracts meeting certain criteria for essential

health benefits under the federal Patient Protection and Affordable Care Act (PPACA); providing that such criteria may be met by certain means; providing construction; providing that such policies and contracts created by health insurers and health maintenance organizations may be submitted to the Office of Insurance Regulation for certain purposes; repealing s. 627.6045, F.S., relating to preexisting conditions; creating s. 627.6046, F.S.; defining the term “preexisting condition”; prohibiting nongrandfathered individual health insurance policies, from excluding, limiting, denying, or delaying coverage due to preexisting conditions; amending s. 627.6425, F.S.; revising the definition of the term “individual health insurance” relating to renewability of individual coverage; creating ss. 627.6426 and 627.6525, F.S.; defining the term “short-term health insurance”; providing disclosure requirements for short-term individual, group, blanket, and franchise health insurance policies; prohibiting such contracts from excluding, limiting, denying, or delaying coverage due to preexisting conditions; amending s. 627.654, F.S.; revising requirements for, and applicability relating to, association and small employer policies; creating s. 627.65612, F.S.; defining the term “preexisting condition”; prohibiting group health insurance policies from excluding, limiting, denying, or delaying coverage due to preexisting conditions; amending s. 641.31, F.S.; defining the term “preexisting condition”; prohibiting health maintenance contracts from excluding, limiting, denying, or delaying coverage due to preexisting conditions; defining the terms “EHB-benchmark plan” and “office”; requiring the office to conduct a study evaluating this state’s current benchmark plan for essential health benefits under PPACA and options for changing the benchmark plan for future plan years; requiring the office, in conducting the study, to consider plans and certain benefits used by other states and to compare costs with those of this state; requiring the office to solicit and consider proposed health plans from health insurers and health maintenance organizations in developing recommendations; requiring the office, by a certain date, to provide a report with certain recommendations and a certain analysis to the Governor and the Legislature; providing for severability; providing effective dates.

CS for SB 7068—A bill to be entitled An act relating to transportation; creating s. 338.2278, F.S.; creating the Multi-use Corridors of Regional Economic Significance Program within the Department of Transportation; providing the purpose of the program; specifying the corridors included in the program; specifying that projects undertaken in the corridors are tolled facilities and certain approved turnpike projects, and are considered as Strategic Intermodal System facilities; requiring the department to identify certain opportunities to accommodate or colocate multiple types of infrastructure-addressing issues during the project development phase; requiring the department to utilize an inclusive, consensus-building mechanism for each proposed multi-use corridor identified during the project development phase; requiring the department to convene a corridor task force composed of certain representatives for each multi-use corridor; requiring the secretary of the department to appoint the members of the respective corridor task forces by a specified date; providing requirements for the corridor task forces; requiring the department to adhere to certain recommendations of the task force created for each corridor; authorizing the task force for each corridor to consider and recommend certain innovative concepts; authorizing the department, in consultation with the Department of Environmental Protection, to incorporate certain features into each corridor during the project development phase; requiring each corridor task force to submit a certain report to the Governor and the Legislature by a specified date; requiring the department to provide affected local governments with a copy of the applicable task force report and project alignments; requiring a local government that has an interchange within its jurisdiction to review the applicable task force report and its local comprehensive plan by a specified date; providing requirements for the local government review; providing specified requirements that must be met before project construction in any identified corridor is eligible for funding; providing exceptions to such requirements; authorizing sources of funding for the projects; authorizing the department to accept certain donations of land for the projects; requiring that certain toll revenues from the turnpike system be used to repay advances received from the State Transportation Trust Fund; providing requirements for the department relating to certain delegated responsibilities; requiring the department to perform a specified project evaluation on certain projects; requiring that certain decisions on projects be determined in accordance with applicable department rules, policies, and procedures; providing design requirements for corridor configuration, project alignment, and interchange locations; authorizing the Division of Bond Finance, on behalf of the department, to issue certain bonds to finance projects in the program, as provided in the State Bond Act; providing specified dates for the construction of the projects and opening of the corridors; providing for specified transfers from the State Transportation Trust Fund to the General Revenue Fund; providing for specified allocations of such transfers; providing requirements for use of funds allocated to the Transportation Disadvantaged Trust Fund; providing that allocated funds are in addition to any other statutory funding allocations; requiring that specified uncommitted funds be used by the department to fund program projects; authorizing the adopted work program to be amended to transfer funds between appropriations categories or to increase an appropriation category for a certain purpose; authorizing the department to waive consideration of certain matching funds relating to specified programs for hurricane-impacted counties with respect to certain project awards; amending s. 334.044, F.S.; requiring that the department, in consultation with affected stakeholders, provide a road and bridge construction workforce development program for construction of projects designated in the department's work program; providing intent for the workforce development program; providing requirements for the department and the program; authorizing the department to administer certain workforce development contracts with consultants and nonprofit entities; providing primary purposes for such entities; requiring the department to prepare and provide a certain report to the Governor and the Legislature by a specified date; amending s. 320.08, F.S.; deleting a requirement that specified fees from annual license taxes be deposited into the General Revenue Fund; creating s. 339.1373, F.S.; requiring that the department allocate sufficient funds to implement the Multi-use Corridors of Regional Economic Significance Program, develop a plan to expend revenues, and, prior to its adoption, amend the current tentative work program for specified fiscal years to include program projects; requiring the department to submit a certain budget amendment; requiring that specified increases in revenue to the State Transportation Trust Fund be used by the department to fund the Multi-use Corridors of Regional Economic Significance Program; amending s. 339.0801, F.S.; limiting to specified fiscal years a previously authorized transfer of funds to Florida's Turnpike Enterprise; requiring that, beginning with a specified fiscal year, such transfer be allocated for a certain purpose with certain specified preferences; creating s. 337.1101, F.S.; specifying requirements for the department when the department or any entity or enterprise within the department

determines that it is in the best interest of the public to resolve a certain protest of the award of a certain contract; providing requirements for a certain memorandum; providing requirements for certain notifications; prohibiting the department from pledging any current or future action by another branch of state government as a condition of any procurement action; requiring certain settlements to be contingent upon and subject to legislative appropriation or statutory amendment; authorizing the department to agree to use its efforts to procure legislative funding or statutory amendments; providing an effective date.

—as amended April 23, was read the third time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Lee moved the following amendment which was adopted by two-thirds vote:

Amendment 1 (532226)—Delete lines 755-803 and insert:

(a) *Document in a written memorandum by the secretary the specific reasons that such settlement and payment to a nonselected responsive bidder is in the best interest of the state. The written memorandum must be included and maintained in the department’s permanent files concerning the procurement and must include:*

1. *A description of the property rights, patent rights, copyrights, trademarks, or the engineering design or other design work that the department will acquire or retain as a result of such settlement; and*

2. *The specific appropriation in the existing General Appropriations Act which the department intends to use to provide such payment.*

(b) *Provide prior written notification to the President of the Senate, the Speaker of the House of Representatives, the Senate and House of Representatives minority leaders, the chair and vice chair of the Legislative Budget Commission, and the Attorney General at least 5 business days, or as soon thereafter as practicable, before the department makes the settlement agreement final. Such written notification must include the written memorandum required pursuant to paragraph (a).*

(c) *Provide, at the time settlement discussions regarding any such payment have begun in earnest, written notification of such discussions to the President of the Senate, the Speaker of the House of Representatives, the Senate and House of Representatives minority leaders, the chair and vice chair of the Legislative Budget Commission, and the Attorney General.*
